QUESTIONS AND ANSWERS

The following is qualified in its entirety by the more detailed information contained in this proxy statement. The following questions and answers are provided for your convenience and briefly address some commonly asked questions about the annual meeting. These questions and answers may not address all questions that may be important to you as a stockholder. Stockholders are urged to carefully read this proxy statement in its entirety.

WHY DID I RECEIVE A NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS ON THE INTERNET?

Pursuant to rules adopted by the Securities and Exchange Commission, or the SEC, we have elected to provide access to our proxy materials to our stockholders over the internet. Accordingly, we are sending by mail only a Notice of Internet Availability of Proxy Materials (the "Notice"), to our stockholders of record and posting our proxy materials online at www.proxyvote.com. The Notice contains only an overview of the complete proxy materials available. Stockholders are strongly encouraged to access and review all the proxy materials on the website referred to in the Notice or request a paper or electronic copy of the full set of the proxy materials for review prior to voting. Instructions on how to access the proxy materials over the internet or to request a paper or electronic copy of the full set of the proxy materials may be found in the Notice. We intend to mail the Notice on or about January 8, 2015 to all stockholders of record as of December 23, 2014.

IF I RECEIVED A NOTICE, WILL I RECEIVE ANY PROXY MATERIALS BY MAIL OTHER THAN THE NOTICE?

No. If you received a Notice, you will not receive any other proxy materials by mail unless you request a paper or electronic copy of the proxy materials. To request that a full set of the proxy materials be sent to your specified postal or email address, please go to www.proxyvote.com or call 1-800-579-1639, or send email to sendmaterial@proxyvote.com.

WHAT AM I VOTING UPON?

At the Annual Meeting, stockholders will be asked to take action:

- (1) To elect four (4) directors, as described in this Proxy Statement;
- (2) To consider and vote on an amendment to the Articles of Incorporation of the Company to increase the authorized shares of common stock;
- (3) To consider and vote on our 2014 Equity Incentive Plan;
- (4) To consider and vote upon a proposal to ratify the selection of Squar, Milner, Peterson, Miranda & Williamson, LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2015;
- (5) To approve, on an advisory basis, the compensation of our named executive officers;
- (6) To vote, on an advisory basis, on the frequency of holding an advisory vote on the compensation of our named executive officers; and

- (7) To transact such other business as may properly come before the Annual Meeting.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

Only holders of record of our common stock at the close of business on December 23, 2014, the record date, will receive notice of, and be entitled to vote at, our Annual Meeting. At the close of business on the record date, 99,214,112 shares of common stock, par value \$0.001 per share, were outstanding and entitled to vote. Our common stock is our only class of outstanding voting securities.

Stockholder of Record: Shares Registered in Your Name

If, on December 23, 2014, your shares were registered directly in your name with our transfer agent, Interwest Transfer Company, Inc., then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to sign, date and return the enclosed proxy card to ensure your vote is counted. By returning a properly signed and dated proxy card, you are authorizing the individuals listed on the proxy card to vote your shares in accordance with your instructions.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Agent

If, on December 23, 2014, your shares were held not in your name, but rather in an account at a bank, brokerage firm, or other agent or nominee, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your bank, broker or other agent or nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a power of attorney or other proxy authority from your bank, broker or other agent or nominee, and bring it to our Annual Meeting.

WHAT CONSTITUTES A QUORUM FOR THE ANNUAL MEETING?

A quorum of stockholders is necessary to hold a valid meeting. The presence, in person or by proxy, of the holders of at least a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. On the record date, there were 99,214,112 shares of common stock outstanding and entitled to vote. Thus, at least 49,607,057 shares must be represented by stockholders present at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement.

WHAT ARE THE VOTING RIGHTS OF THE HOLDERS OF OUR COMMON STOCK?

In deciding all matters, a holder of common stock on the record date will be entitled to cast one vote for each share of common stock registered in that holder's name, on each matter to be voted upon at the Annual Meeting.

HOW ARE VOTES COUNTED AND HOW ARE BROKER NON-VOTES TREATED?

Votes will be counted by the inspector of election appointed for the Annual Meeting who will separately count "For" votes, "Against" votes, abstentions, withheld votes and broker non-votes. Votes withheld, broker non-votes and abstentions are deemed as "present" at the Annual Meeting and are counted for quorum purposes.

If you hold shares in your name and you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board of Directors on all matters and as the proxy holder may determine in his/her discretion with respect to any other matters properly presented for a vote before the Annual Meeting.

If you hold your shares through a stockbroker, bank or other nominee and you do not provide instructions on how to vote, your stockbroker or other nominee may exercise their discretionary voting power with respect to certain proposals that are considered as "routine" matters. For example, Proposal 4 - ratification of the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as our independent registered public accounting firm is commonly considered as a routine matter, and thus your stockbroker, bank or other nominee may exercise their discretionary voting power with respect to Proposal 4. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform us that it does not have the authority to vote on these matters with respect to your shares. This is generally referred to as a "broker non-vote." When the vote is tabulated for any particular matter, broker non-votes will be counted for purposes of determining whether a quorum is present, but will not otherwise be counted. In the absence of specific instructions from you, your broker does not have discretionary authority to vote your shares with respect to Proposal 1 - the election of a director to our Board of Directors, Proposal 2 - to amend to our Articles of Incorporation to increase the authorized number of shares of common stock, Proposal 3 - adoption of our 2014 Equity Incentive Plan, Proposal 5 - the advisory vote to approve the compensation of the named executive officers, Proposal 6 - the advisory vote to determine the frequency of future advisory votes on the compensation of the named executive officers. We encourage you to provide voting instructions to the organization that holds your shares by carefully following the instructions provided in the notice.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal No. 1, the election of four directors, requires a plurality of the votes cast to elect a director. The four nominees receiving the most “For” votes (among votes properly cast in person or by proxy) will be elected. Only votes “For” will affect the outcome. Withheld votes or broker non-votes, will not affect the outcome of the vote on Proposal No. 1.

The proposals to amend our Articles of Incorporation to increase the authorized number of shares of common stock, and our 2014 Equity Incentive Plan will be approved if there is a quorum and the votes cast “FOR” the proposal exceeds those cast against the proposal. The proposal to ratify the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as our independent registered public accounting firm will be approved if there is a quorum and the votes cast “FOR” the proposal exceeds those cast against the proposal.

The advisory vote to approve the compensation of named executive officers will be approved if there is a quorum and the votes cast “FOR” the proposal exceeds those cast against the proposal. The advisory vote to determine the frequency of future advisory votes on the compensation of named executive officers requires the affirmative vote of the holders of the majority of the votes cast by the holders of the Company’s common stock at the annual meeting. Stockholders may either vote “ONE YEAR,” “TWO YEARS,” “THREE YEARS,” or “ABSTAIN.” If none of the alternatives receives the majority of votes cast, the Company will consider the alternative that receives the highest number of votes cast by stockholders to be the frequency selected by the stockholders. The approval of the advisory vote to approve the compensation of named executive officers and the approval of the advisory vote to determine the frequency of future advisory votes on the compensation of named executive officers are non-binding advisory votes.

Abstentions and broker non-votes will be treated as shares that are present, or represented and entitled to vote for purposes of determining the presence of a quorum at the annual meeting. Abstentions will not be counted in determining the number of votes cast in connection with any matter presented at the annual meeting. Broker non-votes will not be counted as a vote cast on any matter presented at the annual meeting.

WHO CONDUCTS THE PROXY SOLICITATION AND HOW MUCH DOES IT COST?

We are soliciting the proxies and will bear the entire cost of this solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement and any additional materials furnished to our stockholders. Copies of solicitation material will be furnished to banks, brokerage houses and other agents holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to these beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding the solicitation material to the beneficial owners. We have requested banks, brokerage houses and other custodians, nominees and

fiduciaries to forward all solicitation materials to the beneficial owners of the shares they hold of record. The original solicitation of proxies by mail may be supplemented by telephone, fax, Internet and personal solicitation by our directors, officers or other employees. Directors, officers and employees will not be paid any additional compensation for soliciting proxies.

HOW DO I VOTE IF I ATTEND THE ANNUAL MEETING?

If you are a stockholder of record, you can attend the Annual Meeting and vote in person the shares you hold directly in your name on any matters properly brought before the Annual Meeting. If you choose to do that, please bring the enclosed proxy card or proof of identification. If you want to vote in person at our Annual Meeting and you hold our common stock through a bank, broker or other agent or nominee (that is, in “street name”), you must obtain a power of attorney or other proxy authority from that organization and bring it to our Annual Meeting. Follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a power of attorney or other proxy authority. If you vote in person at the Annual Meeting, you will revoke any prior proxy you may have submitted.

HOW DO I VOTE IF I DO NOT ATTEND THE ANNUAL MEETING?

Stockholders of record who do not attend the Annual Meeting may vote by mail. To vote, please sign, date and return the enclosed proxy card by mail to attention of Ronald F. Dutt, Corporate Secretary, 985 Poinsettia Avenue, Suite A, Vista California 92081, or fax at 760-741-3535 by February 16, 2015.

By casting your vote by proxy, you are authorizing the individuals listed on the proxy card to vote your shares in accordance with your instructions. While we are not presently aware of any matters (other than procedural matters), which will be brought before the Annual Meeting and which are not reflected in the attached notice of the Annual Meeting, if any other matter is properly presented at the meeting, the individuals named on your proxy card will vote your shares using their discretion.

If you are a beneficial owner of shares registered in the name of your bank, broker or other agent or nominee, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the Proxy Card to ensure that your vote is counted. If you did not receive a proxy card, please follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a Proxy Card.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE NOTICE?

If you receive more than one Notice from us or your bank, this usually means that your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

HAS THE BOARD OF DIRECTORS MADE A RECOMMENDATION REGARDING THE MATTERS TO BE ACTED UPON AT THE ANNUAL MEETING?

Yes. Our Board of Directors recommends that you cast your vote:

- (1) “FOR” the election of the four (4) nominees for directors named herein;
- (2) “FOR” the amendment to our Articles of Incorporation to increase the authorized number of shares of common stock;
- (3) “FOR” the approval of our 2014 Equity Incentive Plan;
- (4) “FOR” the ratification of the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2015;
- (5) “FOR” the approval, on an advisory basis, of the compensation paid to our named executive officers; and
- (6) For the approval, on an advisory basis, of a THREE YEAR advisory vote on the compensation of our named executive officers.

CAN I CHANGE MY VOTE?

Yes. You may revoke your proxy by doing any of the following:

- (1) You may send a written notice that you are revoking your proxy to our Corporate Secretary at the address indicated below prior to the Annual Meeting.

- (2) You may submit another properly completed proxy card with a later date, so long as it is received by our Corporate Secretary prior to the Annual Meeting.
- (3) You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy. Any written notice of revocation, or later dated proxy, should be delivered to:

Flux Power Holdings, Inc.
Attn: Corporate Secretary
985 Poinsettia Avenue, Suite A
Vista, California 92081

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

HOW CAN I FIND OUT THE RESULTS OF THE VOTING AT THE ANNUAL MEETING?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in our current report on Form 8-K within four business days following the Annual Meeting.

