TIGER TELEMATICS, INC. APPOINTS NEW PRESIDENT AND CHIEF  
EXECUTIVE OFFICER

FORT LAUDERDALE, FL--(BUSINESS WIRE)--July 11, 2002--Tiger Telematics, Inc. (OTCBB:TIGR - News), announced today that Michael P. Jonas, a veteran executive and leader in the telematics industry, has been named President and Chief Executive Officer of Tiger Telematics, Inc. a provider of telematics products and services to the commercial and retail industry.

His appointment was announced by A. J. Nassar, who stepped down as CEO and Chairman of the Board of Tiger Telematics effective with Mr. Jonas' promotion. "Michael Jonas is the right person to lead this company into its next phase of growth in the fast growing telematics industry", Mr. Nassar said. "With the recent purchase of Comworxx, Inc. we felt that the shareholders would be best served by having someone with his extensive telematics background, contemporary vision and proven leadership ability. He will be part of a new management restructuring which better reflects our contemporary approach to telematics."

Mr. Jonas commented, "With the combination of Europe's business to business fleet product and the U.S. business to consumer Port-IT(TM) product, Tiger Telematics offers the most complete line of integrated, end to end, telematics solutions."

Mr. Jonas had previously served as President and CEO of Comworxx, Inc., a telematics provider recently acquired by Tiger Telematics, since inception. He has an extensive background in executive management, sales, business development, and in the manufacturing and design of mobile computing wireless and telecommunication systems.

The company also announced that Robert Francis resigned as President and COO, and as a director of Tiger Telematics and as Managing Director of the UK subsidiary Tiger Telematics, Ltd. Mr. Geoff Mitchell has been appointed Managing Director of Tiger Telematics, Ltd. Mr. Mitchell was previously with Vodafone UK as Executive Manager for its Special Project Group, with responsibility for

product development for wireless corporate solutions, telematics and international packet radio systems sales. Mr. Mitchell was also Managing Director of Racal Messenger, Ltd., specializing in telematics and recognition technologies.

Mr. Mitchell commented, "Tiger Telematics, Ltd. is ideally positioned to exploit the enormous potential in the UK and European telematics, market. By a combination of state of the art products and a compelling commercial offering, we bring a fresh approach to this sector that will drive growth."

### About Tiger

Tiger Telematics, Inc. provides telematics products and services in Europe and in North America. Tiger's mission is to bridge the gap that exists between the telecommunications, computing and automotive industries by delivering a comprehensive telematics solution to the consumer, business and fleet markets. Tiger provides mobile telematics services that add value to subscribers by helping them safely connect to the wireless world.

Except for historical matters contained herein, the matters discussed in this press release are forward-looking and are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that these forward-looking statements reflect numerous assumptions and involve risks and uncertainties that may affect Tiger Telematics, Inc. and its subsidiary businesses and prospects and cause actual results to differ materially from these forward-looking statements. Among the factors that could cause actual results to differ are Tiger Telematics, Inc.'s operating history; competition; low barriers to entry; reliance on strategic relationships; rapid technological changes; inability to complete transactions on favorable terms; and those risks discussed in the company's filings with the SEC.
