**PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held May 17, 2006**

**INTRODUCTION**

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Hungarian Telephone and Cable Corp. (the Company) to be used at the Annual Meeting of Stockholders of the Company, to be held at 10:00 a.m. local time, on May 17, 2006 at the New York Marriott East Side Hotel, 525 Lexington Avenue, New York, New York 10017, or at any adjournment or postponement thereof (the Meeting). This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and form of proxy are first being sent or given to stockholders on or about April 17, 2006.

At the Meeting, the stockholders of the Company are being asked to consider and vote upon: (i) the election of seven directors of the Company to serve until the 2007 Annual Meeting of Stockholders or until their successors are duly elected and qualified; and (ii) the ratification of the appointment of KPMG Hungaria Kft. as auditors of the Company for the fiscal year ending December 31, 2006.

**Voting Rights and Proxy Information**

All shares of common stock, par value \$0.001 per share, of the Company (the Common Stock), represented at the Meeting by properly executed proxies received prior to or at the Meeting, and not revoked, will be voted at the Meeting in accordance with the instructions thereon. If no instructions are indicated, properly executed proxies will be voted for election of all nominees for director named below and for the ratification of the appointment of auditors. The Company does not know of any matters, other than as described in the Notice of Annual Meeting, that are to come before the Meeting. If any other matters are properly presented at the Meeting for action, the persons named in the enclosed form of proxy and acting thereunder will have the discretion to vote on such matters in accordance with their best judgment. Proxies should not be sent by the stockholder to the Company, but to Continental Stock Transfer & Trust Company, the Company's Registrar and Transfer Agent, at 17 Battery Place South, 8th Floor, New York, New York 10004. A pre-addressed, postage-paid envelope is provided for this purpose.

A proxy delivered pursuant to this solicitation may be revoked at any time before it is voted. Proxies may be revoked by (i) filing with the Secretary of the Company at or before the Meeting a written notice of revocation bearing a later date than the proxy, (ii) duly executing a subsequent proxy relating to the same shares and delivering it to the Secretary of the Company at or before the Meeting, or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered to Peter T. Noone, Secretary, Hungarian Telephone and Cable Corp., 1201 Third Avenue, Suite 3400, Seattle, Washington 98101-3034.

**Table of Contents****Vote Required for Approval**

The presence, in person or by proxy, of a majority of the shares of Common Stock entitled to vote is required to constitute a quorum for the transaction of business at the Meeting. The election of directors requires the affirmative vote of a plurality of the shares of Common Stock voting in person or by proxy at the Meeting. Thus, abstentions and proxies returned by brokers as non-votes on behalf of shares held in street name will have no effect on the outcome of the election of directors. For the vote with respect to the ratification of the appointment of auditors, abstentions will have the same effect as a vote against such matter and proxies returned by brokers as non-votes will not affect the outcome of such vote. Proxies submitted which contain abstentions or broker non-votes will be deemed present at the Meeting in determining the presence of a quorum.

**Your Board of Directors has unanimously approved the nomination of the persons named herein for election as directors and the Board's audit committee has unanimously approved the appointment of KPMG Hungaria Kft. Accordingly, the Board recommends a vote FOR the election of the nominees named herein as directors and the ratification of the appointment of KPMG Hungaria Kft. as auditors for the fiscal year ending December 31, 2006.**

**Voting Securities**

April 3, 2006 has been set as the record date (the Record Date) for determining stockholders entitled to notice of, and to vote at, the Meeting. **I. ELECTION OF DIRECTORS**

**General**

Pursuant to the Company's By-laws, directors are elected to serve for a one-year term or until their respective successors have been elected and qualified. Six nominees are incumbent directors who were elected at the last annual meeting of stockholders. One nominee was elected by the Board during the current board term. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominees) will be voted at the Meeting for the election of the nominees identified below. If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected. Except as described below, there are no arrangements or understandings between any director or nominee and any other person pursuant to which such director or nominee was selected.