Delivery of Notice and Requested Proxy Materials to Households

The Securities and Exchange Commission (“SEC”) has adopted rules that allow a company to deliver a single Notice to an address shared by two or more of its stockholders. This method of delivery, known as “householding,” permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to you. Under this process, certain stockholders will receive only one copy of our Notice and, as applicable, any requested proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. Any stockholders who object to or wish to begin householding may contact Mr. Ronald Dutt, our Chief Executive Office, orally by telephoning (877) 505-3589, by email at ron@fluxpwr.com, or in writing to **Flux Power Holdings, Inc.:** 985 Poinsettia Avenue, Suite A, Vista, California 92081. We will send an individual copy of the proxy statement to any stockholder who revokes their consent to householding within 30 days of our receipt of such revocation.

Interest of Officers and Directors in Matters to Be Acted Upon

None of the Company's officers or directors has any interest in any of the matters to be acted upon, except to the extent that a director is named as a nominee for election to the Board of Directors or a director or an officer may be granted equity award under our 2014 Equity Incentive Plan.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the four (4) nominees named below. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

Recommendation of the Board of Directors

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF ALL THE DIRECTOR NOMINEES, WHICH IS DESIGNATED AS PROPOSAL NO. 1.

PROPOSAL NO. 2

TO CONSIDER AN AMENDMENT TO ARTICLES OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors has declared the proposed amendment (“Amendment”) to be advisable and in the best interests of the Company and its stockholders and is accordingly submitting the proposed amendment to be voted on by the stockholders. On December 23, 2014, of the 145,000,000 currently authorized shares of Common Stock, approximately 134,661,149 shares were either issued or reserved for issuance. Shares reserved for issuance included approximately 1,583,333 shares reserved for the conversion of debt, approximately 27,762,014 for issuance upon the

exercise of outstanding warrants with expirations ranging from June 22, 2017 to March 12, 2019 and approximately 6,101,357 for issuance upon the exercise of outstanding options with expirations ranging from March 13, 2017 to March 23, 2024.

Based upon these issued and reserved shares of Common Stock, we currently have approximately 10,338,851 shares of Common Stock remaining available for issuance in the future for other corporate purposes.

The Articles of Incorporation also authorize the issuance of 5,000,000 shares of preferred stock, \$0.001 par value, none of which are issued or outstanding. The proposed Amendment would not change the authorized number of shares of preferred stock. There are currently no plans, arrangements, commitments or understandings with respect to the issuance of any shares of preferred stock.

Text of the Amendment

We propose to amend the first paragraph of Article VI of the Articles of Incorporation so that it would read in its entirety as follows:

The corporation shall have authority to issue three hundred million (300,000,000) shares of Common Stock at par value of \$0.001 per share; and five million (5,000,000) shares of Preferred Stock at a par value of \$0.001.

The only material changes that would be made to Article VI, as currently in effect, to increase the total number of shares of common stock that we may issue from one hundred and forty-five million (145,000,000) to three hundred million (300,000,000) shares.

The general purpose and effect of the Amendment is to increase our authorized share capital, which will enhance our ability to finance the development and operation of our business.

Our board of directors approved the Amendment to increase our authorized share of common stock so that such shares will be available for issuance for general corporate purposes, including financing activities, without the requirement of further action by our stockholders. Potential uses of the additional authorized shares may include public or private offerings, conversions of convertible securities, issuance of options pursuant to employee benefit plans, acquisition transactions and other general corporate purposes. Increasing the authorized number of shares of our common stock will give us greater flexibility and will allow us to issue such shares in most cases without the expense of delay of seeking stockholder approval. We are at all times investigating additional sources of financing which our board of directors believes will be in our best interests and in the best interests of our stockholders.

As discussed in Proposal No. 3 below, our adoption of the 2014 Equity Incentive Plan is subject to the approval of the Amendment. In addition, while we do not currently have any agreements for any transaction that would require the issuance of additional shares of common stock, as previously disclosed in our public filings with the Securities and Exchange Commission, in June 2013, we entered into a non-binding letter of intent (“LOI”) to acquire KleenSpeed Technologies (“KleenSpeed”), a company controlled by Tim Collins, our Executive Chairman. KleenSpeed develops technology for distributed energy markets, including grid storage. The LOI proposes that upon the successful closing of the acquisition, KleenSpeed will become a wholly-owned subsidiary of Flux Power. The LOI contemplates that 11 million shares of our common stock would be issued to KleenSpeed shareholders upon closing as consideration for the purchase of KleenSpeed. As of December 23, 2014, we are still pursuing acquisition of KleenSpeed but have yet to sign a definitive agreement.

The proposed Amendment will not have any immediate effect on the rights of existing stockholders. However, our board of directors will have the authority to issue authorized common stock without requiring future stockholders approval of such issuances, except as may be required by applicable law or exchange regulations. To the extent that additional authorized common shares are issued in the future, they will decrease the existing stockholders' percentage equity ownership and, depending upon the price at which they are issued, could be dilutive to the existing stockholders.

The increase in the authorized number of shares of our common stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of our company without further action by the stockholders. Shares of authorized and unissued common stock could be issued (within limits imposed by applicable law) in one or more transactions. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of common stock, and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company.

We do not have any provisions in our Articles of Incorporation , bylaws, or employment or credit agreements to which we are party that have anti-takeover consequences. We do not currently have any plans to adopt anti-takeover provisions or enter into any arrangements or understandings that would have anti-takeover consequences.

Dissenters' Rights of Appraisal

Under Nevada law, our stockholders are not entitled to appraisal rights with respect to the proposed Amendments and we will not independently provide our stockholders with any such right.

Recommendation of the Board of Directors

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE PROPOSED AMENDMENT TO THE ARTICLES OF INCORPORATION.

PROPOSAL NO. 3

APPROVAL OF THE COMPANY'S 2014 EQUITY INCENTIVE PLAN

General

Our 2014 Equity Incentive Plan, or the Equity Incentive Plan, was approved by our Board of Directors on November 26, 2014, subject to the approval by the stockholders of Proposal No. 2 to amend our Articles of Incorporation to increase the authorized number of shares of common stock from 145,000,000 to 300,000,000. Our Board of Directors and management all believe that in order to attract, hire, and retain the caliber of executives and employees that will be required to help us position ourselves for growth, we will need to have the flexibility to grant restricted stock, stock options, and other equity instruments. The Board of Directors believes that equity incentive compensation is also an important component of our overall compensation and incentive strategy for employees, directors, officers and consultants. Without a broad based equity plan, we believe that we will be impaired in our efforts to hire new executives of the caliber that we believe is required, and will not be able to offer competitive packages to retain such executives.

Upon approval of the Restatement, the Company will reserved a total of ten million (10,000,000) shares of our outstanding Common Stock for issuance under the Equity Incentive Plan. Currently there are no shares or options granted under the Equity Incentive Plan.

The following is a brief summary of the Equity Incentive Plan. This summary is qualified in its entirety by reference to the text of the Equity Incentive Plan, a copy of which is attached as Appendix A to this Information Statement.

Summary of the 2014 Equity Incentive Plan

The principal provisions of the Equity Incentive Plan are summarized below. This summary is not a complete description of all of the Equity Incentive Plan's provisions, and is qualified in its entirety by reference to the Equity Incentive Plan which is attached as Appendix A to this Information Statement. Capitalized terms in this summary not defined in this Information Statement have the meanings set forth in the Equity Incentive Plan.

Structure. The Equity Incentive Plan allows for the grant of options, restricted stock, and unrestricted stock ("awards") at the discretion of the Administrator.

Number of Shares. Subject to adjustment as provided in the Equity Incentive Plan, the total number of shares of Common Stock reserved and available for delivery in connection with awards under the Equity Incentive Plan shall be ten million (10,000,000). Any shares of Common Stock delivered under the Equity Incentive Plan shall consist of authorized and issued or unissued shares. Subject to the adjustments provided in Section 4.2 of the Equity Incentive Plan, no contraction of the number of shares of Common Stock outstanding will affect the validity or enforceability of any awards then outstanding.

Administration. Authority to control and manage the operation and administration of the Equity Incentive Plan will be vested in a committee consisting of two (2) or more members of the Board of Directors (“Committee”), or if none, in the Board of Directors. It is intended that the Committee members will be “non-employee directors” (within the meaning of Rule 16b-3 promulgated under the Exchange Act) and “outside directors” (within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”)) to the extent that Rule 16b-3. We anticipate that our Compensation Committee will undertake the administration of the Equity Incentive Plan. The Committee will serve as the Administrator with respect to the Equity Incentive Plan. The Administrator has the authority to interpret the Equity Incentive Plan and the rights underlying any grants or awards made subject to the Equity Incentive Plan. Any decision or action of the Administrator in connection with the Equity Incentive Plan is final and binding.

No director shall be liable for any action, excepting willful misconduct or gross negligence, arising out of or related to the Equity Incentive Plan provided the director was acting in good faith and for a purpose believed to have been in the best interests of the Company or its shareholders.

Term. The Administrator may grant awards pursuant to the Equity Incentive Plan until it is discontinued or terminated; provided, however, that no Award may be granted under the Equity Incentive Plan after November 26, 2024.

Eligibility. Employees, directors, officers and consultants in the service of the Company or any subsidiary corporation (whether now existing or subsequently established) are eligible to participate in the Equity Incentive Plan. Determinations as to which eligible persons shall be granted awards shall be made by the Administrator.

Limitations on Awards. The maximum number of shares of stock that may be granted with respect to one or more options during any one fiscal year under the Equity Incentive Plan to any one participant shall be One Million (1,000,000) (all of which may be granted as incentive stock options subject to the \$100,000 limitation with regard to incentive stock options first exercisable). Determinations will be made in a manner that is consistent with Section 162(m) of the Code and regulations promulgated thereunder. These limitations will not apply in any circumstance in which the Administrator determines that compliance with Section 162 (m) of the Code is not necessary.

Payment for Shares. Payment for shares purchased pursuant to the Equity Incentive Plan may be made in cash, or, where approved by the Administrator, at its sole discretion, by one or more of the following methods: (i) by cancellation of indebtedness to the participant, (ii) by surrender of shares of the Company owned by the participant for more than six (6) months or a lesser period if exempt from Section 16 of the Securities Exchange Act, (iii) by “deemed net-stock exercise” in which the participant exercises by forfeiting shares equal to exercise price, or (iv) by broker-assisted payment in which a broker has irrevocable instructions to deliver the amount of sale proceeds necessary to pay the exercise price and tax withholding obligations.

Stock Options. Stock options may be issued as incentive stock options (ISOs) or non-qualified stock options. One or more options may be granted to each eligible person. The options granted under the Equity Incentive Plan will be evidenced by an award agreement. The Administrator shall specify the grant date, exercise price, terms and conditions for the exercise of the options. No option under the Equity Incentive Plan shall terminate later than ten (10) years after the date of grant. Options may be exercised by delivery to us of a written stock option exercise agreement together with payment in full of the exercise price for the number of shares being purchased. The exercise price shall be at least one hundred percent (100%) of the fair market value of the shares on the date of grant.

No option shall be transferable other than by will or by the laws of descent and distribution and during the lifetime of the participant, only the participant, his or her guardian or legal representative may exercise an option.

Notwithstanding the foregoing, an ISO may be transferred pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if applicable to an award under the Equity Incentive Plan and non-qualified options may be transferred to a participant's former spouse pursuant to a property settlement made part of an agreement or court order incident to the divorce. Also, the Plan Administrator may provide for transfer of a non-qualified stock option without payment of consideration to designated family members and certain other entities specified in the Equity Incentive Plan. The terms applicable to any assigned option shall be the same as those in effect for the option immediately prior to such assignment. A request to assign an option may be made only by delivery to us of a written stock option assignment request.

