401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2005 AND 2004

1. Description of Plan

The following description of Urban Outfitters, Inc. (the Company) 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan covering substantially all employees of the Company and its participating affiliates who have completed six months of service and have attained age 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Effective July 1, 2003, and subject to certain limitations as outlined in the Plan, participants may elect to contribute from 1% to 25% of their eligible compensation, as defined, to the Plan.

The Company may make matching contributions (allocated based on participant contributions for the year) and additional discretionary contributions (allocated based on participant compensation) to the Plan. To be eligible for employer contributions, a participant must have completed one year of continuous service. For each of the years ended December 31, 2005 and 2004, the Company made matching contributions equal to 25% of the first 6% of an employee's compensation deferred under the Plan. No additional discretionary contributions were made.

Participant accounts - Each participant's account is credited with the participant's elective and rollover contributions and an allocation of Plan investment earnings and the Company's contribution, and charged with withdrawals and distributions and a share of Plan investment losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their self-directed investment options at any time.

Vesting - Participants are immediately vested in their contributions plus or minus actual earnings or losses thereon. Vesting in the Company's contributions is graded over five years of credited service. Participants become 100% vested if separated from service due to retirement, death or disability.

Forfeitures - Forfeited Company contributions are used first to pay the administrative expenses of the Plan and then to reduce the Company's contributions for such plan year. Forfeitures of approximately \$78,000 in 2005 and \$53,000 in 2004 were used to pay administrative expenses of the plan and reduce employer contributions. Net assets available for benefits include forfeited balances of approximately \$22,000 at December 31, 2005 and \$43,000 at December 31, 2004.

Participant loans - Participants may borrow from their vested accounts a minimum of \$500 and up to a maximum equal to the lesser of \$50,000 or 50% of the value of the participant's vested interest in their account. Loan terms range from one to five years, or up to fifteen years for the purchase of a residence. The loans are collateralized by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

FOR THE YEARS ENDED DECEMBER 31, 2005 AND 2004

1. Description of Plan - Continued

Payment of benefits - A participant who separates from service before retirement, death or disability may request early payment of their vested benefits. Benefits are paid as soon as administratively feasible following the date on which a distribution is requested or, in the case of a participant whose vested account balance does not exceed \$5,000, as soon as administratively feasible following the participant's termination of employment. A participant whose vested account balance exceeds \$5,000 may elect to defer the payment of benefits until April 1 of the calendar year following their attainment of age 70 1/2.

Separated participants may request an in-kind distribution of the portion of their vested account invested in Urban Outfitters, Inc. common stock.

Participants, upon attainment of age 59 1/2, may elect to receive in-service distributions. Hardship withdrawals are also permitted.

Plan assets allocated to the accounts of persons who have terminated employment with the Company but have not withdrawn from the Plan approximated \$3,800,000 at December 31, 2005 and \$2,900,000 at December 31, 2004.

Funding policy - The Company generally remits employee deferral and Company matching contributions to the Plan on a weekly basis.

2. Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates - The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payments of benefits - Benefits are recorded when paid.

5. Plan Termination

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by PNC Advisors. PNC Advisors is the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. 7. Tax Status

The Plan's most recent determination letter from the Internal Revenue Service, dated November 15, 2004, states that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan was amended, effective March 28, 2005, to comply with the automatic rollover provisions set forth in Section 401(a)(31)(B) of the Internal Revenue Code.
