You are invited to attend our Annual Meeting of stockholders on June 12, 2003, beginning at 9:00 a.m. Pacific Daylight Time. The meeting will be held at the Company's corporate headquarters at 21900 Burbank Boulevard, Suite 270, Woodland Hills, California 91367.

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

2003, the outstanding shares of convertible redeemable series C preferred stock were convertible into 607,288 shares of common stock, which shares are entitled to vote with our common stock.

MAILING OF PROXY STATEMENTS.

We anticipate mailing this Proxy Statement and the accompanying Proxy to stockholders on or about May 1, 2003.

PROXIES.

Your vote is important. If your shares are registered in your name, you are a share owner of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All share owners can vote by written Proxy card. Your submitting the enclosed Proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. IF YOUR SHARES ARE HELD IN STREET NAME, YOU MUST OBTAIN A PROXY, EXECUTED IN YOUR FAVOR, FROM THE HOLDER OF RECORD IN ORDER TO BE ABLE TO VOTE AT THE MEETING. If you are a share owner of record, you may revoke your Proxy at any time before the meeting either by filing with the Secretary of the Company, at its principal executive offices, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy will be voted as recommended by the Board of Directors.

QUORUM.

The presence, in person or by Proxy, of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities.

2

VOTING.

Each share of Tag-It common stock is entitled to one vote on each matter properly brought before the meeting. In addition, each share of convertible redeemable series C preferred stock is entitled to one vote for each share of common stock into which it is convertible on each matter properly brought before the meeting. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to stockholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.

ELECTION OF DIRECTORS.

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

The three nominees for Class III director receiving the highest number of votes at the Annual Meeting will be elected. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the current Board of Directors to fill any vacancy. The Company has no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

AMENDMENT OF THE 1997 STOCK PLAN.

It is proposed to amend the 1997 Stock Plan to increase the number of shares of common stock that the Company may issue pursuant to awards under the 1997 Stock Plan from 2,277,500 shares to 2,577,500 shares. This amendment will require the affirmative vote of a majority of the votes entitled to be cast by holders of outstanding shares of common stock that are present or represented by proxy at the Annual Meeting.

OTHER MATTERS.

At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

In the event a shareholder proposal was not submitted to the Company prior to April 16, 2003, the enclosed Proxy will confer authority on the Proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the Meeting. As of the date hereof, no shareholder proposal has been submitted to the Company, and management is not aware of any other matters to be presented for action at the Meeting. However, if any other matters properly come before the Meeting, the Proxies solicited hereby will be voted by the Proxyholders in accordance with the recommendations of the Board of Directors. Such authorization includes authority to appoint a substitute nominee for any Board of Directors' nominee identified herein where death, illness or other circumstance arises which prevents such nominee from serving in such position and to vote such Proxy for such substitute nominee.

STOCK INCENTIVE PLAN

The Company adopted the Tag-It Pacific, Inc. 1997 Stock Plan (the "1997 Plan") in October 1997. The purpose of the 1997 Plan is to provide incentives and rewards to selected eligible directors, officers, employees and consultants of the Company or its subsidiaries in order to assist the Company and its subsidiaries in attracting, retaining and motivating those persons by providing for or increasing the proprietary interests of those persons in the Company, and by associating their interests in the Company with those of the Company's stockholders. Currently, the maximum number of shares of common stock that may be issued pursuant to awards granted under the 1997 Plan is 2,277,500, subject to certain adjustments to prevent dilution. Any shares of common stock subject to an award which for any reason expires or terminates unexercised are again available for issuance under the 1997 Plan.

The 1997 Plan authorizes its administrator to enter into any type of arrangement with an eligible participant that, by its terms, involves or might involve the issuance of (1) shares of common stock, (2) an option, warrant, convertible security, stock appreciation right or similar right with an exercise or conversion privilege at a price related to the common stock, or (3) any other security or benefit with a value derived from the value of the common stock. Any stock option granted may be an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") or a nonqualified stock option. The 1997 Plan currently is administered by the Compensation Committee of the Board of Directors of the Company. Subject to the provisions of the 1997 Plan, the Compensation Committee will have full and final authority to select the executives and other employees to whom awards will be granted thereunder, to grant the awards and to determine the terms and conditions of the awards and the number of shares to be issued pursuant thereto. No participant may receive awards representing more than 25% of the aggregate number of shares of common stock that may be issued pursuant to all awards under the 1997 Plan.

As of December 31, 2002, 259,000 shares of common stock remained available for grant of awards to eligible participants under the 1997 Plan.

11

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee is charged with the responsibility of administering all aspects of the Company's executive compensation programs. The committee, which currently is comprised of two independent, non-employee directors, also grants all stock options and otherwise administers the 1997 Plan. In connection with its deliberations, the committee seeks, and is significantly influenced by, the views of the Chief Executive Officer with respect to appropriate compensation levels of the other officers.

TOTAL COMPENSATION. It is the philosophy of the committee that

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

executive compensation should be structured to provide an appropriate relationship between executive compensation and performance of the Company and the share price of the common stock, as well as to attract, motivate and retain executives of outstanding abilities and experience. The principal elements of total compensation paid to executives of the Company are as follows:

BASE SALARY. Base salaries are negotiated at the commencement of an executive's employment with the Company, and are designed to reflect the position, duties and responsibilities of each executive officer, the cost of living in the area in which the officer is located, and the market for base salaries of similarly situated executives at other companies engaged in businesses similar to that of the Company. Base salaries may be annually adjusted in the sole discretion of the committee to reflect changes in any of the foregoing factors.