Restricted Stock Awards. The Administrator shall determine all terms and conditions of the restricted stock award. Unless the Administrator provides otherwise, holders of restricted stock shall have the right to vote such restricted stock and the right to receive any dividends declared or paid with respect to such restricted stock. Except as otherwise determined by the Administrator at the time of the grant of the award or thereafter, (i) upon failure to affirmatively accept the grant of a restricted stock award by execution of a restricted stock award agreement, (ii) termination of employment during the applicable restriction period, (iii) failure to satisfy the restriction period or (iv) failure to satisfy a performance goal during the applicable restriction period, restricted stock that is at that time subject to restrictions will immediately be forfeited and returned to the Company. Notwithstanding the foregoing, the Administrator may provide in any award agreement that restrictions or forfeiture conditions relating to restricted stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Administrator may in other cases waive in whole or in part restrictions or forfeiture conditions relating to restricted stock. The Company also has the right to require the return of all dividends paid on such shares, whether by termination of any escrow arrangement under which such dividends are held or otherwise.

Unless otherwise provided in the award agreement, prior to the vesting of restricted stock, restricted stock awards, granted under the Equity Incentive Plan, and any rights and interests therein, including the restricted stock itself, will not be transferable or assignable by the participant, and may not be made subject to execution, attachment or similar process, otherwise than by will or by the laws of descent and distribution or as consistent with the award agreement. Unless otherwise provided in the Equity Incentive Plan, during the lifetime of the participant, a restricted stock award and any rights and interests therein, will be exercisable only by the participant, and any election with respect thereto may be made only by the participant. Any attempt to transfer a restricted stock award will be void and the award and the restricted stock will be forfeited by the participant unless the attempted transfer is found to be unintentional.

Unrestricted Stock Awards. The Administrator may, in its sole discretion, award stock awards such as stock bonuses free of restriction or limitation.

Federal Income Tax Matters

Options. Under present law, an optionee will not recognize any taxable income on the date an NSO is granted pursuant to the Equity Incentive Plan. Upon exercise of the option, however, the optionee must recognize, in the year of exercise, compensation taxable as ordinary income in an amount equal to the difference between the option price and the fair market value of Company common stock on the date of exercise. Upon the sale of the shares, any resulting gain or loss will be treated as capital gain or loss. The Company will receive an income tax deduction in its fiscal year in which NSOs are exercised equal to the amount of ordinary income recognized by those optionees exercising options, and must comply with applicable tax withholding requirements.

ISOs granted under the Equity Incentive Plan are intended to qualify for favorable tax treatment under Section 422 of the Code. Under Section 422, an optionee recognizes no taxable income when the option is granted. Further, the

optionee generally will not recognize any taxable income when the option is exercised if he or she has at all times from the date of the option's grant until three months before the date of exercise been an employee of the Company. The Company ordinarily is not entitled to any income tax deduction upon the grant or exercise of an incentive stock option. This favorable tax treatment for the optionee, and the denial of a deduction for the Company, will not, however, apply if the optionee disposes of the shares acquired upon the exercise of an incentive stock option within two years from the granting of the option or one year from the receipt of the shares.

Restricted Stock Awards. Generally, no income is taxable to the recipient of a restricted stock award in the year that the award is granted. Instead, the recipient will recognize compensation taxable as ordinary income equal to the fair market value of the shares in the year in which the risks of forfeiture restrictions lapse. Alternatively, if a recipient makes an election under Section 83(b) of the Code, the recipient will, in the year that the restricted stock award is granted, recognize compensation taxable as ordinary income equal to the fair market value of the shares on the date of the award. The Company normally will receive a corresponding deduction equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

Unrestricted Stock Awards. Generally, the recipient will, in the year that the unrestricted stock award is granted, recognize compensation taxable as ordinary income equal to the fair market value of the shares on the date of the award. The Company normally will receive a corresponding deduction equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF U.S. FEDERAL INCOME TAXATION WITH RESPECT TO THE GRANT AND EXERCISE OF AWARDS UNDER THE EQUITY INCENTIVE PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF AN INDIVIDUAL'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH ANY ELIGIBLE INDIVIDUAL MAY RESIDE.

Plan Benefits

The awards that may be granted under the 2014 Equity Incentive Plan to any participant or group of participants are indeterminable at the date of this proxy statement because participation and the types of awards that may be granted under the 2014 Equity Incentive Plan are subject to the discretion of the Administrator. No awards will be granted under the 2014 Equity Plan before the Annual Meeting and unless the Restatement is also approved.

Vote Required

Assuming a quorum is present, the affirmative vote of a majority of the shares present at the Annual Meeting and entitled to vote, either in person or by proxy, is required for approval of Proposal No. 3. For purposes of the approval of our 2014 Equity Incentive Plan, abstentions will have the same effect as a vote against this proposal and broker non-votes will have no effect on the result of the vote.

Recommendation of the Board of Directors

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR PROPOSAL NOS. 2 AND 3

PROPOSAL NO. 4

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors is responsible for the selection of our independent registered public accounting firm. The Audit Committee has determined to appoint the public accounting firm of Squar, Milner, Peterson, Miranda & Williamson, LLP (“Squar Milner”), as independent registered public accounting firm to audit our financial statements for the fiscal year ending June 30, 2015. Although our Board of Directors is directly responsible for selecting and retaining our independent auditor and even though ratification is not required by our bylaws, the Board of Directors is submitting the selection of Squar Milner to our stockholders for ratification as a matter of good corporate practice and we are asking our stockholders to approve the appointment of Squar Milner. In the event our stockholders fail to ratify the appointment, the Audit Committee may reconsider this appointment.

The Company has been advised by Squar Milner that neither the firm nor any of its associates had any relationship with the Company other than the usual relationship that exists between independent registered public accountant firms and their clients during the last fiscal year. A representative of Squar Milner is expected to be present in person or by electronic conferencing at the Annual Meeting, and will be afforded an opportunity to make a statement at the Annual Meeting if the representative desires to do so. It is also expected that such representative will be available at the Annual Meeting to respond to appropriate questions by stockholders.

Board of Directors Pre-Approval Policies and Procedures

The Board of Director has the sole authority to review in advance and grant any pre-approvals of (i) all auditing services to be provided by the independent auditor, (ii) all significant non-audit services to be provided by the independent auditors as permitted by Section 10A of the Exchange Act, and (iii) all fees and the terms of engagement with respect to such services, except that the Board of Directors may delegate the authority to pre-approve non-audit services to one or more of its committee members who will present its decisions to the full Board of Directors at the first meeting following such decision. All audit and non-audit services performed by Squar Milner during fiscal years 2014 and 2013 were pre-approved pursuant to the procedures outlined above.

PROPOSAL NO. 5

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") added Section 14A to Securities Exchange Act of 1934, as amended (the "Exchange Act"), which enables our stockholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

We currently do not have an executive compensation committee and our Board of Directors serve this function. Our named executive officer compensation program is designed to attract, motivate and retain our named executive officers, who are critical to our success, while working within the available resources. The Board of Directors believes that it has taken a responsible approach to compensating our named executive officers given our limited resources.

Please read the “Executive Compensation” section of this proxy statement for additional details about our executive compensation program.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s proxy statement for the 2015 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. Our Board of Directors and our Compensation Committee value the views of our stockholders and will consider the outcome of the vote when determining future compensation arrangements for our named executive officers.

Vote Required

This vote is an advisory vote and is therefore not binding on the Company or the Board of Directors. The affirmative vote of a majority of all votes cast at the Annual Meeting is required for advisory approval of this proposal. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board of Directors are to be voted on this proposal, such shares will be voted in favor of the this proposal. Brokers are not authorized to vote without instructions on this proposal. Abstentions will have the same effect as voting against the proposal and broker non-votes will not be deemed votes cast and will have no effect on the vote outcome.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC.

PROPOSAL NO. 6

**ADVISORY VOTE ON THE FREQUENCY OF THE
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

Section 14A of the Exchange Act, as added by the Dodd-Frank Act, also enables our stockholders to indicate their preference as to how frequently we should seek an advisory vote on the compensation of our named executive officers. The proxy card provides stockholders with the opportunity to choose among four options (holding the advisory vote on executive compensation every one, two or three years, or abstain from voting) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the Board of Directors. You may cast your vote on your preferred voting frequency by choosing the option of once every year (“1 year”), once every two years (“2 years”), once every three years (“3 years”), or you may abstain from voting.

After careful consideration of this proposal, the Board of Directors has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative for the Company, and therefore your Board of Directors recommends that you vote for a three year (3-year) frequency for the advisory vote on executive compensation.

In formulating its recommendation, our Board of Directors considered that a triennial vote will allow stockholders to better evaluate our executive compensation program in relation to our short- and long-term company performance. Additionally, a triennial vote will provide us with time to respond to stockholder concerns and implement appropriate revisions.

The purpose of this proposal is to assess stockholder preferences on the frequency of future advisory votes on executive compensation, and as such, there will be no approval or adoption of a resolution establishing the frequency of future advisory votes on executive compensation. The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be considered the frequency for the advisory vote on executive compensation that is preferred by our stockholders. However, because this vote is advisory and not binding on the Board of Directors or the Company in any way, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option preferred by our stockholders.

Vote Required

This vote is an advisory vote and is therefore not binding on the Company or the Board of Directors. You may choose from the following alternatives: every year, every two years, every three years or you may abstain. Brokers are not authorized to vote without instructions on this proposal. The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be considered the frequency for the advisory vote on executive compensation that is preferred by our stockholders. Abstentions and broker non-votes will have no effect on the vote outcome. While the Board of Directors will consider our stockholders' preference as reflected in the vote on this proposal in determining how frequently the advisory vote on executive compensation occurs in the future, our Board of Directors will have the discretion to determine the actual frequency at which the required advisory stockholder vote on the compensation of our named executive officers will be conducted, because the vote on such frequency is only advisory and non-binding. The Board of Directors' determination on the actual frequency of such vote will be disclosed in a Form 8-K to be filed in accordance with the rules of the SEC.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR A THREE YEAR (3-YEAR) FREQUENCY FOR THE ADVISORY VOTE ON EXECUTIVE COMPENSATION.

Audit Committee Financial Expert

Our Board of Directors has not established a separate audit committee within the meaning of Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Instead, our entire Board of Directors acts as the audit committee within the meaning of Section 3(a)(58)(B) of the Exchange Act. In addition, our Board of Directors has not made a determination as to whether a director on the Board meets the definition of an "audit committee financial expert" within the meaning of Item 407(d)(5) of Regulation S-K. We continue to seek candidates for outside directors and for a financial expert to serve on a separate audit committee when we establish one.

In fulfilling its oversight responsibilities, the Board has reviewed and discussed the audited financial statements with management and discussed with the independent auditors the matters required to be discussed by PCAOB Standard 16, formerly SAS 61. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles.

The Board of Directors discussed with the independent auditors, the auditors' independence from the management of the Company and received written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1.

After Board of Director's review and discussions, as mentioned above, the Board of Directors recommended that the audited financial statements be included in the Company's Annual Report on Form 10-K.

