Item 4. Purpose of Transaction

On October 1, 2013, the Fund entered into a stock purchase agreement (the "Purchase Agreement") with the Issuer for the purchase of Common Stock as described in Item 3. The Purchase Agreement contains customary representations, warranties and covenants of the Issuer and the Fund, and the Issuer has agreed to indemnify the Fund, subject to certain limitations, in the event of a breach of the Issuer's representations or warranties or the failure of the Issuer to fulfill any covenants in the Purchase Agreement. The Purchase Agreement also requires the Issuer to file and maintain the effectiveness of a registration statement covering the Fund's resale of the shares of Common Stock acquired under the Purchase Agreement.

In addition, pursuant to the Purchase Agreement, the Issuer filed a Preliminary Schedule 14C with the Securities and Exchange Commission on October 3, 2013, pursuant to which it notified holders of Common Stock of the written consent of the holders of a majority of the outstanding shares of Common Stock and the holder of the one outstanding share of Series A Preferred Stock, approving an amended and restated version of the Issuer's Certificate of Incorporation (the "Amended Certificate") to, among other things, (i) authorize the issuance of the one share of Special Stock, par value \$0.01 ("Special Stock"), which will be issued and sold to the Fund for the par value of such share payable in cash and (ii) provide that, from the issuance of the one share of Special Stock and until the Special Stock Ownership Threshold (as defined in the Amended Certificate) is no longer satisfied, one director of the five-member Board be elected by the holder of the share of Special Stock or its affiliated designee and the number of directors of the Board elected by the holders of Common Stock be reduced from three to two.

The responses set forth in Items 3 and 6 hereof are incorporated by reference in their entirety.

The Fund acquired the shares of Common Stock of the Issuer because TAM believes the Common Stock represented at the time of the acquisition and currently represents an attractive investment. In addition, TAM will have the opportunity to appoint a member to the Issuer's Board, enabling such member to have input on the Issuer's strategic decisions with the aim of increasing the value of the Common Stock.
