To secure the Company's obligations under the First Naphtha Loan Agreement, Jay Petroleum, LLC, a wholly owned subsidiary of the Company, guaranteed the obligations of the Company and agreed to grant to Naphtha Petroleum a security interest in certain specified properties owned by Jay Petroleum, LLC. Naphtha Petroleum can accelerate the loan and exercise its rights under the collateral upon the occurrence any one or more of the following events of default: (i) the Company's failure to secure the indebtedness as provided for in the agreement, pay any amount that may become due in connection with the loan within five (5) days of the due date (whether by extension, renewal, acceleration, maturity or otherwise) or fail to make any payment due under any hedge agreement entered into in connection with the transaction, (ii) the Company's material breach of any of the representations or warranties made in the loan agreement or security instruments or any writing furnished pursuant thereto, (iii) the Company's failure to observe any undertaking contained in transaction documents if such failure continues for 30 calendar days after notice, (iv) the Company's insolvency or liquidation or a bankruptcy event or (v) Isramco's criminal indictment or conviction under any law pursuant to which such indictment or conviction can lead to a forfeiture by Isramco of any of the properties securing the loan. ii) Pursuant to a Loan Agreement dated as of February 27, 2007 (the "Second Naphtha Loan Agreement") the Company obtained a loan from Naphtha Petroleum in the principal amount of \$11.5 million, payable at the end of seven years. Interest accrues at a rate of LIBOR plus 6%, per annum. As specified in the Second Naphtha Loan Agreement, the interest payable to Naphtha Petroleum is subject to and limited in all cases to the maximum legal rate of interest that may be paid under the laws of the State of Texas. The Company can make prepayments without premium or penalty. This loan is unsecured. The other material terms of the Second Naphtha Loan Agreement are identical to the terms of the First Naphtha Loan Agreement. The Company paid approximately \$1.3 million in interest for 2008 and made no payments in 2009. As of September 30, 2010, approximately \$11.5 million in principal remains outstanding. iv) Pursuant to a Loan Agreement dated as of February 26, 2007 the Company obtained a loan from J.O.E.L in the principal amount of \$7 million bearing interest at the rate of 5.36% per annum. This loan was originally repayable at the end of three months. On July 2007, the Company and J.O.E.L. reached an agreement to revise the term of the Loan to seven years and to revise the interest rate to LIBOR plus 6% per annum. , The interest payable to J.O.E.L is subject to and limited in all cases to the maximum legal rate of interest that may be paid under the laws of the State of Texas. The Company paid approximately \$840,000 in interest for 2008. In 2009 we paid J.O.E.L. \$7,701,491 representing the entire outstanding principal balance of the loan and all accrued interest. Haim Tsuff, Isramco's Chief Executive Officer and Chairman, is a controlling shareholder of J.O.E.L. As of December 31, 2009, this loan was fully paid.

B. In order to obtain the funds necessary to consummate the March 2008 purchase of oil and gas properties from GFB Acquisition – I, L.P. and TransRepublic Resources, the Company obtained loans from J.O.E.L., a related party, in the aggregate principal amount of \$48.9 million. These loans were initially repayable at the end of 4 months and bore interest at a rate of LIBOR plus 1.25% per annum. On May 25, 2008, the Company entered into an Amended and Restated Loan Agreement with J.O.E.L. (the “J.O.E.L. Loan Agreement”) that revised the terms of these loans and, among other things, extended the maturity date for an additional seven years. Under the J.O.E.L. Loan Agreement, interest accrues at a rate equal to the London Inter-bank Offered Rate (“LIBOR”) plus 6% per annum. However, as specified in the J.O.E. L. Loan Agreement, the interest payable to J.O.E.L. is subject to and limited in all cases to the maximum legal rate of interest that may be paid under the laws of the State of Texas. Principal and interest are due and payable in four equal annual installments, commencing on June 30, 2012. The loan can be prepaid in whole or in part without premium or penalty. The loan is unsecured except to the extent of any accounts of the Company held by J.O.E.L., which, during 2009 and 2010, were not material in amount. In 2008 and 2009, the Company paid J.O.E.L. \$2,261,627 in interest. Through September 30, 2010, the Company had paid \$4,830,302 in interest. As of September 30, 2010, approximately \$48.9 million in principal remains outstanding. Haim Tsuff, Isramco’s Chief Executive Officer and Chairman, is a controlling shareholder of J.O.E.L. and Jakob Maimon, a former president and director of Isramco, was a director of J.O.E.L., a position from which he resigned on June 15, 2010.

