**Item 8.01 Other Events.**

As previously reported, in July 2007, Danaher Corporation (the Company) completed the sale of its power quality business to Thomas & Betts Corporation. As a result of the sale, the Company reclassified the operations of the power quality business as a discontinued operation. Accordingly, the Company is filing this Current Report on Form 8-K to update our previously filed audited consolidated financial statements as of December 31, 2005 and 2006 and for each of the three years in the period ending December 31, 2006 to reflect the reclassification of the power quality business as a discontinued operation. These reclassifications had no effect on our reported net earnings or earnings per common share. Unaudited historical consolidated financial information for the quarter ended September 28, 2007 reflecting the power quality business as a discontinued operation was included in the Company's Quarterly Report on Form 10-Q for that period, which was filed with the SEC on October 18, 2007. Item 8 (Financial Statements and Supplementary Data) of Part II of our 2006 Annual Report on Form 10-K for the year ended December 31, 2006, updated for the reclassification described above, is attached as Exhibit 99.1 hereto.

The updated historical results, reflecting the reclassification described above, have no material impact on the disclosure in the Company's Management's Discussion and Analysis of Financial Condition and Results of Operations presented in the Company's Annual Reports on Form 10-K for the fiscal years ended December 31, 2004, 2005 and 2006 and have no material impact on the disclosure in the description of the Company's Business presented in the Company's Annual Reports on Form 10-K for the fiscal years ended December 31, 2004, 2005 and 2006.

The financial information contained in this Current Report is presented as of December 31, 2004, 2005 and 2006, as indicated in each case in Exhibit 99.1, and except as indicated above, this information has not been updated to reflect financial results or any other changes or developments subsequent to the applicable date.
