SECTION 1 – REGISTRANT’S BUSINESS AND OPERATIONS

Item 1.01 Entry into a Material Definitive Agreement

On January 11, 2018, XsunX, Inc. (the "Company") issued a 10% unsecured convertible promissory note (the "Note"), and entered into a Securities Purchase Agreement (the "Purchase Agreement") with an accredited investor (the "Lender") in the principal amount of \$52,000 (the "Note") which transactions closed upon the advanced of the principal amount on January 16, 2018. The Note matures on October 20, 2018. The Company has the right to redeem a portion or all amounts outstanding under the Note prior to one hundred and eighty-one days from issuance of the Note under a variable redemption rate premium. After one hundred and eighty days the holder may convert into shares of common stock at a conversion price to be 65% of the average of the two lowest dollar volume weighted average price ("VWAP") occurring during the fifteen trading days preceding any conversion date by Holder. Upon closing of the transaction, the Company agreed to allow the Investor to retain \$2,000 of the advanced sum for Lenders legal expenses.

The Lender agreed that so long as the Note remains outstanding, the Lender, and the Lenders affiliates, will not enter into or effect "short sales" transactions of the common stock which would established a short position with respect to the common shares of the Company.

The foregoing is qualified in its entirety by the form of Note attached as Exhibit 10.1, and the Securities Purchase Agreement attached as Exhibit 10.2, which are incorporated herein by reference.

The securities above were offered and sold pursuant to an exemption from the registration requirements under Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act") and Rule 506 of Regulation D promulgated thereunder since, among other things, the transactions did not involve a public offering and the securities were acquired for investment purposes only and not with a view to or for sale in connection with any distribution thereof.

The securities above were offered and sold pursuant to an exemption from the registration requirements under Section 4(a) 2 of the Securities Act since, among other things, the transactions did not involve a public offering.

On January 17, 2018, the Company issued a Press Release (the "Press Release") announcing the expansion of its direct marketing efforts to include the targeting of cannabis operations in the state of California for the sale of its solar and energy storage solutions. The Company is responding to the passage of California's Prop. 64 which legalizes recreational use of cannabis, and the anticipation that new cannabis operations will start plugging into the power grid and may require solar power and energy storage solutions to control energy costs.