STOCK INCENTIVE PLAN OPTIONS AND AWARDS. Under the 1997 Plan, the committee is authorized to grant any type of award which might involve the issuance of shares of common stock, options, warrants, convertible securities, stock appreciation rights or similar rights or any other securities or benefits with a value derived from the value of the common stock. The number of options granted to an individual is based upon a number of factors, including his or her position, salary and performance, and the overall performance and stock price of the Company.

ANNUAL INCENTIVES. The committee believes that executive compensation should be determined with specific reference to the Company's overall performance and goals, as well as the performance and goals of the division or function over which each individual executive has primary responsibility. In this regard, the committee considers both quantitative and qualitative factors. Quantitative items used by the committee in analyzing the Company's performance include sales and sales growth, results of operations and an analysis of actual levels of operating results and sales to budgeted amounts. Qualitative factors include the committee's assessment of such matters as the enhancement of the Company's image and reputation, expansion into new markets, and the development and success of new strategic relationships and new marketing opportunities.

DETERMINATION OF CHIEF EXECUTIVE OFFICER'S COMPENSATION. The committee believes that the Chief Executive Officer's compensation should be determined with specific reference to the Company's overall performance and goals applying the same quantitative and qualitative factors with which it determines the annual incentives of its other executive officers. The committee set the base salary for the Chief Executive Officer for the fiscal year 2002 at a level which is designed to provide the Chief Executive Officer with a salary which is competitive with salaries paid to chief executive officers of similarly-sized companies in the industry and commensurate with the Chief Executive Officer's experience.

OMNIBUS BUDGET RECONCILIATION ACT IMPLICATIONS FOR EXECUTIVE COMPENSATION. Effective January 1, 1994, under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), a public company generally will not be entitled to a deduction for non-performance-based compensation paid to certain executive officers to the extent such compensation exceeds \$1.0 million. Special rules apply for "performance-based" compensation, including the approval of the performance goals by the stockholders of the Company.

All compensation paid to the Company's employees in fiscal 2002 will be fully deductible. With respect to compensation to be paid to executives in 2003 and future years, in certain instances such compensation may exceed \$1.0 million. However, in order to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy that all compensation must be deductible.

CERTAIN TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

Except as disclosed in this Proxy Statement, neither the nominees for election as directors of the Company, the directors or senior officers of the Company, nor any stockholder owning more than five percent of the issued shares of the Company, nor any of their respective associates or affiliates, had any material interest, direct or indirect, in any material transaction to which the Company was a party during fiscal 2002, or which is presently proposed.

TRANSACTIONS INVOLVING OUR OFFICERS, DIRECTORS, OR THEIR IMMEDIATE FAMILY AND AFFILIATES

Pursuant to a consulting agreement, we paid \$150,000 in consulting fees to Diversified Consulting, LLC, a company owned by Audrey Dyne, mother of Colin Dyne and Mark Dyne, for the year ended December 31, 2002. We also paid \$70,800 in consulting fees to Kevin Bermeister, a director, for the year ended December 31, 2002.

As of December 31, 2002, we were indebted to Monto Holdings Pty. Ltd. in the aggregate amount of \$60,919. Mark Dyne, our Chairman, holds a significant equity interest in Monto Holdings Pty. Ltd. Kevin Bermeister, one of our directors, also holds an equity interest in Monto Holdings Pty. Ltd. The loans from Monto Holdings Pty. Ltd. are all evidenced by promissory notes and are due and payable on the fifteenth day following the date on which the holder of the promissory note makes written demand for payment.

Mark Dyne loaned us \$160,000 in August 1999 and \$15,000 in January 1999. This indebtedness is evidenced by unsecured promissory notes, dated August 17, 1999 and January 31, 1999, which are due and payable on demand and bear interest at a rate of 7.0% and 7.5% per annum. During the year ended December 31, 2000, we repaid \$95,205 to Mr. Dyne. In October 2000, Mark Dyne loaned us a further \$500,000. This indebtedness is evidenced by a convertible secured subordinated promissory note, dated October 4, 2000, which is due and payable on demand, bears interest at a rate of 11.0% per annum and convertible at the election of the holder into our common stock at a price of \$4.50 per share. At December 31, 2002, we were indebted to Mr. Dyne in the aggregate amount of \$579,795.

As of December 31, 2002, Colin Dyne was indebted to Tag-It, Inc. as part of a series of loans in the aggregate amount of \$636,669. A portion of this indebtedness is evidenced by a promissory note, dated August 31, 1997, in the principal amount of \$71,542 and a promissory note, dated October 15, 1997, in the principal amount of \$6,089. Both promissory notes are due and payable on demand and bear interest at a rate of 7.5% per annum. The remaining indebtedness is due and payable on demand and bears interest at 8.5% and prime. In addition to these two promissory notes, Colin Dyne loaned the Company \$185,000 in December 2000. The note payable is unsecured, bears interest at a rate of 11% and is due on demand. The aggregate net amount due from Mr. Dyne during the year ended December 31, 2002 amounted to \$451,669.

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

As of December 31, 2002, Jonathan Burstein was indebted to Tag-It, Inc. as part of a series of loans in the aggregate amount of \$92,689, the largest aggregate balance during the year ended December 31, 2002. This indebtedness bears interest of 7.5 % and is due and payable on demand.

