2016 PROXY STATEMENT

The Board of Directors (the "Board") of Ormat Technologies, Inc. ("Ormat", "we", "us", "the Company" or "our Company") is making this proxy statement available to you in connection with the solicitation of proxies on its behalf for the 2016 Annual Meeting of Stockholders (the "2016 Annual Meeting of Stockholders" or the "meeting"). The meeting will take place at the offices of Chadbourne & Parke LLP, 1301 Avenue of the Americas, New York, NY 10019 – 6022, on Wednesday, May 4, 2016, at 1:30 p.m. local time.

At the meeting, stockholders will (i) vote on the election of the two directors named in this proxy statement and (ii) vote on the ratification of the appointment of PricewaterhouseCoopers LLP as Ormat's independent registered public accounting firm for the year ending December 31, 2016, and will transact any other business that may properly come before the meeting although we know of no other business to be presented.

The record date for the meeting is March 16, 2016. Only stockholders of record at the close of business on that date are entitled to vote at the meeting.

We are taking advantage of the U.S. Securities and Exchange Commission (the "SEC") rule that allows companies to furnish proxy materials to their stockholders over the Internet. As a result, we are mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") instead of a paper copy of this proxy statement and our 2015 Annual Report on Form 10-K. We believe that this process allows us to provide our stockholders with the information they need in a timelier manner, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials. The Notice contains instructions on how to access those documents over the Internet. The Notice also contains instructions on how to vote online or by telephone and how to request a paper copy of our proxy materials, including this proxy statement, our 2015 Annual Report on Form 10-K, and a proxy card form or voting instruction card.

By submitting your proxy (by signing and returning the proxy card, or processing your proxy online, or by phone), you authorize each of Isaac Angel, Chief Executive Officer of Ormat, and Etty Rosner, Senior Vice President and Corporate Secretary of Ormat, to represent you and vote your shares at the meeting in accordance with your instructions. Either one of them may also vote your shares to adjourn the meeting and will be authorized to vote your shares at any postponements or adjournments of the meeting.

Ormat's Annual Report on Form 10-K for 2015, which includes Ormat's audited financial statements, is being made available to stockholders together with this proxy statement. Except to the extent that we specifically incorporate information by reference, our Annual Report on Form 10-K does not constitute a part of the proxy solicitation materials and is not incorporated by reference into this proxy statement.

We are first making available this proxy statement and accompanying materials to stockholders on or about March 25, 2016.

YOUR VOTE IS IMPORTANT. WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, PLEASE PROMPTLY SUBMIT YOUR PROXY VIA THE INTERNET, BY PHONE OR BY SIGNING AND DATING A PROXY CARD AND RETURNING IT TO US IN THE ENVELOPE THAT WE WILL SEND YOU ON REQUEST.

Questions and Answers about the 2016 Annual Meeting of Stockholders

What is the purpose of the 2016 Annual Meeting of Stockholders?

At the 2016 Annual Meeting of Stockholders, the stockholders will be asked to:

1. Elect the two directors named in this proxy statement, each for a term of three years (Proposal 1); and
2. Ratify the appointment of PricewaterhouseCoopers LLP as Ormat's independent registered public accounting firm for the year ending December 31, 2016 (Proposal 2).

Stockholders also will transact any other business that may properly come before the meeting. Members of Ormat's management team and a representative of PricewaterhouseCoopers LLP, Ormat's independent registered public accounting firm, will be present at the meeting to respond to appropriate questions from stockholders.

Who is entitled to vote?

The record date for the meeting is March 16, 2016. Only stockholders of record at the close of business on that date are entitled to vote at the meeting. The only class of stock entitled to be voted at the meeting is Ormat's common stock, par value \$0.001 per share (the "Common Stock"). Each outstanding share of Common Stock is entitled to one vote for all matters before the meeting. At the close of business on the record date there were 49,308,147 shares of Common Stock outstanding.

What is the difference between being a "record holder" and holding shares in "street name"?

A record holder holds shares in his or her name. Shares held in "street name" means shares that are held in the name of a bank or broker on a person's behalf.

Am I entitled to vote if my shares are held in "street name"?

If your shares are held by a bank or a brokerage firm, you are considered the "beneficial owner" of shares held in "street name". If your shares are held in street name, the Notice of Internet Availability of Proxy Materials is being forwarded to you by your bank or brokerage firm (the "record holder"), along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions.

Under the rules of the New York Stock Exchange (the "NYSE"), if you do not give instructions to your bank or brokerage firm, it may vote on matters that the NYSE determines to be "routine", but will not be permitted to vote your shares with respect to "non-routine" items. Under the NYSE rules, the ratification of appointment of the independent registered public accounting firm (Proposal 2) is a routine matter, but the election of directors (Proposal 1) is not considered to be a routine matter. When a broker or bank has not received instructions from the beneficial owners or persons entitled to vote and the broker or bank cannot vote on a particular matter because it is not routine, then there is a "broker non-vote" on that matter. Broker non-votes do not count as votes for or against any proposal.

As the beneficial owner of shares, you are invited to attend the 2016 Annual Meeting of Stockholders. If you are a beneficial owner, however, you may not vote your shares in person at the meeting unless you obtain a proxy form from the record holder of your shares.

How many shares must be present to hold the meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the record date will constitute a quorum.

Who can attend the 2016 Annual Meeting of Stockholders?

All Ormat stockholders of record as of the close of business on March 16, 2016 may attend the 2016 Annual Meeting of Stockholders.

What if a quorum is not present at the meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the outstanding shares entitled to vote represented may adjourn the meeting.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials?

Some shareholders may receive more than one notice of internet availability, more than one e-mail notification, or more than one paper copy of the proxy materials, including multiple proxy cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate notice of availability, a separate e-mail notification, or a separate voting instruction form for each brokerage account in which you hold shares. Please vote all of your shares. To ensure that all of your shares are voted, please vote for each account in which your shares are held.

How do I vote?

You may vote by submitting your proxy either (i) on the internet, (ii) by telephone, or (iii) by signing and dating a proxy card and returning it to the Company.

The notice of internet availability we (or the bank or brokerage firm that holds your shares in street name) sent to you explains how you can:

- vote by internet or by telephone and how you can receive a paper or email copy of a proxy card if you are a record holder of shares; or
- give voting instructions to your bank or brokerage firm if your shares are held in street name.

The return envelope that we will send you if you request a paper proxy card requires no additional postage if mailed in either the United States ("U.S.") or Canada.

If you are a record stockholder and attend the meeting, you may deliver your completed proxy card in person. Additionally, we will pass out written ballots to record stockholders who wish to vote in person at the meeting. Beneficial owners of shares held in street name who wish to vote at the meeting will need to obtain a proxy form from their record holder.

Can I change my vote after I submit my proxy?

If you are a record holder of shares, you may revoke your proxy and change your vote at any time before it is actually voted:

by signing and delivering another proxy with a later date;

by giving written notice of such revocation to the Corporate Secretary of Ormat prior to or at the meeting; or

by voting in person at the meeting.

Please note, however, that if you are a beneficial owner of shares and you wish to revoke your proxy or vote at the meeting, you must follow the instructions provided to you by your bank, broker or other record holder and/or obtain from the record holder a proxy issued in your name. Your attendance at the meeting will not, by itself, revoke your proxy.

Who will count the votes?

Ormat's transfer agent, American Stock Transfer & Trust Company, will tabulate and certify the votes. A representative of the transfer agent may serve as an inspector of election.

How does the Board recommend I vote on the proposals?

Your Board recommends that you vote FOR:

The election of the two nominees named in this proxy statement to the Board; and

The ratification of PricewaterhouseCoopers LLP as Ormat's independent registered public accounting firm for the year ending December 31, 2016.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board as described above.

Will any other business be conducted at the meeting?

We know of no other business that will be presented at the meeting. If any other matter properly comes before the stockholders for a vote at the meeting, however, the proxy holders will vote your shares in accordance with their best judgment.

How many votes are required to elect the director nominees?

The affirmative vote of a majority of the shares present at the meeting in person or represented by proxy and entitled to vote is required to elect each of the two nominees named in this proxy statement as directors.

How many votes are required to ratify the appointment of Ormat's independent registered public accounting firm?

