Item 3. Source and Amount of Funds or Other Consideration.

As described in Item 5(c) below, Brean Murray purchased the 76,524 shares of Common Stock for an aggregate purchase price of \$158,462.19 and financed the purchase through cash on hand.

Item 4. Purpose of Transaction.

The Reporting Persons acquired the shares of Common Stock of the Issuer for general investment purposes. The Reporting Persons will continuously evaluate their ownership of Common Stock and the Issuer's business and industry. Depending on market conditions and other factors that the Reporting Persons may deem material to their investment decision, including the availability of other investment opportunities, each Reporting Person may from time to time acquire additional shares of Common Stock that such Reporting Person now owns or may hereafter acquire.

Without limitation of the foregoing (and consistent with their investment purpose), the Reporting Persons will continue to consider alternative courses of action and will in the future take such actions with respect to their investment in the Issuer as they deem appropriate in light of the circumstances existing from time to time. Such actions, in addition to that discussed above, may include making recommendations to members of management concerning various business strategies, acquisitions, policies, seeking to acquire control of the Issuer through a merger, proxy solicitation, tender offer, significant equity investment, exchange offer or otherwise, or such other actions as the Reporting Persons may deem appropriate.

Item 5. Interest in Securities of the Issuer.

(a) The Reporting Persons may be deemed to be a group according to the rules under the Act, and as such a group, may be deemed to beneficially own an aggregate of 559,266 shares of Common Stock as of September 16, 2009, which was approximately 18.09% of the outstanding Common Stock on such date (all computations of the percentage of Common Stock set forth herein are based on a total of 3,091,350 shares of Common Stock outstanding as of August 1, 2009 as reported in the Issuer's annual 10-K statement, as filed with the Securities and Exchange Commission on June 30, 2009). As of September 16, 2009, each Reporting Person beneficially owns the following number of shares of Common Stock:

(b) Brean is deemed to solely have the power to vote or to direct the vote of, and to dispose or direct the disposition of, the Common Stock beneficially owned by Brean. Because of their relationship to Brean as identified in Item 2 above, each of Q Management, as Trustee of PQII and as Trustee of PQ III, Vicali, Demers, Findlay, Q Management and Quasha share voting and dispositive power with regard to the Common Stock owned by Brean and, therefore, may be deemed to have indirect beneficial ownership of the Common Stock owned by Brean.
