PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
OF
NEWMARKET CORPORATION

Approximate date of mailing March 28, 2006

Date, Time and Place of Annual Meeting

The annual meeting of shareholders of NewMarket Corporation is scheduled to be held as follows:

Date: Thursday, April 27, 2006
Time: 11:00 a.m., Eastern Daylight Time
Place: Virginia Historical Society
428 N. Boulevard
Richmond, Virginia

Proposals to be Considered at the Annual Meeting

At the annual meeting, you will be asked to consider and vote on the following proposals:

to elect seven directors;

to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006; and

to transact such other business as may properly come before the annual meeting.

In the event that a quorum is not present at the annual meeting, you may also be asked to vote upon a proposal to adjourn or postpone the annual meeting to solicit additional proxies.

Record Date

Our board of directors has fixed the close of business on March 1, 2006 as the record date for the annual meeting and only holders of record of NewMarket common stock on the record date are entitled to vote at the annual meeting. On the record date, there were outstanding 17,112,559 shares of NewMarket common stock.

Voting Rights and Quorum

Each share of NewMarket common stock is entitled to one vote. The presence in person or representation by proxy of holders of a majority of the shares of NewMarket common stock issued and outstanding as of the close of business on March 1, 2006 will constitute a quorum at the annual meeting. If a share is represented for any purpose at the meeting, it is deemed to be present for the transaction of all business. Abstentions, withheld votes and shares held of record by a broker or its nominee that are voted on any matter are included in determining the

Edgar Filing: NEWMARKET CORP - Form DEF 14A

number of votes present. Broker shares that are not voted on any matter at the meeting will not be included in determining whether a quorum is present. In the event that a quorum is not present at the annual meeting, it is expected that the annual meeting will be adjourned or postponed to solicit additional proxies.

Vote Required

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of NewMarket common stock voted in the election of directors. Withheld votes will have no effect in the election of nominees for directors.

The appointment of PricewaterhouseCoopers LLP will be ratified if the votes cast in favor of ratification exceed the number of votes cast against ratification. Abstentions will have no effect on the proposal to ratify the appointment of PricewaterhouseCoopers LLP. If you hold your shares of NewMarket common stock in street name through a brokerage account, your broker may or may not vote your shares in its discretion depending on the proposals before the meeting in the absence of your voting instructions. Under the rules of the New York Stock Exchange, your broker may vote your shares in its discretion on routine matters. We believe that the election of directors and the ratification of the appointment of our independent registered public accounting firm are routine matters on which brokers will be permitted to vote on behalf of their clients if no voting instructions are furnished.

Voting and Revocation of Proxies

After carefully reading and considering the information contained in this proxy statement, you should complete, date and sign your proxy card and mail it in the enclosed return envelope as soon as possible so that your shares are represented at the annual meeting. You can also vote in person at the meeting, but we encourage you to submit your proxy now in any event. Unless you specify to the contrary on your proxy card, all of your shares represented by valid proxies will be voted **FOR** all director nominees and **FOR** the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm and in the discretion of the proxy holders on any other matters that properly come before the annual meeting or any adjournments or postponements of the annual meeting.

The persons you name as proxies may propose and vote for one or more adjournments or postponements of the annual meeting, including adjournments or postponements to permit further solicitations of proxies.

Until exercised at the annual meeting, you can revoke your proxy and change your vote in any of the following ways:

by delivering written notification to NewMarket at its principal executive offices at 330 South Fourth Street, Richmond, Virginia 23219, Attention: Corporate Secretary;

by delivering a proxy of a later date by mail in the manner described in this proxy statement;

by attending the annual meeting and voting in person (your attendance at the meeting will not, by itself, revoke your proxy; you must vote in person at the meeting); or

if you have instructed a broker or bank to vote your shares, by following the directions received from your broker or bank to change those instructions.

