Item 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

Attached hereto as Exhibit 99.1 and incorporated by reference herein is financial information for Intel Corporation for the quarter ended June 28, 2008 and forward-looking statements relating to 2008 and the third quarter of 2008 as presented in a press release of July 15, 2008.

Also included in Exhibit 99.1 under the heading "Supplemental Operating Results and Other Information" is certain unaudited annual and quarterly financial information for the Digital Enterprise Group, Mobility Group, and "all other" category. In the second quarter of 2008, we completed a reorganization that transferred the revenue and costs associated with a portion of the Digital Home Group's consumer PC components business to the Digital Enterprise Group. The Digital Home Group now focuses on the consumer electronics components business. We adjusted our historical results to reflect this reorganization as well as certain other minor reorganizations. This information is provided as supplemental financial information that may be of interest to Intel Corporation stockholders.

The information in this report shall be deemed incorporated by reference into any registration statement heretofore or hereafter filed under the Securities Act of 1933, as amended, except to the extent that such information is superseded by information as of a subsequent date that is included in or incorporated by reference into such registration statement. The information in this report shall not be treated as filed for purposes of the Securities Exchange Act of 1934, as amended.

**SIGNATURES**
