(1) Options granted become exercisable over a period of three years after the date of grant at the rate of one-third per year, except that they become immediately exercisable upon death, disability or qualified retirement. Options generally expire ten years after the date of grant under these plans. The non-exercisable stock options with the following expiration dates will vest as indicated below:

Expiration Date	Vesting Schedules
12/08/2019	The remaining one third will vest December 8, 2012
2/11/2021	One third will vest February 11, 2013, the remaining one third will vest February 11, 2014

(2) The Company's stock options are granted at the Board meeting in February each year, with a grant date that is generally three business days after the Company's report of financial results for the prior year, to employees already in the equity incentive program, and to newly hired executive officers at the HR Committee meeting following the executive officer's employment date. Prior to 2011, the Company's equity grants to employees already in the equity incentive program were made at the December Board meeting each year. The exercise price reflects the closing price of DENTSPLY Common Stock on the grant date.
