-

ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

On November 18, 2005, Apollo Gold Corporation, a Yukon territory corporation (“Apollo”) and Apollo Gold, Inc., a Delaware corporation, closed the previously announced sale to a wholly owned subsidiary of Jipangu Inc. (“Jipangu”) of Florida Canyon Mining, Inc., Standard Gold Mining, Inc., and Apollo Gold Exploration, Inc. (collectively, the “Sold Subsidiaries”) for US\$14 million. The Sold Subsidiaries own and operate the Florida Canyon and Standard mines and hold several nearby exploration properties. The purchase price was the result of negotiations between the parties based in part on discounted estimates of future cash flow of the Sold Subsidiaries and the terms and conditions of the related agreements.

As previously announced, Apollo and Jipangu entered into a subscription agreement for a US\$3.5 million private placement under which Jipangu will purchase up to 11,650,000 units of Apollo priced at Cdn\$0.35 per unit, with each unit consisting of one common share of Apollo and 0.17167 of a warrant (for a total of up to 2,000,000 warrants), with each whole warrant exercisable for two years at Cdn\$0.39 for one common share. The private placement is scheduled to close on January 18, 2006. If the private placement is completed and the warrants are exercised, Jipangu would own in the aggregate 19.7% of Apollo’s common shares based on 106,556,451 common shares outstanding as of November 17, 2005. Jipangu presently holds 9.4% of Apollo’s common shares.

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS

The following Exhibits are incorporated herein by reference.

(c) Exhibits
