Section 7 – Regulation FD

Item 7.01 Regulation FD Disclosure.

As previously reported, on November 14, 2012, Overseas Shipholding Group, Inc. (“OSG”) and certain of its subsidiaries (together with OSG, the “Debtors”) filed voluntary petitions for reorganization (the “Chapter 11 Petitions”) under Chapter 11 of the U.S. Code (the “Bankruptcy Code”) in the Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”).

On February 15, 2013, the Debtors filed their monthly operating reports for the period November 14, 2012 through November 30, 2012 and for the month ended December 31, 2012, respectively (together, the “Monthly Operating Reports”), with the Bankruptcy Court. The Monthly Operating Reports are attached hereto as Exhibit 99.1 and Exhibit 99.2 and are incorporated herein by reference. This current report (including the exhibits hereto or any information included therein) shall not be deemed an admission as to the materiality of any information required to be disclosed solely by reason of Regulation FD.

OSG is furnishing this Form 8-K pursuant to Item 7.01, “Regulation FD Disclosure.” The information contained in this current report shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

FINANCIAL AND OPERATING DATA

As disclosed in the Forms 8-K filed by OSG with the Securities and Exchange Commission (“SEC”) on October 3, 2012 and October 22, 2012, OSG is in the process of reviewing a tax issue arising from the fact that OSG is domiciled in the United States and has substantial international operations, and relating to the interpretation of certain provisions contained OSG’s loan agreements. As a result of that continuing process, on October 19, 2012, the Audit Committee of the Board of Directors of OSG, on the recommendation of management, concluded that OSG’s previously issued financial statements for at least the three years ended December 31, 2011 and associated interim periods, and for the fiscal quarters ended March 31 and June 30, 2012, should no longer be relied upon. The Audit Committee and authorized officers have informed OSG’s independent registered public accountants of this conclusion. OSG is continuing its review processes, including determining whether a restatement of those financial statements may be required, and the nature and amount of any potential restatement. Due to OSG’s continuing review processes, the Monthly Operating Reports contained herein are prepared without any consideration of income taxes, including income taxes with respect to prior periods, and should be evaluated taking into consideration the recommendation of

management that OSG's previously issued financial statements for at least the three years ended December 31, 2011 and associated interim periods, and for the fiscal quarters ended March 31 and June 30, 2012, should no longer be relied upon.

OSG cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Reports, which were not prepared for the purpose of providing the basis for an investment decision relating to any of the securities of OSG. OSG cannot predict what the ultimate value of any of its securities may be and it remains too early to determine whether holders of any such securities will receive any distribution in the Debtors' reorganization. In particular, in most cases under Chapter 11 of the Bankruptcy Code, holders of equity securities receive little or no recovery of value from their investment. The Monthly Operating Reports are limited in scope, cover limited time periods and have been prepared solely for the purpose of complying with the monthly reporting requirements of the Office of the United States Trustee of the District of Delaware and the Bankruptcy Court. The Monthly Operating Reports were not audited or reviewed by independent accountants, are in a format prescribed by applicable bankruptcy laws and regulations and are subject to future adjustment and reconciliation. The Monthly Operating Reports do not include all of the adjustments, information and footnotes required by U.S. generally accepted accounting principles. Therefore, the Monthly Operating Reports do not necessarily contain all information required in filings pursuant to the Exchange Act, or may present such information differently from such requirements. There can be no assurance that, from the perspective of an investor or potential investor in OSG's securities, the Monthly Operating Reports are complete. Results set forth in the Monthly Operating Reports should not be viewed as indicative of future results.