The ratification of the appointment of PricewaterhouseCoopers LLP as Ormat's independent registered public accounting firm requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

What is an abstention and how will abstentions be treated?

An "abstention" represents a stockholder's affirmative choice to decline to vote on a proposal other than the election of directors (for directors, the choice is limited to "For" or "Withhold"). Under Delaware law, abstained shares are treated as shares present for quorum and entitled to vote, so they will have the same practical effect as votes against a proposal except for the proposal for the election of directors.

How will broker non-votes be treated?

Broker non-votes will be treated as shares present for quorum purposes, but not considered entitled to vote on that matter. Therefore, broker non-votes do not count as votes for or against any proposal.

Where can I find the voting results of the 2016 Annual Meeting of Stockholders?

We plan to announce preliminary voting results at the 2016 Annual Meeting of Stockholders and to publish final results in a Current Report on Form 8-K to be filed with the SEC within four (4) business days following the meeting.

Each nominee has consented to being named in this proxy statement and has agreed to serve if elected. If a nominee is unable to stand for election, the Board may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

The affirmative vote of a majority of the shares present at the meeting in person or represented by proxy and entitled to vote is required to elect each of the two nominees named in this proxy statement as directors. CORPORATE GOVERNANCE

Overview

In accordance with the NYSE listing standards, our Board evaluates the independence of Board members at least annually and when a change in circumstances could potentially impact the independence of one or more directors. Our Board consists of eight members, all of whom have been determined by our Board to be independent directors, in accordance with the NYSE listing standards and our Corporate Governance Guidelines.

During fiscal year 2015, the Board held 13 meetings. None of the directors attended less than 75% of the meetings of the Board and the Committees on which he or she serves. In addition, on May 6, 2015, the Company held its 2015 Annual Meeting of Stockholders. All of the Company's Board members were present at the meeting.

Prior to the closing of the share exchange described under "Transactions with Related Persons – Share Exchange Agreement and Related Agreements" below, we relied on the "controlled company" exemption from certain board committee composition requirements for our Compensation Committee and Nominating and Corporate Governance Committee under the NYSE listing standards. The "controlled company" exemption did not modify the independence requirements for our Audit Committee, and we complied with the requirements of the Sarbanes-Oxley Act of 2002 ("SOX"), SEC rules and regulations and the NYSE listing standards, which require that our Audit Committee be composed of at least three independent directors. Following the closing of the share exchange, we are no longer a "controlled company" and cannot rely upon such exemption from the committee composition requirements described above. As a result, by February 12, 2016, one year after the closing of the share exchange, all of the members of our Compensation Committee and Nominating and Corporate Governance Committee were required to be independent. Effective November 15, 2015, our Board appointed Ravit Barniv as director to fill the vacancy on our Board caused by the resignation of Yehudit Bronicki, after determining that Ms. Barniv meets the director independence requirements under the NYSE listing standards. Also effective November 15, 2015, our Board appointed Ms. Barniv to fill the vacancy created by Yehudit Bronicki's resignation from our Compensation Committee and to replace Yoram Bronicki on our Nominating and Corporate Governance Committee. Following Ms. Barniv's appointments, all of the directors that serve on our Compensation Committee and Nominating and Corporate Governance Committee are independent directors, in compliance with the requirements of SOX, SEC rules and regulations and the NYSE listing standards.

Board Committees

Our Board has the authority to appoint committees to perform certain management and administrative functions. Our Board has established an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and an Investment Committee.

Audit Committee. The Company has a separately designated standing Audit Committee established in accordance with the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee consists of four members, Dan Falk, Robert F. Clarke, David Granot, and Robert E. Joyal, each of whom is an independent director as defined by the NYSE listing standards. The Board has determined that Mr. Falk, the Chair of the Audit Committee, qualifies as an "audit committee financial expert" as defined by SEC rules and that each member of the Audit Committee is financially literate. Mr. Falk also serves on the audit committees of three other companies publicly-traded in the U.S. Our Board has determined that Mr. Falk's simultaneous service on these audit committees does not impair his ability to serve effectively on our Audit Committee.

The Audit Committee selects, on behalf of our Board, an independent public accounting firm to be engaged to audit our financial statements, discusses with the independent registered public accounting firm its independence, reviews and discusses the audited financial statements with the independent registered public accounting firm and manages

and reviews our compliance with legal and regulatory requirements with respect to accounting policies, internal controls and financial reporting.

In fiscal year 2015, the Audit Committee continued its oversight of a procedure established by the Company for receiving and addressing anonymous complaints regarding financial or accounting irregularities, among other things. Back in 2005, the Audit Committee set up an ethics and compliance hotline managed by an independent third party and accessible both through the Internet and by telephone. The information received by the hotline is treated as confidential and anonymous and is both received and retained by an agent of the Audit Committee before all relevant non-compliance information is periodically reported to the Audit Committee.

The Audit Committee held six meetings in fiscal year 2015. Further information concerning the Audit Committee is set forth below under the heading "Audit Committee Report". The charter of the Audit Committee is available on the Company's website at www.ormat.com. The content of our website, however, is not part of this proxy statement.

Compensation Committee. The Company has a separately designated standing Compensation Committee established in accordance with the listing standards of the NYSE. As of November 15, 2015, the Compensation Committee consists of four members, Dan Falk, Ami Boehm, David Granot and Ravit Barniv (Chair), each of whom is an independent director as defined by the NYSE listing standards. As discussed above, by February 12, 2016, one year after the closing of the share exchange, all of the members of our Compensation Committee were required to be independent. Effective November 15, 2015, our Board appointed Ravit Barniv to fill the vacancy created by Yehudit Bronicki's resignation from our Compensation Committee after determining that Ms. Barniv meets the director independence requirements under the NYSE listing standards. Following Ms. Barniv's appointment to the Compensation Committee, all of the directors that serve on our Compensation Committee are independent directors, in compliance with the requirements of SOX, SEC rules and regulations and the NYSE listing standards.

The Compensation Committee reviews and either approves, on behalf of our Board, or recommends to the Board for approval, (1) the annual salaries and other compensation of our Chief Executive Officer ("CEO") and the five other most highly compensated executive officers who receive total compensation in excess of \$1 million per annum and (2) equity awards. The Compensation Committee also reviews and approves the compensation program applicable to our senior management. Our CEO is currently covered by an employment agreement which fixes the amount of his salary and annual bonus. See "Executive Compensation" below.

The Compensation Committee also provides recommendations with respect to our compensation policies and practices and incentive compensation plans and equity plans. As described under "Compensation Discussion and Analysis" below, our Compensation Committee determines the basket of bonuses and equity awards that may be awarded on a company-wide basis and our CEO determines the particular bonuses and equity awards to be made to our personnel, except that the Compensation Committee grants awards to our executive officers, including our CEO. Our CEO also determines whether and to what degree to award salary increases to any of the other members of our management team.

The Compensation Committee operates pursuant to a written charter adopted by the Board, which includes evaluation of the performance of the CEO, review and approval of the compensation of the CEO and review of the compensation of all other executive officers of the Company, and recommendations to the Board regarding non-CEO compensation, incentive-compensation plans and equity-based plans.

The Compensation Committee duties and responsibilities also include:

- making recommendations to the Board as to changes in Ormat's general compensation philosophy;
- overseeing the development and implementation of compensation programs;
- reviewing and approving corporate goals and objectives relevant to the compensation of the CEO, and evaluating the performance of the CEO in light of those goals and objectives; and

- reviewing and approving the annual compensation of the CEO and Ormat's five other most highly compensated executive officers who receive total compensation in excess of \$1 million per year.

The Compensation Committee is authorized to establish subcommittees for the purpose of evaluating special or unique matters and may delegate its authority to a subcommittee or subcommittees.

The Compensation Committee held five meetings in fiscal year 2015. The charter of the Compensation Committee is available on the Company's website at www.ormat.com. The content of our website, however, is not part of this proxy statement.