Compensation Committee and Governance and Nomination Committee

We have not adopted a compensation committee and governance committee charters. The Board of Directors currently serves these functions. The Board of Directors will consider establishing a compensation committee and governance committee in the future. There were no material changes to the procedures by which security holders may recommend nominees to our Board of Directors.

Code of Conduct and Ethics

We have not adopted a Code of Conduct for our Chief Executive Officer and Senior Executive Officers.

Indemnification Agreements

We executed a standard form of indemnification agreement (“Indemnification Agreement”) with each of our Board members and executive officers (each, an “Indemnitee”).

Pursuant to and subject to the terms, conditions and limitations set forth in the Indemnification Agreement, we agreed to indemnify each Indemnitee, against any and all expenses incurred in connection with the Indemnitee’s service as our officer, director and or agent, or is or was serving at our request as a director, officer, employee, agent or advisor of another corporation, partnership, joint venture, trust, limited liability company, or other entity or enterprise but only if the Indemnitee acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interest, and in the case of a criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. In addition, the indemnification provided in the indemnification agreement is applicable whether or not negligence or gross negligence of the Indemnitee is alleged or proven. Additionally, the Indemnification

Agreement establishes processes and procedures for indemnification claims, advancement of expenses and costs and contribution obligations.

Meetings of the Board of Directors

During the fiscal year 2014, our board held five (5) meetings. We do not have a policy with regard to Board members' attendance at annual meetings of stockholders.

The Company may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of that proposed nominee to serve as a director of the Company.

(1) Amounts listed under the “Bonus” column for fiscal 2014 and 2013 reflect the discretionary bonuses paid (if any) to each of the Named Executive Officers.

(2) The “Stock Awards” column is the grant date fair value of stock awards issued during each respective year, adjusted where applicable for our assessment of the probability that performance conditions will be achieved. The grant date fair value was determined in accordance with the provisions of FASB ASC Topic No. 718. There were no stock awards issued in fiscal ended June 30, 2014 or 2013.

(3) The “Option Awards” column is the grant date fair value of stock options granted during each respective year, adjusted where applicable for our assessment of the probability that performance conditions will be achieved. The grant date fair value was determined in accordance with the provisions of FASB ASC Topic No. 718 using the Black-Scholes valuation model with assumptions described in more detail in the notes to our audited financial statements included in this report. None of the stock options with performance conditions that were granted in fiscal ended June 30, 2014 or 2013 were considered probable of achieving their vesting conditions at the date of grant. Therefore the grant date fair value of such performance awards for purposes of the Summary Compensation Table was zero.

(4) There were no bonuses paid in fiscal 2014 or 2013 related to Incentive Plan performance.

(5) Mr. Dutt’s Employment Agreement effective December 11, 2012 provided for option grants of 200,000 and on July 30, 2013, Mr. Dutt was granted 1,750,000 shares of non-qualified stock options subject to certain vesting restrictions, respectively.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE***Transactions with Related Persons***

In connection with the Reverse Acquisition, Mr. Anthony, our former Chief Executive Officer, President and Chairman of the Board, and James Gevarges, our former Director, and Esenjay Investments, LLC, an entity which Director Michael Johnson, severally agreed not to offer, sell, assign, transfer, pledge, contract to sell, or otherwise dispose of any shares of our common stock or securities convertible into or exercisable or exchangeable into our common stock beneficially owned by such shareholder, for a period of eighteen (18) months from the closing date (or December 31, 2013) of the Reverse Acquisition, except during the period after the first anniversary of the closing date and a period of six (6) months thereafter, in such an amount which constitutes less than three percent (3%) in the aggregate of such shareholder’s beneficial ownership of our common stock per month.

On June 26, 2013, we entered into an agreement with Security Research Associates, Inc. (“SRA”), a company which Mr. Collins, our Executive Chairman is also the Chief Executive Officer, President, Director and shareholder of SRA, pursuant to which SRA agreed to provide business and advisory services. SRA served as our placement agent in connection with the Company’s 2014 Private Placement Offering (“Offering”) and was paid cash compensation in the amount of 9% of the gross proceeds raised and a warrant to purchase the number of shares of our common stock equal to 9% of the aggregate gross proceeds from the Offering received by the Company from all investors (excluding Esenjay) placed by SRA divided by \$0.06 per share. SRA was paid \$107,460 in cash and reimbursement for related expenses of approximately \$10,000 and issued a warrant to purchase 1,791,000 shares of our common stock at an exercise price of \$0.06 for its services as our private placement agent in the Offering. In connection with this agreement, the estimated fair value of the warrants issued in the approximate amount of \$107,460 (1,791,000 warrants at \$0.06) and related expenses of approximately \$10,000 was recorded as an offset to equity related to expense associated with the Offering. The Company’s contract with SRA has been amended to reflect renewal to support the March 2014 placement and the recent August 2014 placement.

Loans from Stockholder and Conversion into Common Stock

In October 2011, we entered into a revolving promissory note agreement (“Revolving Note”) for \$1,000,000 with Esenjay Investments, LLC (“Esenjay”), which is one of our major stockholders who beneficially own approximately 52.25% of our common stock. Mr. Michael Johnson is a current member of our board of directors and is the director and sole shareholder of Esenjay. The Revolving Note had an interest rate of 8% per annum, and an original maturity date of September 30, 2013, as amended, and is secured by substantially all of the assets of the Company. As of September 30, 2013, the balance outstanding payable on the note was \$1,000,000. On October 16, 2013, we entered into the Second Amendment to the Revolving Note pursuant to which the Revolving Note was amended to: (i) extend the maturity date from September 30, 2013, to December 31, 2015; (ii) change the interest rate on the outstanding principal amount as of October 16, 2013, and forward to 6% per annum, and (iii) grant the holder of the Revolving Note the option to convert any or all of the amount outstanding under the Revolving Note, as amended, into shares of our common stock at a conversion price of \$0.30 per share until December 31, 2015.

As of June 30, 2014, the remaining outstanding principal balance on the Bridge Note was \$0.

On September 24, 2012, we entered into a Line of Credit agreement with Esenjay for \$1,500,000 (“Line of Credit”). On January 13, 2014, we accepted a subscription agreement from Esenjay pursuant to which we sold Esenjay 10 Units for an aggregate purchase price of \$600,000, or \$60,000 per Unit, of which (i) \$200,000 was paid in cash, and (ii) \$400,000 was a conversion of \$400,000 of principal amount outstanding under the Revolving Note, as amended. Each Unit consisted of 1,000,000 shares of our common stock and 500,000 warrants. In connection with Esenjay’s purchase

of the Units, we issued 10,000,000 shares of our common stock and warrants to purchase up to 5,000,000 shares of our common stock, at an exercise price of \$0.20 per share until January 13, 2019.

On March 12, 2014, we accepted a subscription agreement from Esenjay pursuant to which we sold Esenjay 2.5 Units for an aggregate purchase price of \$150,000, or \$60,000 per Unit, which was a conversion of \$150,000 of principal amount outstanding under the Revolving, as amended. On June 11, 2014, the Company converted all \$2,586,000 of principal and \$304,000 of accrued interest related to the Revolving Note, Bridge Note and Line of Credit, into common stock and warrants, eliminating all of Flux's long-term debt. Flux Power's largest shareholder, Esenjay Investments LLC, converted all of its long-term debt and accrued interest into 12.1 million shares of Flux Power restricted common stock at a price of \$0.24 per share. Esenjay was also granted 3-year warrants to purchase 1.9 million shares of common stock at \$0.30 per share, as an incentive for the conversion.

On December 2, 2014, we accepted a subscription agreement from Esenjay pursuant to which we sold Esenjay 1.66 Units for an aggregate purchase price of \$150,000. Each Unit consisted of 1,000,000 shares of our common stock and 500,000 warrants. In connection with Esenjay's purchase of the Units, we issued 1,666,666 shares of our common stock and warrants to purchase up to 833,333 shares of our common stock, at an exercise price of \$0.25 per share until December 2, 2017.

All of the above mentioned debt conversions have been accounted for as a capital transaction in accordance with FASB ASC Topic No. 470-50-40, “*Debt, Modifications and Extinguishments*”. Accordingly, no gain or loss has been recognized.

During fiscal 2014, a total of \$3,136,000 of debt principal was converted to equity, which resulted in an ending balance of \$0 for the Revolving Note, Bridge Note and Line of Credit at June 30, 2014. The amount available under all of these facilities was \$3,250,000 as of June 30, 2014, subject to approval of fund withdrawal by Esenjay. Esenjay has no obligation to disburse such funds and has the right not to advance funds under these loans. Subsequent to June 30, 2014 and as of October 7, 2014, we have borrowed \$25,000 against these loans (see Note 13, to the financial statements).

Stockholder Agreements

During 2009, the Company entered into a cancelable Term Sheet Agreement with a LHV Power Corporation, an entity owned by James Gevarges, one of our major shareholders. Mr. Gevarges is also the Chief Executive Officer and President of LHV Power. Pursuant to the Term Sheet Agreement, Flux Power was appointed as a distributor of LHV Power battery charging products allowing Flux Power to sell the products either separately or as part of an energy storage solution. Additionally, Flux Power was required to develop a microprocessor control board (“MCB”), and the associated software to enable communication between the parties’ respective products which entitles Flux Power to royalties for any such units sold by the related entity. Pursuant to the Term Sheet Agreement Flux Power may purchase the products at the then current price list for distributors. Further, under the Term Sheet Agreement, if LHV Power sells its products to a different distributor Flux Power is entitled to a distribution fee equal to 20% of the gross profits on such sale. This distribution fee and royalties are capped at a total of \$200,000. The chargers are not currently under commercial production and therefore no Distribution and Royalty Fee has been received by Flux Power. On September 1, 2010, with our consent, LHV assigned the Term Sheet Agreement to Current Ways Inc. a different company that is owned by Mr. Gevarges. The parties are also subject to restrictions on the use and disclosure of confidential information of the other party until April 1, 2013.

The agreement provides for monthly payments of approximately 10% of the monthly rental payment, which was terminated on March 1, 2014. Subsequently, the Company became the tenant of that space and enter into a sublease with Epic Boats, as the sub-lessee in which Epic Boats agreed to pay us 10% of the facility costs through June 30, 2014, with March as a transition month requiring 20% of the facility cost.

The Company recorded rent expense, net of sublease income during the fiscal years ended June 30, 2014 and 2013, of approximately \$77,000 and approximately \$161,000, respectively.

FLUX POWER HOLDINGS, INC.

2014 EQUITY INCENTIVE PLAN

FLUX POWER HOLDINGS, INC.

a Nevada Corporation

2014 EQUITY INCENTIVE PLAN

1. **PURPOSE.** The purpose of this Plan is to provide incentives to attract, retain and motivate Eligible Persons whose present and potential contributions are important to the success of the Company by offering them an opportunity to participate in the Company's future performance through grants of Awards. This Plan is not intended to replace any current plan of, or awards issued by, the Company, nor will it limit the ability of the Company to create additional or new plans, or to issue additional or new awards. Capitalized terms not defined in the text are defined in Section 28.

