(a) - (g), (j) Pursuant to the Agreement and Plan of Merger, dated as of March 18, 2005 (the Merger Agreement) among Siemens Medical, Purchaser and the Issuer, Purchaser will commence an offer (the Offer) to purchase all of the Shares that are issued and outstanding for \$20.50 per share, net to the seller in cash, without interest, upon the terms and conditions to be set forth in Purchaser's Offer to Purchase. The Merger Agreement provides, among other things, that as soon as practicable after the satisfaction or, if permitted under the Merger Agreement, waiver of the other conditions set forth in the Merger Agreement and in accordance with the relevant provisions of the General Corporation Law of the State of Delaware (Delaware Law), Purchaser will be merged with and into the Company (the Merger). As a result of the Merger, the Company will continue as the surviving corporation (the Surviving Corporation) and will become a wholly owned subsidiary of Siemens Medical. At the effective time of the Merger (the Effective Time), each Share issued and outstanding immediately prior to the Effective Time (other than any Shares held in the treasury of the Company, Shares owned by Purchaser, Siemens Medical or any direct or indirect subsidiary of Siemens Medical and Shares which are held by stockholders who shall have not voted in favor of the Merger or consented thereto in writing and who shall have demanded and perfected appraisal rights for such Shares in accordance with Delaware Law (Dissenting Stockholders)) shall be canceled and converted into the right to receive \$20.50 in cash, or any higher price that may be paid per Share in the Offer, without interest. Shares held in the treasury of the Company and Shares owned by Purchaser, Siemens Medical or any direct or indirect subsidiary of Siemens Medical (except for Shares held by CTI PET Systems, Inc., a joint venture between Siemens Medical and the Company (CPS) which shall be converted into shares of the Surviving Corporation), immediately prior to the Effective Time shall be canceled without conversion. Shares held by Dissenting Stockholders shall be converted into, in connection with the Merger, the right to receive cash for the fair value of the Shares as determined to be due in accordance with the procedures prescribed by Delaware Law.

The Merger Agreement provides that, promptly upon the purchase by Purchaser of Shares pursuant to the Offer, Purchaser shall be entitled to designate up to such number of directors (including Wolf-Ekkhard Blanz, Ph.D., as one of the directors designated by Purchaser), rounded up to the next whole number, on the Board of Directors of the Company (the Company Board) as shall give Purchaser representation on the Company Board equal to the product of the total number of directors on the Company Board multiplied by the percentage that the aggregate number of Shares beneficially owned by Purchaser or any affiliate of Purchaser following such purchase bears to the total number of Shares then outstanding. Douglass, Ronald Nutt, Ph.D., Earleene Nutt, Grantor Retained Annuity Trust for Ronald Nutt, RN Investments, LLC, Ron & Earleene Nutt Irrevocable Trust, Randii Nichole Goble Present Interest Trust, Ronald James Goble Present Interest Trust, Zoe Eve Nutt Present Interest Trust, Richard Alexander Roble Present Interest Trust, Randall Carter Nutt Present Interest Trust, Robert Daniel Nutt Present Interest Trust, John Brooks Nutt Present Interest Trust, Robert E. Nutt, Robert E. Nutt Irrevocable Trust, Michael E. Phelps and Patricia E. Phelps (the Stockholders) entered into Stockholders Support Agreements, dated as of March 18, 2005 (the Stockholders Support Agreements), pursuant to which the Stockholders have agreed, among other things, (i) to validly tender (and not withdraw) their Shares in the Offer and (ii) to vote their Shares in favor of the Merger, if applicable. (h) and (i) Siemens Medical intends to cause the delisting of the Shares by Nasdaq as soon as possible after consummation of the Offer. Purchaser currently intends to seek to cause the Company to terminate the registration of the shares under the Securities Exchange Act of 1934, as amended, (the Exchange Act) as soon after consummation of the Offer as the requirements for termination are met. Such termination will substantially reduce the information required to be furnished by the Company to holders of shares and to the Securities and Exchange Commission under the Exchange Act.

References to and descriptions of the Merger Agreement and the Stockholders Support Agreements as set forth in this Item 4 are qualified in their entirety by reference to the Merger Agreement and the Stockholders Support Agreements, which are attached as exhibits to this Statement and incorporated by reference in this Item 4.

Item 5. Interest in Securities of the Issuer.