Nominating and Corporate Governance Committee. The Company has a separately designated standing Nominating and Corporate Governance Committee established in accordance with the NYSE listing requirements. As of November 15, 2015, the Nominating and Corporate Governance Committee consists of four members, Gillon Beck (Chair), Dan Falk, David Granot and Ravit Barniv, each of whom is an independent director as defined by the NYSE listing standards. As discussed above, by February 12, 2016, one year after the closing of the share exchange, all of the members of our Nominating and Corporate Governance Committee were required to be independent. Effective November 15, 2015, our Board appointed Ravit Barniv to replace Yoram Bronicki on our Nominating and Corporate Governance Committee after determining that Ms. Barniv meets the director independence requirements under the NYSE listing standards. Following Ms. Barniv's appointment to the Nominating and Corporate Governance Committee, all of the directors that serve on our Nominating and Corporate Governance Committee are independent directors, in compliance with the requirements of SOX, SEC rules and regulations and the NYSE listing standards.

The Nominating and Corporate Governance Committee assists our Board in fulfilling its responsibilities by identifying and approving individuals qualified to serve as members of our Board, selecting director nominees for our annual meetings of stockholders, and developing and recommending to our Board corporate governance guidelines and oversight with respect to corporate governance and ethical conduct.

The Nominating and Corporate Governance Committee considers the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, professional search firms, stockholders or other persons. The Nominating and Corporate Governance Committee is responsible for conducting appropriate inquiries into the backgrounds and qualifications of possible candidates.

The Nominating and Corporate Governance Committee adopted a policy regarding consideration of any director candidates as of November 7, 2006. This policy provides guidelines for the identification and evaluation of candidates for positions on the Board. According to the policy, candidates must satisfy certain minimum criteria, including an academic degree and business experience to the satisfaction of the Nominating and Corporate Governance Committee. In addition, independent director nominees must satisfy the independence requirements as determined by the Board in accordance with the rules and regulations of the SEC and the NYSE, as applicable. The policy provides for the Committee to interview and select final candidates for evaluation, and then evaluate the final candidates to determine their qualification for the position as well as compatibility with the Company, its philosophy and its then-current Board and management. The Committee considers a number of factors in identifying nominees for director, including knowledge, experience, education, independence and diversity.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders in the same manner in which the Committee evaluates any other candidate.

The Company's Third Amended and Restated By-laws provide that nominations of candidates to be considered by the stockholders may be made at an annual meeting of stockholders by any stockholder who was a stockholder of record at the time of giving notice of the proposed nomination, is entitled to vote at the meeting and follows the notice procedures. To be timely, a stockholder's notice for the 2016 Annual Meeting of Stockholders must have been delivered to the Corporate Secretary at 6225 Neil Road, Reno, Nevada 89511, not earlier than the close of business on January 6, 2016 and no later than the close of business on February 5, 2016.

The Nominating and Corporate Governance Committee held three meetings in fiscal year 2015. The charter of the Nominating and Corporate Governance Committee is available on the Company's website at www.ormat.com. The content of our website, however, is not part of this proxy statement.

Investment Committee. The Company has a separately designated standing Investment Committee. The Investment Committee consists of three members, David Granot (Chair), Ami Boehm and Ravit Barniv, each of whom is an independent director.

The Investment Committee assists our Board in considering and determining hedge transactions that we may enter into to hedge our exposure to certain risks and makes recommendations as to the investment of our cash and cash-equivalents, all in accordance with the Investment Policy adopted by the Board.

The Investment Committee operates pursuant to the Investment Policy approved by the Board that outlines general guidelines for investment (including guidelines as to the type and amount of investments, the desired time periods, and the authorization and procedures for making investments) and meets on as-needed basis as instructed by the Board. The Committee did not adopt a charter and acts pursuant to the instructions and guidelines of the Board.

The Investment Committee held two meetings in fiscal year 2015.

Majority Voting for Directors

Our Third Amended and Restated By-laws provide for majority voting in uncontested director elections. As described above, our Board is classified into three classes of directors serving staggered, three-year terms. At each annual meeting of stockholders, the successors of the class of directors whose term expires at that meeting shall be elected by a majority of all votes cast for each of the director nominees at such meeting, except for contested elections (i.e., elections in which there are a greater number of candidates than there are seats to be filled) in which case the directors shall be elected by a plurality vote of all votes cast for the election of directors at such meeting, to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee is composed of Dan Falk, Ami Boehm, David Granot and Ravit Barniv. Yehudit Bronicki, who served as our CEO until June 30, 2014 and as a member of our Board until November 15, 2015, served as a member of the Compensation Committee until her resignation was effective on November 15, 2015. Ravit Barniv is currently the Chair of the Compensation Committee.

In addition, Mrs. Bronicki, Yoram Bronicki (who was Chairman of our Board until November 15, 2015 and who was our President and Chief Operating Officer until June 30, 2014) and other members of their family, beneficially owned approximately 7.35% of the outstanding shares of our Common Stock as of March 7, 2016. Ami Boehm is a partner at FIMI, which beneficially owned approximately 14.86% of the outstanding shares of our Common Stock as of March 7, 2016. See "Security Ownership of Certain Beneficial Owners and Management" and "Transactions with Related Persons" below with respect to certain transactions and the relationships between Bronicki, FIMI and the Company.

Finally, none of our executive officers served during fiscal year 2015 as a member of the Board of Directors or as a member of a compensation committee of any other company that has an executive officer serving as a member of our Board or Compensation Committee.

Board's Role in Risk Oversight

As part of the Board's quarterly meetings, the Board assesses on an ongoing basis the risks faced by the Company in executing its business plan. These risks include financial, industrial, technological (including cyber-security exposures and the steps management has taken or plans to take with respect to these exposures), competitive, and operational risks and exposures, both from a global perspective and on a power plant-by-power plant basis.

The Board dedicates time at each of these meetings to review and consider the relevant risks that need to be addressed at the time of each Board meeting. The CEO of the Company presents reports at each quarterly meeting outlining the challenges faced by the Company, and brings the relevant risks to the attention of the Board. Similarly, at each Board quarterly meeting, the relevant financial risks faced by the Company are presented by the Chief Financial Officer ("CFO"). In addition, the Company's Audit Committee and Investment Committee play an important role in the oversight of the Company's policies with respect to financial risk assessment and risk management, as well as assessing the Company's major financial risk exposures.

The Board's role in risk oversight of the Company is consistent with the Company's leadership structure, with the CEO and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and the Board and its committees providing oversight in connection with those efforts and the attempts to mitigate those risks.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of independent directors only, as required by and in compliance with SOX, SEC rules and regulations and the NYSE listing standards. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors of the Company.

The Audit Committee is responsible for assisting the Board of Directors in its oversight responsibilities related to accounting policies, internal controls, financial reporting and legal and regulatory compliance. Management of the Company has the primary responsibility for the Company's financial reporting process, principles and internal controls as well as the preparation of its financial statements. The Company's independent registered public accounting firm is responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally accepted in the United States.

The Audit Committee reviewed management's report on its assessment of the effectiveness of internal control over financial reporting as of December 31, 2015 and the report from PricewaterhouseCoopers LLP on the effectiveness of internal control over financial reporting as of December 31, 2015. Based upon the Audit Committee's reviews and discussions with management, the Company's internal auditors, and PricewaterhouseCoopers LLP, the Audit Committee approved the inclusion of management's report on its assessment of the effectiveness of internal control over financial reporting as of December 31, 2015 and the report of the independent auditors in the Company's Annual Report on Form 10-K for the year ended December 31, 2015 filed with the SEC.

The Committee also received and reviewed the periodic internal audit reports from the Company's internal auditor.

The Committee also reviewed the Internal Audit Plan for fiscal year 2016 and approved its main target subjects. The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their respective audits, and has met with them, with and without management present, to discuss the results of their examinations and their evaluations of the Company's internal controls. In addition, the Committee evaluated the performance of the independent registered public accounting firm.

In 2012, following FIMI's acquisition of approximately 22.5% of the shares of our former parent, Ormat Industries Ltd. ("Ormat Industries"), the Committee reviewed the framework of the pre-existing business relationships between Ormat Systems Ltd., our wholly-owned subsidiary, and certain suppliers controlled by FIMI to determine whether these pre-existing business relationships are consistent with arms-length transactions of a similar nature according to prevailing market terms and conditions. The Committee concluded that these terms were fair and that it would review these transactions on an annual basis going forward, provided that such transactions would not exceed an annual aggregate limit of \$2.0 million from each supplier. Most recently, on August 3, 2015, the Committee reviewed the transactions related to the purchase of goods from all entities controlled by FIMI for the one-year period ending June 30, 2014 valued, in the aggregate, at approximately \$0.2 million. The Committee determined that these transactions were not different in any material respect than that which could have been obtained from unaffiliated third parties. As described below under "Share Exchange Agreement and Related Agreements," following the completion of the share exchange, FIMI beneficially owned approximately 15.06% of our outstanding shares of Common Stock.