2. **ADOPTION AND STOCKHOLDER APPROVAL.** The Board adopted the Plan on November 19, 2014, subject to the effectiveness of the Amended and Restated Articles of Incorporation to increase the Company's authorized shares of common stock from 145,000,000 to 300,000,000 (the "Effective Date"). This Plan will be effective on the Effective Date and continuance of the Plan for Incentive Stock Options shall be subject to approval by the Stockholders within twelve (12) months after the date the Plan is adopted. Such Stockholder approval shall be obtained in the manner and to the degree required under the applicable laws. No Award will be granted after termination of this Plan but all Awards granted prior to termination will remain in effect in accordance with their terms. So long as the Company is subject to Section 16(b) of the Exchange Act, the Company will comply with the requirements of Rule 16b-3 (or its successor), as amended.

3. **TERM OF PLAN.** Unless earlier terminated as provided herein, this Plan will terminate ten (10) years from the date this Plan is adopted by the Board.

4. **SHARES SUBJECT TO THIS PLAN.**

4.1. **Number of Shares Available.** Subject to Section 4.2, the total number of Shares reserved and available for grant and issuance pursuant to this Plan will be ten million (10,000,000) (the "Maximum Number"). Not more than the Maximum Number of shares of Stock shall be granted in the form of Incentive Stock Options. Shares issued under the Plan will be drawn from authorized and unissued shares or shares now held or subsequently acquired by the Company.

4.1.1. Future Awards. Subject to Section 4.2 and to the fullest extent permissible under Rule 16b-3 under the Exchange Act and Section 422 of the Code and any other applicable laws, rules and regulations, (i) if an Award is canceled, terminates, expires, is forfeited or lapses for any reason without having been exercised or settled, any shares of Stock subject to the Award will be added back into the Maximum Number and will again be available for the grant of an Award under the Plan and (ii) and the number of shares of Stock withheld to satisfy a Participant's minimum tax withholding obligations will be added back into the Maximum Number and will be available for the grant of an Award under the Plan. Also, only the net numbers of Shares that are issued pursuant to the exercise of an Award will be counted against the Maximum Number.

However, in the event that prior to the Award's cancellation, termination, expiration, forfeiture or lapse, the holder of the Award at any time received one or more elements of "beneficial ownership" pursuant to such Award (as defined by the SEC, pursuant to any rule or interpretations promulgated under Section 16 of the Exchange Act), the Shares subject to such Award will not again be made available for re-grant under the Plan.

4.1.2. Acquired Company Awards. Notwithstanding anything in the Plan to the contrary, the Plan Administrator may grant Awards under the Plan in substitution for awards issued under other plans, or assume under the Plan awards issued under other plans, if the other plans are or were plans of other acquired entities ("Acquired Entities") (or the parent of an Acquired Entity) and the new Award is substituted, or the old award is assumed, by reason of a merger, consolidation, acquisition of property or stock, reorganization or liquidation (the "Acquisition Transaction"). In the event that a written agreement pursuant to which the Acquisition Transaction is completed is approved by the Board and said agreement sets forth the terms and conditions of the substitution for or assumption of outstanding awards of the Acquired Entity, said terms and conditions will be deemed to be the action of the Plan Administrator without any further action by the Plan Administrator, except as may be required for compliance with Rule 16b-3 under the Exchange Act, and the persons holding such awards will be deemed to be Participants.

4.1.3. Reserve of Shares. At all times, the Company will reserve and keep available a sufficient number of Shares as will be required to satisfy the requirements of all outstanding Awards granted under this Plan. The Shares to be issued hereunder upon exercise of an Award may be either authorized but unissued; supplied to the Plan through acquisitions of Shares on the open market; Shares purchased under the Plan and forfeited back to the Plan; Shares surrendered in payment of the exercise price of an option; or Shares withheld for payment of applicable employment taxes and/or withholding obligations resulting from the exercise of an Option. The following rules will apply for purposes of the determination of the number of Shares available for grant under the Plan:

i. Grants. The grant of an Award will reduce the Shares available for grant under the Plan by the number of Shares subject to such Award.

ii. Outstanding. While an Award is outstanding, it will be counted against the authorized pool of Shares regardless of its vested status.

4.2. Adjustments. Should any change be made to the Stock of the Company by reason of any stock split (including reverse stock split), stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Common Stock as a class without the Company's receipt of consideration, the Administrator will make the appropriate adjustments to (i) the maximum number and/or class of securities issuable under the Plan; and (ii) the number and/or class of securities and the exercise price per Share in effect under each outstanding Award in order to prevent the dilution or enlargement of benefits thereunder; provided however, that the

number of Shares subject to any Award will always be a whole number and the Administrator will make such adjustments as are necessary to insure Awards of whole Shares.

4.3. Limitations on Awards. Notwithstanding any provision in the Plan to the contrary (but subject to adjustment as provided in Section 4.2), the Maximum Number of Shares of Stock with respect to one or more Options that may be granted during any one fiscal year under the Plan to any one Participant will be one million (1,000,000). Determinations under the preceding sentence will be made in a manner that is consistent with Section 162(m) of the Code and regulations promulgated thereunder. The provisions of this Section will not apply in any circumstance with respect to which the Administrator determines that compliance with Section 162(m) of the Code is not necessary.

4.4. No Repricing. Absent stockholder approval, neither the Administrator nor the Board will have any authority, with or without the consent of the affected holders of Awards, to “reprice” an Award in the event of a decline in the price of Shares after the date of their initial grant either by reducing the exercise price from the original exercise price or through cancellation of outstanding Awards in connection with re-granting of Awards at a lower price to the same individual. This paragraph may not be amended, altered or repealed by the Administrator or the Board without approval of the stockholders of the Company.

4.5. No Reloading. No Option will provide for the automatic grant of replacement or reload Options upon the Participant exercising the Option and paying the Exercise Price by tendering Shares of Stock, net exercise or otherwise. This paragraph may not be amended, altered or repealed by the Administrator or the Board without approval of the stockholders of the Company.

4.6. Maximum Number Limitations. From the date this Plan was first adopted until twenty four (24) months thereafter, the Company shall not increase the Maximum Number except as may be required pursuant to Section 4.2.

5. ADMINISTRATION OF THIS PLAN.

5.1. Authority. Authority to control and manage the operation and administration of this Plan will be vested in a committee consisting of two (2) or more members of the Board (the “Committee”) or in the Board acting as the Committee if no formal Committee is created by the Board. It is intended that the directors appointed to serve on the Committee will be “non-employee directors” (within the meaning of Rule 16b-3 promulgated under the Exchange Act) and “outside directors” (within the meaning of Section 162(m) of the Code) to the extent that Rule 16b-3 and, if necessary for relief from the limitation under Section 162(m) of the Code and such relief sought by the Company, Section 162(m) of the Code, respectively, are applicable. However, the mere fact that a Committee member will fail to qualify under either of the foregoing requirements will not invalidate any Award made by the Committee which Award is otherwise validly made under the Plan. Members of the Committee may be appointed from time to time by, and will serve at the pleasure of, the Board. As used herein, the term “Administrator” means the Committee.

5.2. Interpretation. Subject to the express provisions of this Plan, the Administrator will have the exclusive power, authority and discretion to:

- (1) construe and interpret this Plan and any agreements defining the rights and obligations of the Company and Participants under this Plan;
- (2) select Participants;
- (3) determine the terms and conditions of any Award granted under the Plan, including, but not limited to, the Exercise Price, grant price or purchase price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of the Award, and acceleration or waivers thereof, based in each case on such considerations as the Administrator in its sole discretion determines that is not inconsistent with any rule or regulation under any tax or securities laws or includes an alternative right that does not disqualify an Incentive Stock Option under applicable regulations. Determinations made by the Administrator under this Plan need not be uniform but may be made on a Participant-by-Participant basis;
- (4) determine the number of Shares or other consideration subject to Awards;
- (5) determine whether Awards will be subject to a condition, or grant a right, that is not inconsistent with any rule or regulation under any tax or securities laws or includes an alternative right that does not disqualify an Incentive Stock Option under applicable regulations;
- (6) prescribe the form of each Award Agreement, which need not be identical for each Participant;
- (7) further define the terms used in this Plan;
- (8) correct any defect or supply any omission or reconcile any inconsistency in this Plan or in any Award Agreement;

- (9) provide for rights of refusal and/or repurchase rights;

- (10) amend outstanding Award Agreements to provide for, among other things, any change or modification which the Administrator could have provided for upon the grant of an Award or in furtherance of the powers provided for herein that does not disqualify an Incentive Stock Option under applicable regulations unless the Participant so consents;

- (11) prescribe, amend and rescind rules and regulations relating to the administration of this Plan; and

- (12) make all other determinations necessary or advisable for the administration of this Plan.

5.3. Decisions Binding. Any decision or action of the Administrator in connection with this Plan or Awards granted or shares of Stock purchased under this Plan will be final and binding. The Administrator will not be liable for any decision, action or omission respecting this Plan, or any Awards granted or shares of Stock sold under this Plan.

5.4. Limitation on Liability. To the extent permitted by applicable law in effect from time to time, no member of the Committee will be liable for any action or omission of any other member of the Committee nor for any act or omission on the member's own part, excepting only the member's own willful misconduct, gross negligence, or bad faith and without reasonable belief that it was in the best interests of the Company, arising out of or related to this Plan. The Company will pay expenses incurred by, and satisfy a judgment or fine rendered or levied against, a present or former member of the Committee in any action against such person (whether or not the Company is joined as a party defendant) to impose liability or a penalty on such person for an act alleged to have been committed by such person while a member of the Committee arising with respect to this Plan or administration thereof or out of membership on the Committee or by the Company, or all or any combination of the preceding, provided, the Committee member was acting in good faith, within what such Committee member reasonably believed to have been within the scope of his or her employment or authority and for a purpose which he or she reasonably believed to be in the best interests of the Company or its stockholders. Payments authorized hereunder include amounts paid and expenses incurred in settling any such action or threatened action. The provisions of this section will apply to the estate, executor, administrator, heirs, legatees or devisees of a Committee member, and the term "person" as used on this section will include the estate, executor, administrator, heirs, legatees, or devisees of such person.

6. GRANT OF OPTIONS; TERMS AND CONDITIONS OF GRANT.

6.1. Grant of Options. One or more Options may be granted to any Eligible Person. Subject to the express provisions of this Plan, the Administrator will determine from the Eligible Persons those individuals to whom Options under this Plan may be granted. Each Option granted under this Plan will be evidenced by an Award Agreement, which will expressly identify the Option as an Incentive Stock Option or a Non-Qualified Stock Option. The Shares underlying a grant of an Option may be in the form of Restricted Stock or Unrestricted Stock.

Further, subject to the express provisions of this Plan, the Administrator will specify the Grant Date, the number of Shares covered by the Option, the Exercise Price and the terms and conditions for exercise of the Options. As soon as practicable after the Grant Date, the Company will provide the Participant with a written Award Agreement in the form approved by the Administrator.

The Administrator may, in its absolute discretion, grant Options under this Plan at any time and from time to time before the expiration of this Plan.

6.2. General Terms and Conditions. Except as otherwise provided herein, the Options will be subject to the following terms and conditions and such other terms and conditions not inconsistent with this Plan as the Administrator may impose:

5

6.2.1. Exercise of Option. The Administrator may determine in its discretion whether any Option will be subject to vesting and the terms and conditions of any such vesting. The Award Agreement will contain any such vesting schedule.

6.2.2. Option Term. Each Option and all rights or obligations thereunder will expire on such date as will be determined by the Administrator, but not later than ten (10) years after the Grant Date (five (5) years in the case of an Incentive Stock Option when the Optionee owns more than ten percent (10%) of the total combined voting power of all classes of stock of the Company ("Ten Percent Stockholder")), and will be subject to earlier termination as hereinafter provided.