**Table of Contents****Current Directors and Nominees for Director**

Board of Directors. Pursuant to an agreement with TDC, the Company is required, under certain conditions, to nominate for election to the Board one person designated by TDC. See Introduction - Stock Ownership of Certain Beneficial Owners and Introduction - Change in Control.

### **Committees and Meetings of the Board of Directors**

The Board of Directors held ten meetings during the fiscal year ended December 31, 2005. Each of the incumbent directors attended at least 75% of the meetings of the Board of Directors and Board committees that were held during the 2005 fiscal year while he was a member of the Board or committee. While the Board of Directors does not have a formal policy regarding attendance at annual stockholders meetings, the Board encourages the directors to attend the annual meeting of stockholders. Four of the directors attended the 2005 annual meeting of stockholders.

The Board of Directors does not have a nominating committee. The Company does not have a nominating committee charter. It is the position of the Board of Directors that it is appropriate for the Company not to have a separate nominating committee because the size and composition of the Board of Directors enables it to adequately fulfill the functions of a standing nominating committee. Each of the directors participates in the consideration of director nominees. The American Stock Exchange does not require the Company to have a separate nominating committee but does require that board nominees be selected by either a nominating committee comprised solely of independent directors or by a majority of the independent directors. Messrs. Frimer, Larsen, Moeller, and Thomsen are not considered independent, within the meaning of such term in the listing standards of the American Stock Exchange, because they are officers of TDC, which owns 62.5% of the Company's outstanding Common Stock. See Introduction - Stock Ownership of Certain Beneficial Owners and Introduction - Change in Control. Mr. Bertram is not considered independent because he is the Company's former President and Chief Executive Officer. Since the Company is majority-owned by TDC, the Company is currently utilizing the controlled company exception provided by the American Stock Exchange with respect to the independent director requirements regarding board nominations.

The Board of Directors will consider nominees recommended by stockholders although, to date, it has not actively solicited such nominations. Such recommendations about nominees should be submitted in writing to the Secretary of the Company at the principal U.S. office of the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual stockholders meeting (provided, however, that in the event that the date of the annual stockholders meeting is more than 30 days before or more than 70 days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the 120th day prior to such annual stockholders meeting and not later than the close of business on the later of the 90th day prior to such annual stockholders meeting or the 10th day following the day on which public announcement of the date of such stockholders meeting is first made by the Company). The written recommendation must include: (1) the name and address of the stockholder making the recommendation and the beneficial owner, if any, on whose behalf the nomination is made; (2) the number of shares of Common Stock which are owned of record and beneficially by such stockholder and such beneficial owner; (3) a representation that the stockholder is a holder of record of Common Stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination; (4) a representation whether the stockholder or beneficial owner, if any, intends or is part of a group which intends (a) to deliver a proxy statement and/or form of proxy to stockholders owning at least the percentage of the Company's outstanding Common Stock required to elect the nominee and/or (b) otherwise to solicit proxies from stockholders in support of such nomination; (5) all information regarding the director candidate that would be required to be included in a proxy statement filed under the proxy rules of the Securities and Exchange Commission; and (6) the written consent of the director candidate to being named in the proxy as a nominee and to serving as a director if

ected. The Board of Directors may refuse to consider the recommendation of any person not made in compliance with this procedure.