In a series of transactions on December 28, 2001, January 7, 2002 and January 8, 2002, we entered into stock and warrant purchase agreements with three private investors, including Mark Dyne, the chairman of our board of directors. Pursuant to the stock and warrant purchase agreements, we issued Mr. Dyne an aggregate of 166,666 shares of common stock at a price per share of \$3.00 for aggregate proceeds of \$499,998. Pursuant to the stock and warrant purchase agreements, 83,334 warrants to purchase common stock were issued to Mr. Dyne. The warrants are exercisable immediately after closing, one half of the warrants at \$4.34 per share and the second half at \$4.73 per shares, representing 110% and 120%, respectively, of the market value of our common stock on the date of closing. The exercise price for the warrants shall be adjusted upward by 25% of the amount, if any, that the market price of our common stock on the exercise date exceeds the initial exercise price (as adjusted) up to a maximum exercise price of \$5.25. The warrants have a term of four years. The shares contain restrictions related to the sale or transfer of the shares, registration and voting rights.

On October 4, 2002, we entered into a note payable agreement with Harris Toibb, the beneficial owner of approximately 13% of our common stock at April 18, 2003, in the amount of \$500,000 to fund additional working

capital requirements. The note payable was unsecured, due on demand, accrued interest at 4% and was subordinated to UPS Capital. This note was re-paid on February 28, 2003.

TRANSACTIONS INVOLVING STRATEGIC RELATIONSHIPS WITH CUSTOMERS AND SUPPLIERS

In October 1998, KG Investment, LLC, a Los Angeles-based private investment company, purchased 2,390,000 restricted shares of our common stock for an aggregate price of \$2,688,750. KG Investment, LLC, is currently a significant stockholder, owning approximately 25.6% of the outstanding shares of our common stock at December 31, 2002. KG Investment, LLC is also affiliated with Tarrant Apparel Group, our largest customer, because the owners of KG Investment, LLC are Gerard Guez, Chairman of the Board and Chief Executive Officer and a significant stockholder of Tarrant Apparel Group, and Todd Kay, President and a significant stockholder of Tarrant Apparel Group. Total sales to Tarrant for the years ended December 31, 2002, 2001 and 2000 amounted to approximately \$24,947,000, \$18,438,000 and \$23,760,000. During the year ended December 31, 1999, we loaned Mr. Guez \$75,000 in the form of an unsecured promissory note which bears interest at prime and is payable on demand.

In connection with this investment, KG Investment, LLC agreed not to dispose of its shares of common stock before October 16, 2000, except to affiliated parties, without our prior written consent. After October 16, 2000, KG Investment, LLC may sell or transfer any of the shares in accordance with applicable law; provided that we have an assignable right of first refusal to

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

purchase the shares upon the same or economically equivalent terms and conditions, if the sale is not made in accordance with the volume restrictions of Rule 144 under the Securities Act of 1933 or in connection with a public offering initiated by us. We granted KG Investment, LLC piggyback registration rights which entitles it to sell its shares of common stock in a registered public offering in the same proportion as shares of common stock sold in the same offering by any of Colin Dyne, Mark Dyne, the Estate of Harold Dyne, Larry Dyne or Jonathan Burstein. During 2002, KG Investments, LLC transferred 195,000 shares to Gerard Guez and 1,195,000 shares to Todd Kay.

On December 22, 2000, we entered into an exclusive supply agreement with Azteca Production International, Inc., AZT International SA D RL, and Commerce Investment Group, LLC. Pursuant to this supply agreement we provide all trim-related products for certain programs manufactured by Azteca Production International. The agreement provides for a minimum aggregate total of \$10,000,000 in annual purchases by Azteca Production International and its affiliates during each year of the three-year term of the agreement, if and to the extent, we are able to provide trim products on a basis that is competitive in terms of price and quality. Under the terms of the supply agreement, we issued 1,000,000 shares of restricted common stock to Commerce Investment Group, LLC, or approximately 10.7% the outstanding shares of our common stock at December 31, 2002. The shares of restricted stock were issued at the market price of our stock at the time of issuance. Total sales to Azteca for the years ended December 31, 2002, 2001 and 2000 amounted to approximately \$16,946,000, \$9,016,000 and \$1,878,000. As of December 31, 2002, 2001 and 2000, accounts receivable related parties included approximately \$5,408,000, \$2,920,000 and \$771,000 due from Azteca. Terms are net 60 days. Transportation fees paid to a company that has common ownership with Azteca for the years ended December 31, 2002 and 2001 amounted to \$225,000 and \$15,000.

In accordance with the series C preferred stock purchase agreement entered into by the Company and Coats North America Consolidated, Inc., an affiliate of Coats, plc, on September 20, 2001, 759,494 shares of series C convertible redeemable preferred stock were issued to Coats North America Consolidated, Inc. in exchange for an equity investment from Coats North America Consolidated of \$3 million cash. Pursuant to the series C preferred stock purchase agreement, and for so long as Coats holds 66 2/3% of the shares of the series C preferred stock, the Company has agreed to use commercially reasonable efforts to cause a representative designated by Coats to be nominated to serve as director of our company. Each holder of the series C preferred shares has the right to vote with the common stock based on the number of common shares that the series C preferred shares could then be converted into on the record date. In connection with the series C preferred stock purchase agreement, the Company also entered into a 10-year co-marketing and supply agreement with Coats that provides for selected introductions into Coats' customer base and the Company's trim packages will exclusively offer thread manufactured by Coats. Total purchases from Coats for the years ended December 31, 2002 and 2001 amounted to approximately \$12,276,000 and \$18,247,000.