Solicitation of Proxies

The accompanying proxy is being solicited by our board of directors, and we will pay for the entire cost of the solicitation. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding the solicitation material to the beneficial owners of NewMarket common stock held of record by those persons, and we may reimburse them for reasonable transaction and clerical expenses. In addition to the use of the mail, proxies may be solicited personally or by telephone, facsimile or other means of communication by our officers and regular employees. These people will receive no additional compensation for these services, but will be reimbursed for any expenses incurred by them in connection with these services. We have engaged The

Altman Group, Inc., a proxy solicitation firm, to assist in the solicitation of proxies. We will pay that firm \$5,500 for its services and reimburse its out-of-pocket expenses for such items as mailing, copying, phone calls, faxes and other related matters, and will indemnify The Altman Group, Inc. against any losses arising out of that firm's proxy soliciting services on our behalf.

Board of Directors

Our company is managed under the direction of our board of directors, which has adopted Corporate Governance Guidelines to set forth certain corporate governance practices. The Corporate Governance Guidelines are available on our Internet website at <http://www.newmarket.com> under Investor Relations, Corporate Governance.

Independence of Directors

Upon the recommendation of our nominating and corporate governance committee, our board of directors has affirmatively determined that each of the following directors is independent under the general listing standards of the New York Stock Exchange, the exchange on which shares of NewMarket common stock are listed, and our Corporate Governance Guidelines: Messrs. Hanley, Rogers, Scott and Walker, and Ms. Cothran. Our board has adopted categorical standards, as part of our Corporate Governance Guidelines, to assist it in making determinations of independence. Each of the directors identified as independent in this proxy statement meets these standards. A copy of these standards is attached as *Annex A* to this proxy statement.

Board Meetings

Our board of directors meets on a regularly scheduled basis during the year to review significant developments affecting our company and to act on matters requiring board approval, and may hold special meetings between scheduled meetings when appropriate. During 2005, our board held six meetings. During 2005, each of the directors attended at least 92% of the aggregate of (1) the total number of meetings of all committees of our board on which the director then served and (2) the total number of meetings of our board of directors.

Meetings of Non-Management Directors; Presiding Director

Our Corporate Governance Guidelines require that the non-management members of our board of directors meet in executive session at each regularly scheduled board meeting. Our board of directors has determined that a presiding director should chair all meetings of non-management directors, as provided in our Corporate Governance Guidelines. The presiding director position will rotate among the chairs of each of the independent board committees in the following order: bonus, salary and stock option committee, audit committee, and nominating and corporate governance committee. During those meetings, the presiding director has the responsibilities to lead the meeting, set the agenda and determine the information to be provided to the other non-management directors at the meeting. Shareholders and other interested persons may contact any of the non-management directors through the method described in *Communications with Our Board* below. Our Corporate Governance Guidelines also require that the independent members of our board of directors meet in executive session at each regularly scheduled board meeting.

Director Attendance at Annual Meeting

Our policy is that directors attend the annual meeting of shareholders each year. Except for Mr. James Rogers, all directors, who were directors on the date of last year's annual meeting of shareholders, attended last year's annual meeting of shareholders.

Communications with Our Board

Our board of directors unanimously has approved a process for shareholders to send communications to the board and individual directors. Shareholders and other interested persons may communicate with the full board of directors, a specified committee of our board, the non-management directors or a specified individual member of our board in writing by mail c/o NewMarket Corporation, 330 South Fourth Street, Richmond, Virginia 23219, Attention: Chief Legal Officer. All communications will be forwarded to our board of directors, the specified committee of our board or the specified individual director, as appropriate. We screen all regular mail for security purposes.

Committees of Our Board

Our board of directors has established various committees to assist it with the performance of its responsibilities. These committees and their current members are described below.

Executive Committee

The executive committee currently consists of Messrs. Bruce C. Gottwald, Thomas E. Gottwald and Scott. During 2005, the executive committee did not meet. The executive committee exercises all of the services of our board of directors in the management of the ordinary business of our company when our board of directors is not in session.