In 2004, the Board of Directors established a policy regarding the director nomination process ( Nomination Policy ). The Nomination Policy contains both specific minimum qualifications for Board recommended nominees as well as specific qualities or skills that the Board believes are necessary for one or more of its directors to possess. The specific, minimum qualifications a Board recommended nominee must possess are: the highest ethical character; the ability to read and understand financial statements; be over 21 years of age; no significant and material conflicts; the necessary time to devote to board duties; and the ability to represent the interests of all the Company s shareholders. The specific qualities or skills that the Board believes are necessary for one or more of its directors to possess are: the relevant expertise and experience and the ability to offer advice and guidance to the Company s Chief Executive Officer; the ability to evaluate management performance objectively; the necessary independence or financial expertise that may be required; the skills, experience and background to complement the other directors; and the likelihood of a constructive working relationship with the rest of the Board. The Nomination Policy contains a process for identifying Board candidates which includes using the network of Board contacts, engaging a search firm and considering independent candidates recommended by the Company s stockholders. The Nomination Policy also contains a procedure for evaluating nominees. All nominees are evaluated by the Board using the criteria summarized above. At its discretion, the Board can use questionnaires, interviews, and additional background and reference checks. Incumbent directors will be evaluated based on their participation and performance. Messrs. Frimer, Larsen, Moeller and Thomsen are officers of TDC, and were designated for election by TDC. TDC owns 62.5% of the Company s outstanding Common Stock.

The Board of Directors does not currently have a Compensation Committee. The Board of Directors disbanded the Compensation Committee in May 2005. The members of the disbanded Compensation Committee were Michael Fortier, John B. Ryan and William E. Starkey (Chairman). Mr. Fortier resigned from the Board of Directors in April 2005. The Compensation Committee held three meetings during the fiscal year ended December 31, 2005 prior to its disbandment. The functions of the Compensation Committee included: administering the 2004 Long-Term Incentive Plan; negotiating and determining the compensation of executive officers; and determining the compensation of all other officers. See - Reports on Executive Compensation - Compensation Committee Report on Executive Compensation.

The Board of Directors has an Audit Committee. The members of the Audit Committee are Jesper Helmuth Larsen, John B. Ryan (Chairman), and William E. Starkey. The Board has determined that Mr. Larsen is an audit committee financial expert , within the meaning of Securities and Exchange Commission regulations. The Board has determined that Messrs. Ryan and Starkey are independent within the meaning of such term in the Securities and Exchange Commission regulations and the listing standards of the American Stock Exchange. The Board has determined that although Mr. Larsen meets the independence standards of the Securities and Exchange Commission regulations, he does not meet the independence standards of the American Stock Exchange since he is an officer of TDC, which owns 62.5% of the Company s outstanding Common Stock. See Introduction - Stock Ownership of Certain Beneficial Owners and Introduction - Change in Control. Mr. Larsen is serving on the Audit Committee pursuant to an exception provided by the American Stock Exchange pursuant to which the Board has determined that Mr. Larsen s service on the Audit Committee is in the best interests of the Company and its stockholders. The Board made this determination because of TDC s significant ownership interest in the Company and TDC s desire to have representation on the Audit Committee since it consolidates the Company s financial results into TDC s results. The Audit Committee has adopted a written charter which was included as an attachment to the Company s proxy statement for its 2004 annual meeting of stockholders. The Audit Committee s duties include, among other duties: the appointment, retention, compensation and oversight of the independent auditors; reviewing the

independence, experience, qualifications and performance of the independent auditors; the pre-approval of all audit and non-audit services to be performed by the independent auditors; reviewing and discussing with management and the independent auditors the audited annual financial statements and quarterly unaudited financial statements; reviewing the scope and results of the audits performed; reviewing the adequacy and operation of the Company's financial reporting and internal controls, as well as the disclosure controls and procedures; reviewing and approving related party transactions; monitoring compliance with the Company's Code of Ethics; and performing such other duties or functions with respect to the Company's accounting, financial and operating controls as deemed appropriate by it or the Board of Directors. During the fiscal year ended December 31, 2005 the Audit Committee held five meetings. See - Report of the Audit Committee.

*Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graph by reference therein.*

*Introduction:* The Compensation Committee of the Board of Directors of Hungarian Telephone and Cable Corp. was disbanded on May 19, 2005. Therefore, this report is limited to activities through May 19, 2005.