C. In July 2009 we entered into a loan transaction with I.O.C., a related party, pursuant to which the Company borrowed \$6 million (the “I.O.C. Loan”). The purpose of the I.O.C. Loan was to provide funds to Isramco Resources, LLC, which in turn paid this amount to Bank of Nova Scotia, as administrative agent, and Capital One, N.A., as a syndication agent, under the Senior Credit Agreement between the parties. This payment reduced the outstanding balance below the borrowing base and avoided the requirement that imposition of additional interest under the Senior Credit Agreement. Amounts outstanding under the Loan with I.O.C. bear interest at LIBOR plus 6.0%. The interest payable to I.O.C. limited in all cases, to the maximum legal rate of interest that may be paid under the laws of the State of Texas. The Loan matures in five years, with accrued interest payable annually on each anniversary date of the loan. The Loan may be prepaid at any time without penalty. This Loan is unsecured. I.O.C. is fully owned by Naphtha Petroleum. Naphtha Petroleum is the sole shareholder of Naphtha Holdings, Ltd., which is the record holder of approximately 52.76% of our outstanding common stock and which may be deemed to be controlled by Haim Tsuff, the Chairman of the Board of Directors and Chief Executive Officer of Isramco. As of September 30, 2010, approximately \$6,000,000 in principal amount remains outstanding and the Company had not paid any interest.

LITIGATION INVOLVING OFFICERS, DIRECTORS AND AFFILIATES

In our quarterly report for the three months ended September 30, 2009 we disclosed information relating to two putative shareholder derivative actions that were filed on June 1, 2009 and June 12, 2009, by individual shareholders Jeffrey Goldstein and Theodore Steinberg, respectively, in the District Courts of Harris County, Texas, naming certain of our officers and directors as defendants. The complaints, which are similar, purport to assert derivative claims for the benefit of the Company to redress injuries allegedly suffered by the Company as a result of alleged breaches of fiduciary duties and other wrongdoing by the named defendants (primarily on the part of the Company’s Chairman and Chief Executive Officer, Haim Tsuff, and Jakob Maimon) in connection with the Company’s entry into the Restated Agreement with Goodrich. In particular, the plaintiffs objected to the Supplemental Payment provision in the Restated Agreement (5% of our pre-tax recorded profit, excluding unrealized gain on derivatives). Each of the complaints sought unspecified money damages, disgorgement of any proceeds from the restated agreement, voiding of the agreement, other equitable relief, and costs and disbursements, including attorneys’ fees.

On July 10, 2009, Haim Tsuff and Goodrich removed both lawsuits from State to Federal court, with the consent of the Company and the other defendant directors. Subsequently, the Company, Tsuff and Goodrich filed Motions to Dismiss. The plaintiffs requested that the cases be remanded back to the state courts in which the cases were originally filed, and this request was granted. Subsequent to remand by the federal court to state court, the two cases

were consolidated in the 55th Judicial District Court of Harris County, Texas, in January 2010.

On or about April 6, 2010, a third complaint was filed in the 295th District Court of Harris County, Texas by Yuval Ran, who claimed to be a shareholder, against certain of our officers and directors and several corporate parties controlled by Haim Tsuff. As with the prior suits, this complaint alleged various breaches of duty, self dealing and other wrongdoing, primarily on the part of the Company's Chairman and Chief Executive Officer, Haim Tsuff, and Jakob Maimon, in connection with the Restated Agreement. In addition, this suit alleged claims relating to other transactions between the Company and entities controlled by Haim Tsuff, including but not limited to the loan transactions between the Company and related parties which are discussed above, the lease and sale of a cruise ship in 2005-2005, and the closure of the Company's Israel branch office in 2007. This third complaint was transferred to the 55th Judicial District Court of Harris County, Texas, by order signed April 20, 2010, and consolidated with original lawsuits filed above.

Jackob Maimon is a former President and a director who resigned all positions with the Company on June 29, 2010.

Subsequently, on or about September 7, 2010, the plaintiffs in the first two actions jointly filed an amended petition, which included some, but not all, of the claims alleged in the third complaint filed by Yuval Ran. On or about October 4, 2010, the Court granted the motion of Yuval Ran to withdraw as plaintiff.

On October 6, 2010, the parties attempted to mediate the case but no settlement was forthcoming. The Company believes that the claims have no merit. The Company and all other defendants who have been served have filed a motion to dismiss the consolidated case and special exceptions, which are pending.

In our quarterly report for the three months ended June 30, 2010 we also disclosed an additional putative shareholder derivative complaint that was filed by an individual shareholder, Yuval Lapiner, on July 7, 2010 in the Delaware Chancery Court in Wilmington, Delaware, naming certain of our officers and directors as defendants. The claims asserted in this case are essentially the same claims as asserted in the lawsuit filed in April 2010 by Yuval Ran and described above. The Company filed motions in the Chancery Court to Dismiss or Stay the lawsuit and, by order dated October 20, 2010, the case was dismissed.