ITEM 2: PROPOSAL TO AMEND THE 1997 STOCK PLAN

GENERAL

The Board of Directors has approved an amendment (the "Plan Amendment")

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

to the Tag-It Pacific, Inc. 1997 Stock Plan to increase the number of shares of common stock available for issuance under the 1997 Plan from 2,277,500 shares to 2,577,500 shares. The 1997 Plan is attached hereto as Appendix A. The Plan Amendment is being submitted to the Company's stockholders for approval.

The Board of Directors approved the Plan Amendment to ensure that a sufficient number of shares of common stock are available for issuance under the 1997 Plan. At April 18, 2003, only 259,000 shares remained available for grants of awards under the 1997 Plan. The Board of Directors believes that the ability to grant stock-based awards is important to the future success of the Company. The grant of stock options and other stock-based awards can motivate high levels of performance and provide an effective means of recognizing employee contributions to the success of the Company. In addition, stock-based compensation can be valuable in recruiting and retaining highly qualified technical and other key personnel who are in great demand as well as rewarding and providing incentives to our current employees. The increase in the number of shares available for awards under the 1997 Plan will enable the Company to continue to realize the benefits of granting stock-based compensation.

At April 18, 2003, the last reported sales price of the common stock on the American Stock Exchange was \$4.22 per share.

SUMMARY OF THE 1997 PLAN

PURPOSE. The purpose of the 1997 Plan is to provide incentives and rewards to selected eligible directors, officers, employees and consultants of the Company or its subsidiaries in order to assist the Company and its subsidiaries in attracting, retaining and motivating those persons by providing for or increasing the proprietary interests of those persons in the Company, and by associating their interests in the Company with those of the Company's stockholders.

ADMINISTRATION. The 1997 Plan may be administered by the Board of Directors, or a committee of two or more directors appointed by the Board of Directors whose members serve at the pleasure of the Board. The 1997 Plan currently is administered by the Compensation Committee of the Board of Directors. The party administering the 1997 Plan is referred to as the "Administrator." Subject to the provisions of the 1997 Plan, the Administrator has full and final authority to (i) select from among eligible directors, officers, employees and consultants, those persons to be granted awards under the 1997 Plan, (ii) determine the type, size and terms of individual awards to be made to each person selected, (iii) determine the time when awards will be granted and to establish objectives and conditions (including, without limitation, vesting and performance conditions), if any, for earning awards, (iv) amend the terms or conditions of any outstanding award, subject to applicable legal restrictions and to the consent of the other party to such award, (v) to determine the duration and purpose of leaves of absences which may be granted to holders of awards without constituting termination of their employment, (vi) authorize any person to execute, on behalf of the Company, any instrument required to carry out the purposes of the 1997 Plan, (vii) by resolution adopted by the Board, to authorize one or more officers of the Company to designate eligible employees of the Company or any of its subsidiaries to be recipients of awards and/or determine the number of such awards to be received by such employees, provided that the resolution so authorizing such officer or officers shall specify the total number of awards such officer or officers may award, and (viii) make any and all other determinations which the Administrator determines to be necessary or advisable in the administration of the 1997 Plan. The Administrator has full power and authority to administer and interpret the 1997 Plan and to adopt, amend and revoke such rules, regulations, agreements, guidelines and instruments for the administration of the 1997 Plan and for the conduct of its business as the Administrator deems necessary or advisable.

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

ELIGIBILITY. Any person who is a director, officer, employee or consultant of the Company, or any of its subsidiaries (a "Participant"), is eligible to be considered for the grant of awards under the 1997 Plan. No Participant may receive awards representing more than 25% of the aggregate number of shares of common stock that may be issued pursuant to all awards under the 1997 Plan. At April 18, 2003, approximately 72 officers, directors and employees of the Company were eligible to receive awards under the 1997 Plan.

17

TYPES OF AWARDS. Awards authorized under the 1997 Plan may consist of any type of arrangement with a Participant that, by its terms, involves or might involve or be made with reference to the issuance of shares of the Company's common stock, or a derivative security with an exercise or conversion price related to the common stock or with a value derived from the value of the common stock. Awards are not restricted to any specified form or structure and may include sales, bonuses and other transfers of stock, restricted stock, stock options, reload stock options, stock purchase warrants, other rights to acquire stock or securities convertible into or redeemable for stock, stock appreciation rights, phantom stock, dividend equivalents, performance units or performance shares, or any other type of award which the Administrator shall determine is consistent with the objectives and limitations of the 1997 Plan. An award may consist of one such security or benefit, or two or more of them in tandem or in the alternative.

CONSIDERATION. The common stock or other property underlying an award may be issued for any lawful consideration as determined by the Administrator, including, without limitation, a cash payment, services rendered, or the cancellation of indebtedness. An award may provide for a purchase price of the common stock or other property at a value less than the fair market value of the common stock or other property on the date of grant. In addition, an award may permit the recipient to pay the purchase price of the common stock or other property or to pay such recipient's tax withholding obligation with respect to such issuance, in whole or in part, by delivering previously owned shares of capital stock of the Company or other property, or by reducing the number of shares of common stock or the amount of other property otherwise issuable pursuant to such award.