*General.* The Compensation Committee's compensation policy was designed to motivate, reward and retain the managerial and technical talent needed to achieve the Company's business objectives. This policy provided for incentives to achieve short- and long-term objectives and reward exceptional performance and accomplishments that contributed to the Company's business. Compensation arrangements for the Company's officers have been designed to align such compensation with the achievement of the Company's business objectives and growth strategy. The Compensation Committee determined the compensation of the Company's officers. The Compensation Committee directly determined the Chief Executive Officer's compensation and, with input from the Chief Executive Officer, determined the compensation of the other high ranking officers. The Chief Executive Officer was given authority, within certain limits, to determine the compensation of the rest of the Company's employees

*Employment Contracts.* On behalf of the Company, the Compensation Committee secured the services of two of its long serving officers, the Chief Financial Officer and the General Counsel, with employment agreements which have indefinite terms. Ole Bertram, the Company's former President and Chief Executive Officer had a similar agreement. Such agreements can be terminated by either party following required notice periods. These employment agreements have fixed based salaries that are adjusted annually, option grants to provide incentive to build shareholder value and, in the case of the Chief Executive Officer, an annual target cash bonus. The agreements also have protection in the event of termination of employment without cause, which provisions are intended to retain such officers so that they can focus on the Company and its goals. Each of the agreements also addresses the possibility of a change in control of the Company so that the officers can focus on the Company and its goals without the distraction of concern about the future ownership of the Company. In determining bonuses, the Compensation Committee, on occasion, took into account the weakened value of the U.S. dollar. In order to avoid the problems associated with currency fluctuations, the Compensation Committee transitioned the Company from U.S. dollar-based employment agreements for its Hungarian-based officers and top employees to euro-based employment agreements since the value of the Hungarian forint is more closely associated with the euro than the U.S. dollar.

*Chief Executive Officer's 2005 Compensation.* During 2005, the Compensation Committee provided Mr. Bertram with a base salary based on comparable industry standards and an annual grant of options also based on comparable industry standards. The options were intended to provide Mr. Bertram with incentive to increase the Company's value. The Company also changed Mr. Bertram's cash compensation for 2005 from U.S. dollars to euros and set his 2005 base cash compensation amount at EUR 310,000 (including a housing allowance). The employment agreement with Mr. Bertram also provided for a potential annual cash bonus tied to certain Company objectives established by the Compensation Committee. In March 2005, the Compensation Committee awarded Mr. Bertram an annual cash bonus of \$100,000, which was based on the achievement of Company objectives set for 2004 relating to revenues, operating income, line connections, revenue per subscriber and other strategic goals.

In 2004 the Compensation Committee agreed to award Mr. Bertram a special cash bonus of \$600,000 for his efforts in securing the PanTel acquisition and the related financing. The Compensation Committee recognized the transforming nature of this transaction for the Company and wanted to reward Mr. Bertram for his efforts and sacrifices in bringing the transaction to a close. Following the completion of the PanTel acquisition in February 2005, the Company paid the bonus to Mr. Bertram.

## **Table of Contents**

In 2004 the Compensation Committee reviewed Mr. Bertram's employment agreement and his service to the Company since 1997. Following such review, the Company agreed to award Mr. Bertram with a one-time lump sum cash payment payable at his retirement equal to six months salary at the monthly rate in effect upon his retirement (EUR 140,570 (\$170,959)). This payment was made to Mr. Bertram following his retirement in May 2005.

In 2005 in connection with the termination of Mr. Bertram's employment agreement upon his retirement, the Compensation Committee awarded Mr. Bertram a one-time lump sum payment equal to 12 months compensation (EUR 310,000 (\$377,018)).

In 1993, Section 162(m) was added to the Internal Revenue Code of 1986, as amended, the effect of which is to eliminate the deductibility of compensation of over \$1 million, with certain exceptions, paid to each of certain highly compensated executive officers of publicly held corporations, such as the Company. Section 162(m) applies to all remuneration (both cash and non-cash) that would otherwise be deductible for tax years beginning on or after January 1, 1994, unless expressly excluded. To date, the annual compensation of the Company's current officers has been below the \$1 million threshold. The Company's equity compensation plan has certain rewards which would qualify for certain performance-based exceptions to the limitations on deductibility.