Audit Committee

Messrs. Walker (Chairman), Hanley and Scott and Ms. Cothran currently serve on the audit committee. The audit committee operates under a written charter adopted by our board of directors, which is available on our Internet website at <http://www.newmarket.com> under Investor Relations, Corporate Governance. During 2005, the audit committee met on six occasions. The primary function of the audit committee is to assist our board of directors in discharging its oversight responsibilities relating to our accounting, reporting, including our internal control over financial reporting, and financial practices by monitoring (1) these practices, generally, (2) the integrity of the financial statements and other financial information provided by us to any governmental body or the public, (3) our compliance with legal and regulatory requirements, (4) our independent registered public accounting firm's qualifications and independence, and (5) the performance of our independent registered public accounting firm and internal audit function. The audit committee, among other things, approves the engagement of our independent registered public accounting firm, subject to shareholder ratification. For a further description of the audit committee's specific responsibilities, see the audit committee's charter. Upon the recommendation of our nominating and corporate governance committee, our board of directors has determined that each of the members of the audit committee is independent, as that term is defined under the enhanced independence standards for audit committee members in the Securities Exchange Act of 1934 and the rules thereunder, as incorporated into the listing standards of the New York Stock Exchange, and in accordance with our audit committee charter. Our board of directors has also determined that each of Ms. Cothran, Mr. Hanley and Mr. Walker is an audit committee financial expert, as that term is defined in the rules promulgated by the Securities and Exchange Commission under the Sarbanes-Oxley Act of 2002. Our board has further determined that each of the members of the audit committee is financially literate and that each of the members of the audit committee has accounting or related financial management expertise, as such terms are interpreted by our board in its business judgment.

Bonus, Salary and Stock Option Committee

Messrs. Rogers (Chairman), Hanley and Walker and Ms. Cothran currently serve on the bonus, salary and stock option committee. The bonus, salary and stock option committee operates under a written charter adopted by our board of directors, which is available on our Internet website at <http://www.newmarket.com> under Investor Relations, Corporate Governance. Our board of directors has determined that each of the members of the bonus, salary and stock option committee is independent under the general independence standards of the listing standards of the New York Stock Exchange and our Corporate Governance Guidelines. During 2005, the bonus, salary and stock option committee met on five occasions. This committee approves the compensation of management-level employees and, together with all of our independent directors, approves the compensation of our chief executive officer. It also approves all bonus awards, certain consultant agreements and initial salaries of new management-level personnel and grants awards under the 2004 Incentive Plan (as defined below). For a discussion of the objectives and philosophy of our executive compensation program, see the Bonus, Salary and Stock Option Committee Report on Executive Compensation beginning on page 14.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee currently consists of Messrs. Scott (Chairman), Hanley and Rogers and Ms. Cothran. The nominating and corporate governance committee operates under a written charter adopted by the board of directors, which is available on our Internet website at <http://www.newmarket.com> under Investor Relations, Corporate Governance. Our board of directors has determined that each of the members of the nominating and corporate governance committee is independent under the general independence standards of the listing standards of the New York Stock Exchange and our Corporate Governance Guidelines. The nominating and corporate governance committee met on two occasions during 2005. This committee develops and recommends to our board of directors appropriate corporate governance guidelines and policies, monitors and evaluates the implementation of such guidelines and policies, identifies individuals qualified to act as directors and recommends director candidates to our board for nomination by our board.

Nominating and Corporate Governance Committee Process for Identifying and Evaluating Director Candidates. The nominating and corporate governance committee evaluates all director candidates in accordance with the director qualification standards described in our Corporate Governance Guidelines. The nominating and corporate governance committee evaluates any candidate's qualifications to serve as a member of our board based on the skills and experience of individual board members as well as the skills and experience of our board as a whole. In addition, the nominating and corporate governance committee will evaluate a candidate's independence, skills and experience in the context of our board's needs.