The Audit Committee has reviewed and discussed the Company's audited financial statements as of and for the year ended December 31, 2015 with management and the independent registered public accounting firm. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed under auditing standards generally accepted in the United States, including those matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended. The independent registered public accounting firm has provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board (United States) regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, as currently in effect, and the Audit Committee has discussed with the auditors their independence from the Company. The Audit Committee has also considered whether the independent registered public accounting firm's provision of tax services to the Company is compatible with maintaining the registered public accounting firm's independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and its management.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2015, for filing with the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Objectives and Design

The overall objective of our executive compensation policies and procedures is to offer short-term, medium-term and long-term compensation components that enable us to attract, motivate and retain talented executives who contribute to our continued success. Equally important to us is to align the interests of our executives with those of our stockholders. As described below, the short-term component of our executive compensation packages consists of annual salary, the medium-term component consists of an annual bonus, and the long-term component consists of equity awards.

We aim to design executive compensation packages that, like our general compensation policies, meet or exceed competitive compensation averages for executives with similar responsibilities at companies with similar financial, operating and industry characteristics in similar locations. In most cases, we do not benchmark to a particular industry or companies, but we informally consider published data, such as labor indices, in formulating our executive compensation packages.

Compensation Elements

Our compensation program consists of three elements, namely, annual salary, annual bonus, and equity awards:

1. Annual salary, which is paid monthly, is intended to provide an annual income at a level consistent with individual contributions.
2. Annual bonuses, which are paid annually for our executives, are intended to link our executive officers' compensation to the Company's overall performance, as well as, in most cases, their individual achievements.
3. Equity awards are designed to promote long-term leadership and align the interests of our executives with those of our stockholders, while the vesting schedule assists us in retaining our executives in our employ. Equity awards typically begin to vest following two years from the date of grant, with 25% vesting on each of the second and third anniversaries of the date of grant and the remaining 50% on the fourth anniversary of the date of grant. All employees and consultants of the Company are eligible to receive equity awards pursuant to the Company's incentive compensation plan. The term of our equity awards typically ranges from six to ten years from the date of grant; as to our current executives, with the exception of two of our current named executive officers, there is no provision that provides for accelerated vesting upon a change in control; and there is no holding period for vested options.

Each element is determined individually, based on the relevant criteria described in this discussion.

In addition to these main compensation components, executives who are residents of Israel receive, as a function of their salary payments, the standard social benefits (i.e., severance pay, defined contribution plan, and disability) paid to all of our employees who are based in Israel. These social benefits are fixed as a percentage of the employee's salary and are not subject to discretionary adjustments. Executives who are residents of the United States participate in a defined contribution plan (401(k) plan) and receive health insurance benefits, in addition to social security. We do not cover any tax payments or otherwise "gross-up" any part of the compensation packages of our executive officers regardless of their location.

Determination of Amounts and Formulas for Compensation

Annual Salary

Consistent with our objectives with regard to our executives, the Compensation Committee provides guidance in setting base salaries for the Company's executive officers annually at levels that reflect the Compensation Committee's interpretation of competitive compensation averages for individuals with similar responsibilities at companies with similar financial, operating and industry characteristics, in similar locations. The Compensation Committee typically does not undertake or commission a formal study or survey to benchmark compensation to a particular industry or to particular companies and the members of the Compensation Committee evaluate the executive compensation using their accumulated individual knowledge and industry experience, as well as publicly available compensation information with respect to companies that have a similar market cap or similar annual revenues, and that operate under a business structure similar to ours (although not necessarily in the same industry segment).

In addition, the Compensation Committee takes into consideration the performance of the Company, individual performance of each executive, and the executive's scope of responsibility in relation to other officers and key executives within the Company. Annual salaries reflect current practices within a named executive officer's specific geographic region and among executives holding similar positions. In addition to these factors, the annual salary for a named executive officer ("NEO") depends on a number of more subjective factors, including our evaluation of the executive's leadership role, professional contribution, experience and sustained performance.

Following publication of the prior year's audited financial statements, the CEO determines whether and to what degree to award salary increases to any of the NEOs. Factors that are considered include the net income of the Company during the prior year, the need for a salary adjustment to remain competitive with compensation averages for executives in similar positions, and the particular NEO's effectiveness in supporting the Company's long-term goals. We also consider the executive's department's contribution to our success as well as our general achievements during the preceding year. All salary increases are awarded retroactive to January 1. Salaries are paid on a monthly basis, and with two exceptions, each of our current NEOs has a standard employment agreement that is based on a format used company-wide.

Annual Bonus

Our Board has determined that up to 20% of our annual profits may be distributed by the Company as bonuses to employees. Each year, following publication of our financial statements for the preceding year, our Compensation Committee determines the basket of bonuses that may be awarded on a Company-wide basis for the prior year. The Compensation Committee determines and approves the amount of any annual bonus payable to our CEO and, based upon the recommendations of our CEO, reviews the annual bonus payable to our other NEOs.

Our CEO's annual bonus is payable in accordance with the terms of his employment agreement with the Company and Ormat Systems, which are described under the heading "Employment Agreements" below. Under the terms of our CEO's employment agreement, our CEO is eligible for an annual bonus in an amount of up to .75% of our annual profits up to \$50 million (inclusive) and 1% of the portion of our annual profits, if any, above \$50 million. The maximum annual bonus payable to our CEO is \$750,000.

Annual bonuses for our other NEOs are payable pursuant to the Company's Annual Management Incentive Plan (the "Plan") which was approved by the Board and the Compensation Committee on February 23, 2016. The Plan provides for annual cash incentive awards for participating employees based upon achievement of certain performance measures established by the Compensation Committee, based on the recommendations of our CEO. Target, minimum and maximum awards, specified as a percentage of the employee's base compensation, will be established for each participating employee, with our CEO generally determining the employee's level of achievement within 45 days after approval of the Company's annual financial statements by the Board. The Plan also authorizes the Compensation Committee to make discretionary awards.

Performance-based awards under the Plan will be based upon: (i) the Company Performance Metrics (as defined in the Plan) with respect to at least 50% of an award and (ii) the contributions made by a participating employee to achieving the goals, plans or objectives of the Company or any of its subsidiaries as may be established by our CEO for that particular employee. No performance-based awards will be made under the Plan unless the Company's annual consolidated net income for the plan year is a positive number.

Awards under the Plan are generally payable as soon as practicable after the amount of such award is determined in accordance with the Plan, and in any event within the calendar year following the calendar year in which the bonus is earned.

Equity Awards

We are committed to long-term incentive programs for executives that promote the long-term growth of the Company and align the interests of executives with those of our stockholders. The determination of the overall basket of equity awards that may be awarded to our employees in a particular year is determined in a similar manner to our annual incentive bonuses. If we are to make equity awards in a particular year, then, following the publication of our financial results for the preceding year, our Compensation Committee determines the annual basket of equity awards that may be made to all of our employees. This basket is typically calculated as up to 1.5% of the outstanding shares of the Company per year.

Our CEO recommends to the Compensation Committee the particular amount of equity awards to be made to each executive considering the Company's performance and relative stockholder return, the expected contribution of the NEO to the Company's growth and success, and awards given to the executive officers of the Company in past years. As our CEO is intimately involved in our day-to-day activities and work closely with our officers, he has the knowledge to make a subjective determination of the individual executive's contribution to our growth and success. No specific criteria are used in making these determinations. This process is typically completed within one month from the determination of the basket of awards for the year. In general, the equity awards that we grant to our executives are subject to the same pricing, vesting, and exercise terms that govern the grant of equity awards to all of our employees.

Historically, we granted our executives stock options as the long-term component of their compensation. In 2012 and 2013, our Compensation Committee decided to grant our executives SARs instead of stock options because the Compensation Committee determined that SARs provide comparable long-term incentives while utilizing fewer shares of Common Stock. In 2014, our Compensation Committee granted stock option awards to Isaac Angel and Doron Blachar. In addition, we grant stock options to newly hired executives upon their commencement of employment.