Board of Directors Report on Executive Compensation

*The following Report of the Board of Directors and the performance graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graph by reference therein.*

*Introduction:* The Compensation Committee of the Board of Directors of Hungarian Telephone and Cable Corp. was disbanded on May 19, 2005. The Board of Directors assumed the duties of the Compensation Committee following the disbandment of the Compensation Committee. Therefore, this report is limited to Board compensation activities since May 19, 2005.

*Secondment Arrangements for Messrs. Holm and Wurtz.* In connection with Ole Bertram's retirement announcement in April 2005 and at the request of TDC, the Board of Directors approved the appointment of Torben V. Holm to succeed Mr. Bertram as the Company's President and Chief Executive Officer beginning in May 2005. Mr. Holm was the Chairman of the Company's Board of Directors and served on the Company's Board of Directors from 1999 through May 2005. Mr. Holm, an officer of TDC, was designated by TDC to serve on the Company's Board of Directors. Mr. Holm's tenure as a director ceased upon his becoming the Company's President and Chief Executive Officer. After becoming the Company's President and Chief Executive Officer, Mr. Holm appointed Alex Wurtz, an employee of TDC, as the Company's head of Business Development and a member of management's Executive Committee. Messrs. Holm and Wurtz are still employees of TDC but seconded to the Company to serve in their respective offices.

As employees of TDC, the executive compensation packages of Messrs. Holm and Wurtz were negotiated and agreed to by TDC and based upon current compensation market conditions. The Company has reached an agreement-in-principle with TDC to reimburse TDC on a month-to-month basis through

**Table of Contents**

May 2006 for costs incurred by TDC in employing Messrs. Holm and Wurtz. No definitive agreement with specific amounts has been executed. Such costs are not expected to exceed approximately EUR 580,000 (\$696,000) on an annual basis for Mr. Holm and EUR 420,000 (\$504,000) on an annual basis for Mr. Wurtz. The costs incurred by TDC which the Company has agreed to reimburse TDC for include after-tax salary guarantees, performance bonuses, certain income tax liabilities incurred by Messrs. Holm and Wurtz which are to be reimbursed by TDC, certain pension contributions and, in the case of Mr. Holm, a travel allowance for the costs associated with travel between Hungary and Mr. Holm's residence in Denmark. Included in the costs that the Company has agreed to reimburse TDC for was a 2005 performance cash bonus paid by TDC to Mr. Holm of approximately \$40,000 (pre-tax). The bonus was based upon the Company's revenue and EBITDA (earnings before interest, taxes, depreciation and amortization) and certain strategic and management accomplishments. In 2005, the Company directly paid Messrs. Holm's and Wurtz's housing expenses in Budapest, Hungary, which amounted to approximately \$19,000, in the case of Mr. Holm, and \$26,000, in the case of Mr. Wurtz. The Company also paid certain travel costs in 2005 in the amount of approximately \$6,000 for Mr. Holm to commute back to his home in Denmark as per his employment agreement with TDC. Such direct housing and travel costs paid by the Company will be offset against the amount payable by the Company to TDC for Messrs. Holm's and Wurtz's services. The Company also provides an automobile in Budapest for each of Mr. Holm and Mr. Wurtz.

*Other Officer Compensation.* The Board of Directors determines the compensation for the Company's other executive officers. For compensation of certain of the Company's other officers, Mr. Holm makes a recommendation for the Board of Directors' consideration. In certain instances, the Board has delegated its compensation authority, within limits, to Mr. Frimer, the Chairman of the Board of Directors.