6.2.3. Exercise Price. The Exercise Price of any Option will be determined by the Administrator when the Option is granted and may not be less than one hundred percent (100%) of the Fair Market Value of the Shares on the Grant Date, and the Exercise Price of any Incentive Stock Option granted to a Ten Percent Stockholder will not be less than one hundred ten percent (110%) of the Fair Market Value of the Shares on the Grant Date. Payment for the Shares purchased will be made in accordance with Section 9 of this Plan. The Administrator is authorized to issue Options, whether Incentive Stock Options or Non-Qualified Stock Options, at an Exercise Price in excess of the Fair Market Value on the Grant Date.

6.2.4. Method of Exercise. Options may be exercised only by delivery to the Company of a stock option exercise agreement (the "Exercise Agreement") in a form approved by the Administrator (which need not be the same for each Participant), stating the number of Shares being purchased, the restrictions imposed on the Shares purchased under such Exercise Agreement, if any, and such representations and agreements regarding the Participant's investment intent and access to information and other matters, if any, as may be required or desirable by the Company to comply with applicable securities laws, together with payment in full of the Exercise Price for the number of Shares being purchased.

6.2.5. Transferability of Options. Except as otherwise provided below for Non-Qualified Stock Options, no Option will be transferable other than by will or by the laws of descent and distribution and during the lifetime of a Participant only the Participant, his guardian or legal representative may exercise an Option, except that Non-Qualified Stock Options may be transferred to a Participant's former spouse pursuant to a property settlement made part of an agreement or court order incident to the divorce.

At its discretion, the Administrator may provide for transfer of an Option (other than an Incentive Stock Option), without payment of consideration, to the following family members of the Participant, including adoptive relationships: a child, stepchild, grandchild, parent, stepparent, grandparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, niece, nephew, former spouse (whether by

gift or pursuant to a domestic relations order), any person sharing the employee's household (other than a tenant or employee), a family-controlled partnership, corporation, limited liability company and trust, or a foundation in which family members heretofore described control the management of assets (collectively "Family Member"). The assigned portion may only be exercised by the person or persons who acquire a proprietary interest in the Option pursuant to the assignment. The terms applicable to the assigned portion will be the same as those in effect for the Option immediately prior to such assignment and will be set forth in such documents issued to the assignee as the Administrator may deem appropriate. A request to assign an Option may be made only by delivery to the Company of a written stock option assignment request in a form approved by the Administrator, stating the number of Options and Shares underlying Options requested for assignment, that no consideration is being paid for the assignment, identifying the proposed transferee, and containing such other representations and agreements regarding the Participant's investment intent and access to information and other matters, if any, as may be required or desirable by the Company to comply with applicable securities laws.

Notwithstanding anything to the contrary in the Plan, the Award or any charter, by-laws or other instrument or document governing or applicable to the Options or Shares, if and to the extent the Administrator determines that it is necessary to rely on the 12h-1(f) Exemption with respect to the Options outstanding under this Plan, each Option, including any Option granted prior to, on or after the date of any such determination by the Administrator, will be further restricted as follows, if applicable:

(A) The Options and, prior to exercise, the Shares to be issued upon exercise of the Options will be restricted as to transfer by the Optionee other than to persons who are Family Members through gift or domestic relations order, or to an executor or guardian of the Optionee upon the death or disability of the Optionee, until the Company becomes subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act or is no longer relying on the 12h-1(f) Exemption; provided, that the Optionee may transfer the Options to the Company, or in connection with a change of control or other acquisition transaction involving the Company, if, after such transaction, the Options will no longer be outstanding, and the Company no longer will be relying on the 12h-1(f) Exemption; and

(B) The Options, and the Shares issuable upon exercise of such Options, will be restricted as to any pledge, hypothecation or other transfer, including any short position, any “put equivalent position” (as defined in Rule 16a-1(h) of the Exchange Act), or any “call equivalent position” (as defined in Rule 16a-1(b) of the Exchange Act) by the Optionee prior to exercise of an Option, except in the circumstances permitted until the Company becomes subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act or is no longer relying on the 12h-1(f) Exemption.

6.2.6. Beneficiaries. Notwithstanding Section 6.2.5, a Participant may, in the manner determined by the Administrator, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Option upon the Participant’s death. If no beneficiary has been designated or survives the Participant, payment will be made to the Participant’s estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time, provided the change or revocation is filed with the Administrator.

6.2.7. Exercise After Certain Events.

i. Termination of Employment - Employee/Officer

(1) Incentive Stock Options.

(a) Termination of All Services. If for any reason other than retirement (as defined below), permanent and total Disability (as defined below) or death, a Participant Terminates employment with the Company (including employment as an Officer of the Company), vested Incentive Stock Options held at the date of such termination may be exercised, in whole or in part, at any time within three (3) months after the date of such Termination or such lesser period specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Incentive Stock Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date (five (5) years for a Ten Percent Stockholder)).

(b) Continuation of Services as Consultant. If a Participant granted an Incentive Stock Option terminates employment but continues as a Consultant or in a similar capacity to the Company or any of its Subsidiaries, Participant need not exercise the Incentive Stock Option within three (3) months of Termination of employment but will be entitled to exercise within three (3) months of Termination of services to the Company (one (1) year in the event of permanent and total Disability or death) or such lesser or greater period specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date (five (5) years for a Ten Percent Stockholder). However, if Participant does not exercise within three (3) months of Termination of employment, the Option will not qualify as an Incentive Stock Option.

(c) Right to Extend Exercise Period. Notwithstanding Section 6.2.7(i)(1)(a) above, a Participant may, in the manner determined by the Administrator pursuant to the Award Agreement, need not exercise the Incentive Stock Option within three (3) months of Termination of employment but will be entitled to exercise within such period as specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date). However, if Participant does not exercise within three (3) months of Termination of employment, the Option will not qualify as an Incentive Stock Option.

(2) Non-Qualified Stock Options.

(a) Termination of All Services. If for any reason other than Retirement (as defined below), permanent and total Disability (as defined below) or death, a Participant terminates employment with the Company (including employment as an Officer of the Company), vested Options held at the date of such Termination may be exercised, in whole or in part, at any time within three (3) months of the date of such Termination or such lesser period specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date).

(b) Continuation of Services as Consultant. If a Participant Terminates employment but continues as a Consultant or in a similar capacity to the Company or any of its Subsidiaries, Participant need not exercise the Option within three (3) months of Termination but will be entitled to exercise within three (3) months of Termination of services to the Company (one (1) year in the event of permanent and total Disability or death) or such lesser or greater period specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date).

(c) Right to Extend Exercise Period. Notwithstanding Section 6.2.7(i)(2)(a) above, a Participant may, in the manner determined by the Administrator pursuant to the Award Agreement, provide that need not exercise the Option within three (3) months of Termination but will be entitled to exercise within such period as specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date).

ii. Retirement. If a Participant ceases to be an employee of the Company (including as an officer of the Company) as a result of Retirement, Participant need not exercise the Option within three (3) months of Termination of employment but will be entitled to exercise the Option within the maximum term of the Option to the extent the Option was otherwise exercisable at the date of Retirement. However, if a Participant does not exercise within three (3) months of Termination of employment, the Option will not qualify as an Incentive Stock Option if it otherwise so qualified. The term "Retirement" as used herein means such Termination of employment as will entitle the Participant to early or normal retirement benefits under any then existing pension or salary continuation plans of the Company excluding 401(k) participants (except as otherwise covered under other pension or salary continuation plans).

iii. Permanent Disability and Death. If a Participant becomes permanently and totally Disabled while employed by the Company (including as an officer of the Company), or dies while employed by the Company (including as an Officer of the Company) or death occurs three (3) months thereafter, vested Options then held may be exercised by the Participant, the Participant's personal representative, or by the person to whom the Option is transferred by will or the laws of descent and distribution, in whole or in part, at any time within one (1) year after the Termination of employment because of the Disability or death or any lesser period specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date (five (5) years for an Incentive Stock Option awarded to a Ten Percent Stockholder).

6.3. Limitations on Grant of Incentive Stock Options.

6.3.1. Threshold. The aggregate Fair Market Value (determined as of the Grant Date) of the Shares for which Incentive Stock Options may first become exercisable by any Participant during any calendar year under this Plan, together with that of Shares subject to Incentive Stock Options first exercisable by such Participant under any other plan of the Company or any Subsidiary, will not exceed \$100,000. For purposes of this Section, all Options in excess of the \$100,000 threshold will be treated as Non-Qualified Stock Options notwithstanding the designation as Incentive

Stock Options. For this purpose, Options will be taken into account in the order in which they were granted, and the Fair Market Value of the Shares will be determined as of the date the Option with respect to such Shares is granted.

6.3.2. Compliance with Section 422 of the Code. There will be imposed in the Award Agreement relating to Incentive Stock Options such terms and conditions as are required in order that the Option be an “incentive stock option” as that term is defined in Section 422 of the Code.

6.3.3. Requirement of Employment. No Incentive Stock Option may be granted to any person who is not an Employee of the Company or a Subsidiary of the Company.

6.4 Risk And Financial Information Pursuant To The 12h-1(F) Exemption. Notwithstanding anything to the contrary in the Plan, the Award or any charter, by-laws or other instrument or document governing or applicable to the Options or Shares, if and to the extent the Administrator determines that it is necessary to rely on the 12h-1(f) Exemption with respect to the Options outstanding under the Plan, and until the Company becomes subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act or is no longer relying on the 12h-1(f) Exemption, the Company will, subject to the last sentence of this Section 6.4, provide to each Optionee the information described in Rules 701(e)(3), (4) and (5) under the Securities Act every six months with the financial statements required to be provided thereunder being not more than 180 days old and with such information provided either by physical or electronic delivery to each Optionee or by written notice to each Optionee of the availability of the information on an Internet site that may be password-protected and of any password needed to access the information. The information described in Rules 701(e)(3), (4) and (5) consists of (i) information about the risks associated with investment in Options and the Shares purchased upon exercise of an Option, (ii) the Company’s financial statements required to be furnished by Part F/S of Form 1-A under Regulation A of the Securities Act, and (iii) if the Company is relying on Rule 701(d)(2)(ii) under the Act to use the total assets of the Company to determine the amount of Options that may be granted, the financial statements of the Company. The Company may request that the Optionee agree to keep the information to be provided pursuant to this Section 6.4 confidential and shall not be required to provide such information if an Optionee does not agree to keep the information confidential.

7. RESTRICTED STOCK AWARDS.

7.1. Grant of Restricted Stock Awards. Subject to the terms and provisions of this Plan, the Administrator is authorized to make awards of Restricted Stock to any Eligible Person in such amounts and subject to such terms and conditions as may be selected by the Administrator (a “Restricted Stock Award”). All Restricted Stock Awards will be evidenced by an Award Agreement.

7.2. Issue Date and Vesting Date. At the time of the grant of shares of Restricted Stock, the Administrator will establish an Issue Date or Issue Dates and a Vesting Date or Vesting Dates with respect to such Shares. The Administrator may divide such shares of Restricted Stock into classes and assign a different Issue Date and/or Vesting Date for each class. If the Participant is employed by the Company on an Issue Date (which may be the date of grant), the specified number of shares of Restricted Stock will be issued in accordance with the provisions of Section 7.6. Provided that all conditions to the vesting of a share of Restricted Stock imposed hereto are satisfied, such share will vest and the restrictions will cease to apply to such share.

