*The matters discussed in this Current Report on Form 8-K include forward looking statements, which are subject to various risks, uncertainties and other factors that could cause actual results to differ materially from the results anticipated in such forward looking statements. Such risks, uncertainties and other factors include the uncertainties inherent in oil and gas development and production activities, the effect of actions by third parties including government officials, fluctuations in world oil prices and other risks detailed in the Company's Reports on Forms 10-K and 10-Q filed with the Securities and Exchange Commission. The forward-looking statements are intended to help shareholders and others assess the Company's business prospects and should be considered together with all information available. They are made in reliance upon the safe harbor provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The company cannot give assurance that the results will be attained.*

**Item 9. Regulation FD Disclosure.**

The following information is furnished pursuant to Item 9, Regulation FD Disclosure

On July 7, 2004 CanArgo Energy Corporation (OSE: CNR, Amex: CNR) ( CanArgo ) issued a notification to the Oslo Stock Exchange updating the status of its global public offering of up to 75 million common shares. CanArgo notified the OSE that it has extended the offering period until on or about Friday 9th July, 2004 as a result of the delay encountered in completing the filing process in the United States due to the Independence Day holiday.
