Item 1.01 Entry Into a Material Definitive Agreement.

Effective as of December 22, 2011, Chemtura Corporation (“Chemtura”) entered into Amendment No. 2 (the “Amendment”) to the Senior Secured Revolving Facility Credit Agreement dated as of November 10, 2010 (as amended, the “Senior Asset Based Facility Agreement”), among Chemtura and certain of its subsidiaries named therein, as borrowers, Bank of America, N.A., as administrative agent and collateral agent (the “Administrative Agent”), the other agents party thereto and the Initial Lenders and other Lenders party thereto. The Amendment modifies certain of the negative covenants to give Chemtura, the other borrowing subsidiaries, the guarantors and their respective subsidiaries additional flexibility, including, without limitation, the covenants imposing limitations on incurrence of indebtedness, liens and investments. In particular, the Amendment provides limited increases in the amount of indebtedness that Chemtura, the other borrowing subsidiaries, the guarantors and their respective subsidiaries (including foreign subsidiaries) are permitted to incur. The Amendment also provides limited increases in the permitted amount of liens on assets (other than assets that are included in the borrowing base for the Senior Asset Based Facility Agreement) of Chemtura, the other borrowing subsidiaries, the guarantors and their respective subsidiaries. In addition, the Amendment permits Chemtura and its subsidiaries greater freedom to make investments, dividends, and repayments of other debt if certain borrowing availability tests under the Senior Asset Based Facility Agreement are met.

The foregoing summary of the Amendment is qualified in its entirety by reference to the actual Amendment No. 2 to the Senior Asset Based Facility Agreement, which is attached hereto as Exhibit 4.1, and is incorporated herein by reference.
