Item 1.01. Entry into a Material Definitive Agreement.

On April 7, 2005, Coca-Cola Bottling Co. Consolidated (the Company) entered into a new unsecured \$100 million, five-year revolving credit agreement (the Credit Agreement) with the banks named therein, as lenders, Citibank, N.A, as administrative agent, Citigroup Global Markets, Inc. and Wachovia Capital Markets LLC, as joint lead arrangers, and Wachovia Bank, National Association, as syndication agent. The Credit Agreement is summarized in Item 2.03 of this report, which is incorporated by reference into this Item 1.01.

The administrative agent and certain of the parties to the Credit Agreement and certain of their respective affiliates have performed in the past, and may perform in the future, banking, investment banking and/or advisory services for the Company and its affiliates from time to time for which they have received customary fees and expenses.

A copy of the Credit Agreement is filed as Exhibit 10.1 to this report and is incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

On April 7, 2005, simultaneously with entering into the Credit Agreement, the Company terminated its existing unsecured \$125 million, three-year revolving credit agreement, dated as of December 20, 2002 (the Existing Credit Agreement), among the Company, as borrower, the banks named therein, as lenders, Citibank, N.A., as administrative agent, Salomon Smith Barney Inc. and Wachovia Securities, Inc., as joint lead arrangers, and Wachovia Bank, National Association, as syndication agent. The Existing Credit Agreement was scheduled to expire on December 20, 2005. The Company incurred no early termination penalties in connection with the termination.

The administrative agent and certain of the parties to the Existing Credit Agreement and certain of their respective affiliates have performed in the past, and may perform in the future, banking, investment banking and/or advisory services for the Company and its affiliates from time to time for which they have received customary fees and expenses.

The Existing Credit Agreement and a related agreement were filed as Exhibit 4.11 to the Company's Annual Report on Form 10-K for the fiscal year ended December 29, 2002 and Exhibit 4.1 to the Company's Quarterly Report on Form 10-Q for the quarter ended September 28, 2003, respectively, and are incorporated herein by reference. The foregoing summary of the Existing Credit Agreement is qualified in its entirety by reference to the full texts of the Existing Credit Agreement and related agreement.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The Credit Agreement provides for unsecured revolving loans up to a maximum aggregate amount outstanding of \$100 million. The Company can seek to increase the lenders' aggregate commitments to a maximum of \$150 million, subject to certain conditions. The Credit Agreement expires on April 7, 2010, subject to the Company's right to request a one-year extension, at which time all outstanding amounts under the Credit Agreement will be due and payable.

Borrowings under the Credit Agreement will bear interest at a rate dependent on the Company's credit ratings at the time of such borrowings and, at the Company's option, calculated according to a base rate or a Eurodollar rate, as the case may be, plus an applicable margin. The applicable margin for a base rate borrowing is 0%. Depending on the Company's credit ratings at the time of borrowing, the applicable margin on a Eurodollar borrowing can range from 0.240% to 0.625%. At the Company's current credit ratings, the applicable margin would be 0.375% for a Eurodollar borrowing.

The Company will also be required to pay a utilization fee when outstanding advances exceed 50% of the total commitments. The utilization fee rate can range from 0.100% to 0.375% per annum depending on the Company's credit ratings. The utilization fee rate would currently be 0.125% per annum. In addition, the Company must pay facility fees on the lenders' aggregate commitments under the Credit Agreement ranging from 0.085% to 0.250% per annum, depending on the Company's credit ratings. At the Company's current credit ratings, the facility commitment fee rate is 0.125%.

The Credit Agreement contains customary representations, warranties and covenants for a transaction of this type, including two financial covenants. The Company's consolidated cash flow to fixed charges ratio, as defined in the Credit Agreement and determined as of the last day of each fiscal quarter, must not be less than 1.5 to 1. In addition, the Company's consolidated funded indebtedness to cash flow ratio, as defined in the Credit Agreement and determined as of the last day of each fiscal quarter, must not exceed 6.0 to 1.

The Credit Agreement also contains customary events of default, including a cross default provision and a change of control provision. In the event of a default, the administrative agent may, with the consent of the requisite number of lenders, or will, at the request of the requisite number of lenders, declare the obligations under the Credit Agreement immediately due and payable. For certain events of default relating to insolvency and receivership, the commitments of the lenders are automatically terminated and all outstanding obligations become due and payable.

As of the date hereof, there are no loans outstanding under the Credit Agreement. The foregoing summary of the Credit Agreement is not complete and is qualified in its entirety by reference to the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this report and is incorporated herein by reference.
