Item 1.01. Entry into a Material Definitive Agreement.

Put Option and Share Purchase Agreement

SunGard Data Systems Inc. (the Company) entered into a put option dated as of July 31, 2008 (the Put Option), with Euronext Paris SA, Gagnieres SC, Mr. Louis-Christophe Laurent, Mr. Pierre Gatignol, and Mr. Frédéric Morin (together referred to as the Sellers). Pursuant to the terms of the Put Option, the Sellers shall have the right to exercise until October 31, 2008, which deadline may be extended to November 30, 2008 under certain conditions (the Option Period), an option to sell to the Company the direct and indirect shareholding (the Block) they hold in GL Trade SA, a company organized under the laws of France (GL Trade). GL Trade's shares are admitted to trade on the Eurolist of Euronext Paris S.A. The Block shall consist of 900,032 GL Trade shares, and 100% of the share capital of Financière Montmartre, a French limited liability company holding 5,299,998 GL Trade shares, representing together a direct and indirect interest of 64.52% in the issued share capital of GL Trade. The Sellers have agreed that they will grant exclusivity to the Company until 30 calendar days after the end of the Option Period. During the Option Period, the Sellers shall cause GL Trade to inform and consult its workers' council. If, during the Option Period, the Sellers are in breach of their obligations under the Put Option or decide not to exercise the Put Option, the Sellers will, under certain conditions, pay to the Company a lump sum indemnity of 12 million to cover the costs and expenses incurred by it in respect of the transaction.

Upon exercise of the Put Option by the Sellers, the Sellers and the Company will enter into the share purchase agreement (the SPA) attached in agreed form to the Put Option, containing the terms and conditions upon which the Company will acquire the Block (the Transaction).

The purchase price for the Block shall be based on a price of 41.70 per GL Trade share. The purchase price shall be paid in cash on the date of completion of the Transaction, and there will be a post-completion adjustment to take account of any variation in the net assets position of Financière Montmartre.

Completion of the Transaction will be subject to antitrust clearance in Germany, and will take place within five business days from the date on which such clearance is obtained, or, at the election of the Company, on September 25, 2008 if such date is later. The Company has undertaken to diligently conduct the antitrust filing and to accept any undertakings that would be required by the German antitrust authorities, subject to certain conditions and provided that the loss of per annum EBITDA resulting from such undertakings does not exceed 10 million for the Company and GL Trade as a whole.

The Company benefits from representations and warranties from the Sellers, including specific indemnities in respect of existing litigations in which GL Trade is engaged. The indemnification clause under the SPA is subject to certain limitations and provides that any payments from the Sellers shall be capped at 15% of the purchase price received by them, save for liabilities incurred further to certain litigations of GL Trade in respect of which the cap has been set at \$22 million, corresponding to a maximum loss of \$39.5 million.

The Company has undertaken that it will cause GL Trade to refinance its existing indebtedness to the extent that such refinancing is imposed by the lenders. In particular, any amount outstanding under the 10 million revolving loan granted by Euronext Paris SA to GL Trade will be reimbursed at the latest within three business days from completion of the Transaction.

The Seller and the Company have the right to terminate the SPA if the closing has not taken place on the earlier of February 28, 2009 and the date which is four months after the date of the SPA (unless the terminating party is in breach of certain of its obligations under the SPA).

On completion of the Transaction, the composition of the board of directors of GL Trade and the relevant corporate bodies of its subsidiaries will be amended so as to comprise a majority of representatives of the Company. In particular, all Sellers but Mr. Pierre Gatignol will resign from their mandates.

The Sellers will be bound by non-compete and non-solicitation obligations with a duration of two years.

Shortly after completion of the purchase of the Block, the Company will file with the Autorité des Marchés Financiers (the French financial market regulator), a tender offer (the Offer) to purchase each outstanding share of GL Trade at the same price as the purchase of the Block, other than any shares owned by the Company. Such offer will then be launched and, after closing of such offer and in the event that the Company owns directly or indirectly at least 95% of the share capital and voting rights of GL Trade, there will be a de-listing of the GL Trade shares and a mandatory squeeze out (retrait obligatoire) will be implemented upon request of the Company, resulting in the Company holding 100% of the outstanding shares of GL Trade.