The Company does not have directors' and officers' liability insurance applicable for the time period in which the above claims allegedly arose and the Company has indemnified its officers and directors costs and expenses of each of the above described items of litigation. These include payments of \$11,713.74 and \$92,535.86 to Haim Tsuff (or his counsel) for the periods ending December 31, 2009 and September 30, 2010, respectively, and payments of \$91,165.56 and \$52,522.40, respectively, to Jackob Maimon, Max Pridgeon and Michelle R. Cinnamon-Flores (or their counsel).

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires each director, officer and any individual beneficially owning more than 10% of the Company's common stock to file with the SEC reports of security ownership and reports on subsequent changes in ownership.

Based solely on review of the copies of such forms received by the Company with respect to 2009, all of the filing obligations of officers, directors and 10% stockholders under Section 16(a) during 2009 have been fulfilled, except that Mr. Kalton has yet to file a Form 3 with respect to his appointment to the Board. The Company has been advised that Mr. Kalton is currently in the process of obtaining the codes needed to effect the filing. Mr. Kalton does not hold an equity interest in the Company.

Proxies cannot be voted for a greater number of persons than the nominees named. If events not now known or anticipated make any of the nominees unwilling or unable to serve, the proxies will be voted (in the discretion of the holders of such proxies) for other nominees not named herein in lieu of those unwilling or unable to serve. The Board of Directors is not aware of any circumstances likely to cause any nominee to become unavailable for election.

NAME	AGE	POSITION
Haim Tsuff	53	Chairman of the Board, Chief Executive Officer and Director
Max Pridgeon	42	Director
Marc E. Kalton	61	Director
Joseph From	57	Director
Asaf Yarkoni	40	Director Nominee

The following describes at least the last five years of business experience of the directors standing for re-election. The descriptions include any other directorships at public companies held during the past five years by these directors. No family relationship exists between any director and executive officer of the Company.

Haim Tsuff has been a director of the Company since January 1996 and the Chairman of the Board of Directors and Chief Executive Officer since May 1996. Mr. Tsuff is the sole director and owner of United Kingsway Ltd. and Chairman of YHK General Manager Ltd. From March 1995 through December 2002, he served as director of MAXIM Wholesale and Marketing Co., a company which he founded. Concurrently, from February 1999, Mr. Pridgeon has also served as a manager of sales for Europe and the Middle East for Blenfin XI, Netherlands, a company that engages in the distribution of wooden picture frames. From April 1996 through January 1999, Mr. Pridgeon served as a property acquisitions consultant to M.A. Realistic Estate, Netherlands, a company engaged in the ownership and management of hotels in the Netherlands. From September 1989 through March 1995, Mr. Pridgeon served as account manager and then export manager at VERNO Holland, a company engaged in the marketing and distribution of oil paintings. Mr. Pridgeon's experience in managing and overseeing a diversified business practice equip him with the skill set needed by our Board.

Marc E. Kalton was appointed to the Company's Board of Directors on April 22, 2009. A former Arthur D. Joseph From was appointed to the Company's Board of Directors on June 29, 2010. Mr. From is employed as a drilling manager at Star Energy, a UK based energy company with a primary focus on gas storage development and the UK's second largest onshore oil producer, a position that he has held since June 2007. Prior to joining Star Energy, from August 1998 to April 2007, Mr. From served as General Manger at Equital, an affiliate of the Company, where he was in charge of oil and gas activities and operations, including drilling and production and economic evaluation of oil and gas projects. From 1997 through 1998, he served as Chief Engineer (Oil and Gas division) at the Company where he oversaw drilling on onshore wells in Israel. Mr. From replaced Mr. Maimon, who resigned in June 2010. Mr. From's petroleum industry background and experience provides the Board with the experience and breadth needed to consider the options that are available in determining drilling/exploration issues.

Asaf Yarkoni has been nominated for election as a director upon the determination of Ms. Cinnamon-Flores not to stand for re-election. Mr. Yarkoni is a certified public accountant. Since August 2007, Mr. Yorkoni has been employed as the Chief Financial Officer of Storwize, Ltd., a start-up company involved in the provision of data compression services. From December 2003 to August 2007, was employed by Deloitte Touche in Israel. Mr. Yarkoni brings significant financial and accounting knowledge and expertise to the Corporation and will qualify to serve as an "audit committee financial expert" under the rules of the U. S. Securities and Exchange Commission. Mr. Yarkoni's experience as a certified public accountant was instrumental in his appointment to stand for election to the Board and is expected to provide our board with a critical accounting perspective.