Director Candidate Recommendations and Nominations by Shareholders. The nominating and corporate governance committee's charter provides that the nominating and corporate governance committee will consider director candidate recommendations by shareholders. Shareholders should submit any such recommendations for the nominating and corporate governance committee through the method described under Communications with Our Board above. In addition, in accordance with our amended bylaws, any shareholder entitled to vote for the election of directors may nominate persons for election to our board of directors so long as such shareholder complies with the procedures set forth in our amended bylaws and summarized in Shareholder Proposals beginning on page 20. There are no differences in the manner in which the committee evaluates director candidates based on whether the candidate is recommended by a shareholder. The nominating and corporate governance committee did not receive any recommendations from any shareholders in connection with the annual meeting.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, which is available on our Internet website at <http://www.newmarket.com> under Investor Relations, Corporate Governance, that outlines the principles, policies and laws that are intended to guide our directors, officers, and employees (including our principal executive officer, principal financial officer and principal accounting officer). We maintain several methods for the reporting of violations of our Code of Business Conduct and Ethics or other concerns, including a toll-free hotline. We prohibit retaliation of any kind against employees for good faith reports of ethical violations.

We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K relating to amendments to or waivers from any provision of our Code of Business Conduct and Ethics applicable to the principal executive officer, principal financial officer and principal accounting officer by posting this information on our Internet website.

Availability of Corporate Governance Guidelines, Code of Business Conduct and Ethics and Committee Charters

Our Corporate Governance Guidelines, Code of Business Conduct and Ethics and the charters of the audit committee, bonus, salary and stock option committee, and nominating and corporate governance committee are available on our Internet website at <http://www.newmarket.com> under Investor Relations, Corporate Governance and in print to any shareholder upon request by contacting our corporate secretary as described in Certain Matters Relating to Proxy Materials and Annual Reports Electronic Access of Proxy Materials and Annual Reports beginning on page 22.

Compensation of Directors

During 2005, we paid each of our non-employee directors (a) \$1,500 for attendance at each board meeting and (b) \$1,500 for attendance at each meeting of a committee of the board of which he or she is a member. In addition, we paid each of our non-employee directors a quarterly fee of \$6,250. On April 26, 2005, our board of directors, upon the recommendation of the bonus, salary and stock option committee, approved, effective as of July 1, 2005, a \$30,000 quarterly fee to Mr. Bruce C. Gottwald for serving as Chairman of the Board of Directors and Chairman of the Executive Committee. This quarterly fee reflects the significant contributions that Mr. Gottwald has made and is expected to continue to make to NewMarket as Chairman of the Board and Chairman of the Executive Committee. We do not pay employee members of our board of directors separately for their service on our board or its committees.

Any director who was elected to our board on or before February 23, 1995 and who retires from our board after age 60 with at least five years service on our board will receive \$12,000 per year for life, payable in quarterly installments. The service requirement for this benefit may be waived under certain circumstances. Any director retiring under other circumstances will receive \$12,000 per year, payable in quarterly installments, commencing no earlier than age 60, for a period not to exceed his or her years of service on our board. The payment period limitation on this benefit may be waived in certain circumstances. Such retirement payments to former directors may be discontinued under certain circumstances. Messrs. Bruce C. Gottwald, Thomas E. Gottwald, Scott and Walker, and Ms. Cothran are eligible for this benefit upon their retirement after age 60.

Under the NewMarket Corporation Non-Employee Directors' Stock Acquisition Plan, which we refer to in this proxy statement as the Non-Employee Directors' Stock Plan, each non-employee director is awarded on each July 1 that number of whole shares of NewMarket common stock that, when multiplied by the closing price of NewMarket common stock on the immediately preceding business day, as reported in *The Wall Street Journal*, equal as nearly as possible but do not exceed \$5,000. The shares of NewMarket common stock awarded under the Non-Employee Directors' Stock Plan are nonforfeitable and the recipient directors immediately and fully vest in NewMarket common stock issued under the Non-Employee Directors' Stock Plan. Subject only to such limitations on transfer as may be specified by applicable securities laws, directors may sell their shares under the Non-Employee Directors' Stock Plan at any time. The Non-Employee Directors' Stock Plan provides that no awards may be made after July 1, 2011.

* Assumes attainment of age 65 in 2005 and Social Security Covered Compensation of \$48,696.

