Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Pursuant to Section 3.21 of the Agreement and Plan of Merger, Mr. Goldstein entered into a voting agreement and irrevocable proxy whereby Mr. Goldstein agrees to vote his shares of RCG Common stock (i) for a period of three years in favor of Michael Pruitt as a member of the RCG Board of Directors, provided that Mr. Pruitt holds 750,000 shares of RCG Common stock at the time of the nomination; and (ii) to vote for the remaining nominees nominated by the RCG board for a one year term beginning at the Effective Time of the merger.

Mr. Goldstein and the Company also entered into a Registration Rights Agreement dated February 1, 2005, pursuant to which the Company has agreed to file a Rule 415 shelf registration statement. The Registration Rights Agreement provides that neither the Company nor any of its security holders may piggy-back securities of the Company in the registration statement other than the foregoing registerable securities. The Company has also agreed not file any other registration statements until the initial registration statement is declared effective by the SEC. However, the Registration Rights Agreement permits piggy-back registration if at any time during the effectiveness period of the registration statement there is not an effective registration statement covering the foregoing securities. The Registration Rights Agreement also provides that the Company will pay the costs and expenses, other than underwriting discounts and commissions, related to the registration and sale of shares that are registered pursuant to the registration rights agreement.