In 2012, the Board adopted, and our stockholders approved, a new 2012 Incentive Compensation Plan, which was amended in 2014.

Tax Considerations

Our Compensation Committee considers the potential impact of Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)") on compensation. Section 162(m) disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1.0 million in any taxable year for the CEO and our other NEOs (except the CFO) other than compensation that is performance-based under a plan that is approved by the stockholders of the corporation and that meets certain other technical requirements. Based on these requirements, since none of the NEOs who are employed by the Company received compensation in excess of \$1.0 million, the Compensation Committee has determined that Section 162(m) will not prevent us from receiving a tax deduction for any of the compensation paid to our executive officers.

At our 2014 Annual Meeting of Stockholders, approximately 90.0% of the shares voted at the meeting voted to approve on an advisory basis the compensation of the Company's NEOs. Based on this endorsement, the Compensation Committee has not implemented any changes in our executive compensation program as a result of such vote. A say-on-pay vote will take place at the Company's 2017 Annual Meeting of Stockholders. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for its named executive officers.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and based on the review and discussions, it has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's annual report on Form 10-K and Proxy Statement.

(1) This column reflects the amount of any discretionary bonus (cash or non-cash) earned for the fiscal year. All other performance-based bonus awards are included in the 'Non-Equity Incentive Plan Compensation' column.

- (2) Represents the grant date fair value of all option awards in accordance with accounting guidance for stock compensation. The awards were SARs. Each NEO is entitled to receive shares of Common Stock equal to the amount by which the market value of the shares in respect of which the SAR is exercised exceeds the grant price set forth in the SAR, multiplied by the number of shares in respect of which the SAR is exercised. The fair value of each grant of stock-based awards on the date of grant is estimated using the Black-Scholes valuation model and the assumptions noted in the following table.

	Year Ended December 31,					
	2015		2014		2013	
Risk-free interest rates	1.4	%	1.7	%	0.8	%
Expected lives (in years)	4		5.1		4.6	
Dividend yield	0.7	%	0.9	%	0.71	%
Expected volatility	29.2	%	35.1	%	37.8	%
Forfeiture rate	0.0	%	0.0	%	5.6	%

The expected lives represents the period that our stock-based awards are expected to be outstanding. In the absence of enough historical information, the expected lives was determined using the simplified method giving consideration to the contractual term and vesting schedule. The dividend yield forecast is expected to be 20% of our annual net profit, which is equivalent to a 0.7% annual weighted average dividend rate in the year ended December 31, 2015. The risk-free interest rate was based on the yield from U.S. constant treasury maturities bonds with an equivalent term. The forfeiture rate is based on trends in actual stock-based awards forfeitures.

- (3) This column excludes the amount of any discretionary bonus award earned for any year, including any such discretionary awards made under the Company's Annual Management Incentive Plan adopted February 23, 2016, with effect from January 1, 2015 (the "Plan"). Consistent with the terms of the Plan, the amounts shown in this table reflect bonus amounts earned under the Plan for 2015 which are paid in 2016. This differs from the approach we used in the past in reporting items in this column. To present the numbers for prior years on a comparable basis, for the year in which earned rather than paid, we have included in this column amounts previously reported in our proxy statement for our 2015 annual meeting as follows: amounts shown in this column for 2013 were previously reported as amounts for 2014.
- (4) Isaac Angel commenced serving as an officer of the Company on April 1, 2014, and assumed the position of CEO as of July 1, 2014.
- (5) Includes payments of car-related expenses in the amount of \$20,467; Israel National Insurance in the amount of \$9,026; U.S. Social Security in the amount of \$9,533; health insurance in the amount of \$212; convalescence pay in the amount of \$2,914; Education Fund in the amount of \$3,638 and perquisites amounting to \$3,247.

Grants of Plan-Based Awards

There were no grants of any plan-based awards to any of our NEOs during the year ended December 31, 2015.

Employment Agreements

The following are descriptions of the material terms of our NEOs' employment agreements, as well as other factors that may help with an understanding of the data disclosed in the Summary Compensation Table and under the heading "Grants of Plan-Based Awards" above.

General

Isaac Angel is employed by Ormat Systems, one of our subsidiaries, and by us, and serves as our CEO. Doron Blachar is employed by Ormat Systems and serves as our CFO. Zvi Krieger is employed by Ormat Systems and serves as our Executive Vice President of the Electricity Segment; Shimon Hatzir is employed by Ormat Systems and serves as our Executive Vice President of Engineering and Nir Wolf is employed by Ormat Systems and serves as our Executive Vice President for Market Development.

Each of Messrs. Angel, Blachar, Krieger, Hatzir and Wolf is party to an employment agreement with Ormat Systems (and, in the case of Mr. Angel, also with us) that sets forth their respective terms of employment, which terms are generally applicable to all of Ormat Systems' employees, covering matters such as vacation, health, and other benefits.

Under the employment agreements of Messrs. Krieger, Hatzir, Blachar and Wolf either party may terminate the employment relationship upon thirty days up to one hundred and twenty days prior written notice, while Mr. Angel's agreement provides for prior written notice of six months. However, termination for cause does not require any prior notice and an employee who is terminated for cause is not entitled to any subsequent payments.

The actual salary and other compensation arrangements of Messrs. Angel, Blachar, Krieger, Hatzir and Wolf are agreed upon separately with each employee. Each of these individuals is also covered by Ormat Systems' management insurance plan, to which Ormat Systems contributes a percentage of such individual's salary, and which covers any compensation that such individual may be entitled to receive upon termination, such as severance pay pursuant to Israeli law for Israel-based employees. In addition, each of the individuals has the benefit of the use of a company-leased car.

The employment agreements of Messrs. Angel, Blachar, Krieger, Hatzir and Wolf also contain provisions that are designed to restrict them from engaging in activities competitive with the business of the Company for a period ranging from 12 to 36 months following termination of employment and, in the case of the employment agreements of Messrs. Angel and Blachar, from soliciting any employees, customer or supplier of the Company for a period ranging from 12 to 24 months following termination of employment.

Isaac Angel

Pursuant to the employment agreement we entered with Mr. Angel, he is entitled to the following:

Salary: Annual gross salary of NIS 1,620,000 (equal to approximately \$416,000 based on the representative exchange rate set by the Bank of Israel on March 4, 2016), which is linked to the Israeli consumer price index.

Annual Performance Bonus: If the Company's annual consolidated net income ("Annual Profits") is above \$20 million, Mr. Angel will be entitled to receive an annual bonus (the

"Annual Bonus") equal to (a) 0.75% of Annual Profits of up to \$50 million (inclusive), and (b) 1.00% of the portion of the Annual Profits, if any, that is above \$50 million; provided that, in any event, the Annual Bonus shall not exceed \$750,000.

Initial Option Grant: Stock options granted on April 1, 2014 to purchase 100,000 shares of common stock at an exercise price equal to \$29.52, the closing price of the common stock on the date of grant. The options were granted under our 2012 Incentive Compensation Plan and vest in one installment on the seventh (7th) anniversary of the date of grant. These options expire seven and a half (7.5) years following the grant date.

Second Option Grant: Stock options granted on April 1, 2014 to purchase 300,000 shares of common stock at an exercise price equal to \$29.52, the closing price of the common stock on the date of grant. These options were granted under our 2012 Incentive Compensation Plan and vest in four equal installments, commencing with the second (2nd) anniversary of the date of grant. These options expire six (6) years following the grant date.

Termination: Each of the Company and Mr. Angel may terminate the employment with the Company, for any reason, by providing six (6) months of prior notice of such termination (the "Notice Period"). Other than in the case of termination of employment with the Company for "cause", Mr. Angel will be entitled to continue to receive his compensation during the Notice Period.

Termination in connection with a Change of Control: In the event that Mr. Angel's employment is terminated by the Company without cause, or he resigns for a "good reason", within two (2) months before, or twelve (12) months following, the consummation of a "change of control" (as defined in the Employment Agreement), Mr. Angel is entitled to the following: (i) the Notice Period (and consequently, the period during which compensation is payable to Mr. Angel) will be extended from six (6) months to twelve (12) months; and (ii) all the stock options described above are accelerated and will become fully vested and exercisable.