The benefit formula under the pension plans is based on the participant's final-average earnings, which are defined as the average of the highest three consecutive calendar years' earnings (base pay plus 50% of incentive bonuses paid in any fiscal year) during the 10 consecutive calendar years immediately preceding the date of determination. The years of pension benefit service for each of our named executive officers as of December 31, 2005, are: Thomas E. Gottwald, 14; C. S. Warren Huang, 26; David A. Fiorenza, 31; Steven M. Edmonds, 3; and Russell L. Gottwald, Jr., 14. Benefits under the pension plans are computed on the basis of a life annuity with 60 months guaranteed payments. The benefits listed in the above compensation table are not subject to deduction for Social Security. On December 31, 2000, we terminated our tax-qualified defined benefit plan for our salaried employees in the United States and implemented a new tax-qualified defined benefit plan with an identical formula on January 1, 2001. Benefits under the new plan are offset by benefits that were paid or payable under the old plan. For purposes of determining pension benefit service under the new plan, participants receive credit for years of pension benefit service earned under the old plan.

Excess Benefit Plans

We maintain excess benefit plans in the form of nonqualified pension plans that provide eligible individuals the difference between the benefits they actually accrue under our qualified employee pension and savings plans and the benefits they would have accrued under such plans but for the maximum benefit and annual addition limitations and the limitation on compensation that may be recognized thereunder under the Internal Revenue Code. All benefits under the excess plans vest upon a change in control of our company, as defined in the excess benefit plans. Participants in the excess benefit plans receive their benefits in the form elected under our qualified employee pension plans or under certain circumstances in a lump sum payment.

BONUS, SALARY AND STOCK OPTION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The bonus, salary and stock option committee of the board of directors, which performs the function of a compensation committee, consists of four directors, each of whom has been determined by the board of directors to satisfy the requirements for independence established under the general listing standards of the New York Stock Exchange and NewMarket's Corporate Governance Guidelines and are non-employee directors within the meaning of Rule 16b-3 of the Exchange Act and are outside directors within the meaning of Section 162(m) of the Internal Revenue Code. The committee's primary purpose and responsibility is to develop and oversee the implementation of NewMarket's philosophy with respect to the compensation of directors and executive officers, including the chief executive officer (the CEO), to oversee and advise the board on the adoption of policies that govern NewMarket's compensation programs and to produce the required report on executive compensation for inclusion in NewMarket's annual proxy statement. Accordingly, the committee submits this report on executive compensation to NewMarket shareholders.

Overall Objectives

The objectives of NewMarket's executive compensation program are to:

provide balanced, competitive total compensation that will enable the company to attract, motivate and retain highly qualified executives;

provide incentives for enhancing the profitability of the company by rewarding executives for meeting individual and corporate goals in a manner that is justified by the returns available to shareholders; and

align the financial interests of the executives closely to those of NewMarket shareholders by encouraging executive ownership of NewMarket common stock.

Elements of the Program

In 2005, with the assistance of a recognized independent consultant in the field of executive compensation, the committee made a comprehensive annual review of all aspects of NewMarket's executive compensation program. The committee believes the interests of the shareholders will be best served if the executive compensation program consists of cash compensation and equity ownership, with a significant portion of compensation depending upon individual and company performance. The program currently includes base salary, annual bonuses in cash or cash and stock, stock options, stock appreciation rights, stock awards and incentive awards. The committee may consider all elements of the program when setting appropriate compensation.

NewMarket seeks to maintain its executive compensation packages around the mid-range of those offered generally by the companies with which it competes for talent and experience, including some of the companies included in the Standard & Poors 1500 Specialty Chemical Index included in the performance graph on page 19.

For 2005, the committee considered in determining its executive compensation packages, NewMarket's achievements during 2005, including growth in the petroleum additives business and successful management of the contribution from the declining tetraethyl lead product line.

Executive Officer Compensation

Base Salaries

The committee determines base salaries for executive officers by reviewing NewMarket's past and current operating profits and individual contribution to NewMarket's success, market data for comparable positions and salary levels of NewMarket's peer group companies and alignment of salary and organization within the company. The committee considers each of the individual factors but does not assign a specific value to each factor, and a subjective element is acknowledged in evaluating each executive's contribution. In 2005, the committee increased the salaries of the named executive officers, other than the CEO, by an average of 3.8%. In so doing, the committee considered the factors described above under *Elements of the Program*.