TERMINATION OF AWARDS. All awards granted under the 1997 Plan expire ten years from the date of grant, or such shorter period as is determined by the Administrator. No option is exercisable by any person after such expiration. If an award expires, terminates or is canceled, the shares of common stock not purchased thereunder shall again be available for issuance under the 1997 Plan.

AMENDMENT AND TERMINATION OF THE 1997 PLAN. The Administrator may amend the 1997 Plan at any time, may suspend it from time to time or may terminate it without approval of the stockholders; provided, however, that stockholder approval is required for any amendment which materially increases the number of shares for which awards may be granted, materially modifies the requirements of eligibility, or materially increases the benefits which may accrue to recipients of awards under the 1997 Plan. However, no such action by the Board of Directors or stockholders may unilaterally alter or impair any award previously granted under the 1997 Plan without the consent of the recipient of the award. In any event, the 1997 Plan shall terminate on October 1, 2007 (ten years following the date it was approved by the Company's stockholders) unless sooner terminated by action of the Board of Directors.

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

EFFECT OF SECTION 16(B) OF THE SECURITIES EXCHANGE ACT OF 1934. The acquisition and disposition of common stock by officers, directors and more than 10% stockholders of the Company ("Insiders") pursuant to awards granted to them under the 1997 Plan may be subject to Section 16(b) of the Securities Exchange Act of 1934. Pursuant to Section 16(b), a purchase of common stock by an Insider within six months before or after a sale of common stock by the Insider could result in recovery by the Company of all or a portion of any amount by which the sale proceeds exceed the purchase price. Insiders are required to file reports of changes in beneficial ownership under Section 16(a) of the Securities Exchange Act of 1934 upon acquisitions and dispositions of shares. Rule 16b-3 provides an exemption from Section 16(b) liability for certain transactions pursuant to certain employee benefit plans. The 1997 Plan is designed to comply with Rule 16b-3.

18

FEDERAL INCOME TAX CONSEQUENCES FOR STOCK OPTIONS

As of April 18, 2003, the only type of award granted by the Company under the 1997 Plan has been stock options. The following is a general discussion of the principal United States federal income tax consequences of both "incentive stock options" within the meaning of Section 422 of the Code ("Incentive Stock Options") and non-statutory stock options ("Non-statutory Stock Options") based upon the United States Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder, all of which are subject to modification at any time. The 1997 Plan does not constitute a qualified retirement plan under Section 401(a) of the Code (which generally covers trusts forming part of a stock bonus, pension or profit-sharing plan funded by employer and/or employee contributions which are designed to provide retirement benefits to participants under certain circumstances) and is not subject to the Employee Retirement Income Security Act of 1974 (the pension reform law which regulates most types of privately funded pension, profit sharing and other employee benefit plans).

CONSEQUENCES TO EMPLOYEES: INCENTIVE STOCK OPTIONS. No income is recognized for federal income tax purposes by an optionee at the time an Incentive Stock Option is granted, and, except as discussed below, no income is recognized by an optionee upon his or her exercise of an Incentive Stock Option. If the optionee makes no disposition of the common stock received upon exercise within two years from the date such option was granted or one year from the date such option is exercised (the "ISO Holding Period Requirements"), the optionee will recognize long-term capital gain or loss when he or she disposes of his or her common stock. Such gain or loss generally will be measured by the difference between the exercise price of the option and the amount received for the common stock at the time of disposition.

If the optionee disposes of the common stock acquired upon exercise of an Incentive Stock Option without satisfying the ISO Holding Period Requirements, any amount realized from such "disqualifying disposition" will be taxed at ordinary income tax rates in the year of disposition to the extent that (i) the lesser of (a) the fair market value of the shares of common stock on the date the Incentive Stock Option was exercised or (b) the fair market value of such shares at the time of such disposition exceeds (ii) the Incentive Stock Option exercise price. Any amount realized upon disposition in excess of the fair market value of the shares of common stock on the date of exercise will be treated as long-term or short-term capital gain depending upon the length of

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

time the shares have been held.

The use of stock acquired through exercise of an Incentive Stock Option to exercise an Incentive Stock Option will constitute a disqualifying disposition if the ISO Holding Period Requirements have not been satisfied.

For alternative minimum tax purposes, the excess of the fair market value of the shares of common stock as of the date of exercise over the exercise price of the Incentive Stock Option is included in computing that year's alternative minimum taxable income. However, if the shares of common stock are disposed of in the same year, the maximum alternative minimum taxable income with respect to those shares is the gain on disposition of the shares. There is no alternative minimum taxable income from a disqualifying disposition in subsequent years.

CONSEQUENCES TO EMPLOYEES: NON-STATUTORY STOCK OPTIONS. No income generally is recognized by a holder of Non-statutory Stock Options at the time Non-statutory Stock Options are granted under the 1997 Plan. In general, at the time shares of common stock are issued to a holder pursuant to the exercise of Non-statutory Stock Options, the holder will recognize ordinary income equal to the excess of the fair market value of the shares on the date of exercise over the exercise price.

A holder will recognize gain or loss on the subsequent sale of common stock acquired upon exercise of Non-statutory Stock Options in an amount equal to the difference between the sales price and the tax basis of the common stock, which will include the exercise price paid plus the amount included in the holder's income by reason of the exercise of the Non-statutory Stock Options. Provided the shares of common stock are held as a capital asset, any gain or loss resulting from a subsequent sale will be short-term or long-term capital gain or loss depending upon the length of time the shares have been held.

