In addition, the second amended and restated commitment letter allocates among the parties various administrative roles in connection with the facilities. The terms of the second amended and restated commitment letter are otherwise substantially identical to the terms of the prior commitment letter with Citigroup. This summary of the second amended and restated commitment letter is qualified in its entirety by reference to the second amended and restated commitment letter filed as an exhibit to the Schedule TO filed with the SEC, which is incorporated by reference herein. Shareholders are urged to read the second amended and restated commitment letter in its entirety.

(12) Section 17 ( Legal Proceedings ) of the Offer to Purchase is hereby amended and supplemented by adding the following at the end of such section:

On November 28, 2005, counsel to the Indiana State District Council of Laborers and HOD Carriers Pension Fund (the Indiana Pension Fund ), demanded, pursuant to Georgia Business Corporation Code §14-2-742 relating to shareholder derivative proceedings, that Georgia-Pacific's board of directors investigate and bring legal action for remedial and all other appropriate relief against the directors and officers of Georgia-Pacific who, according to the Indiana Pension Fund, violated their fiduciary obligations owed to Georgia-Pacific, and in the interim demanded that the Georgia-Pacific board of directors, by no later than December 1, 2005, agree in writing to suspend the proposed Offer and Merger until after an independent investigation into the fairness of the proposed transactions contemplated by the Merger Agreement as to Georgia-Pacific and its shareholders has been completed. The demand alleges, among other things, that Georgia-Pacific's directors and officers breached their fiduciary duties and engaged in self-dealing in connection with the proposed transactions contemplated by the Merger Agreement. Georgia-Pacific has indicated that the Georgia-Pacific board of directors is reserving its right to investigate the demand consistent with applicable law and that it

has reserved all other rights and defenses under Georgia law.

Amendments to the Letter of Transmittal

Notwithstanding the terms of the Letter of Transmittal, the Letter of Transmittal and Items 1 through 11 of the Statement, to the extent such Items incorporate by reference the information contained in the Letter of Transmittal, are hereby amended and supplemented as follows:

(1) The Letter of Transmittal is hereby amended by deleting the first full paragraph on page 5 of the Letter of Transmittal and replacing it with the following:

The Purchaser's acceptance for payment of Shares validly tendered according to any of the procedures described in the Offer to Purchase and in the Instructions hereto will constitute a binding agreement between the undersigned and the Purchaser upon the terms and subject to the conditions of the Offer (and if the Offer is extended or amended, the terms and conditions of such extension or amendment). Without limiting the foregoing, if the price to be paid in the Offer is amended in accordance with the Merger Agreement (as defined in the Offer to Purchase), the price to be paid to the undersigned will be the amended price despite the fact that a different price is stated in this Letter of Transmittal. Under certain circumstances set forth in the Offer to Purchase, the Purchaser may not be required to accept for payment any of the Shares tendered hereby. All questions as to validity, form and eligibility of any tender of Shares hereby will be determined by the Purchaser (which may delegate power in whole or in part to the Depositary) and such determination shall be final and binding.

(2) The Letter of Transmittal is hereby amended by deleting the second full paragraph on page 5 of the Letter of Transmittal and replacing it with the following:

The Purchaser reserves the right to assign to Koch Industries and/or one or more wholly-owned subsidiaries of Koch Industries any of its rights under the Merger Agreement, including the right to purchase Shares tendered in the Offer, but any such transfer or assignment will not relieve the Purchaser of its obligations under the Offer and will in no way prejudice the undersigned's rights to receive payment for Shares validly tendered and accepted for payment in the Offer.

(3) The Letter of Transmittal is hereby amended by deleting the last sentence in the third full paragraph on page 5 of the Letter of Transmittal and replacing it with the following:

The Purchaser has no obligation under the Special Payment Instructions to transfer any Shares from the name of the registered holder thereof if the Purchaser does not accept for payment any of the Shares so tendered.
