**Item 2.02 Results of Operations and Financial Condition.**

On May 1, 2013, Glu Mobile Inc. (“*Glu*”) issued a press release announcing its financial results for the first quarter ended March 31, 2013. A copy of the press release is attached as Exhibit 99.01 to this Current Report on Form 8-K. In addition, on May 1, 2013, Glu made available on its corporate website at [www.glu.com/investors](http://www.glu.com/investors) supplemental slides that were referenced during Glu’s earnings call to discuss its financial results for the first quarter ended March 31, 2013. A copy of such supplemental slides is attached as Exhibit 99.02 to this Current Report on Form 8-K.

The information in this Item 2.02, including Exhibits 99.01 and 99.02 to this Current Report on Form 8-K, shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section or Sections 11 and 12(a)(2) of the Securities Act of 1933, as amended. The information contained in this Item 2.02 and in the accompanying Exhibits 99.01 and 99.02 shall not be incorporated by reference into any registration statement or other document filed by Glu with the Securities and Exchange Commission, whether made before or after the date of this Current Report on Form 8-K, regardless of any general incorporation language in such filing (or any reference to this Current Report on Form 8-K generally), except as shall be expressly set forth by specific reference in such filing.

**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On April 30, 2013, Glu began notifying certain of its employees that their employment would be terminated as a result of Glu’s plans to reduce the number of its development studio teams and eliminate certain research and development positions. Glu undertook this restructuring to enable it to hire additional monetization, live operations, server technology, user experience and product management personnel to support Glu’s transition to becoming a games-as-a-service company. Glu expects to complete the restructuring no later than June 30, 2013.

Glu expects to incur total cash charges, on a pre-tax basis, of approximately \$650,000 to \$750,000 in the second quarter of 2013, all of which are related to employee severance costs.

**CAUTIONS REGARDING FORWARD-LOOKING STATEMENTS**

Our expectations regarding the charges that Glu expects to incur related to the restructuring activities described in this Item 2.05 are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements are based upon our current expectations and involve risks and uncertainties that could cause the actual amounts to differ materially from those described in this report, which include the risk that these restructuring activities have not been completed and the final charges may be greater than we currently anticipate; the risk that we undertake additional restructuring activities beyond those currently contemplated; and other risks detailed under the caption “Risk Factors” in our Form 10-K filed with the Securities and Exchange Commission on March 15, 2013 and our other SEC filings. You can locate these reports through our website at <http://www.glu.com/investors>. We are under no obligation, and expressly disclaim any obligation, to update or alter our forward-looking statements whether as a result of new information, future events or otherwise, except as may be required by law, rule or regulation.
