The Offering is designed to give record shareholders the opportunity to invest directly into the Company at a set price with additional warrants to support the Company’s capital raise to be used for continued expansion.

Each shareholder will receive one non-transferable right (the “Right”) for each share of common stock held on the record date (October 12, 2018). Each Right will include one share of Common Stock and two one-half warrants. The purchase price will be payable in cash to the Company.

The warrants included in each Right will be exercisable for one-half of the number of rights for one share of our Common Stock at an exercise price of \$0.018 per share and one-half warrant exercisable for one share of our Common Stock at an exercise price of \$0.024. For example: if you subscribe for 100 Units you will receive 100 common stock shares and 100 warrants divided into 50 warrants exercisable at \$0.018 and 50 warrants exercisable at \$0.024).

The Record date shareholders who fully exercise their Subscription Rights will be eligible for an over-subscription privilege entitling these shareholders to subscribe, subject to certain limitations and a pro-rata allotment, for any additional shares of common stock not purchased pursuant to the Subscription.

The Offering expires at 6:00 PM Eastern Time on November 12, 2018, unless extended.

The Company expects to mail subscription certificates evidencing the Rights and a copy of the prospectus for the Offering to record date shareholders beginning on October 18, 2018. Financial Advisors will likely send notices to you shortly thereafter.

The foregoing description of the Rights Offering is not complete and is subject to and qualified in its entirety by reference to the Rights Offering as set forth within Exhibit 10.1 which is attached hereto and incorporated herein by this reference.
