Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing
On April 3, 2017, the NYSE MKT LLC (the "NYSE" or the "Exchange") notified India Globalization Capital, Inc. ("IGC") that the Company is not in compliance with one of the Exchange's continued listing standards. Section 704 of the Exchange's Company Guide requires that a meeting of stockholders be held each year, and NYSE MKT has notified the Company that it is below compliance for the fiscal ended March 31, 2016 because it did not hold the required annual meeting.

As a result, the Company has become subject to the procedures and requirements of Section 1009 of the Company Guide. To maintain its NYSE listing, the Company must submit a plan to the Exchange by April 10, 2017, advising the Exchange of specific actions and milestones for the Company to regain compliance with Section 704 of the Company Guide by holding an annual meeting of stockholders as promptly as possible after the filing of Form 10-K for fiscal ended March 31, 2017, which is due by June 30, 2017. Management expects that the plan when executed will bring IGC into compliance.

The Notice has no immediate impact on the listing of the Company's common stock, which will continue to be listed and traded on the NYSE during the applicable cure period, but will be assigned a ".BC" indicator by the NYSE to indicate that the Company is below compliance. The ".BC" indicator will be removed at such time as the Company is deemed compliant with the NYSE's continued listing standards.

A copy of the press release issued by the Company on April 4, 2017, regarding the notice from the NYSE is filed as Exhibit 99.1 to this Form 8-K. and is incorporated by reference into this Item 3.01 in its entirety.