7.3. Conditions to Vesting. Restricted Stock will be subject to such restrictions on or conditions to vesting as the Administrator may impose (including, without limitation, as a condition to the vesting of any class or classes of shares of Restricted Stock, that the Participant or the Company achieves such performance goals as the Administrator may specify as provided for in this Plan, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, time-based, or upon the satisfaction of performance goals as provided for in this Plan, as the Administrator determines at the time of the grant of the Award or thereafter.

7.4. Voting and Dividends. Unless the Administrator in its sole and absolute discretion otherwise provides in an Award Agreement, holders of Restricted Stock will have the right to vote such Restricted Stock and the right to receive any dividends declared or paid with respect to such Restricted Stock. The Administrator may require that any dividends paid on Restricted Stock will be held in escrow until all restrictions on such Restricted Stock have lapsed and/or the Administrator may provide that any dividends paid on Restricted Stock must be reinvested in Stock, which may or may not be subject to the same vesting conditions and restrictions applicable to such Restricted Stock. All distributions, if any, received by a Participant with respect to Restricted Stock as a result of any stock split, stock dividend, combination of stock, or other similar transaction will be subject to the restrictions applicable to the original Award.

7.5. Forfeiture. Except as otherwise determined by the Administrator at the time of the grant of the Award or thereafter, upon failure to affirmatively accept the grant of a Restricted Stock Award by execution of a Restricted Stock Award Agreement, termination of employment during the applicable restriction period, failure to satisfy the restriction period or failure to satisfy a performance goal during the applicable restriction period, Restricted Stock that is at that time subject to restrictions will immediately be forfeited and returned to the Company; provided, however, that the Administrator may provide in any Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Administrator may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock. The Company also will have the right to require the return of all dividends paid on such shares, whether by termination of any escrow arrangement under which such dividends are held or otherwise.

7.6. Certificates for Restricted Stock. Restricted Stock granted under the Plan may be evidenced in such manner as the Administrator will determine. The Administrator may provide in an Award Agreement that either (i) the Secretary of the Company will hold such certificates for the Participant's benefit pursuant to the provisions of this Plan until such time as the Restricted Stock is forfeited to the Company or the restrictions lapse or (ii) such certificates will be delivered to the Participant, provided, however, that such certificates will bear a legend or legends that comply with the applicable securities laws and regulations and make appropriate reference to the restrictions imposed under this Plan and the Award Agreement.

7.7. Restrictions on Transfer Prior to Vesting. Unless otherwise provided, prior to the vesting of Restricted Stock, Restricted Stock Awards, granted under this Plan, and any rights and interests therein, including the Restricted Stock itself, will not be transferable or assignable by the Participant, and may not be made subject to execution, attachment or similar process, otherwise than by will or by the laws of descent and distribution or as consistent with the Award Agreement provisions relating thereto. Unless otherwise provided in this Plan, during the lifetime of the Participant, a Restricted Stock Award and any rights and interests therein, will be exercisable only by the Participant, and any election with respect thereto may be made only by the Participant. Any attempt to transfer a Restricted Stock Award or any rights and interests therein including the Restricted Stock itself, will be void and unless the Administrator determines in its sole and absolute discretion that the attempt was inadvertent or unintentional, such Award, including the Restricted Stock itself and any rights and interests therein, will be forfeited by the Participant.

7.8. Consequences of Vesting. Upon the vesting of a share of Restricted Stock pursuant to the terms of the Plan and the applicable Award Agreement, the restrictions as provided by the Administrator will cease to apply to such share. Reasonably promptly after a share of Restricted Stock vests, the Company will cause to be delivered to the Participant to whom such shares were granted, a certificate evidencing such share, free of the legend referenced with respect to such restriction. Notwithstanding the foregoing, such share still may be subject to restrictions on transfer as a result of applicable securities laws or otherwise pursuant to this Plan.

8. UNRESTRICTED STOCK AWARDS. The Administrator may, in its sole discretion, award Unrestricted Stock to any Participant as a stock bonus or otherwise pursuant to which such Participant may receive shares of Stock free of restrictions or limitations that would otherwise be applied under Section 7 of this Plan.

9. PAYMENT FOR SHARE PURCHASES.

9.1. Payment. Payment for Shares purchased pursuant to this Plan may be made in cash (by check) or, where expressly approved for the Participant at the sole discretion of the Administrator and where permitted by law as follows:

9.1.1. Cancellation of Indebtedness. By cancellation of indebtedness of the Company to the Participant.

9.1.2. Surrender of Shares. By surrender of shares of Stock of the Company that have been owned by the Participant for more than six (6) months or lesser period if the surrender of Shares is otherwise exempt from Section 16 of the Exchange Act and, if such shares were purchased from the Company by use of a promissory note, such note has been fully paid with respect to such shares.

9.1.3. Deemed Net-Stock Exercise. By forfeiture of Shares equal to the value of the exercise price pursuant to a “deemed net-stock exercise” by requiring the Participant to accept that number of Shares determined in accordance with the following formula, rounded down to the nearest whole integer:

where:

a = net Shares to be issued to Participant

b = number of Awards being exercised

c = Fair Market Value of a Share

d = Exercise price of the Awards

9.1.4. Broker-Assisted. By delivering a properly executed exercise notice to the Company together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds necessary to pay the exercise price and the amount of any required tax or other withholding obligations.

9.1.5 Combination of Methods. By any combination of the foregoing methods of payment or any other consideration or method of payment as will be permitted by applicable corporate law.

10. WITHHOLDING TAXES.

10.1. Withholding Generally. Whenever Shares are to be issued in satisfaction of Awards granted under this Plan or Shares are forfeited pursuant to a “deemed net-stock exercise,” the Company may require the Participant to remit to the Company by cash, or check payable to the Company, an amount sufficient to satisfy federal, state and local taxes and FICA withholding requirements prior to the delivery of any certificate or certificates for such Shares. When,

under applicable tax laws, a Participant incurs tax liability in connection with the exercise or vesting of any Award, the Company will have the authority and right to deduct or withhold an amount sufficient to satisfy federal, state, and local taxes and FICA withholding requirements with respect to such transactions. Any such payment must be made, or any such withholding may be made, promptly when the amount of such obligation becomes determinable.

10.2. Stock for Withholding. To the extent permissible under applicable tax, securities and other laws, the Administrator may, in its sole discretion and upon such terms and conditions as it may deem appropriate, permit a Participant to satisfy his or her obligation to pay any such withholding tax, in whole or in part, with Stock up to an amount not greater than the Company's minimum statutory withholding rate for federal and state tax purposes, including payroll taxes. The Administrator may exercise its discretion, by (i) directing the Company to apply shares of Stock to which the Participant is entitled as a result of the exercise of an Award, or (ii) delivering to the Company Shares of Stock owned by the Participant for more than six (6) months, unless the delivery of the Shares is otherwise exempt from Section 16 of the Exchange Act. A Participant who has made an election pursuant to this Section 10.2 may satisfy his or her withholding obligation only with shares of Stock that are not subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements. The shares of Stock so applied or delivered for the withholding obligation will be valued at their Fair Market Value as of the date of measurement of the amount of income subject to withholding.

11. PROVISIONS APPLICABLE TO AWARDS.

11.1. Acceleration. The Administrator may, in its absolute discretion, without amendment to the Plan, (i) accelerate the date on which any Award granted under the Plan becomes exercisable, (ii) waive or amend the operation of Plan provisions respecting exercise after termination of service or otherwise adjust any of the terms of such Award and (iii) accelerate the Vesting Date, or waive any condition imposed hereunder, with respect to any share of Restricted Stock or otherwise adjust any of the terms applicable to such share. In order to avoid the deemed grant of a new Option, any amendment to an Incentive Stock Option must comply with the requirements of Section 424 of the Code and the applicable regulations thereunder.

11.2. Compliance with Section 162(m) of the Code. Notwithstanding any provision of this Plan to the contrary, if the Administrator determines that compliance with Section 162(m) of the Code is required or desired, all Awards granted under this Plan to Named Executive Officers will comply with the requirements of Section 162(m) of the Code. In addition, in the event that changes are made to Section 162(m) of the Code to permit greater flexibility with respect to any Award or Awards under this Plan, the Administrator may make any adjustments it deems appropriate.

11.3. Performance Goals. In order to preserve the deductibility of an Award under Section 162(m) of the Code, the Administrator may determine that any Award granted pursuant to this Plan to a Participant that is or is expected to become a Covered Employee will be determined solely on the basis of (a) the achievement by the Company or Subsidiary of a specified target return, or target growth in return, on equity or assets, (b) the Company's stock price, (c) the Company's total stockholder return (stock price appreciation plus reinvested dividends) relative to a defined comparison group or target over a specific performance period, (d) the achievement by the Company or a Parent or Subsidiary, or a business unit of any such entity, of a specified target, or target growth in, net income, earnings per share, earnings before income and taxes, and earnings before income, taxes, depreciation and amortization, or (e) any combination of the goals set forth in (a) through (d) above, and will be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in

Section 162(m)(4)(C) of the Code, and the Plan will be deemed amended to the extent deemed necessary by the Administrator to conform to such requirements. If an Award is made on such basis, the Administrator will establish goals prior to the beginning of the period for which such performance goal relates (or such later date as may be permitted under Section 162(m) of the Code or the regulations thereunder but not later than ninety (90) days after commencement of the period of services to which the performance goal relates), and the Administrator has the right for any reason to reduce (but not increase) the Award, notwithstanding the achievement of a specified goal. Any payment of an Award granted with performance goals will be conditioned on the written certification of the Administrator in each case that the performance goals and any other material conditions were satisfied.

In addition, to the extent that Section 409A is applicable, (i) performance-based compensation will also be contingent on the satisfaction of pre-established organizational or individual performance criteria relating to a performance period of at least twelve (12) consecutive months in which the Eligible Participant performs services, and (ii) performance goals will be established not later than ninety (90) days after the beginning of any performance period to which the performance goal relates, provided that the outcome is substantially uncertain at the time the criteria are established.

11.4. Compliance with Section 409A of the Code. Notwithstanding any provision of this Plan to the contrary, if any provision of this Plan or an Award Agreement contravenes any regulations or Treasury guidance promulgated under Section 409A of the Code or could cause an Award to be subject to the interest and penalties under Section 409A of the Code, such provision of this Plan or any Award Agreement will be modified to maintain, to the maximum extent practicable, the original intent of the applicable provision without violating the provisions of Section 409A of the Code. In addition, in the event that changes are made to Section 409A of the Code to permit greater flexibility with respect to any Award under this Plan, the Administrator may make any adjustments it deems appropriate.

11.5. Section 280G of the Code. Notwithstanding any other provision of this Plan to the contrary, unless expressly provided otherwise in the Award Agreement, if the right to receive or benefit from an Award under this Plan, either alone or together with payments that a Participant has a right to receive from the Company, would constitute a “parachute payment” (as defined in Section 280G of the Code), all such payments will be reduced to the largest amount that will result in no portion being subject to the excise tax imposed by Section 4999 of the Code.

