**Hsinchu, Taiwan, R.O.C., July 30, 2004** Regarding Economic Daily News' erroneous front-page report on July 30, 2004, which cited that Morris Chang, TSMC Chairman, was dissatisfied with foreign brokerage houses' investment downgrades of TSMC and his statement that TSMC's share price was far underestimated, TSMC made the following clarification:

Yesterday after TSMC's 2Q2004 results conference, when the media requested Dr. Morris Chang's comment on the recent weak performance of TSMC shares, Dr. Chang stated very clearly that "I do not comment on TSMC share price." Such statement obviously disproved that of the reporting from the Economic Daily News as stated above.