The foregoing descriptions of the Put Option and SPA do not purport to be complete and are qualified in their entirety by reference to the Put Option, which is filed as Exhibit 2.1 hereto and incorporated by reference herein, and the form of SPA, which is attached as an appendix to the Put Option and incorporated by reference herein.

Bridge Commitment Letter

In connection with the Transaction, the Company entered into a bridge commitment letter, dated as of July 31, 2008 (the Bridge Commitment Letter), with Goldman Sachs Credit Partners L.P., Citigroup Global Markets Inc., Lehman Brothers Inc., Lehman Commercial Paper Inc., Lehman Brothers Commercial Bank and KKR Capital Markets (collectively, the Commitment Parties), pursuant to which the Commitment Parties committed to provide the Company with a senior unsecured credit facility (the Bridge Facility) in an aggregate principal amount of \$700 million. To the extent the Company does not obtain alternative financing to fund the Transaction and the Offer, the Bridge Facility will be funded to finance the purchase of the Block and any shares tendered in the Offer. The commitments under the Bridge Commitment Letter will terminate upon the earliest of (x) February 28, 2009, (y) the date that is four months after execution of the SPA, and (z) the date of the termination of the SPA in accordance with the terms thereof that does not arise out of any action or inaction by any Commitment Party.

The financing under the Bridge Commitment Letter is subject to customary conditions precedent, including the purchase of the Block being consummated prior to, or simultaneously with, the funding of the Bridge Facility.

The Company's obligations under the Bridge Facility will be guaranteed by all of the Company's subsidiaries that guarantee the Company's senior unsecured notes due 2013 (the 2013 notes).

The foregoing description of the Bridge Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the Bridge Commitment Letter, which is filed as Exhibit 10.1 and incorporated by reference herein.

In connection with entering into the Bridge Commitment Letter, the Company has also agreed that subject to the satisfaction of specified conditions, upon request, it will incur senior unsecured debt, on or prior to its purchase of the Block, the proceeds of which are intended to provide up to \$700 million of the funds necessary to consummate the purchase of the Block and fund the Offer on or prior to the Company's purchase of the Block, or, if the Bridge Facility is funded, to refinance all or part of the Bridge Facility. Any such debt is expected to have terms and conditions and covenants substantially consistent with those relating to the 2013 notes. If the Company incurs any such debt prior to its purchase of the Block, we expect the gross proceeds in excess of \$250 million to be placed into an escrow account and, if no shares of GL Trade are purchased by the Company by February 28, 2009, the Company currently expects that it will redeem a portion of the debt at par with the escrowed funds, plus accrued interest.

Senior Commitment Letter

The Company also entered into a senior commitment letter, dated as of July 31, 2008 (the Senior Commitment Letter), with Goldman Sachs Credit Partners L.P., Citigroup Global Markets Inc., Lehman Brothers Inc., Lehman Commercial Paper Inc., Lehman Brothers Commercial Bank and KKR Capital Markets (collectively, the Senior Commitment Parties), pursuant to which the Senior Commitment Parties committed to provide the Company with a \$300 million incremental senior secured term facility under the Company's existing credit agreement, dated as of August 11, 2005, as amended (the Credit Agreement). The Company may use the proceeds from the incremental senior secured term facility for general corporate purposes, including the refinancing of the Company's existing 3.750% senior secured notes due January 15, 2009. In the event that the borrowing under the incremental senior secured term facility does not occur on or before November 15, 2008, the commitments under the Senior Commitment Letter will terminate.

The Company's obligations under the incremental senior secured term facility will be secured equally and ratably with obligations under the Credit Agreement. All of the Company's guarantors under the Credit Agreement will guarantee the Company's obligations under the incremental senior secured term facility. The Company will be required to comply with customary affirmative and negative covenants.

The foregoing description of the Senior Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the Senior Commitment Letter, which is filed as Exhibit 10.2 and incorporated by reference herein.

Receivable Facility Amendment Agreement

The lenders under the Company's insured receivables credit agreement, dated as of August 11, 2005, as amended (the Receivables Facility), are beneficiaries of a financial guaranty insurance policy issued by Financial Guaranty Insurance Company (FGIC). The provisions of the policy permit the lenders to terminate the policy at any time if FGIC has a long term debt rating from either S&P or Moody's that is below BBB+ or Baa1. FGIC's ratings are currently below such thresholds. If the lenders were to elect to terminate the policy in circumstances where the Company was unable to provide a replacement policy acceptable to the lenders, the loans under the Receivables Facility would amortize from receivables collections until paid in full and the Receivables Facility would terminate.

