Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining a liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate

jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: Legal Opinion for S-8 Registration Statement

Dear Dr. Todd:

At your request, I have examined the form of Registration Statement which ProtoKinetix, Inc. ("Company") is filing with the Securities and Exchange Commission, on Form S-8 (the "Registration Statement"), in connection with the registration under the Securities Act of 1933, as amended, of 5,000,000 shares of your Common Stock (the "Stock") issuable pursuant to satisfaction of conditions set forth in the 2004 STOCK INCENTIVE PLAN of the Company (the "Plan").

In rendering the following opinion, I have examined and relied only upon the documents, and certificates of officers and directors of the Company as are specifically described below. In my examination, I have assumed the genuineness of all signatures, the authenticity, accuracy and completeness of the documents submitted to me as originals, and the conformity with the original documents of all documents submitted to me as copies. My examination was limited to the following documents and no others:

1. Certificate of Incorporation of the Company, as amended to date;
2. Bylaws of the Company, as amended to date;
3. Resolutions adopted by the Board of Directors of the Company authorizing entry into the 2004 STOCK INCENTIVE PLAN;
4. The Registration Statement;
5. The 2004 STOCK INCENTIVE PLAN which the shares are being registered in the Registration Statement.

I have not undertaken, nor do I intend to undertake, any independent investigation beyond such documents and records, or to verify the adequacy or accuracy of such documents and records. Based upon the foregoing, it is my opinion that: (i) the Stock to be issued under the 2004 STOCK INCENTIVE PLAN, subject to the effectiveness of the Registration Statement and compliance with applicable blue sky laws, and execution of necessary documents in accordance with the 2004 STOCK INCENTIVE PLAN as contemplated, when issued, will be duly and validly authorized, fully paid and non-assessable; and (ii) no consent, approval, order or authorization of any regulatory board, agency, or instrumentality having jurisdiction over the Company or its properties (other than registration under the Act or qualification under state securities or Blue Sky laws or clearance from the NASD) is required for the valid authorization, issuance and delivery of the Stock, or, if required, it has been obtained and is in full force and effect.

I express no opinion as to compliance with the securities or "blue sky" laws of any state in which the stock delivered upon fulfillment of the Stock Incentive Plan is proposed to be offered and sold or as to the effect, if any, which non-compliance with such laws might have on the validity of issuance of the stock.

I consent to the filing of this opinion as an exhibit to any filing made with the Securities and Exchange Commission or under any state or other jurisdiction's securities act for the purposes of registering, qualifying or establishing eligibility for an exemption from registration or qualification of the stock issued as described in the Registration Statement in connection with the offering described therein. Other than as provided in the preceding sentence, this opinion (i) is addressed solely to you, (ii) may not be relied upon by any other party, (iii) covers only matters of federal law and nothing in this opinion shall be deemed to imply any opinion related to the laws of any other jurisdiction, (iv) may not be quoted or reproduced or delivered by you to any other person, and (v) may not be relied upon for any other purpose whatsoever. Nothing in this opinion shall be deemed to relate to or constitute an opinion concerning any matters not specifically set forth above.

By giving you this opinion and consent, I do not admit that I am an expert with respect to any part of the Registration Statement within the meaning of the term "expert" as used in Section 11 of the Securities Act of 1933, as amended, or the Rules and Regulations of the Securities and Exchange Commission promulgated thereunder.

Lastly, I do not express an opinion as to whether any parties who may be issued shares under the Plan are: (1) natural persons, (2) engaged in raising monies for the Company, and (3) creating or maintaining a market for the Company's securities.

The information set forth herein is as of the date of this letter. I disclaim any undertaking to advise you of changes which may be brought to my attention after the effective date of the Registration Statement.

Very truly yours,

/s/ Mark L. Baum
