reporting when his beneficial ownership of Class A Shares declined below 5%. The reporting person disclaims beneficial ownership of substantially all of the Class A Shares that are the subject of this statement, and the filing of this statement is not intended to reflect an acknowledgment that the reporting person has subsequently acquired beneficial ownership of in excess of 2% of the Class A Shares in any 12-month period.

### ITEM 1. SECURITY AND ISSUER.

This statement relates to the Class A Shares. The principal executive offices of the Company are located at 337 Magna Drive, Aurora, Ontario, Canada, L4G 7K1.

### ITEM 3. SOURCE AND AMOUNT OF FUNDS AND OTHER CONSIDERATION.

See Item 4 below.

### ITEM 4. PURPOSE OF TRANSACTION.

100,000 Class A Shares are held by the reporting person directly. Such shares were acquired by the reporting person on August 26, 2003 upon partial exercise of an option (the "Option") that was issued to the reporting person by the Company on November 5, 1999 in partial consideration for his services as Chairman of the Company. The reporting person paid the US\$51.00 per share

purchase price under the Option with respect to such Class A Shares using personal funds.

100,000 Class A Shares (the "Option Shares") remain subject to the Option. The Option will become vested and exercisable with respect to the Option Shares on November 5, 2003.

726,829 Class A Shares are issuable upon conversion of an equivalent number of Class B Shares held by a corporation wholly owned by the Stronach Trust, a family trust, as more fully described below. 697,929 of such Class B Shares were beneficially owned by the Stronach Trust on the date as of which the reporting person last filed a statement on Schedule 13G with respect to the Class A Shares. Beneficial ownership of the remainder of such Class B Shares was acquired during the period from February 16, 1996 to April 1, 2002 in the open market using internally available funds. The Class B Shares owned by the Stronach Trust are held for investment purposes; however, by virtue of owning such shares, the Stronach Trust is able to elect all of the directors of the Company and therefore is able to exercise control over the Company.

A total of 4,519,716 Class A Shares are held or issuable upon conversion of Class B Shares held by the Employees Deferred Profit Sharing Plan (US) (the "US DPSP") of the Company and the Magna Deferred Profit Sharing Plan (Canada) (the "Canadian DPSP" and, together with the US DPSP, the "Plans"). Class A and Class B Shares are purchased and sold by the Plans in the ordinary course of their investment activities on behalf of employees of the Company participating in the Plans on an ongoing basis. The Class A and Class B Shares held by the Plans were acquired through contributions from the Magna International Inc. Trust, which in turn acquired such shares in the open market using funds contributed to such trust by the Company. The reporting person is not a beneficiary of either Plan.

91,740 Class A Shares are issuable upon conversion of an equivalent number of Class B Shares held by 865714 Ontario Inc. ("865714"), an entity that was incorporated to provide a continuing separate vehicle for the acquisition of capital stock of the Company and the sale thereof to members of Company management. The Class B Shares owned by 865714 are held for such general purpose. A portion of such Class B Shares were acquired from a departing executive of the Company in a private transaction and the remainder of such Class B Shares were acquired in the open market, in each case using internally available funds.

1300 Class A Shares are held by Elfriede Stronach, the spouse of the reporting person. Such shares were purchased in the open market using personal funds. The Class A Shares owned by Elfriede Stronach are held for investment purposes.

The reporting person (in his capacity as Chairman of the Board of the Company or otherwise) may, from time to time, communicate with the Company's management, directors, shareholders and other interested parties regarding matters of mutual interest, including strategies designed to increase the value of the Class A Shares. The reporting person may from time to time acquire or dispose of beneficial ownership of additional Class A Shares in the open market, in privately negotiated transactions or otherwise.

Except as indicated in this Schedule 13D, the reporting person currently has no plans or proposals that relate to or would result in any of the matters described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

### ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

- (a) The reporting person holds 100,000 Class A Shares directly. The reporting person is the beneficial owner of an additional 100,000 Class A Shares constituting the Option Shares.
