Item 1.01

Entry into a Material Definitive Agreement.

On February 10, 2010, Capital Gold Corporation (the “Company”) entered into a business combination agreement (the “Business Combination Agreement”) with Nayarit Gold Inc., (“Nayarit”), a corporation organized under the Ontario Business Corporation Act (“OBCA”), John Brownlie, Colin Sutherland and Bradley Langille. Pursuant to the terms of the Business Combination Agreement, the Company and Nayarit intend to effect an amalgamation (the “Amalgamation”) of Nayarit and a corporation, to be organized under the OBCA as a wholly-owned subsidiary of the Company (“Merger Sub”), to form a combined entity (“AmalgSub” or “Surviving Company”), with AmalgSub continuing as the surviving entity following the Amalgamation. By virtue of the Amalgamation, the separate existence of each of Nayarit and Merger Sub shall thereupon cease, and AmalgSub, as the surviving company in the Amalgamation, shall continue its corporate existence under the OBCA as a wholly-owned subsidiary of the Company. Pursuant to the terms of the Business Combination Agreement, by virtue of the Amalgamation and without any action on the part of Nayarit or the holders of any securities of Nayarit, all of the Nayarit shares of common stock (the “Nayarit Common Shares”) issued and outstanding immediately prior to the consummation of the Business Combination Agreement (other than Nayarit Common Shares held by dissenting stockholders of Nayarit) shall become exchangeable into the Company’s common stock on the basis of 0.134048 shares of Company common stock for each one (1) Nayarit Common Share (the “Amalgamation Consideration”).

The board of directors for each of the Company and Nayarit have unanimously approved the Business Combination Agreement and recommend that their respective stockholders vote to approve the Business Combination Agreement, and each other proposal to be set forth in the definitive proxy statement/prospectus, at the special meeting of the Company’s stockholders to be held.

Nayarit is a Canadian mineral exploration company engaged in locating, acquiring and exploring for gold, silver and base metals primarily in Mexico. Nayarit has a majority-owned (98%) subsidiary in Mexico, Nayarit Gold de México, S.A. de C.V. (“Nayarit Mexico”), which was organized to hold directly the titles to the concessions and to operate in Mexico and holds a 100% interest in the concessions, located in the municipalities of Acaponeta, Tecuala and Rosa Morada, in the state of Nayarit.

If approved, the Amalgamation is expected to be consummated promptly following the receipt by the Company of approval from its stockholders, and Nayarit of approval from its stockholders, and the satisfaction or waiver of other conditions described herein and the Business Combination Agreement.

The Business Combination Agreement is described in greater detail below. This description of the Business Combination Agreement is qualified in its entirety by reference to the full text of such agreement which is attached hereto as Exhibit 2.1 and incorporated by reference herein. You are urged to read the entire Business Combination Agreement and the other exhibits attached hereto.

Closing and Effective Time of the Amalgamation

The Amalgamation is expected to be consummated promptly following the satisfaction or waiver of the conditions described below under the subsection entitled “Conditions to the Closing of the Amalgamation,” unless the Company and Nayarit agree in writing to hold the closing at another time but in no event will such time be later than 120 days after the date of the Business Combination Agreement.

Consideration

All of the Nayarit Common Shares issued and outstanding immediately prior to the time that the Amalgamation becomes effective (“Effective Time”) (other than Nayarit Common Shares held by Nayarit Dissenting Stockholders (as defined below)) shall become exchangeable into the Company’s common stock on the basis of 0.134048 shares of Company common stock for each one (1) Nayarit Common Share (the “Amalgamation Consideration”). This ratio takes into account the recently effected reverse split of the Company’s outstanding common stock at a ratio of four (4) shares for every one (1) outstanding share.

Upon the exchange of Nayarit Common Shares for shares of the Company’s common stock, all Nayarit Common Shares shall, by virtue of the Amalgamation and without any action on the part of the holders of Nayarit Common Shares, be automatically cancelled and shall cease to exist, and each holder of Nayarit Common Shares will cease to have any rights with respect thereto, except the right to receive the Amalgamation Consideration, subject to the terms and conditions of the Business Combination Agreement.

Lock-ups

At the closing (“Closing”) of the Amalgamation, John Brownlie, Colin Sutherland and Bradley Langille each shall enter into a “lock-up” agreement (a “Lock Up Agreement”) pursuant to which each of Messrs. Brownlie, Sutherland and Langille shall agree, for a period of six (6) months from the date of which the Closing occurs (the “Closing Date”), that they each shall neither, on his behalf or on behalf of entities, family members or trusts affiliated with or controlled by him, offer, issue, grant any option on, sell or otherwise dispose of any portion of the Amalgamation Consideration issued to such Person.
