2

PROPOSAL - AMENDMENT TO THE ARTICLES OF INCORPORATION

The Company's directors propose an amendment to the Company's Articles of Incorporation to change the name of the Company to "Crown Equity Holdings Inc."

Purpose of Changing the Company's Name

The Company originally changed its name to its current name in connection with the proposed acquisition of a medical waste business. The Company was unable to complete that transaction and its current name indicates that the Company is engaged in the medical waste business, which is not accurate at the present time.

General Corporate Purposes

In addition to the reasons set forth above, the Company's directors believe that it is desirable to have a name that more accurately reflects the nature of the Company's proposed future operations and reflects its status of a subsidiary of Crown Partners, Inc., its majority shareholder. The Company's directors believe that this will make the Company more attractive to entities interested in being acquired by the Company as well as for possible future financings, possible future acquisition transactions, and other general corporate purposes.

Amendment of Articles of Incorporation

The amendment to the Company's Articles of Incorporation provides for the

Edgar Filing: MICRO BIO-MEDICAL WASTE SYSTEMS, INC. - Form DEF 14C

change of the Company's name to "Crown Equity Holdings Inc."

The amendment to the Company's Articles of Incorporation shall be filed with the Nevada Secretary of State so that Article One of the Articles of Incorporation shall be changed as follows:

ARTICLE ONE [Name]. The name of the Corporation is Crown Equity Holdings Inc.

Advantages and Disadvantages of Changing the Name of the Company

There are certain advantages and disadvantages of voting for a name change for the Company. The advantages include:

- o To have the name more accurately reflect the current business plan of the Company.
- o To be more attractive to and to attract potential business acquisitions, if any.
- o The disadvantages include:
- o Confusion to current shareholders concerning the name of the Company and the trading symbol under which the Company's common stock trades since upon the effective date of the name change, the Company's trading symbol will change. This could cause the market price of our stock to decline in the short term until shareholders and potential buyers learn our new trading symbol.

Description Of Securities

General

The Company's authorized capital consists of 500,000,000 shares of common stock, par value \$0.001 per share. On August 31, 2006, there were 5,324,465 outstanding shares of common stock. Set forth below is a description of certain provisions relating to the Company's capital stock. For additional information, please refer to the Company's Articles of Incorporation and By-Laws and the Nevada General Corporate Laws.

3

Common Stock

Each outstanding share of common stock has one vote on all matters requiring a vote of the stockholders. There is no right to cumulative voting; thus, the holder of fifty percent or more of the shares outstanding can, if they choose to do so, elect all of the directors. In the event of a voluntary or involuntary liquidation, all stockholders are entitled to a pro rata distribution after payment of liabilities and after provision has been made for each class of stock, if any, having preference over the common stock. The holders of the common stock have no preemptive rights with respect to future offerings of shares of common stock. Holders of common stock are entitled to dividends if, as and when declared by the Board of Directors out of the funds legally available therefore at that time. It is the Company's present intention to retain earnings, if any, for use in its business. The payment of dividends on the common stock are, therefore, unlikely in the foreseeable future.

The Company has no authorized shares of preferred stock.

Edgar Filing: MICRO BIO-MEDICAL WASTE SYSTEMS, INC. - Form DEF 14C

Dividends

The Company has not paid any dividends to date. There are no restrictions on the common stock or otherwise that limit the ability of us to pay cash dividends if declared by the Board of Directors. The holders of common stock are entitled to receive dividends if and when declared by the Board of Directors, out of funds legally available therefore and to share pro-rata in any distribution to the shareholders. Generally, we are not able to pay dividends if, after payment of the dividends, we would be unable to pay our liabilities as they become due or if the value of our assets, after payment of the liabilities, is less than the aggregate of our liabilities and stated capital of all classes. We do not anticipate declaring or paying any cash dividends in the foreseeable future.

Transfer Agent

The Company's transfer agent is Signature Stock Transfer, Inc. Their address is 2301 Ohio Drive, Suite 100, Plano, Texas 75093; their telephone number is (972) 612-4120.

Anti-Takeover Effects Of Provisions Of The Articles of Incorporation

Authorized but unissued shares of common stock and preferred stock would be available for future issuance without our shareholders' approval. These additional shares may be utilized for a variety of corporate purposes including, but not limited to, future public or direct offerings to raise additional capital, corporate acquisitions and employee incentive plans. The issuance of such shares may also be used to deter a potential takeover of the Company that may otherwise be beneficial to shareholders by diluting the shares held by a potential suitor or issuing shares to a shareholder that will vote in accordance with the Company's Board of Directors' desires at that time. A takeover may be beneficial to shareholders because, among other reasons, a potential suitor may offer shareholders a premium for their shares of stock compared to the then-existing market price.

Additional Information

Certain financial and other information required pursuant to Item 13 of the Proxy Rules is incorporated by reference to the Company's Annual Report on Form 10-KSB for the year ended December 31, 2005, and the Company's Quarterly Report on Form 10-QSB for the six months ended June 30, 2006.

INTEREST OF CERTAIN PERSONS IN OR OPPOSITION TO MATTERS TO BE ACTED UPON

(a) No officer or director of the Company has any substantial interest in the matters to be acted upon, other than his role as an officer or director of the Company.

4

(b) No director of the Company has informed the Company that he intends to oppose the proposed action to be taken by the Company set forth in this information statement.

PROPOSALS BY SECURITY HOLDERS

No security holder has requested the Company to include any proposals in this information statement.