Annual Bonuses

Effective January 1, 2003, NewMarket adopted a Management Bonus Plan. This plan is intended to provide incentive and reward to employees who contribute to the success of NewMarket and its affiliates by their invention, ability, industry or exceptional services by making those employees participants in that success. Each of NewMarket's key employees is eligible to participate in the plan and receive a cash bonus award based on rules established by the committee, which may include the satisfaction of certain criteria. The committee determines annual bonus awards in conjunction with senior management, based on evaluation of the performance, level of responsibility and leadership of the individual executive in relation to overall corporate results. Based on this and the criteria described above under *Elements of the Program*, the committee awarded annual cash bonuses to certain executive officers. See page 11.

Equity Compensation

Under the 2004 NewMarket Corporation Incentive Compensation and Stock Plan (the 2004 Incentive Plan), the committee may grant options to purchase shares of NewMarket common stock, stock appreciation rights, stock awards and incentive awards to any employee of NewMarket or an affiliate or a person who is a member of the board of directors or the board of directors of an affiliate if the committee, in its sole discretion, determines that such person has significantly contributed or can be expected to contribute significantly to the profits or growth of the company or its affiliates. In 2005, the committee did not grant any equity compensation to any of NewMarket's named executive officers.

CEO Compensation

In keeping with the objective of improving long-term performance and shareholder value, the CEO, who is also a major shareholder, strongly advocates pay for performance. The committee increased Mr. Gottwald's salary for 2005 by 4.0% and awarded Mr. Gottwald a bonus of \$300,000 for 2005. In deciding to increase Mr. Gottwald's salary and to award him a bonus, the committee considered NewMarket's achievements during 2005 that were described above under *Elements of the Program*.

The committee reviewed all components of the CEO's and each of the other named executive officers' compensation, including base salary, bonus, equity and long-term incentive compensation and the dollar value to the CEO and the cost to NewMarket of all perquisites and other personal benefits received. Based on its review, the committee believes the CEO's and each of the other named executive officers' compensation is within the range of compensation offered by peer group companies and is reasonable and not excessive.

Section 162(m)

Section 162(m) of the Internal Revenue Code provides certain criteria for the tax deductibility of compensation in excess of \$1 million paid to NewMarket's executive officers. The 2004 Incentive Plan is designed to permit the grant of awards that will meet the criteria applicable to performance-based compensation (as defined in Section 162(m) of the Internal Revenue Code). The Management Bonus Plan, however, does not meet the criteria applicable to performance-based compensation and would have to be amended to limit the committee's discretion to

determine individual awards based on individual performance factors and other factors as the committee may determine, from time to time, to be relevant. The committee currently does not anticipate that there will be any compensation awarded under the Management Bonus Plan subject to the loss of tax deductibility.

The committee believes, however, that it is important to retain the flexibility on awards under NewMarket's plans in order to serve the best interests of the company by allowing the committee to recognize and motivate individual executive officers as circumstances warrant.

AUDIT COMMITTEE REPORT

The audit committee of the board of directors is composed of four independent directors and operates under a written charter adopted by the board of directors. Management is responsible for NewMarket's financial reporting process, including the effectiveness of its internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of NewMarket's consolidated financial statements, management's assessment of the effectiveness of NewMarket's internal control over financial reporting and the effectiveness of NewMarket's internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing reports thereon. The audit committee's responsibility is, among other things, to monitor and oversee these processes and to report thereon to the board of directors. In this context, the audit committee has met and held discussions with management and PricewaterhouseCoopers LLP, NewMarket's independent registered public accounting firm.

Management represented to the audit committee that NewMarket's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the audit committee has reviewed and discussed the consolidated financial statements with management and PricewaterhouseCoopers LLP.

The audit committee has discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Accounting Standards), as amended, including the scope of the independent registered public accounting firm's responsibilities, significant accounting adjustments and any disagreements with management.