(a) - (b) As of the date hereof, Siemens Medical directly owns 894,906 Shares. Siemens AG, by virtue of its ownership and control of Siemens Medical, is deemed to beneficially own the 894,906 Shares directly owned by Siemens Medical. In addition, for purposes of Rule 13d-3

under the Exchange Act, as a result of entering into the Stockholders Support Agreements, the Reporting Persons may be deemed to possess shared power to vote, or direct the vote of, and shared power to dispose of, or direct the disposition of, 13,111,135 Shares (including 375,781 Shares issuable to the Stockholders upon the exercise of stock options and equity awards within 60 days from the date hereof) representing approximately 27.1% of the outstanding Shares with respect to Purchaser and, along with the Shares owned directly by Siemens Medical, 29.0% of the outstanding Shares with respect to each of Siemens AG and Siemens Medical (based upon the number of outstanding Shares set forth in the Merger Agreement).

The Reporting Persons expressly disclaim beneficial ownership of any and all Shares which are subject to the Stockholders Agreements, and nothing herein shall be deemed an admission by any Reporting Person as to the beneficial ownership of such shares.

(c) - (d) Except as described herein, neither the Reporting Persons nor, to the best of their knowledge, any of the persons listed in Schedule A attached hereto, has acquired or disposed of any Shares during the past 60 days. Furthermore, the Reporting Person does not know of any other person with the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities covered by this Statement.

(e) Not applicable.

References to and descriptions of the Stockholders Support Agreements as set forth in this Item 5 are qualified in their entirety by reference to the Stockholders Support Agreements, which are attached as exhibits to this Statement and incorporated by reference in this Item 5.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The responses to Items 3, 4 and 5 are incorporated herein by reference.

In 1987, Siemens Medical entered into a joint venture with the Company pursuant to which Siemens Medical acquired 49.9% of the outstanding capital stock of CPS. The cash consideration paid by Siemens Medical for its 49.9% interest was paid directly to the individual shareholders of CPS. The amount of the consideration, and the determination of the ownership percentage acquired by Siemens Medical was negotiated at arm's length between Siemens Medical and the shareholders of CPS.

The joint venture agreement contains, among other things, a put/call provision pursuant to which Siemens Medical has the right to acquire from the Company for cash up to that number of shares of CPS common stock necessary to bring Siemens' aggregate ownership interest in CPS to 80%. This call right becomes exercisable upon CPS selling, during the year preceding the exercise, in excess of the cumulative total number of units specified in the Siemens minima plus 20% plan attached to the joint venture agreement which provides for increases in the cumulative total number of units sold by CPS by 74 units each year. As of September 30, 2004, the cumulative total number of units sold by CPS was 852 and CPS would need to have sold a cumulative total of 1,055 units to achieve the required cumulative sales level for the put/call right to be exercisable by either party.

Upon the exercise of either the put or the call, the joint venture provides that the parties will attempt to negotiate the prices to be paid for the CPS shares. In the event the parties are unable to agree on price within 60 days, the price will be determined through an appraisal process with each party obtaining a valuation of the CPS shares by an independent professional experienced in the valuation of closely held corporations similar to CPS. If the valuations that are obtained are within 20% of each other, the price to be paid for the CPS shares will be the average of the two valuations. If the difference between the valuations is more than 20%, the two appraisers will select another independent appraiser to provide a third valuation. In this case, the price to be paid for the CPS shares will be the average of the two valuations that are closest to each other.

If the put/call right is exercised and Siemens Medical's aggregate ownership interest in CPS increases to 80%, Siemens Medical will then be able to effect a merger of CPS with another Siemens-controlled entity and acquire the remaining 20% from the Company. Siemens Medical will only be required to pay the Company either a negotiated price for the remaining 20% or, if the Company and Siemens Medical are unable to agree, the fair value of the shares as determined in accordance with applicable provisions of the Tennessee Business Corporation Act, as amended.

The joint venture does not provide for any mandatory dividends or distributions by CPS to the Company or to Siemens Medical. Since the formation of the joint venture, CPS has not paid any dividends or made any distributions on its capital stock. Payment of future dividends or distributions, if any, on the capital stock of CPS would be at the discretion of the CPS board of directors. CPS is the beneficial owner of 640,000 Shares.

The foregoing summary of the terms of the joint venture agreement is qualified in its entirety by reference to the full text of the Stock Purchase, Reorganization and Joint Venture Agreement, dated as of December 10, 1987, and amended March 31, 1995, June 30, 1997, April 2001 and March 20, 2002 by and among CTI Group, Inc., CTI PET Systems, Inc., Dr. Terry D. Douglass, Dr. Ronald Nutt, Michael C. Crabtree, J. Kelly Milam and Siemens Gammasonics, Inc., a copy of which is attached as Exhibit 7 to this Statement and is incorporated herein by reference.

Except as described above or elsewhere in this Statement or incorporated by reference in this Statement, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among any of the Reporting Persons or between any of the Reporting Persons and any other person or, to the best of the Reporting Persons' knowledge, among any of the persons named in Schedule A or between any such persons and any other person, with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.