**Standard Remuneration of Directors and Other Arrangements**

The Company has a compensation structure for the Company's non-employee directors who are not representatives of TDC (Messrs. Frimer, Larsen, Moeller and Thomsen, as employees of TDC, are prohibited by TDC policy from accepting compensation for their board service). The eligible directors are compensated with a fixed quarterly fee of \$2,500, a per meeting fee of \$800 for meetings held in-person and a per meeting fee of \$400 for meetings held via telephonic conference call. The eligible directors also received 2,000 shares of Common Stock for their 2005 to 2006 Board service. Such shares vest upon the completion of the one-year board term in May 2006. For Audit Committee meetings, the directors are paid a per meeting fee of \$1,000 (\$2,000 for the Chairman) for meetings held in-person and a per meeting fee of \$500 (\$1,000 for the Chairman) for meetings held via telephonic conference call. The Chairman of the Audit Committee also receives a \$2,500 fixed quarterly fee. The Company also reimburses the directors for out-of-pocket expenses.

Holm and Wurtz are employees of TDC. The option grant reported for Mr. Holm represents an option granted in April 2005 by TDC to purchase shares of TDC stock. The Company has paid some of Messrs. ## **Secondment Arrangements**

In connection with the retirement of Mr. Bertram and following TDC's acquisition of the majority of the Company's outstanding Common Stock in April 2005, TDC nominated, and the Board of Directors approved the appointment of, Mr. Holm as the Company's President and Chief Executive Officer. Mr. Holm appointed Mr. Wurtz as the Company's head of Business Development. Messrs. Holm and Wurtz are employees of TDC, but are seconded to the Company to serve as executive officers.

TDC negotiated the executive compensation packages of Messrs. Holm and Wurtz. The Company has reached an agreement-in-principle with TDC to reimburse TDC on a month-to-month basis through May 2006 for costs incurred by TDC in employing Messrs. Holm and Wurtz. No definitive agreement with specific amounts has been executed. Such costs are not expected to exceed approximately EUR 580,000 (\$696,000) on an annual basis for Mr. Holm and EUR 420,000 (\$504,000) on an annual basis for Mr. Wurtz. The costs incurred by TDC which the Company has agreed to

reimburse TDC for include after-tax salary guarantees, performance bonuses, certain income tax liabilities incurred by Messrs. Holm and Wurtz which are to be reimbursed by TDC, certain pension contributions and, in the case of Mr. Holm, a travel allowance for the costs associated with travel between Hungary and Mr. Holm's residence in Denmark. In 2005, the Company directly paid Messrs. Holm's and Wurtz's housing expenses in Budapest, Hungary. The Company also paid certain travel costs in 2005 for Mr. Holm to commute back to his home in Denmark as per his employment agreement with TDC. Such direct housing and travel costs paid by the Company will be offset against the amount payable by the Company to TDC for Messrs. Holm's and Wurtz's services. The Company also provides an automobile in Budapest for each of Mr. Holm and Mr. Wurtz.

### **Compensation Committee Interlocks and Insider Participation**

The members of the Compensation Committee, which disbanded in May 2005, were Michael Fortier, John B. Ryan, and William E. Starkey (Chairman). Mr. Fortier resigned from the Board on April 12, 2005 following the sale of Ashmore's debt and equity holdings in the Company to TDC. Following the disbandment of the Compensation Committee, the Board of Directors assumed the duties of the Compensation Committee. No member of the Compensation Committee was ever an officer or employee of the Company or any of its subsidiaries. Mr. Bertram, a member of the Board of Directors, is the Company's former President and Chief Executive Officer. Messrs. Bertram (former President and Chief Executive Officer), Holm (President and Chief Executive Officer) and Noone (General Counsel) participated in deliberations of the Company's Board of Directors concerning executive officer compensation. No executive officer of the Company served on the board of directors of any entity whose executive officers included a director of the Company.

### **Certain Relationships and Related Transactions**

TDC owns 62.5% of the Company's outstanding Common Stock, 30,000 shares of preferred stock convertible into 300,000 shares of Common Stock and warrants enabling it to purchase 2,500,000 shares of Common Stock at \$10 per share with a warrant expiration date of March 31, 2007. TDC also owns \$25 million of notes issued by the Company which mature in March 2007. Messrs. Frimer, Larsen, Moeller and Thomsen, current directors and nominees for re-election, are officers of TDC.