On July 31, 2008, SunGard Funding LLC and SunGard Financing LLC entered into an agreement and amendment (the Amendment Agreement) with FGIC, JPMorgan Chase Bank, N.A., Citicorp North America, Inc. and Deutsche Bank AG. In the Amendment Agreement, the lenders have agreed not to exercise their option to cancel the FGIC policy for a standstill period that will end 14 days after the lenders have received a satisfactory audit of the Company's receivables but in no event earlier than September 29, 2008 or later than October 29, 2008. After the end of the standstill period the lenders will again have the option to cancel the FGIC policy at any time if, at such time, FGIC has a long term debt rating from either S&P or Moody's that is below BBB+ or Baa1, respectively. On October 29, 2008, the aggregate limit on the amount of the Receivables Facility will step down from a maximum of \$450 million to a maximum amount determined by the lenders to be consistent with an implied rating for their loans under the Receivables Facility of A by S&P and A2 by Moody's. The Receivables Facility was structured originally to an implied BBB/Baa2 level (without giving effect to the FGIC insurance policy). In order to achieve the higher implied rating the Company expects that the overall advance rate will be reduced and that billed in advance receivables (*i.e.*, receivables billed before the services are performed) will become ineligible. If the lenders are unable to agree among themselves on what that maximum facility amount should be, then the aggregate limit on the amount of the Receivables Facility will step down to \$200 million.

The foregoing description of the Amendment Agreement does not purport to be complete and is qualified in its entirety by reference to the Amendment Agreement, which is filed as Exhibit 10.3 and incorporated by reference herein.

Re: Put Option

Dear Sirs,

We, SunGard Data Systems Inc. (SunGard), hereby confirm our irrevocable and binding commitment (the Put Option) to purchase or to cause a company controlled by us (the Purchaser) to purchase 100% of the share capital and voting rights of Financière Montmartre S.A. (FM) and the 900,032 shares of GL Trade S.A. (the Company) held by Euronext Paris, Gagnières and Messrs. Pierre Gatignol, Louis-Christophe Laurent and Frédéric Morin or any of their transferees and successors (the Sellers), in accordance with the agreement named Share Purchase Agreement in the form attached as Appendix A (this agreement together with its exhibits, the SPA) at the price conditions and under the sole condition precedents and all other terms and conditions provided for therein (the Transaction).

It is acknowledged that the SPA may be amended solely to reflect the actual Sellers at the date of execution of such agreement and actual proportionate obligations of such transferee and/or successor Sellers, provided that the initial Sellers shall (a) remain (i) sellers under the SPA and (ii) jointly and severally liable for the performance by their respective transferees and/or successors of any and all obligations (including with respect to the

representations and warranties and indemnification obligations) under the SPA transferred to them, and (b) act as representatives of their respective transferees and/or successors for the purpose of the SPA. Capitalized terms used in this letter and not defined therein shall have the meaning ascribed to them in the SPA.

The Put Option is valid from the date hereof until October 31, 2008 (or (i) such other date after October 31, 2008 as we may notify you in writing at our sole discretion if the Workers Committee Consultation (as defined below) is not completed by such date, provided that such extension shall not go beyond November 30, 2008 or (ii) November 30, 2008 in the event the workers committee of the Company has requested the appointment of an expert to the extent that the expert has not provided its report by October 15, 2008) (the Option Period), unless terminated by the Purchaser prior to that date in accordance with Article 4 below.

The Put Option can be exercised at any time within the Option Period once the information and consultation process before the workers committee of the Company pursuant to Article L. 2323-19 of the French Labor code in connection with the proposed Transaction (the Workers Committee Consultation) has been completed, by means of a registered letter with acknowledgement of receipt or by any other means evidencing the delivery of a written notification sent by the Sellers (the Exercise Notice).

We undertake to execute the SPA at a place to be agreed among us within three (3) Business Days from the receipt of the Exercise Notice or at such other date as shall be agreed by the Purchaser and the Sellers in writing.