The audit committee also has received the written disclosures and the letter from PricewaterhouseCoopers LLP relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with audit committees), and has discussed with PricewaterhouseCoopers LLP that firm's independence from NewMarket.

Based upon the audit committee's discussions with management and PricewaterhouseCoopers LLP and the audit committee's review of the representation of management and the report of PricewaterhouseCoopers LLP to the audit committee, the audit committee recommended that the board of directors include the audited consolidated financial statements in NewMarket's Annual Report on Form 10-K for the year ended December 31, 2005 filed with the Securities and Exchange Commission.

Audit Committee Pre-Approval Policy

The audit committee has adopted an Audit Committee Pre-Approval Policy for the pre-approval of audit services and permitted non-audit services by NewMarket's independent registered public accounting firm in order to assure that the provision of such services does not impair the independent registered public accounting firm's independence from NewMarket. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the audit committee. Any proposed services exceeding pre-approved cost levels also will require specific pre-approval by the audit committee. In all pre-approval instances, the audit committee will consider whether such services are consistent with the Securities and Exchange Commission's rules on auditor independence.

The audit committee has designated in the Audit Committee Pre-Approval Policy specific services that have the pre-approval of the audit committee and has classified these pre-approved services into one of four categories: Audit, Audit-Related, Tax and All Other. The term of any pre-approval is 12 months from the date of pre-approval, unless the audit committee specifically provides for a different period. The audit committee will revise the list of pre-approved services from time to time, based on subsequent determinations.

Pre-approval fee levels for all services to be provided by the independent registered public accounting firm will be established periodically by the audit committee. Any proposed services exceeding these levels will require specific pre-approval by the audit committee. The audit committee recognizes the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services. For each fiscal year, the audit

committee may determine the appropriate ratio between the total amount of fees for Audit, Audit-related, and Tax services, and the total amount of fees for services classified as permissible All Other services.

The audit committee has designated the principal financial officer to monitor the performance of the services provided by the independent registered public accounting firm and to determine whether such services are in compliance with the audit committee Pre-Approval Policy. Both the principal financial officer and management will immediately report to the chairman of the audit committee any breach of the Audit Committee Pre-Approval Policy that comes to the attention of the principal financial officer or any member of management.

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has appointed PricewaterhouseCoopers LLP, an independent registered public accounting firm, as our independent registered public accounting firm for the fiscal year ending December 31, 2006, subject to shareholder approval. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting with an opportunity to make a statement and to be available to respond to appropriate questions.

PricewaterhouseCoopers LLP's principal function is to audit management's assessment of the effectiveness of NewMarket's internal control over financial reporting and our consolidated financial statements and, in connection with that audit, to review certain related filings with the Securities and Exchange Commission and to conduct limited reviews of the financial statements included in our quarterly reports.

The audit committee and our board of directors recommend that you vote FOR the proposal to ratify the appointment of PricewaterhouseCoopers LLP as NewMarket's independent registered public accounting firm for the fiscal year ending December 31, 2006.

Fees Billed by PricewaterhouseCoopers LLP

The following table sets forth the fees billed to us for the audit and other services provided by PricewaterhouseCoopers LLP to us for the fiscal years ended December 31, 2005 and 2004:

	2005	2004
Audit Fees	\$ 1,648,598	\$ 1,895,638
Audit-Related Fees	64,749	65,000
Tax Fees	438,840	458,439
All Other Fees	1,500	1,400
Total fees	\$ 2,153,687	\$ 2,420,477

Audit Fees include fees for services performed to comply with the standards of the Public Company Accounting Oversight Board (United States), including the recurring audit of our consolidated financial statements. This category also includes fees for audits provided in connection with statutory filings or services that generally only the principal auditor reasonably can provide to a client, consents and assistance with and review of documents filed with the Securities and Exchange Commission.

Audit-Related Fees include fees associated with assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. The 2005 and 2004 amounts include fees for services provided in connection with our planning and readiness to comply with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. Audit-related fees also include audits of pension and other employee benefit plans, as well as the review of information systems and general internal controls.

