ITEM 1.01 - ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On December 12, 2013, Berkshire Income Realty, Inc. (the "Company"), through its subsidiary, Berkshire Income Realty - OP, L.P. ("BIR OP LP"), assumed two purchase and sale contracts (the "Agreement" or "Agreements") from its affiliate, Berkshire Property Advisors, L.L.C. ("BPA"), to acquire Eon at Lindbergh, a 352-unit multifamily apartment community located in Atlanta, Georgia, from JLB EON LLC (the "Eon Seller") and Pavilion Townplace, a 236-unit multifamily apartment community located in Dallas, Texas, from CHHC Pavilion, L.P. (the "Pavilion Seller"). The Sellers are unaffiliated third parties. The Eon Agreement transfers the Eon Seller's interest in a ground lease, the leasehold estate created by such ground lease and all improvements located on the property. The Pavilion Agreement transfers the Pavilion Seller's interest in the property and all improvements located on the property. The purchase price of Eon at Lindbergh is \$64,000,000 and the purchase price of Pavilion Townplace is \$56,000,000 and both are subject to normal operating prorations and adjustments as provided for in the Agreements. The Agreements provide for the assumption of the mortgage loans currently outstanding on Eon at Lindbergh and Pavilion Townplace, subject to the approval of the lenders.

The Company expects to complete the acquisition of Eon at Lindbergh and Pavilion Townplace during the first quarter of 2014, subject to a satisfactory due diligence and loan assumption process. The Company has until March 21, 2014 to obtain the lenders' approvals for the assumption of the mortgage loans. If the loan assumption approvals have not been received from the lenders at that time, the Company can terminate the Agreements with no further obligation. The Agreements also contain rights of termination, which provide the Company the option to terminate the Agreements in its sole discretion. The termination rights expire on December 20, 2013, contemporaneously with the expiration of the inspection period.