1. Exclusivity

You undertake, as from the date hereof until the date which is thirty (30) calendar days after the end of the expiry of the Option Period:

- (a) not to, directly or indirectly, encourage, solicit, initiate or continue any discussion or negotiation relating to the transfer of any interest in FM or the Company or its Subsidiaries or assets, to any person or entity other than us;
- (b) to cease to supply through an electronic data room or otherwise, and not to supply any information or afford access to the business, properties, assets, books or records of FM and the Company or its Subsidiaries or assets to any person or entity other than us in relation to any transaction similar to, or with the same purpose as, the Transaction;
- (c) to instruct your advisers, agents and representatives to comply with the undertakings provided for under paragraphs (a) through (b) above.

In addition, you undertake to request in writing, as promptly as practically possible after the date hereof, any potential bidders which had access to the electronic data room organized by the Sellers and the Company in 2008 in relation to the sale process relating to FM and the Company or its Subsidiaries or assets to promptly deliver or cause to be delivered to the Company all such documents or other materials and/or to destroy (with such

delivery and destruction to be certified in writing to the Company or to the Sellers) all such documents or other materials prepared by them or by any of their representatives during the course of said sale process, in both cases to the extent of and in accordance with the terms and conditions of the confidentiality agreements entered into with said bidders.

2. Confidentiality

This Letter is subject to the terms and conditions of the Confidentiality Agreement entered into among FM, GL Trade, the Sellers and SunGard, dated April 21, 2008.

3. Other Commitments

We hereby request you to instruct the management team of the Company to initiate and conduct diligently the Workers Committee Consultation. You shall cause the Company to use its reasonable efforts to carry out the Workers Committee Consultation after the date hereof and you shall keep us informed in a timely manner of the progress thereof. We undertake to use our reasonable efforts to diligently cooperate with the Company in connection with the Workers Committee Consultation if you so request.

You shall and shall procure that the Company shall present to the workers committee of the Company the consequences of the proposed Transaction on the Company Group's headcount in a manner consistent with the presentation that we shall provide to you in due time to enable you to review and comment on the same before presentation to the workers committee of the Company which shall take place within twenty-five (25) Business Days of the date hereof.

We will prepare the notification required for the obtaining of the Antitrust Clearance so that the official notification to the Antitrust Authority may be filed as quickly as possible after the date hereof and in any case no later than fifteen (15) Business Days from the date hereof (provided that the Sellers will have provided, or caused GL Trade and its advisors to provide, to the Purchaser and its advisors all required information regarding GL Trade without undue delay). We mutually agree that the rights and obligations provided under Section 5.1 of the SPA shall be binding on us as from the execution of this letter in connection with said notification.

We mutually agree that the rights and obligations provided under Section 5.3 of the SPA shall be binding on you as from the execution of this letter.

We understand that, following completion of the Workers Committee Consultation, a final decision will be made by you regarding the Transaction. We hereby acknowledge that, until the execution of the SPA, you will not be bound by any obligation of any nature whatsoever in connection with the Transaction, other than for its compliance with the exclusivity undertaking and your other commitments provided for hereunder, and you hereby acknowledge that, until the exercise of the Put Option, we will not be bound by any obligation of any nature whatsoever in connection with the Transaction, other than for our compliance with the terms of this letter and our commitments provided for hereunder.

All announcements made in connection with this letter or the Transaction shall be subject to a prior written agreement among us.

4. Termination

Notwithstanding anything to the contrary in this letter, the Put Option may be terminated at any time prior to the end of the Option Period by us at our sole discretion, in the event that (i) the first meeting of the worker's committee of the Company has not been held within twenty-five (25) Business Days from the date hereof, or (ii) a law or regulation is issued, adopted or having otherwise become effective after the date hereof that makes it illegal or enjoins or prevents in any material respect the entering into the SPA (with no possibility to remedy or otherwise cure such illegality, injunction or prevention), or (iii) a proceeding by any governmental body, courts or arbitration proceeding is commenced or threatened in writing after the date hereof that seeks to make it illegal, to enjoin or to prevent in any material respect the entering into the SPA (with no possibility to remedy or otherwise cure such illegality, injunction or prevention), or (iv) there is a material breach of any of the covenants and obligations set forth in this letter on the part of the Sellers that (if curable) is not cured within twenty (20) Business Days after notice thereof.