19

CONSEQUENCES TO THE COMPANY: INCENTIVE STOCK OPTIONS. The Company will not be allowed a deduction for federal income tax purposes at the time of the grant or exercise of an Incentive Stock Option. There are also no federal income tax consequences to the Company as a result of the disposition of common stock acquired upon exercise of an Incentive Stock Option if the disposition is not a "disqualifying disposition." At the time of a disqualifying disposition by an optionee, the Company will be entitled to a deduction for the amount received by the optionee to the extent that such amount is taxable to the optionee at ordinary income tax rates.

CONSEQUENCES TO THE COMPANY: NON-STATUTORY STOCK OPTIONS. Generally, the Company will be entitled to a deduction for federal income tax purposes in the Company's taxable year in which the optionee's taxable year of income inclusion ends and in the same amount as the optionee is considered to have realized ordinary income in connection with the exercise of Non-statutory Stock Options.

REQUIRED VOTE

The approval of the Plan Amendment requires the affirmative vote of a majority of the votes entitled to be cast by the holders of shares of the Company's common stock present or represented and entitled to vote on this matter at the Annual Meeting. An abstention will be counted toward the tabulation of votes cast and will have the same effect as a vote against the proposal. A broker non-vote, however, will not be treated as a vote cast for or against approval of the proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE PLAN AMENDMENT.

PRINCIPAL STOCKHOLDERS

The following table presents information regarding the beneficial ownership of our common stock as of April 18, 2003:

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission that deem shares to be beneficially owned by any person who has or shares voting or investment power with respect to such shares. Shares of common stock under warrants or options currently exercisable or exercisable within 60 days of the date of this information are deemed outstanding for purposes of computing the percentage ownership of the person holding such warrants or options but are not deemed outstanding for computing the percentage ownership of any other person. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of common stock actually outstanding at April 18, 2003. Unless otherwise indicated, the persons named in this table have sole voting and sole investment power with respect to all shares shown as beneficially owned, subject to community property laws where applicable.

The address of each person listed is in our care, at 21900 Burbank Boulevard, Suite 270, Woodland Hills, California 91367, unless otherwise set forth below such person's name.

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater-than-ten percent stockholders are required by Securities and Exchange Commission regulations to furnish the Company with all Section 16(a) forms they file. Based solely on its review of the copies of the forms received by it and written representations from certain reporting persons that they have complied with the relevant filing requirements, the Company believes that, during the year ended December 31, 2002, all of the Company's executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements with the exception of the following: Colin Dyne, Jonathan Burstein and Ronda Sallmen each filed a Form 5 on February 12, 2003 reporting one transaction occurring on December 31, 2002, which transactions should have been previously reported on a Form 4.

SEC rules and regulations provide that if the date of the Company's 2004 Annual Meeting is advanced or delayed more than 30 days from the date of the 2003 Annual Meeting, stockholder proposals intended to be included in the proxy materials for the 2004 Annual Meeting must be received by the Company within a reasonable time before the Company begins to print and mail the proxy materials for the 2004 Annual Meeting. APPENDIX "A"

AMENDED AND RESTATED

1997 STOCK OPTION PLAN

1. PURPOSE OF THE PLAN.

The purpose of this 1997 Stock Plan (the "Plan") is to provide incentives and rewards to selected eligible directors, officers, employees and consultants of Tag-It Pacific, Inc. (the "Company") or its subsidiaries in order to assist the Company and its subsidiaries in attracting, retaining and motivating those persons by providing for or increasing the proprietary interests of those persons in the Company, and by associating their interests in the Company with those of the Company's stockholders.

2. ADMINISTRATION OF THE PLAN.

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

The Plan shall be administered by the Board of Directors of the Company (the "Board"), or a committee of the Board (the "Committee") whose members shall serve at the pleasure of the Board. If administration is delegated to the Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board (and references in this Plan to the Board shall thereafter be to the Committee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan as may be adopted from time to time by the Board.

The Board shall have all the powers vested in it by the terms of the Plan, including authority (i) to select from among eligible directors, officers, employees and consultants, those persons to be granted "Awards" (as defined below) under the Plan; (ii) to determine the type, size and terms of individual Awards (which need not be identical) to be made to each person selected; (iii) to determine the time when Awards will be granted and to establish objectives and conditions (including, without limitation, vesting and performance conditions), if any, for earning Awards; (iv) to amend the terms or conditions of any outstanding Award, subject to applicable legal restrictions and to the consent of the other party to such Award; (v) to determine the duration and purpose of leaves of absences which may be granted to holders of Awards without constituting termination of their employment for purposes of their Awards; (vi) to authorize any person to execute, on behalf of the Company, any instrument required to carry out the purposes of the Plan; (vii) by resolution adopted by the Board, to authorize one or more officers of the Company to do one or both of the following: (a) designate eligible employees of the Company or any of its subsidiaries to be recipients of Awards and (b) determine the number of such Awards to be received by such employees, provided that the resolution so authorizing such officer or officers shall specify the total number of Awards such officer or officers may award; and (viii) to make any and all other determinations which it determines to be necessary or advisable in the administration of the Plan. The Board shall have full power and authority to administer and interpret the Plan and to adopt, amend and revoke such rules, regulations, agreements, guidelines and instruments for the administration of the Plan and for the conduct of its business as the Board deems necessary or advisable. The Board's interpretation of the Plan, and all actions taken and determinations made by the Board pursuant to the powers vested in it hereunder, shall be conclusive and binding on all parties concerned, including the Company, its stockholders, any participants in the Plan and any other employee of the Company or any of its subsidiaries.