TDC nominated, and the Board of Directors approved the appointment of, Mr. Holm to serve as the Company's President and Chief Executive Officer following TDC's acquisition of additional debt and equity securities of the Company in April 2005, which acquisition resulted in TDC owning a majority of the Company's outstanding Common Stock. Mr. Holm is an employee of TDC and serves as the Company's President and Chief Executive Officer and is also the head of management's executive committee. Alex Wurtz serves as the Company's head of Corporate Business Development and is a member of the Company's management executive committee. He was appointed to the position by Mr. Holm after Mr. Holm became the Company's President and Chief Executive Officer. Mr. Wurtz is also an employee of TDC. Both Messrs. Holm and Wurtz serve as executive officers of the Company pursuant to a secondment arrangement with TDC. The Company has reached an agreement-in-principle with TDC to reimburse TDC on a month-to-month basis through May 2006 for costs incurred by TDC in employing Messrs. Holm and Wurtz. No definitive agreement with specific amounts has been executed. Such costs are not expected to exceed approximately EUR 580,000 (\$696,000) on an annual basis for Mr. Holm and EUR 420,000 (\$504,000) on an annual basis for Mr. Wurtz. The costs incurred by TDC which the Company has agreed to reimburse TDC for include after-tax salary guarantees, performance bonuses, certain income tax liabilities incurred by Messrs. Holm and Wurtz which are to be reimbursed by TDC, certain pension contributions and, in the case of Mr. Holm, a travel allowance for the costs associated with travel between Hungary and Mr. Holm's residence in Denmark. To date, the Company has accrued, but not paid TDC, for costs associated with Messrs. Holm's and Wurtz's services for the Company. In 2005, the Company directly paid Messrs. Holm's and Wurtz's housing expenses in

Budapest, Hungary which amounted to approximately \$19,000, in the case of Mr. Holm, and \$26,000, in the case of Mr. Wurtz. The Company also paid certain travel costs in 2005 in the amount of approximately \$6,000 for Mr. Holm to commute back to his home in Denmark as per his employment agreement with TDC. Such direct housing and travel costs of the Company will be offset against the amount payable to TDC for Messrs. Holm's and Wurtz's services. The Company also provides an automobile in Budapest for each of Mr. Holm and Mr. Wurtz.

All of the directors of the Company are covered by a directors and officers liability policy taken out by TDC. In 2005, the Company paid TDC approximately \$198,000 for the Company's portion of the overall premium paid by TDC. Such payment covered the period from July 2005 to June 2006.

TDC has provided the Company with certain operational, management and strategic consulting services, for which TDC has only charged the Company for its out-of-pockets costs and third party costs, which amounts are less than \$60,000 in the aggregate.

The Company has agreements in place with TDC, on arms-length commercial terms, pursuant to which TDC and the Company transport international voice, data and Internet traffic for each other over their respective telecommunications networks. For 2005, the Company paid TDC a net amount of approximately \$100,000 pursuant to such agreements.

## **Indebtedness of Management**

## **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, officers and beneficial owners of over 10% of the Common Stock to file reports of holdings and transactions in the Common Stock. Based upon a review of the Forms 3, 4 and 5 required to be filed by such directors, officers and beneficial owners pursuant to Section 16(a) for the Company's fiscal year ended December 31, 2005, the Company has determined that all required reports were timely filed.

## **Stock Performance Graph**

The line graph on the following page compares the cumulative total stockholder return of the Company's Common Stock to the cumulative total return of (i) the American Stock Exchange Market Index and (ii) a telecommunications industry index, for the period commencing January 1, 2001 and ending December 31, 2005. The graph assumes that \$100 was invested on January 1, 2001, with any dividends reinvested on the date paid. The graph shows as of December 31st for each of the five years the hypothetical value of such initial \$100 investment.
