On July 27, 2006, Mercury Computer Systems, Inc. (the Company) issued a press release regarding its financial results for the quarter and fiscal year ended June 30, 2006. The Company s press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

USE OF NON-GAAP FINANCIAL MEASURES

In addition to reporting financial results in accordance with generally accepted accounting principles, or GAAP, the Company provides non-GAAP measures adjusted to exclude certain non-cash and other specified charges, which the Company believes are useful to help investors better understand its past financial performance and prospects for the future. However, the presentation of non-GAAP financial measures is not meant to be considered in isolation or as a substitute for financial information provided in accordance with GAAP. Management believes these non-GAAP financial measures assist in providing a more complete understanding of the Company s underlying operational results and trends, and management uses these measures along with their corresponding GAAP financial measures to manage the Company s business, to evaluate its performance compared to prior periods and the marketplace, and to establish operational goals.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On July 21, 2006, authorized officers of the Company committed the Company to a plan to realign certain responsibilities within its Defense business unit, which plan will involve terminating the employment of 11 employees by the end of the current fiscal quarter.
