Require a proposing stockholder to be a record holder (Article I, Section 6(A));

Provide that special meetings can only be called by the Board or Chairman of the Board (the “Chairman”) (Article I, Section 2);

Provide that the only actions that may be considered and acted upon at a special meeting will be those set forth in the special meeting notice (Article I, Section 6(B));

Require that any stockholder intending to take written consent action in lieu of a meeting must request that the Board set a record date for such action, within ten days after the request, which record date shall be no later than ten days after the date of the resolution setting the record date, and that information be provided as part of such request to the same extent as required for a nomination or proposal to be considered and acted upon at an annual or special meeting (Article I, Sections 8(B)-(E));

Provide that the chairman of an annual or special meeting is authorized to make binding determinations as to compliance of nominations and proposals with requirements of the Bylaws, and to adjourn the meetings (Article I, Section 5);