Potential Payments upon Termination or Change in Control

The employment agreements of our executives contain the following terms regarding post-termination and change in control payments:

Pursuant to the terms of Isaac Angel's employment agreement, if the Company or Mr. Angel terminates his employment agreement for any reason other than for cause, he will be entitled to his salary, bonus and other benefits for the applicable notice period. The notice period in the employment agreement of Isaac Angel is six months. In the event of termination other than for cause, Mr. Angel will also be entitled to an assignment of his "executive manager's insurance policy" and monies accumulated under such policy based on deductions from his base salary, and a payment of the difference, if any, between the sums accumulated under such policy on account of his severance pay, and the amount of severance pay to which he is entitled based on the monthly base salary at the time of termination multiplied by the number of years he has been employed by us or Ormat Systems.

Isaac Angel. Mr. Angel is entitled to change in control payments if within two months prior to or twelve months following the occurrence of a change in control, his employment is terminated by the Company other than for cause or if he resigns for good reason. In either of these events, Mr. Angel's notice period will be twelve months in place of six months, and all options granted to Mr. Angel will be accelerated and will become fully vested and exercisable (or payable) as of the date of the change in control (in the event the termination or resignation occurred prior to or at the date of the change in control) or as of the termination date (in the event the termination or resignation occurred after the date of change in control). We will also be required to pay him any compensation entitled to him during the lengthened notice period.

"Change in Control" is defined for this purpose as the consummation of any of the following events, in a single transaction or in a series of related transactions: (i) the acquisition of us by another person(s) or entity by means of a merger, reorganization, consolidation, or similar event in which such person(s) or entity, who is not an affiliate of our controlling stockholders, as constituted immediately prior to such acquisition, will hold, immediately after such acquisition, more than 50% of the outstanding voting power of us, the acquiring, resulting or surviving corporation; (ii) any transaction in which control of us is transferred to another person(s) or entity, who is not affiliated with any of the our current controlling stockholders; or (iii) the sale of all or substantially all of the assets of us (on a consolidated basis) to another entity (except an entity who is a member of the Ormat group or any other person(s) or entity who is affiliated with any of our current controlling stockholders). Notwithstanding the foregoing, the term Change in Control excludes any transaction or series of related transactions that are part of an internal voluntary reorganization and/or restructuring of us and/or the Ormat group that does not involve the acquisition of control by a third party not affiliated with the Ormat group, such as a change in the state of our incorporation and/or acquisition by us of our own shares from any person.

"Good reason" is defined for this purpose as (i) a reduction in salary or diminution of an annual bonus opportunity; (ii) diminution in authority, responsibilities or duties; (iii) diminution in the budget over Mr. Angel has authority; (iv) adverse change in reporting responsibilities; (v) relocation of Mr. Angel's main office; and (vi) any other breach of the employment agreement.

"Cause" is defined for this purpose as (i) any of the reasons mentioned in Sections 16-17 to the Israel Severance Pay Law, 1963; (ii) conviction of any felony involving moral turpitude or affecting us or our affiliates (including a plea of guilty or no contest); (iii) conviction for the embezzlement of funds of us or our affiliates or an attempt to do so; (iv) conduct by Mr. Angel that constitutes gross misconduct or gross neglect of his duties to us or our affiliates, as well as any breach of Mr. Angel's fiduciary duties to us or our affiliates; and (v) breach of any material term of the employment agreement ; provided such breach was not cured (if capable of being cured) by Mr. Angel within 14 days following written notice thereof.

Doron Blachar. In the event of a "change in control" as defined under the Israeli securities laws, all options granted to Mr. Blachar upon the beginning of his employment will be accelerated and will become fully vested and exercisable (or payable) immediately. If Mr. Blachar's employment is terminated for any reason, he will be entitled to receive any unpaid annual bonus in respect of any completed fiscal year that has ended on or prior to the termination date. Additionally, subject to achievement of any applicable performance conditions, Mr. Blachar will be entitled to receive the annual bonus that would otherwise have been earned in respect of the fiscal year in which termination occurs, prorated to the termination date. We are required to make such payments on the days on which they would have otherwise been made had no termination occurred and in no event later than two and a half months after the last day of the fiscal year in which termination occurred.

Yoram Bronicki. Yoram Bronicki, who served as our Chairman of the Board from June 30, 2014 until November 16, 2015 and our President and Chief Operating Officer from September 20, 2007 until June 30, 2014, is subject to certain non-competition restrictions pursuant to an undertaking dated May 22, 2012. Pursuant to this undertaking, he agreed not to compete with the Company until two years following the later of (i) his termination from the Company or (ii)

the termination of the services of the last of Lucien Bronicki, Yehudit Bronicki and himself. This non-competition undertaking extended certain non-competition restrictions contained in Yoram Bronicki's employment agreement.

We believe that the change in control provisions in the employment agreements for our executives are appropriate to help ensure that, if the possibility of a change in control occurs, our executives can act in the best interest of all our stockholders without concern for the uncertainty and without the distraction that would result from the obvious effects a change in control could have on their personal situations. We believe the purpose of the change in control provision is to protect the NEO against a loss of employment that frequently occurs upon a change in control rather than to provide a payment when the change in control occurs even though the NEO's employment is continued. We also believe that the level of post-termination payments for our NEOs is competitive and appropriate.

Except as set forth above, our executives do not have specific change in control payment provisions in their employment agreements (however, see above with respect to acceleration of vesting of equity-based awards). All of our executives are entitled to salary and other compensation payments during the relevant notice period.

Our executives are based in Israel on a full-time or part-time basis, and thus are also entitled to lump sum severance pay amounting to their last monthly salary multiplied by the number of years of their service for the Company. Our executives are also entitled to payments under our defined contribution plan. The employment agreements of our current executive officers do not include non-compete or non-solicitation provisions, with the exception of the employment agreements of Isaac Angel and Doron Blachar.

Estimated Payments and Benefits upon Termination

The amount of compensation and benefits payable to each of our NEOs in the event of termination without cause or as a consequence of a change in control has been estimated in the table below. The Company does not provide excise tax gross-ups for change in control payments. There is no distinction in the calculation of the termination payments due to our executives in the event of termination without cause or termination upon a change in control, except in the case of our CEO, whose payments and benefits upon termination are described under the heading "Potential Payments upon Termination or Change in Control" above. The amounts have been calculated based on the assumption that the termination occurred on December 31, 2015.

- We promptly reimburse all directors for transportation and lodging expenses actually incurred to attend meetings of our Board or committees.

Equity Compensation

Each newly appointed non-employee director receives an initial grant of options to purchase 7,500 shares of the Common Stock of the Company at an exercise price equal to the NYSE closing price on the date of the grant. Each non-employee director receives annually from the second year of service options to purchase 7,500 shares of the Common Stock of the Company at an exercise price equal to the NYSE closing price on the date of the grant, unless the Company's results are released on that day and then the exercise price is the NYSE closing price on the following day. The Company customarily grants the annual award of options to its non-employee directors in November of each year. The Company does not have stock ownership guidelines for its directors.

TRANSACTIONS WITH RELATED PERSONS

We, and one of our wholly-owned subsidiaries, Ormat Systems, have a number of agreements with our former parent, Ormat Industries. In connection with those transactions described below under "– Share Exchange Agreement and Related Agreements", Ormat Industries became our wholly owned subsidiary on February 12, 2015 and, on March 31, 2015, it merged with and into Ormat Systems, with Ormat Industries ceasing to exist and Ormat Systems surviving as our direct, wholly-owned subsidiary. Upon the consummation of the merger, each of the agreements to which we and Ormat Systems have entered into with Ormat Industries terminated as a result of the merger.

These agreements involve transactions with related persons as defined in SEC rules and regulations and are described below. Each of the related party transactions discussed below is on terms that we believe are at least as favorable to us as would have been obtained in an arm's length transaction.

Share Exchange Agreement and Related Agreements

On February 12, 2015, we announced the completion of the share exchange, which was the first and primary step of a series of transactions contemplated by the Share Exchange Agreement and Plan of Merger (the "Share Exchange Agreement"), dated as of November 10, 2014, by and among us, Ormat Industries, our then-parent company, and Ormat Systems. One of the key consequences of this transaction was that the number of shares of our common stock held by non-affiliated, "public" shareholders increased from approximately 40% to approximately 76% of total shares outstanding, which we believed would help elevate trading volume and increase equity coverage.