Tax Fees primarily include fees associated with tax audits, tax compliance, tax consulting, as well as domestic and international tax planning.

All Other Fees include licensing fees associated with our use of PricewaterhouseCoopers LLP's on-line information database containing accounting pronouncements and other authoritative guidance.

As a part of its deliberations, the audit committee has considered whether the provision of services described above under All Other Fees is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

**CERTAIN MATTERS RELATING TO PROXY MATERIALS
AND ANNUAL REPORTS**

Electronic Access of Proxy Materials and Annual Reports

This proxy statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 are available on our Internet site at <http://www.newmarket.com> under Investor Relations, Corporate Governance. Shareholders can elect to access future proxy soliciting materials, including notices to shareholders of annual meetings and proxy statements, and annual reports over the Internet instead of receiving paper copies in the mail. Providing these documents over the Internet will reduce our printing and postage costs and the number of paper documents shareholders would otherwise receive. We will notify shareholders who consent to accessing these documents over the Internet when such documents will be available. Once given, a shareholder's consent will remain in effect until such shareholder revokes it by notifying us otherwise at NewMarket Corporation, 330 South Fourth Street, Richmond, Virginia 23219, Attention: Corporate Secretary. Shareholders of record can choose this option by marking the appropriate box on the proxy card included with this proxy statement. Beneficial owners whose shares are held in street name should refer to the information provided by the institution that holds such beneficial owner's shares and follow the instructions on such form for instructions on how to elect to view future proxy statements and annual reports over the Internet, if this option is provided by such institution. Paper copies of these documents may be requested by writing to our corporate secretary as described above.

Separate Copies for Beneficial Owners

Institutions that hold shares in street name for two or more beneficial owners with the same address are permitted to deliver a single proxy statement and annual report to that address. Any such beneficial owner can request a separate copy of this proxy statement or Annual Report on Form 10-K for the fiscal year ended December 31, 2005 by contacting our corporate secretary as described above. Beneficial owners with the same address who receive more than one proxy statement and Annual Report on Form 10-K may request delivery of a single proxy statement and Annual Report on Form 10-K by contacting our corporate secretary as described above.

We will provide without charge to each person to whom this proxy statement has been delivered, on the written request of any such person, a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, including the financial statements. Requests should be directed to our corporate secretary as described above. A list of the exhibits to the Annual Report on Form 10-K, showing the cost of each, will be delivered with a copy of the Annual Report on Form 10-K. Any of the exhibits listed will be provided upon payment of the charge noted on the list.

OTHER MATTERS

Our board of directors is not aware of any matters to be presented for action at the annual meeting other than as set forth in this proxy statement. However, if any other matters properly come before the annual meeting, or any adjournment or postponement thereof, the person or persons voting the proxies will vote them in accordance with their discretion.

NEWMARKET CORPORATION**Independence Determination Guidelines**

For a director to be deemed independent, the Board of Directors of NewMarket Corporation (NewMarket) shall affirmatively determine that the director has no material relationship with NewMarket either directly or as a partner, shareholder or officer of an organization that has a relationship with NewMarket. In making this determination, the Board of Directors shall apply the following standards, in which case a director will be deemed not independent:

1. A director is, or has been within the last three years, an employee of NewMarket, or an immediate family member is, or has been within the last three years, an executive officer, of NewMarket. Employment as an interim Chairman, Chief Executive Officer or other executive officer will not disqualify a director from being considered independent following such employment.
2. A director has received or has an immediate family member, serving as an executive officer, who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from NewMarket (excluding director and committee fees and pensions or other forms of deferred compensation for prior service, provided such compensation is not contingent in any way on continued service). Compensation received by a director for former service as an interim Chairman, Chief Executive Officer or other executive officer will not count toward the \$100,000 limitation.
3. (A) A director or an immediate family member is a current partner of a firm that is NewMarket's internal or external auditor; (B) a director is a current employee of such a firm; (C) a director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) a director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on NewMarket's audit within that time.
4. A director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of NewMarket's present executive officers at the same time serves or served on that company's compensation committee.
5. A director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, NewMarket for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.
