**Item 8.01 Other Events.**

On December 16, 2010, U. S. Physical Therapy, Inc. (the “Company”) issued a press release reporting that on December 15, 2010, the President signed into law a bill which tables for one year a scheduled Medicare rate reduction for physicians, physical therapists and various other healthcare service providers. The bill had previously been overwhelmingly approved by both houses of Congress. Reimbursement in 2011 under the so-called Physician Fee Schedule will remain at current levels for physical therapy services provided to Medicare patients. Additionally the therapy cap exception process remains in effect. Medicare currently comprises approximately 22% of U.S. Physical Therapy’s net patient revenue.

Pursuant to the rules of the Securities and Exchange Commission, the information contained in this report shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any filings by the Company under such Act or the Securities Act of 1933, as amended.