Pursuant to the Share Exchange Agreement, we agreed to acquire Ormat Industries through a share exchange in which we issued 30,203,186 new shares of our common stock to Ormat Industries' shareholders in exchange for all of the outstanding ordinary shares of Ormat Industries, reflecting an exchange ratio of 0.2592 shares of our common stock for each ordinary share of Ormat Industries. Following the satisfaction of the various conditions precedent to closing of the share exchange, including (i) the receipt of approval from the District Court of Tel Aviv – Jaffa of the scheme of arrangement under Israeli law represented by the share exchange; (ii) the approval by our stockholders of the issuance of our shares of common stock to the shareholders of Ormat Industries in connection with the share exchange; (iii) the approval of the Share Exchange Agreement by the shareholders of Ormat Industries; and (iv) the maintenance in full force and effect of a ruling that has been obtained from the Israel Tax Authority confirming the Israeli income tax treatment of the transactions contemplated by the Share Exchange Agreement (the "Israeli Tax Ruling"); the share exchange was completed on February 12, 2015.

As previously disclosed, we entered into several agreements in connection with the Share Exchange Agreement, including the following:

- voting agreements with the then principal shareholders of Ormat Industries, FIMI and Bronicki, which, following the share exchange, beneficially owned approximately 15.06% and 8.84% of our outstanding shares, respectively. Under these voting agreements, FIMI and Bronicki agreed, among other things, to comply in all respects with the Israeli Tax Ruling applicable to the Ormat Industries shareholders.

- voting neutralization agreements with FIMI and Bronicki, whereby FIMI and Bronicki agreed, among other things, to certain restrictions on their shares of our common stock. Among other things, these voting neutralization agreements:

- require these shareholders to vote all voting securities owned by FIMI and Bronicki and their respective affiliates in excess of 16% and 9%, respectively, of the combined voting power of our shares in proportion to votes cast by the other holders of our voting securities at any time any action is to be taken by our stockholders;

§prohibit the acquisition of our voting securities by FIMI and Bronicki and their respective affiliates if after giving effect to any such acquisition FIMI and Bronicki and their respective affiliates would beneficially own voting securities representing in the aggregate more than 20% and 12%, respectively, of the combined voting power of our shares;

§prohibit, prior to January 1, 2017, the sale of more than 10% of our voting securities owned in the aggregate by FIMI and Bronicki;

§allow, following January 1, 2017, the sale of our voting securities owned by FIMI and Bronicki only if they are not acting in concert to sell or, if they are, only with 20 days' prior written notice to us, subject to certain exceptions for public sales and mergers and acquisitions transactions; and

§prohibit FIMI and Bronicki from renewing their shareholder rights agreement beyond its expiration date, May 22, 2017.

o a registration rights agreement whereby FIMI and Bronicki may, subject to certain limitations, require us to prepare and file with the SEC a registration statement to register a public offering of the shares of our common stock held by them, on customary terms and conditions set forth in the agreement.

On December 14, 2014, FIMI IV 2007 sent a letter to the Company on behalf of FIMI, pursuant to which FIMI stated that in the event that on May 31, 2017 FIMI still holds shares of our Common Stock and has appointed a member of our Board, it will (to the extent permitted by applicable law) cause such director-appointee to advise that our Board recommend to our shareholders the elimination of the staggered structure of the Board (pursuant to which our Board is classified into three classes of directors serving staggered, three-year terms), and if the Board agrees to put such matter to a vote of the shareholders, it will vote all of its shares in favor of the elimination of the staggered structure of the Board.

Agreement with Tersus Software and Consulting Agreements

Effective April 15, 2005, the Company entered into an agreement with Tersus Software Ltd. ("Tersus") for the licensing of software that will be used in the development of several applications, including an Enterprise Resource Planning ("ERP") solution and the monitoring of performance of the power plants. The price paid to Tersus under the agreement was \$100,000. One of Tersus' founders and stockholders (with a 29% share ownership on a fully diluted basis) is Youval Bronicki, son of Yehudit Bronicki, former CEO and director of our Company, and the brother of Yoram Bronicki, our former Chairman of the Board. During the year ended December 31, 2015, the Company did not make any payments to Tersus for services relating to maintenance of the ERP solution pursuant to a maintenance agreement which is effective as of January 1, 2010.

Youval Bronicki was also retained as a consultant to the Company to assist with the development of the ERP solution. Pursuant to the consulting agreement, Youval Bronicki is compensated at an hourly rate for services performed. In July 2011, the Company extended the consulting agreement with Youval Bronicki, at a rate of \$100 per hour, with the services to be provided through Tersus Inc. During the year ended December 31, 2015, the Company paid an aggregate amount of \$700 to Mr. Bronicki for such consulting services.

Agreements of Bronicki Investments and FIMI

Bronicki Investments and FIMI have entered into certain agreements which relate to and affect Ormat (and, until the share exchange described above, Ormat Industries) although neither Ormat nor Ormat Industries are a party to those agreements or have contractual obligations under those agreements. These agreements include the share purchase agreement dated as of March 16, 2012, which was amended on each of May 22, 2012 and November 10, 2014 (as

amended, the "SPA") and the shareholder rights agreement dated March 16, 2012, which was amended and restated on November 10, 2014 (as amended, the "SHA"), each of which is described below. Copies of these agreements were filed by Bronicki Investments and FIMI as exhibits to their Schedule 13D filed with the SEC on February 17, 2015.

The SHA contains various provisions governing matters such as:

- voting and transfers of the shares of our common stock held by Bronicki Investments and FIMI following the share exchange (including a right of first offer, "tag-along" right, a "bring-along" right and, by way of an amendment to the SPA, a call option right to FIMI);
- the composition of our Board as further detailed below;
- agreements concerning various corporate policies and governance matters relating to us and our subsidiaries, to the extent subject to a vote of our stockholders (namely, that unless otherwise agreed and as long as the parties hold a certain minimum percentage of our share capital, the parties will vote against liquidation or entrance into any bankruptcy or similar proceeding by us (or a material subsidiary thereof, if under applicable law it is required to be brought to the parties' approval), a material change in our field of operations (or a material subsidiary thereof, if under applicable law it is required to be brought to the parties' approval), and/or amendment of our Articles of Association with respect to our staggered Board); and
- compliance with the Israeli Tax Ruling, including the internal allocation between Bronicki Investments and FIMI of the amount of shares they are permitted to sell under the Israeli Tax Ruling.

The SHA provides that, subject to certain exceptions, Bronicki Investments and FIMI will:

- subject to any applicable law and fiduciary duties, use their reasonable efforts to cause the number of designees of Bronicki Investments and FIMI to be elected or appointed to our Board as detailed below. Specifically, Bronicki Investments and FIMI agreed that they will each have the right to designate four members to our Board, subject to staged adjustments if either Bronicki Investments or FIMI or both cease to own specified minimum numbers of our shares within various ranges specified in the SHA, including minimum shareholdings below which such shareholder loses the right of directors' designation. Currently, the number of directors that Bronicki Investments and FIMI may designate is three and five, respectively.

The SHA also provides that, subject to applicable law, it is the view of Bronicki Investments and FIMI that we should distribute in each calendar year dividends in an amount equal to 20% of its profits available for distribution.

The SHA became effective upon the closing of the Share Exchange and will terminate on May 22, 2017, provided that during the period from January 1, 2017 until May 22, 2017 any exercise of Bronicki Investments' or FIMI's rights with respect to the transfer of the shares by the other party described above will be subject to the respective Voting Neutralization Agreements described above.

REVIEW, APPROVAL OR RATIFICATION OF TRANSACTIONS WITH RELATED PERSONS

The Company recognizes that transactions between the Company and any of its executives, directors, or beneficial holders of more than 5% of our capital stock or their respective family members, may present potential or actual conflicts of interest or may create the appearance that Company decisions are based on considerations other than the best interests of the Company and its stockholders. Therefore, as a general matter, and in conformance with the

Company's (a) Code of Business Conduct and Ethics and (b) Financial Reporting Procedures, transactions with related persons are consummated only if the requisite approvals are obtained and only if the terms of the transaction are determined to be in the best interests of the Company and its stockholders.