11.6. Cancellation of Awards. In the event a Participant’s Continuous Services has been terminated for “Cause,” he or she will immediately forfeit all rights to any and all Awards outstanding. The determination by the Board that termination was for Cause will be final and conclusive. In making its determination, the Board will give the Participant an opportunity to appear and be heard at a hearing before the full Board and present evidence on the Participant's behalf. Should any provision to this Section be held to be invalid or illegal, such illegality will not invalidate the whole of this Section, but rather this Plan will be construed as if it did not contain the illegal part or narrowed to permit its enforcement, and the rights and obligations of the parties will be construed and enforced accordingly.

12. PRIVILEGES OF STOCK OWNERSHIP. No Participant will have any of the rights of a stockholder with respect to any Shares until the Shares are issued to the Participant. After Shares are issued to the Participant, the Participant will be a stockholder and have all the rights of a stockholder with respect to such Shares, including the right to vote and receive all dividends or other distributions made or paid with respect to such Shares; provided, that if such Shares are Restricted Stock, then any new, additional or different securities the Participant may become entitled to receive with respect to such Shares by virtue of a stock dividend, stock split or any other change in the corporate or capital structure of the Company will be subject to the same restrictions as the Restricted Stock. The Company will issue (or cause to be issued) such stock certificate promptly upon exercise of the Award. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued.

13. RESTRICTION ON SHARES. At the discretion of the Administrator, the Company may reserve to itself and/or its assignee(s) in the Award Agreement that the Participant not dispose of the Shares for a specified period of time, or that the Shares are subject to a right of first refusal or a right to repurchase at the Shares Fair Market Value at the time of sale. The terms and conditions of any such rights or other restrictions will be set forth in the Award Agreement evidencing the Award.

14. CERTIFICATES. All certificates for Shares or other securities delivered under this Plan will be subject to such stock transfer orders, legends and other restrictions as the Administrator may deem necessary or advisable, including restrictions under any applicable federal, state or foreign securities law, or any rules, regulations and other requirements of the SEC or any stock exchange or automated quotation system upon which the Shares may be listed or quoted.

15. ESCROW, PLEDGE OF SHARES. To enforce any restrictions on a Participant's Shares, the Administrator may require the Participant to deposit all certificates representing Shares, together with stock powers or other instruments of transfer approved by the Administrator, appropriately endorsed in blank, with the Company or an agent designated by the Company to hold in escrow until such restrictions have lapsed or terminated, and the Administrator may cause a legend or legends referencing such restrictions to be placed on the certificates. In connection with any pledge of the Shares, the Participant will be required to execute and deliver a written pledge agreement in such form, as the Administrator will from time to time approve.

16. SECURITIES LAW AND OTHER REGULATORY COMPLIANCE.

16.1. Compliance With Applicable Laws. An Award will not be effective unless such Award is in compliance with all applicable federal and state securities laws, rules and regulations of any governmental body, and the requirements of any stock exchange or automated quotation system upon which the Shares may then be listed or quoted, as they are in effect on the Grant Date and also on the date of exercise or other issuance. Notwithstanding any other provision in this Plan, the Company will have no obligation to issue or deliver certificates for Shares under this Plan prior to (i) obtaining any approvals from governmental agencies that the Company determines are necessary or

advisable; and/or (ii) completion of any registration or other qualification of such Shares under any state or federal laws or rulings of any governmental body that the Company determines to be necessary or advisable. The Company will be under no obligation to register the Shares with the SEC or to effect compliance with the registration, qualification or listing requirements of any state securities laws, stock exchange or automated quotation system, and the Company will have no liability for any inability or failure to do so. Upon exercising all or any portion of an Award, a Participant may be required to furnish representations or undertakings deemed appropriate by the Company to enable the offer and sale of the Shares or subsequent transfers of any interest in such Shares to comply with applicable securities laws. Evidences of ownership of Shares acquired pursuant to an Award will bear any legend required by, or useful for purposes of compliance with, applicable securities laws, this Plan or the Award Agreement.

16.2. Rule 16b-3 Exemption. During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards pursuant to the Plan and the exercise of Awards granted hereunder will qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board or the Administrator does not comply with the requirements of Rule 16b-3, it will be deemed inoperative to the extent permitted by law and deemed advisable by the Board or the Administrator, and will not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board or the Administrator may exercise its discretion to modify this Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

17. No Obligation to Employ. Nothing in this Plan or any Award granted under this Plan will confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, the Company or to limit in any way the right of the Company to terminate such Participant's employment or other relationship at any time, with or without cause.

18. ADJUSTMENT FOR CHANGES IN CAPITALIZATION. The existence of outstanding Awards will not affect the Company's right to effect adjustments, recapitalizations, reorganizations or other changes in its or any other corporation's capital structure or business, any merger or consolidation, any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Stock, the dissolution or liquidation of the Company's or any other corporation's assets or business or any other corporate act whether similar to the events described above or otherwise.

19. DISSOLUTION, LIQUIDATION, MERGER.

19.1. Company Not the Survivor. In the event of a dissolution or liquidation of the Company, a merger, consolidation, combination or reorganization in which the Company is not the surviving corporation, or a sale of substantially all of the assets of the Company (as determined in the sole discretion of the Board), the Administrator, in its absolute discretion, may cancel each outstanding Award upon payment in cash or stock, or combination thereof, as determined by the Board, to the Participant of the amount by which any cash and the fair market value of any other property which the Participant would have received as consideration for the Shares covered by the Award if the Award had been exercised before such liquidation, dissolution, merger, consolidation, combination, reorganization or sale exceeds the Exercise Price of the Award or negotiate to have such option assumed by the surviving corporation and, in its absolute discretion, may accelerate the time within which each outstanding Award may be exercised, provided however, that the Change of Control in Section 20 will control with respect to acceleration in vesting in the event of a merger, consolidation, combination or reorganization that results in a change of control as so defined. The exercise or vesting of any Award that was permissible solely by reason of this section and the applicable Award Agreement will be conditioned upon the consummation of the applicable event. Upon consummation of such dissolution, liquidation, merger, consolidation, combination, reorganization or sale of substantially all of the assets, any outstanding but unexercised Options not otherwise canceled, assumed or substituted as provided for above, will terminate.

19.2. Company is the Survivor. In the event of a merger, consolidation, combination or reorganization in which the Company is the surviving corporation (“Survivor Event”), the Board, as it was comprised before the Survivor Event, will determine the appropriate adjustment of the number and kind of securities with respect to which outstanding Awards may be exercised, and the exercise price at which outstanding Awards may be exercised. The Board will determine, in its sole and absolute discretion, when the Company will be deemed to survive for purposes of this Plan.

20. CHANGE OF CONTROL. The Administrator will have the authority, in its absolute discretion exercisable either in advance of any actual or anticipated “change of control” in the Company, to fully vest all outstanding Awards. A “change of control” will mean an event involving one transaction or a related series of transactions, in which (i) the Company issues securities equal to 50% or more of the Company’s issued and outstanding voting securities, determined as a single class, to any individual, firm, partnership, limited liability company, or other entity, including a “group” within the meaning of Exchange Act Rule 13d-3, (ii) the Company issues voting securities equal to 50% or more of the issued and outstanding voting stock of the Company in connection with a merger, consolidation other business combination, (iii) the Company is acquired in a merger, consolidation, combination or reorganization in which the Company is not the surviving company, or (iv) all or substantially all of the Company’s assets are sold or transferred.

21. DEFERRAL OF AWARDS. The Administrator may permit or require the deferral of payment or settlement of any Stock Award subject to such rules and procedures as it may establish. Payment or settlement of Options may not be deferred unless such deferral would not cause the provisions of Section 409A of the Code to be violated.

22. NOTIFICATION OF ELECTION UNDER SECTION 83(b) OF THE CODE. If any Participant will, in connection with the acquisition of Shares under the Plan, make the election permitted under Section 83(b) of the Code (i.e., an election to include in gross income in the year of transfer the amounts specified in Section 83(b) of the Code), such Participant will notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under the authority of Section 83(b) of the Code.

23. **TERMINATION; AMENDMENT.** The Board may amend, suspend or terminate this Plan at any time and for any reason; provided, however, that stockholder approval will be required for the following types of amendments to this Plan: (i) any increase in Maximum Number of Shares issuable under the Plan or the maximum number of Shares available as Incentive Stock Options, except for a proportional increase in the Maximum Number or maximum number of Shares available as Incentive Stock Options, as a result of stock split or stock dividend or (ii) a change in the class of Employees entitled to be granted Incentive Stock Options. Further, the Board may, in its discretion, determine that any amendment should be effective only if approved by the Stockholders even if such approval is not expressly required by this Plan or by law. No Awards will be made after the termination of the Plan. At any time and from time to time, the Administrator may amend or modify any outstanding Award or Award Agreement without approval of the Participant; provided, however, that no amendment or modification of any Award will adversely affect any outstanding Award without the written consent of the Participant; provided further, however, that the original term of any Award may not be extended unless it would not cause the provisions of Section 409A, 422, or 424 of the Code to be violated. No termination, amendment, or modification of the Plan will adversely affect any Award previously granted under the Plan, without the written consent of the Participant. Notwithstanding any provision herein to the contrary, the Administrator will have broad authority to amend this Plan or any outstanding Award under this Plan without approval of the Participant to the extent necessary or desirable (i) to comply with, or take into account changes in, applicable tax laws, securities laws, accounting rules and other applicable laws, rules and regulations, or (ii) to ensure that an Award is not subject to interest and penalties under Section 409A of the Code or the excise tax imposed by Section 4999 of the Code.

24. **TRANSFERS UPON DEATH; NONASSIGNABILITY.** Upon the death of a Participant outstanding Awards granted to such Participant including Options and Stock may be transferred and exercised only by the executor or administrator of the Participant's estate or by a person who will have acquired the right to such exercise by will or by the laws of descent and distribution in accordance with and as provided for in this Plan. No transfer of an Award by will or the laws of descent and distribution will be effective to bind the Company unless the Company will have been furnished with (a) written notice thereof and with a copy of the will and/or such evidence as the Administrator may deem necessary to establish the validity of the transfer and (b) an agreement by the transferee to comply with all the terms and conditions of the Award that are or would have been applicable to the Participant and to be bound by the acknowledgments made by the Participant in connection with the grant of the Award. Except as otherwise provided, no Award or interest in it may be transferred, assigned, pledged or hypothecated by the Participant, whether by operation of law or otherwise, or be made subject to execution, attachment or similar process.

25. **FAILURE TO COMPLY.** In addition to the remedies of the Company elsewhere provided for herein, failure by a Participant (or beneficiary) to comply with any of the terms and conditions of the Plan or the applicable Award Agreement, unless such failure is remedied by such Participant (or beneficiary) within ten days after notice of such failure by the Administrator, will be grounds for the cancellation and forfeiture of such Award, in whole or in part, as the Administrator, in its sole discretion, may determine.

26. GOVERNING LAW. Except to the extent preempted by any applicable federal law, this Plan and the rights of all persons under this Plan will be construed in accordance with and under applicable provisions of the laws of the State of California, without reference to the principles of conflicts of laws thereunder.

27. MISCELLANEOUS. Except as specifically provided in a retirement or other benefit plan of the company or a related entity, Awards will not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or a related entity, and will not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. This Plan is not a “retirement plan” or “welfare plan” under the Employee Retirement Income Security Act of 1974, as amended.

28. DEFINITIONS. As used in this Plan, the following terms will have the following meanings:
