EXPLANATORY NOTE

This Form 20-F/A for the fiscal year ended March 31, 2004, is being filed solely to file a revised Report of Price Waterhouse, Independent Auditors and the associated consents and certifications. The attached Report of Price Waterhouse is addressed to our shareholders as well as our Board of Directors and includes the following language duly underlined and italicized which was inadvertently omitted from the Report of Price Waterhouse in the previously filed Form 20-F:

In addition, in our opinion, the financial statement schedule listed in the accompanying index presents fairly, in all material respects, the information set forth therein when read in conjunction with the related consolidated financial statements. These financial statements *and financial statement schedule* are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements *and financial statement schedule* based on our audits.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits and the report of other auditors provide a reasonable basis for our opinion.

We have no further changes to the previously filed Form 20-F. All information in this Form 20-F/A is as of June 29, 2004 (the date of the initial Form 20-F filing), and does not reflect, unless otherwise noted, any subsequent information or events other than the change mentioned above.