The Company has adopted a formal written policy which requires the executive or director initiating a related party transaction to prepare (1) a memorandum summarizing the terms and conditions of the proposed transaction, including pricing and market conditions, and (2) a preliminary draft agreement, which are then provided to the Company's Disclosure Committee for review. The Disclosure Committee, comprised of our CEO, Chief Operating Officer, CFO, Corporate Secretary, VP and Corporate Controller, and VP Corporate Finance and Investor Relations, reviews the business terms of the transaction, materiality, and applicable corporate laws and regulations, and determines whether the transaction is required to be reviewed and approved by the Audit Committee, our Board, and/or the stockholders. In accordance with the determination of the Disclosure Committee, the proposed transaction is then reviewed by the Audit Committee, our Board, and/or the stockholders, as applicable. A related party transaction will only be approved or ratified if the transaction is in the best interests of the Company and its stockholders, as the Audit Committee, our Board, and/or the stockholders determine in good faith. In addition, the fairness of each related party transaction is evaluated to ensure that the terms are consistent with arm's length transactions of a similar nature according to prevailing market terms and conditions, where such comparisons are available and appropriate.

It should be noted that, as previously disclosed, with respect to the transactions contemplated by the Share Exchange Agreement, our Board has also formed a special committee, comprised solely of independent and disinterested directors, that engaged its own independent financial and legal advisors prior to approving the transaction.

A representative of PricewaterhouseCoopers LLP will be present at the 2016 Annual Meeting of Stockholders to respond to appropriate questions and to make a statement if the representative so desires.

Audit Committee Pre-Approval Procedures for Independent Registered Public Accounting Firm

The Audit Committee has set a pre-approval procedure, and thus all auditors' engagements are handled in accordance with such procedures, as follows:

A limited authority was delegated to the Chair of the Audit Committee to approve audit, audit-related and tax services in an amount of up to \$50,000, provided such approval is reported to the Audit Committee at its next meeting.

Non-audit services may only be approved by the full Audit Committee.

All engagements by the Company of the auditors for 2014 and 2015 were pre-approved by the Audit Committee.

Vote Required for Ratification

The Audit Committee is solely responsible for selecting Ormat's independent registered public accounting firm for the year ending December 31, 2016. Accordingly, stockholder approval is not required to appoint PricewaterhouseCoopers LLP as the independent registered public accounting firm for the year ending December 31, 2016. The Board believes, however, that submitting the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification is a matter of good corporate governance. If the stockholders do not ratify the appointment, the Audit Committee will review its future selection of an independent registered public accounting firm.

The ratification of the appointment of PricewaterhouseCoopers LLP as Ormat's independent registered public accounting firm requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

YOUR BOARD RECOMMENDS THAT YOU VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

OTHER MATTERS

We know of no other business that will be presented at the meeting. If any other matter properly comes before the stockholders for a vote at the meeting, however, the proxy holders will vote your shares in accordance with their best judgment. This discretionary authority is granted by the execution of the form of proxy.

ADDITIONAL INFORMATION

Householding of Proxies

Under rules adopted by the SEC, we are permitted to deliver a single Notice of Internet Availability of Proxy Materials to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. This process, called householding, allows us to reduce the number of copies of these materials we must print and mail. Even if householding is used, each stockholder will continue to be entitled to submit a separate proxy or voting instruction.

The Company is not householding this year for those stockholders who own their shares directly in their own name. If you share the same last name and address with another Company stockholder who also holds his or her shares directly, and you would each like to start householding for the Company's annual reports and proxy statements, please contact us at Ormat Technologies, Inc., 6225 Neil Road, Reno, Nevada 89511, Attention: Corporate Secretary, telephone (775) 356-9029.

This year, some brokers and nominees who hold Company shares on behalf of stockholders may be participating in the practice of householding proxy statements and annual reports for those stockholders. If your household receives a single Notice of Internet Availability of Proxy Materials for this year, but you would like to receive your own copy, please contact us as stated above, and we will promptly send you a copy. If a broker or nominee holds Company shares on your behalf and you share the same last name and address with another stockholder for whom a broker or nominee holds Company shares, and together both of you would like to receive only a single set of the Company's disclosure documents, please contact your broker or nominee as described in the voter instruction card or other information you received from your broker or nominee.

If you consent to householding, your election will remain in effect until you revoke it. Should you later revoke your consent, you will be sent separate copies of those documents that are mailed at least 30 days or more after receipt of your revocation.

Additional Filings

The Company's reports on Forms 10-K, 10-Q, 8-K and all amendments to those reports are available without charge through the Company's website, www.ormat.com, as soon as reasonably practicable after they are electronically filed with, or furnished to, the SEC. Our Code of Business Conduct and Ethics, Code of Ethics Applicable to Senior Executives, Audit Committee Charter, Corporate Governance Guidelines, Nominating and Corporate Governance Committee Charter, Compensation Committee Charter, Insider Trading Policy, and amendments thereof are also available at our website address mentioned above. If we make any amendments to our Code of Business Conduct and Ethics or Code of Ethics Applicable to Senior Executives or grant any waiver, including any implicit waiver, from a provision of either code applicable to our CEO, CFO or principal accounting officer requiring disclosure under applicable SEC rules, we intend to disclose the nature of such amendment or waiver on our website. The content of our website, however, is not part of this proxy statement.

You may request a copy of our SEC filings, as well as the foregoing corporate documents, at no cost to you, by writing to the Company address appearing in this proxy statement or by calling us at (775) 356-9029.

Proxy Solicitation

Ormat will bear the entire cost of this proxy solicitation. In addition to soliciting proxies, we expect that our directors, officers and management employees may solicit proxies personally or by mail, facsimile, telephone, or other electronic means, for which solicitation they will not receive any additional compensation. We will reimburse brokerage firms, custodians, fiduciaries and other nominees for their out-of-pocket expenses in forwarding solicitation materials to beneficial owners upon our request.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers and directors, and persons who beneficially own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater-than-10% beneficial owners are required by SEC regulations to furnish us with copies of all reports they file pursuant to Section 16(a).

We believe, based upon a review of the forms filed and written confirmation provided by our officers, directors, and greater-than-10% beneficial owners, that during 2015 all of our officers, directors, and greater-than-10% beneficial owners filed on a timely basis the reports required by Section 16(a) of the Exchange Act.

Stockholder Proposals for 2017 Annual Meeting of Stockholders

Stockholders of the Company may submit proposals that they believe should be voted upon at the Company's Annual Meetings of Stockholders or nominate persons for election to the Board. Pursuant to Rule 14a-8 under the Exchange Act, some stockholder proposals may be eligible for inclusion in the Company's proxy statement for the Company's 2017 Annual Meeting of Stockholders. To be eligible for inclusion in the Company's 2017 proxy statement, any such stockholder proposals must be submitted in writing to the Secretary of the Company no later than November 25, 2016, in addition to complying with certain rules and regulations promulgated by the SEC. The submission of a stockholder proposal does not guarantee that it will be included in the Company's proxy statement.

Alternatively, stockholders seeking to present a stockholder proposal or nomination at the Company's 2017 Annual Meeting of Stockholders, without having it included in the Company's proxy statement, must timely submit notice of such proposal or nomination. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal offices of the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the 2016 Annual Meeting of Stockholders, unless the date of the 2017 Annual Meeting of Stockholders is advanced by more than 30 days or delayed (other than as a result of adjournment) by more than 60 days from the anniversary of the 2016 Annual Meeting of Stockholders. For the Company's 2017 Annual Meeting of Stockholders, this means that any such proposal or nomination must be submitted no earlier than January 6, 2017 and no later than February 5, 2017. If the date of the 2017 Annual Meeting of Stockholders is advanced by more than 30 days or delayed (other than as a result of adjournment) by more than 60 days from the anniversary of the 2016 Annual Meeting of Stockholders, the stockholder must submit any such proposal or nomination no earlier than the close of business on the 120th day prior to the 2017 Annual Meeting of Stockholders and not later than the close of business on the later of the 90th day prior to the 2017 Annual Meeting of Stockholders, or if the first public announcement of the date of the 2017 Annual Meeting of Stockholders is less than 100 days prior to the date of such annual meeting, the 10th day following the day on which the public announcement of the date of such meeting is first made.

Notices of any proposals or nominations for the Company's 2017 Annual Meeting of Stockholders should be sent to Ormat Technologies, Inc., Corporate Secretary, 6225 Neil Road, Reno, Nevada 89511.