Resignation and Departure

Mr. Jakob Maimon resigned as our President and as a director, on June 29, 2010.

INFORMATION ABOUT THE BOARD OF DIRECTORS

INDEPENDENCE AND MEETINGS

During the fiscal year ended December 31, 2009, the Board met and acted by unanimous written consent on three occasions. During the fiscal year ended December 31, 2009, each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served, held during the period for which he was a director or committee member, respectively.

The Board does not have a formal policy with respect to Board members attendance at annual stockholder meetings, though it encourages directors to attend such meetings. None of the directors attended the 2009 annual meeting.

The Board of Directors reviewed the independence of each of the Company's directors on the basis of the standards adopted by NASDAQ. During this review, the Board considered transactions and relationships between the Company, on the one hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under the NASDAQ rules. As a result of this review, the Board of Directors affirmatively determined that each of the Company's directors other than Haim Tsuff, and Josef From are "independent directors" within the meaning of the Nasdaq rules.

BOARD LEADERSHIP STRUCTURE

Mr. Tsuff has served as Chief Executive Officer and Chairman since 1996. The Board of Directors believes that its current leadership structure, in which the positions of Chairman and Chief Executive Officer are held by Mr. Tsuff, is appropriate at this time and provides the most efficient and effective leadership for Isramco. Combining the chairman and chief executive officer roles fosters clear accountability, effective decision-making and alignment on corporate strategy. We believe that any risks inherent in that structure are balanced by the oversight of our Board of Directors, a majority of who are independent. Given Mr. Tsuff's past performance in the roles of Chairman of the Board and Chief Executive Officer, at this time the Board believes that combining the positions continues to be the appropriate leadership structure for our Company and does not impair our ability to continue to practice good corporate governance.

Our Board recognizes that no single leadership model is right for all companies and at all times and that, depending on the circumstances, other leadership models, such as a separate independent chairperson of the board, might be appropriate.

BOARD COMMITTEES

The Board of Directors has established three standing committees: the audit committee (the "Audit Committee"); the compensation committee (the "Compensation Committee"); and the nominating committee (the "Nominating Committee").

AUDIT COMMITTEE

The members of the Audit Committee are Max Pridgeon, Michelle R. Cinnamon-Flores and, as of March 24, 2009, Marc E. Kalton. The Board of Directors has determined that Mr. Pridgeon, Mr. Kalton and Ms. Cinnamon-Flores each met the independence criteria set out in Rule 5605(a)(2) of the Marketplace Rules of the National Association of Securities Dealers ("NASD"). The Board determined that Ms. Flores is an "audit committee financial expert" as defined by the rules of the SEC. Mr. Yarkoni, the individual nominated to take the seat vacated by Ms.

Cinnamon-Flores, would qualify as an audit committee financial expert if elected. The Audit Committee met four times in 2009.

The Board has adopted a charter governing the duties and responsibilities of the Audit Committee. The principal function of the Audit Committee is to assist the Board in its oversight responsibilities relating to the financial accounting, reporting and controls. The Audit Committee monitors and evaluates periodic reviews of the adequacy of the accounting and financial reporting processes and systems of internal control that are conducted by senior management and the independent auditors, is directly responsible for the appointment, compensation and oversight of the work of the Company's independent auditors, reviews and evaluates the qualifications, independence and performance of the independent auditors, monitors the Company's compliance with legal and regulatory requirements, monitors the performance of internal audit function and facilitates communication among independent auditors, senior management and the Board.

THE NOMINATING COMMITTEE

In April 2004, the Board of Directors formed the Nominating Committee to address Board development matters. The current member of the Nominating Committee is Max Pridgeon. The Nominating Committee did not meet in 2009. The Board has adopted a charter governing the duties and responsibilities of the Nominating Committee.

The Nominating Committee considers many factors when evaluating candidates for the nomination to the Board of Directors, with the goal of fostering a Board of Directors comprised of directors with a variety of experience and backgrounds. Important factors considered as part of the Nominating Committee's evaluation include (without limitation) diversity, skill, specialized expertise, experience, business acumen, understanding of strategy and policy-setting. Depending upon the Company's then-current needs, certain factors may be weighed more or less heavily. In considering candidates for the Board of Directors, the Nominating Committee will consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met. However, the Nominating Committee does believe that all members of the Board of Directors should have the highest character and integrity and sufficient time to devote to Company matters.