If this letter is terminated and the Transaction is abandoned as described in the above paragraph, this letter shall become null and void and of no further force and effect, and there shall be no further obligation on the part of either Party, except that Articles 5 and 6 shall survive any such termination. Nothing in this Article 4 shall be deemed to release any Party from any liability for any breach by such Party of the terms and provisions of this letter prior to the time of termination. In particular, our right to terminate the Put Option in accordance with sub-paragraphs (i) and (ii) above is without prejudice to the provisions of Article 5 below.

5. Repayment of Fees

If (i) the Workers Committee Consultation has been completed before the expiration of the Option Period and you do not exercise the Put Option (ii) we have terminated the Put Option in accordance with Article 4(i) above or (iii) we have terminated the Put Option in accordance with Article 4(iv) above as a result of (x) a breach by you of the exclusivity undertaking set forth herein or (y) a wilful breach by you of your obligation to cause the management team of the Company to conduct diligently the Workers Committee Consultation, you agree to promptly pay to us a lump sum indemnity equal to twelve (12) million euros to indemnify us for the costs and expenses incurred by us in connection with the Transaction.

6. Governing Law

This letter shall be governed by, and construed in accordance with, the laws of France. Any disagreement or dispute arising in connection herewith shall be submitted to the *Tribunal de Commerce de Paris*.

We look forward to working together in the coming weeks towards the signing and Closing of this transaction.

By countersigning this letter, you agree to the exclusivity undertaking and your other commitments provided for herein

Sincerely,

The Sellers shall procure that, subject to applicable Law, the Company makes reasonable efforts to purchase for a nominal value all shares held by nominee shareholders (i.e., shares held by current or former directors, officers and employees of the Company Group on behalf of a member of the Company Group) in any member of the Company Group or any Person in which the Company has a direct or indirect interest (other than those securities accounted for as investment securities *valeurs mobilières de placement*), or enter with such shareholders into a standard loan agreement in relation to said shares.

Section 5.5 Notices of Certain Events relating to Representations, Warranties and Covenants. During the period beginning on the date hereof and ending on the Closing Date, each Party shall promptly notify the other Party of (i) the occurrence, or failure to occur, of any event, that would be likely to cause any of the representations or warranties made by such Party contained in this Agreement to be untrue or inaccurate in any material respect as of the Closing Date and (ii) any material failure to comply with or satisfy any of the covenants, conditions or agreements to be complied with or satisfied by such Party under this Agreement, and any material adverse change in the business, financial position and/or assets of FM, the Company or any of its Subsidiaries, it being understood that any new event or matter so disclosed by the Sellers to the Purchaser in accordance with this Section is for the purpose of the information of the Purchaser only and shall not be deemed to form part of the Information. For the avoidance of doubt, none of such new event or matter so disclosed by the Sellers to the Purchaser shall limit the right of the Purchaser to be indemnified under Article 6 of this Agreement.

Section 5.6 Non compete. Each Seller covenants with the Purchaser and the Company and its Subsidiaries that he/it shall not and shall procure that none of its Affiliates shall:

- (a) for a period of two (2) years from the Closing Date be concerned in any business, which is competitive with any of the businesses carried by the Company and its Affiliates as at the Closing Date;
- (b) for a period of two (2) years from the Closing Date canvass or solicit orders for goods and services similar to those provided by any member of the Company Group at the Closing Date from any person who is at the Closing Date or has been at any time within the year prior to the Closing Date a customer of any member of the Company Group; or
- (c) for a period of two (2) years from the Closing Date induce or attempt to induce any supplier of any member of the Company Group to cease to supply, or to restrict or vary the terms of supply, to that company, provided, however, that this Section 5.6(c) shall

not supersede or change any of the terms of any supply agreements entered into by Euronext Paris with any member of the Company Group; or

- (d) for a period of two (2) years from the Closing Date induce or attempt to induce any director or senior executive employee (meaning an employee earning more than 90,000 per year in base salary or 150,000 per year in salary and bonus) of the Company and its Affiliates to leave the employment of the Company or Affiliates with a view to hiring such person; or
- (e) make use of or (except as required by Law or any competent Governmental Authority) disclose or divulge to any third party any information of a secret or confidential nature relating to the processes, business or affairs of the Company and its Affiliates; or
- (f) use any trade name used by the Company and its Affiliates as at the Closing Date or any other name intended or likely to be confused with such a trade name.

