Re: Shareholder Proposal

Dear Mr. Stroud:

On behalf of Mercury Real Estate Advisors LLC (Mercury), I hereby submit the enclosed shareholder proposal (Proposal) for inclusion in the proxy statement of Capital Senior Living Corporation (the Corporation) to be circulated to the shareholders of the Corporation in conjunction with the next annual meeting of shareholders. The Proposal is submitted under Rule 14a-8 (Proposals of Security Holders) of Regulation 14A promulgated by the Securities and Exchange Commission (the SEC).

Mercury is the owner of approximately 2,369,700 shares of the Corporation s common stock that have been held continuously for more than a year prior to this date of submission. We believe that a sale of the Corporation is in the best interests of stockholders and should be pursued immediately. The Proposal is submitted in order to encourage the Corporation to retain an investment banker and begin a sale process.

Mercury intends to hold the shares through the date of the Corporation s next annual meeting of shareholders. In accordance with the provisions of Rule 14a-8(b) of Regulation 14A, Mercury s current ownership of such shares is evidenced by the enclosed letter from Morgan Stanley as well as by the Schedule 13D, initially filed with the SEC on December 2, 2005, and the amendments thereto, which Schedule 13D and such amendments are on file with the SEC. Either the undersigned or a designated representative will present the Proposal for consideration at the annual meeting of shareholders.

If you have any questions or wish to discuss the Proposal, please contact Mr. Malcolm F. MacLean at (203) 869-9191.

Sincerely,

MERCURY REAL ESTATE ADVISORS LLC

Proposed Resolution

That the stockholders of the Corporation recommend that the Board of Directors promptly engage an investment banking firm and pursue a sale or liquidation of the Corporation.

Supporting Statement

We believe a sale or liquidation of the Corporation is in the best interests of stockholders for the following reasons:

- 1) **The Corporation has operated at a loss for the last three years.** In our opinion, management has destroyed shareholder value with a net loss of \$3.4 million in the first nine months of 2006, \$5.4 million in 2005 and \$6.8 million in 2004.
- 2) **The Corporation lacks the sufficient size required to operate as a public company.** In our view, shareholders' equity is being wasted on general and administrative expenses, and, in particular, executive compensation packages, that are not commensurate with the size of the company. General and administrative expenses at the Corporation totaled 9.7% of revenues during fiscal 2005 while the ratio of G&A to revenues in the Corporation's Peer Group for this period averaged 5.7%. Also, executives have what we view as the rare benefit of evergreen employment contracts.
- 3) **Healthcare real estate valuations have reached a peak.** Capitalization rates for senior living assets similar to those owned by CSU have fallen to approximately 6.5 - 7.0% from approximately 10% over the past several years. This cap-rate compression, occurring over a period of historically low interest rates, has led to a significant increase in the value of CSU's current portfolio. We believe that it is in the best interest of shareholders for the Corporation to capitalize on this value through a sale or liquidation of the Corporation instead of continuing to operate unprofitably as a public company with the risk that healthcare real estate valuations start to decline.
- 4) **The Corporation is an attractive acquisition candidate for a national healthcare owner/operator.** While we believe that the Corporation is too small to generate economies of scale with its widely dispersed portfolio, several of the national owner/operators could achieve operating synergies through an acquisition of CSU. Further, we believe CSU is trading at a significant discount to its intrinsic or liquidation value.
- 5) **Senior executives and Board members continue to sell stock in the Corporation and are becoming less aligned with the interests of shareholders.** While management

Mr. James A. Stroud

December 8, 2006

Page 3

reiterates on quarterly conference calls that they expect to create significant value pursuing their business strategy, their actions tell a different story. CSU executives and Board members have been significant net sellers of CSU stock in 2006. James Stroud, Chairman and Secretary, and his controlled entities have sold more than \$8.5 million of stock in 2006 while other sellers include: Lawrence Cohen, Vice Chairman and Chief Executive Officer; Keith Johannessen, President and Chief Operating Officer; Ralph Beattie, Chief Financial Officer; Gloria Holland, Vice President; Jerry Lee, Controller; Craig F. Hartberg, Independent Director and Victor Nee, an Independent Director. These stock sales reiterate our view that management is not committed to its growth strategy and that a sale or liquidation should be commenced.