3. PERSONS ELIGIBLE UNDER THE PLAN.

Any person who is a director, officer, employee or consultant of the Company, or any of its subsidiaries (a "Participant"), shall be eligible to be considered for the grant of Awards under the Plan.

4. AWARDS.

(a) COMMON STOCK AND DERIVATIVE SECURITY AWARDS. Awards authorized under the Plan shall consist of any type of arrangement with a Participant that is not inconsistent with the provisions of the Plan and that,

A-1

by its terms, involves or might involve or be made with reference to the issuance of (i) shares of the Common Stock, \$.001 par value per share, of the Company (the "Common Stock") or (ii) a "derivative security" (as that term is

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

defined in Rule 16a-1(c) of the Rules and Regulations of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, as the same may be amended from time to time) with an exercise or conversion price related to the Common Stock or with a value derived from the value of the Common Stock.

(b) TYPES OF AWARDS. Awards are not restricted to any specified form or structure and may include, but need not be limited to, sales, bonuses and other transfers of stock, restricted stock, stock options, reload stock options, stock purchase warrants, other rights to acquire stock or securities convertible into or redeemable for stock, stock appreciation rights, phantom stock, dividend equivalents, performance units or performance shares, or any other type of Award which the Board shall determine is consistent with the objectives and limitations of the Plan. An Award may consist of one such security or benefit, or two or more of them in tandem or in the alternative.

(c) CONSIDERATION. Common Stock may be issued pursuant to an Award for any lawful consideration as determined by the Board, including, without limitation, a cash payment, services rendered, or the cancellation of indebtedness.

(d) GUIDELINES. The Board may adopt, amend or revoke from time to time written policies implementing the Plan. Such policies may include, but need not be limited to, the type, size and term of Awards to be made to participants and the conditions for payment of such Awards.

(e) TERMS AND CONDITIONS. Subject to the provisions of the Plan, the Board, in its sole and absolute discretion, shall determine all of the terms and conditions of each Award granted pursuant to the Plan, which terms and conditions may include, among other things:

- (i) any provision necessary for such Award to qualify as an incentive stock option under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") (an "Incentive Stock Option");
- (ii) a provision permitting the recipient of such Award to pay the purchase price of the Common Stock or other property issuable pursuant to such Award, or to pay such recipient's tax withholding obligation with respect to such issuance, in whole or in part, by delivering previously owned shares of capital stock of the Company (including "pyramiding") or other property, or by reducing the number of shares of Common Stock or the amount of other property otherwise issuable pursuant to such Award; or
- (iii) a provision conditioning or accelerating the receipt of benefits pursuant to the Award, or terminating the Award, either automatically or in the discretion of the Board, upon the occurrence of specified events, including, without limitation, a change of control of the Company, an acquisition of a specified percentage of the voting power of the Company, the dissolution or liquidation of the Company, a sale of substantially all of the property and assets of the Company or an event of the type described in Section 7 of the Plan.

(f) SUSPENSION OR TERMINATION OF AWARDS. If the Company believes that a Participant has committed an act of misconduct as described below, the Company may suspend the Participant's rights under any then outstanding Award pending a determination by the Board. If the Board determines that a Participant has committed an act of embezzlement, fraud, nonpayment of any obligation owed to the Company or any subsidiary, breach of fiduciary duty or deliberate disregard of the Company's rules resulting in loss, damage or injury to the Company, or if a Participant makes an unauthorized disclosure of trade secret or confidential information of the Company, engages in any conduct constituting unfair competition, or induces any customer of the Company to breach a contract with

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

the Company, neither the Participant nor his or her estate shall be entitled to exercise any rights whatsoever with respect to such Award. In making such determination, the Board shall act fairly and shall give the Participant a reasonable opportunity to appear and present evidence on his or her behalf to the Board.

(g) MAXIMUM GRANT OF AWARDS TO ANY PARTICIPANT. No Participant shall receive Awards representing more than 25% of the aggregate number of shares of Common Stock that may be issued pursuant to all Awards under the Plan as set forth in Section 5 hereof.

A-2

5. SHARES OF COMMON STOCK SUBJECT TO THE PLAN.

The aggregate number of shares of Common Stock that may be issued or issuable pursuant to all Awards under the Plan (including Awards in the form of Incentive Stock Options and Non-Statutory Stock Options) shall not exceed an aggregate of 2,277,500 shares of Common Stock, subject to adjustment as provided in Section 7 of the Plan. Shares of Common Stock subject to the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares. Any shares of Common Stock subject to an Award which for any reason expires or is terminated unexercised as to such shares shall again be available for issuance under the Plan. For purposes of this Section 5, the aggregate number of shares of Common Stock that may be issued at any time pursuant to Awards granted under the Plan shall be reduced by: (i) the number of shares of Common Stock previously issued pursuant to Awards granted under the Plan, other than shares of Common Stock subsequently reacquired by the Company pursuant to the terms and conditions of such Awards and with respect to which the holder thereof received no benefits of ownership, such as dividends; and (ii) the number of shares of Common Stock which were otherwise issuable pursuant to Awards granted under this Plan but which were withheld by the Company as payment of the purchase price of the Common Stock issued pursuant to such Awards or as payment of the recipient's tax withholding obligation with respect to such issuance.