In addition to considering candidates proposed by officers or other directors of the Company as candidates for nomination as a director, the Nominating Committee considers persons recommended by stockholders. In evaluating candidates proposed by stockholders the Nominating Committee uses the same selection criteria as it uses to evaluate other potential nominees. Recommendations should be submitted to the Secretary of the Company. Each recommendation should include a personal biography of the suggested candidate, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who wish to nominate a person for election to the Board of Directors themselves, rather than recommending a candidate to the Nominating Committee for potential nomination by the Board of Directors, must comply with applicable law.

While the Nominating Committee does not have a formal policy with respect to diversity, the Board and the Committee believe that it is essential that Board members represent diverse business backgrounds and experience. A background in or experience with the oil & gas industry is desirable, but not a precondition to nomination. In considering candidates for the Board, the Nominating Committee considers the entirety of each candidate's credentials in the context of these standards. We believe that the backgrounds and qualifications of our directors, considered as a group, should and do provide a composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

COMPENSATION COMMITTEE

The Compensation Committee is responsible for reviewing the compensation arrangements in effect for the Company's executive officers. The Compensation Committee currently consists of Max Pridgeon and Michelle Cinnamon-Flores. After the election of directors, the Board will determine who will replace Ms. Cinnamon-Flores, as she is not standing for re-election. The Compensation Committee did not meet in 2009.

The Compensation Committee sets compensation policy and administers the Company's compensation programs for the purpose of attracting and retaining skilled executives who will promote the Company's business goals and build shareholder value. The Committee is also responsible for reviewing and making recommendations to the Board regarding all forms of compensation to be provided to the Company's named executive officers, including stock compensation and bonuses. The Compensation Committee does not have a written charter.

The Compensation Committee reviews and recommends to the Board for approval compensation arrangements for our executive officers, key employees and non-employee directors. The Compensation Committee recommends all

incentive compensation awards, which are then subject to board review and approval. The Chief Executive Officer recommends to the Compensation Committee the goals, objectives and compensation for all executive officers and key employees, except himself, and responds to requests for information from the Compensation Committee. Our Chief Executive Officer has no role in approving his own compensation. The Compensation Committee periodically reviews and recommends the compensation of non-executive directors. The Compensation Committee does not delegate its authority and has the sole responsibility of retaining outside counsel or other consultants for the purpose of executing its mandate.

CODE OF BUSINESS ETHICS AND CONDUCT

The Company has adopted a Code of Business Ethics and Conduct (the "Code of Conduct") that applies to all of its employees. A copy of the Code of Conduct was filed as an exhibit to the Company's Annual Report on Form 10-K for the year ended December 31, 2005. If the Company makes any substantive amendment to the Code of Conduct or grants any waiver from a provision of the Code of Conduct to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Although the Company does not have formal procedures for stockholder communication with the Board of Directors, stockholders of the Company are encouraged to communicate directly with the members of the Board. Persons interested in communicating their concerns or issues to the independent directors may address correspondence to a particular director, or to the independent directors generally in care of the Chief Executive Officer and Chairman of the Board, Mr. Haim Tsuff. If no particular director is named, letters will be forwarded, depending on the subject matter, to the Chairman of the Audit Committee. Company personnel will not screen or edit such communications and will forward them directly to the intended member of the Board.

BOARD'S ROLE IN RISK OVERSIGHT

Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, has the ultimate responsibility for the oversight of risk management. Senior officers attend meetings of the Board of Directors, provide presentations on operations, and are available to address any questions or concerns raised by the Board of Directors, its committees, or any individual director. Additionally, our Board committees are charged with assisting the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee coordinates the Board of Directors' oversight of the Company's internal control over financial reporting, disclosure controls and procedures and code of conduct. Management regularly reports to the Audit Committee on these areas.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other of the Company's filings under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent the Company specifically incorporate this report by reference.

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended December 31, 2009. These financial statements include the consolidated balance sheets of the Company as of December 31, 2008 and 2007, and the related consolidated statements of operations, stockholders' equity and cash flows for each of the three years in the period ended December 31, 2009 and the notes thereto.

REVIEW WITH MANAGEMENT. The Audit Committee has reviewed and discussed the Company's audited financial statements with management.

REVIEW AND DISCUSSIONS WITH INDEPENDENT ACCOUNTANTS. The Audit Committee has discussed with M&B, the Company's independent accountants, the matters required to be discussed by SAS 61 (Codification of Statements on Accounting Standards) that includes, among other items, matters related to the conduct of the audit of the Company's financial statements. The Audit Committee has also received disclosures and the letter from Mann required by Independence Standards Board Standard No. 1 (that relates to the accountant's independence from the Company and its related entities) and has discussed with the auditors its independence from the Company.
