Item 8.01.

Other Events.

On June 8, 2010, XsunX, Inc., a Colorado corporation (the "Company") released a letter to shareholders providing information related to a government grant XsunX intends to apply for in response to a recent Funding Opportunity Announcement (FOA) from the U.S. Department of Energy (DOE). The Company believes that its technology development efforts associated with the combination of cross-industry specialties for the manufacture of CIGS solar cells may closely fit the FOA's overall scope that states as a goal to "identify and accelerate the development of cross-cutting and unique products or processes that are expected to have a disruptive impact on the photovoltaics (PV) industry." A copy of the Shareholder Newsletter is attached hereto as Exhibit 99.1 and is hereby incorporated by reference into this Item 8.01.
