(b) Pro forma financial information.

The following unaudited pro forma condensed consolidated financial statements of the Company consist of the Company's consolidated statements of operations for the year ended December 31, 2003 (as revised to reflect its Payment Solutions division as a discontinued operation) and for the three months ended March 31, 2004 and consolidated balance sheet as of March 31, 2004, to give effect to the acquisition of Switchboard by the Company (collectively, the Unaudited Pro Forma Condensed Consolidated Financial Statements). The unaudited pro forma condensed consolidated statements of operations are presented as if the acquisition of Switchboard by the Company occurred on January 1, 2003 and the unaudited pro forma condensed consolidated balance sheet is presented as if the acquisition of Switchboard by the Company occurred on March 31, 2004. The Unaudited Pro Forma Condensed Consolidated Financial Statements are provided for informational purposes only and do not purport to reflect the results of operations that would have existed or occurred had such transaction taken place on the dates indicated, nor do they purport to reflect the financial condition or results of operations that will exist or occur in the future. The Unaudited Pro Forma Condensed Consolidated Financial Statements should be read in conjunction with the Company s and Switchboard s historical consolidated financial statements and the notes thereto, included in their respective Quarterly Reports on Form 10-Q for the three months ended March 31, 2004 and in their respective Annual Reports on Form 10-K for the year ended December 31, 2003.

The Unaudited Pro Forma Condensed Consolidated Financial Statements reflect the preliminary purchase price allocation based on the Company s best estimate of the fair value of the assets acquired and liabilities assumed. The preliminary purchase price allocation is subject to finalization of the valuation of intangible assets, other assets acquired and liabilities assumed. The Company does not anticipate the final purchase price allocation to be materially different.

#### NOTES TO UNAUDITED PRO FORMA CONDENSED CONSOLIDATED

#### FINANCIAL STATEMENTS

The accompanying Unaudited Pro Forma Condensed Consolidated Financial Statements consist of the historical statements of operations and balance sheet of InfoSpace, Inc. (the Company) and Switchboard, Incorporated (Switchboard) for the year ended December 31, 2003 and as of and for the three months ended March 31, 2004, with adjustments to reflect the acquisition of Switchboard by the Company, as described herein:

- 1. Represents the historical results of operations and financial position of the Company derived from the Company s Consolidated Financial Statements as previously reported in its Annual Report on Form 10-K for the year ended December 31, 2003, as revised to reflect its Payment Solutions business as a discontinued operation, and its Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2004.
- 2. Represents the historical operating results and financial position of Switchboard derived from Switchboard s Consolidated Financial Statements as previously reported in its Annual Report on Form 10-K for the year ended December 31, 2003, and its Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2004.
- 3. These adjustments are to conform the presentation of Switchboard s statements of operation in a manner consistent with the Company s presentation. Switchboard has historically allocated certain common costs, such as occupancy, depreciation, information technology and other corporate expenses amongst the various categories presented in the statement of operations, and have included certain costs in categories that were not consistent with the Company s presentation; such as content expense, bandwidth and hosting expense, bad debt expense, and miscellaneous taxes. These adjustments did not impact Switchboard s previously reported net income (loss).

4. The Company acquired all of the outstanding stock of Switchboard in exchange for cash of \$159.4 million, plus estimated transaction fees of \$5.6 million, for an aggregate purchase price of \$165.0 million. The purchase price has been allocated on a preliminary basis to the identifiable tangible and intangible assets acquired and liabilities assumed. The identifiable tangible assets and liabilities assumed are based on their estimated fair values at March 31, 2004, as follows (amounts in thousands):

	(in thousands)
Tangible assets acquired	\$ 60,204
Liabilities assumed	(3,700)
Net book value of net assets acquired	56,504
Fair value adjustments:	
Trademark and trade name	15,400
Contractual relationships	5,600
Developed core technology	1,600
Merchant listings	325
Fair value of net assets acquired	\$ 79,429
Purchase price:	
Cash	\$ 159,393
Acquisition costs	5,632
Deferred tax liability	5,390
Less fair value of net assets acquired	(79,429)
Excess of purchase price over net assets acquired, allocated to goodwill	\$ 90,986

The tangible assets acquired and liabilities assumed were recorded at their fair values, which approximated their carrying amounts at the acquisition date. The expected life of the core technology is assumed to be three years, after which substantial modifications and enhancements would be required for the technology to remain competitive. The expected life of the customer contracts and merchant listings is assumed to range between one and three years, which is consistent with the expected cash flows from the contracts and merchant listings. The pro forma adjustments represent the amortization of the intangible assets over their respective useful lives. The purchase price in excess of the fair values of the net assets acquired and the identifiable intangible assets was allocated to goodwill. Goodwill and trademarks are considered intangible assets with indefinite lives and, in accordance with Statement of Financial Accounting Standards No. 142, *Goodwill and Other Intangible Assets*, no amortization will be recorded. Goodwill and trademarks will be tested for impairment at least annually, with the Company s other indefinite lived assets.

5. In 2004, the Company revised the presentation of its Consolidated Statements of Operations to eliminate the caption Cost of Revenues, and separately present Content and Distribution costs, Systems and Network Operations costs and Depreciation expense. Content and Distribution costs were previously included in Cost of Revenues and Sales and Marketing expense. Certain reclassifications have been made to the accounts for all periods reported herein to conform to the current presentation. The reclassifications did not impact previously reported revenues, total operating expenses, operating income or net income or loss.
