PROXY STATEMENT

Annual Meeting of Stockholders

June 21, 2006

INFORMATION RELATING TO VOTING AT THE ANNUAL MEETING

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Broadway Financial Corporation, a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the Company's principal executive offices, 4800 Wilshire Boulevard, Los Angeles, California, 90010, at 2:00 p.m., on June 21, 2006, and at any postponement or adjournment thereof. This Proxy Statement and the accompanying form of proxy were first mailed to stockholders on or about May 12, 2006.

The Company was incorporated under Delaware law in September 1995 for the purpose of acquiring and holding all of the outstanding capital stock of Broadway Federal Bank, f.s.b. ("Broadway Federal" or the "Bank") as part of the Bank's conversion from a federally chartered mutual savings and loan association to a federally chartered stock savings bank (the "Conversion"). The Conversion was completed, and the Bank became a wholly owned subsidiary of the Company, on January 8, 1996. Unless otherwise indicated, references in this Proxy Statement to the Company include the Bank as its predecessor.

The Board of Directors has selected April 22, 2006 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. A total of 1,496,971 shares of the Company's common stock, par value \$.01 per share (the "Common Stock"), were outstanding at the close of business on that date. A majority of the shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Stockholders will be entitled to cast one vote for each share of Common Stock held by them of record at the close of business on the record date on any matter that may be presented at the Annual Meeting for consideration and action by the stockholders. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted for a vote of the stockholders. A plurality of votes cast is required for the election of directors and the affirmative vote of the majority of shares represented and voting will be required to ratify the appointment of Crowe Chizek and Company LLP ("Crowe Chizek") as the Company's independent audit firm. If a broker indicates on its proxy that the broker does not have discretionary authority to vote on a particular matter as to certain shares, those shares will be counted for general quorum purposes but will not be considered as present and entitled to vote with respect to that matter.

All valid proxies received in response to this solicitation will be voted in accordance with the instructions indicated thereon by the stockholders giving such proxies. If no contrary instructions are given, such proxies will be voted FOR the election of the nominees named in this Proxy Statement as directors and FOR approval of the appointment of Crowe Chizek as the Company's independent audit firm for the fiscal year ending December 31, 2006. Although the Board of Directors currently knows of no other matter to be brought before the Annual Meeting, if other matters properly come before the Annual Meeting and may properly be acted upon, including voting on a substitute nominee for director in the event that any director nominee named in this Proxy Statement becomes unwilling or unable to serve before the Annual Meeting, the proxies will be voted in accordance with the best judgment of the persons named in the proxies.

Any stockholder may revoke his or her proxy at any time before it is voted at the Annual Meeting by delivering a letter signed and dated proxy or other written notice of revocation to Beverly A. Dyck, Secretary of the Company, at 4800 Wilshire Boulevard, Los Angeles, California 90010. A proxy will also be considered revoked if the stockholder executing the proxy is present at the Annual Meeting and chooses to vote in person.

The principal solicitation of proxies is being made by mail. The Company has retained U. S. Stock Transfer Corporation, the Company's transfer agent, to assist in the solicitation of proxies for an estimated fee of \$1,600 plus reimbursement of certain expenses. To the extent necessary, proxies may be solicited by officers, directors and employees of the Company, or its wholly owned subsidiaries, none of whom will receive additional compensation, and may be solicited by telephone, personal contact or other means. The Company will bear the cost of the solicitation of proxies, including postage, printing and handling, and will reimburse brokers and other nominee holders of shares for their expenses incurred in forwarding solicitation material to beneficial owners of shares.
