Item 2.02 Results of Operations and Financial Condition

The information in this Item is furnished to, but not filed with, the Securities and Exchange Commission (the "Commission") solely under Item 2.02 of Form 8-K, "Results of Operations and Financial Condition."

On January 31, 2006, G&K Services, Inc. issued a press release announcing its financial results for the fiscal quarter ended December 31, 2005. A copy of the

Edgar Filing: G&K SERVICES INC - Form 8-K

press release is furnished as Exhibit 99.1 to this report and is incorporated herein by reference. The press release contains certain non-GAAP financial measures, including the organic industrial rental growth rate and organic direct sale growth rate. The organic growth rates are calculated using industrial rental and direct sale revenues, respectively, adjusted for foreign currency exchange rate differences and revenues from newly acquired locations. Management believes that by eliminating the impact of the U.S.-Canadian exchange rate and the effects of the Company's recent business acquisitions, the organic growth rates better reflect the growth of our existing industrial rental and direct sale business and are therefore useful in analyzing the financial condition of the Company and the results of its operations.