6. PAYMENT OF AWARDS.

The Board shall determine the extent to which Awards shall be payable in cash, shares of Common Stock or any combination thereof. The Board may, upon request of a Participant, determine that all or a portion of a payment to that Participant under the Plan, whether it is to be made in cash, shares of Common Stock or a combination thereof, shall be deferred. Deferrals shall be for such periods and upon such terms as the Board may determine in its sole discretion.

7. DILUTION AND OTHER ADJUSTMENT.

In the event of any change in the outstanding shares of the Common Stock or other securities then subject to the Plan by reason of any stock split, reverse stock split, stock dividend, recapitalization, merger, consolidation, combination or exchange of shares or other similar corporate change, or if the outstanding securities of the class then subject to the Plan are exchanged for or converted into cash, property or a different kind of securities, or if cash, property or securities are distributed in respect of such outstanding securities as a class (other than cash dividends), then the Board may, but it shall not be required to, make such equitable adjustments to the Plan and the Awards thereunder (including, without limitation, appropriate and proportionate adjustments in (i) the number and type of shares or other securities or cash or

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

other property that may be acquired pursuant to Incentive Stock Options and other Awards theretofore granted under the Plan, (ii) the maximum number and type of shares or other securities that may be issued pursuant to Incentive Stock Options and other Awards thereafter granted under the Plan; and (iii) the maximum number of securities with respect to which Awards may thereafter be granted to any Participant in any fiscal year) as the Board in its sole discretion determines appropriate, including any adjustments in the maximum number of shares referred to in Section 5 of the Plan. Such adjustments shall be conclusive and binding for all purposes of the Plan.

8. MISCELLANEOUS PROVISIONS.

(a) DEFINITIONS. As used herein, "subsidiary" means any current or future corporation which would be a "subsidiary corporation," as that term is defined in Section 424(f) of the Code, of the Company; and the term "or" means "and/or."

(b) CONDITIONS ON ISSUANCE. Securities shall not be issued pursuant to Awards unless the grant and issuance thereof shall comply with all relevant provisions of law and the requirements of any securities exchange or quotation system upon which any securities of the Company are listed, and shall be further subject to approval of counsel for the Company with respect to such compliance. Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is determined by Company counsel to be necessary to the lawful issuance and sale of any security or Award, shall relieve the Company of any liability in respect of the nonissuance or sale of such securities as to which requisite authority shall not have been obtained.

(c) RIGHTS AS STOCKHOLDER. A participant under the Plan shall have no rights as a holder of Common Stock with respect to Awards hereunder, unless and until certificates for shares of such stock are issued to the participant.

A-3

(d) ASSIGNMENT OR TRANSFER. Subject to the discretion of the Board, and except with respect to Incentive Stock Options which are not transferable except by will or the laws of descent and distribution, Awards under the Plan or any rights or interests therein shall be assignable or transferable.

(e) AGREEMENTS. All Awards granted under the Plan shall be evidenced by written agreements in such form and containing such terms and conditions (not inconsistent with the Plan) as the Board shall from time to time adopt.

(f) WITHHOLDING TAXES. The Company shall have the right to deduct from all Awards hereunder paid in cash any federal, state, local or foreign taxes required by law to be withheld with respect to such awards and, with respect to awards paid in stock, to require the payment (through withholding from the participant's salary or otherwise) of any such taxes. The obligation of the Company to make delivery of Awards in cash or Common Stock shall be subject to the restrictions imposed by any and all governmental authorities.

(g) NO RIGHTS TO AWARD. No Participant or other person shall have any right to be granted an Award under the Plan. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ of the Company or any of its subsidiaries or shall interfere with or restrict in any way the rights of the Company or any of its subsidiaries, which are hereby reserved, to discharge a Participant at any time for any reason whatsoever, with or without good cause.

Edgar Filing: TAG IT PACIFIC INC - Form DEF 14A

(h) COSTS AND EXPENSES. The costs and expenses of administering the Plan shall be borne by the Company and not charged to any Award nor to any Participant receiving an Award.

(i) FUNDING OF PLAN. The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any Award under the Plan.

9. AMENDMENTS AND TERMINATION.

(a) AMENDMENTS. The Board may at any time terminate or from time to time amend the Plan in whole or in part, but no such action shall adversely affect any rights or obligations with respect to any Awards theretofore made under the Plan. However, with the consent of the Participant affected, the Board may amend outstanding agreements evidencing Awards under the Plan in a manner not inconsistent with the terms of the Plan.

(b) STOCKHOLDER APPROVAL. To the extent that Section 422 of the Code, other applicable law, or the rules, regulations, procedures or listing agreement of any national securities exchange or quotation system, requires that any amendment of the Plan be approved by the stockholders of the Company, no such amendment shall be effective unless and until it is approved by the stockholders in such a manner and to such a degree as is required.

(c) TERMINATION. Unless the Plan shall theretofore have been terminated as above provided, the Plan (but not the awards theretofore granted under the Plan) shall terminate on and no awards shall be granted after October 1, 2007.

10. EFFECTIVE DATE.

The Plan is effective on October 1, 1997, the date on which it was adopted by the Board of Directors of the Company and the holders of the majority of the Common Stock of the Company.

11. GOVERNING LAW.

The Plan and any agreements entered into thereunder shall be construed and governed by the laws of the State of Delaware applicable to contracts made within, and to be performed wholly within, such state, without regard to the application of conflict of laws rules thereof.