For the purposes of this Section 5.6: a Seller is concerned in a business if he/it carries it on as principal or agent or if: (i) he/it is a partner, director, employee, secondee, consultant or agent in, of or to any Person who carries on the business; (ii) or he/it has any direct or indirect financial interest (as shareholder or otherwise) in any Person who carries on the business; or (iii) he/it is a partner, director, employee, secondee, consultant, or agent in, of or to any Person who has a direct or indirect Controlling financial interest (as shareholder or otherwise) in any Person who carries on the business, disregarding, with respect to (ii) and (iii) above, any financial interest in securities which amount to less than five per cent of the share capital and/or carry less than five per cent of the voting rights; provided, however, that in the event that the Person (other than any Seller) who carries on the competitive business(es) is also active in any business(es) other than the one(s) competing with those of the Company Group on the date hereof, nothing in Section 5.6(a) above shall refrain the Sellers from engaging themselves in any such non-competing business(es), in the capacity as director, employees, consultant or agent, provided that the competitive business is not a material part of the business of that Person's business.

Nothing in Section 5.6(a) shall restrict Euronext Paris or its Affiliates from (i) carrying out, directly or indirectly, those of their activities which compete with those of the Company and its Subsidiaries as at the date of this Agreement, it being agreed that, for the purposes of this Section 5.6, Atos Euronext Market Solutions Holding S.A.S. and its Subsidiaries shall be considered as Affiliates of Euronext Paris and (ii) carrying out, directly or indirectly, the activities, which compete with those of the Company and its Subsidiaries as at the Closing Date, of any business acquired by Euronext Paris or its Affiliates, provided that such competing activities represent no more than twenty percent (20%) of this acquired business' revenues at the time of the acquisition.

For the avoidance of doubt, nothing in this Section 5.6 shall be applicable to the proper performance by the Sellers (in accordance with the terms thereof) of agreements entered into between any Seller and the Purchaser, any of its Affiliates and any member of the Company Group, including, but not limited to, employment agreements, agency agreements and consultancy agreements.

Section 5.7 Expenses. All fees, costs and other expenses incurred in connection with this Agreement, the Transaction and the other transactions contemplated herein shall be borne by the Party that incurred such fee, cost or other expenses and neither Party will at any time for any reason whatsoever be under any obligation to compensate the other for such fees, costs or other expenses. Notwithstanding anything herein to the contrary, the Purchaser undertakes to the Sellers that it will bear and pay (i) any stamp or registration duties or other transfer taxes incurred on, or in connection with, the Transaction and the execution of this Agreement, (ii) all fees and commissions of the Investment Services Provider, (iii) all the fees, costs and other expenses incurred by the Purchaser, the Substituted Affiliate or any other Affiliates in connection with the Offer and (iv) in the event that the Closing does not take place for any reason whatsoever, by way of prompt indemnification to the Company any costs and expenses incurred by the Company with respect to the independent expert referred to in Section 5.4.6.

Section 5.8 Refinancing.

5.8.1 No later than on the Closing Date, the Purchaser shall, to the extent necessary, enter into agreements with banks in order to provide the Company with adequate financing to refinance on the Closing Date any credit facility or debt instrument of the Company or any of the Subsidiaries that could otherwise be accelerated as a result of, or in connection with, the Transaction or any transactions contemplated herein. The Purchaser acknowledges and agrees that the Sellers and each of their respective Affiliates shall have no liability therefor.

5.8.2 The Parties acknowledge that Euronext Paris has indicated that it will request the early repayment of all amounts due under, and termination of the Euronext Shareholder Loan Agreement, in accordance with the terms of the Euronext Shareholder Loan Agreement. As a result, as from the Closing Date, the Purchaser shall, to the extent necessary, provide financing to the Company so that any principal amounts, accrued interest and any other amount due to Euronext Paris under the Euronext Shareholder Loan Agreement have been fully repaid by payment in cash by the Company no later than three (3) Business Days following the Closing Date.

Section 5.9 Offer. The Parties acknowledge that, upon completion of the Transaction and in accordance with applicable takeover bid regulations, the Purchaser will file with the AMF a mandatory tender offer (*offre publique obligatoire*) under the simplified procedure, to purchase the remaining shares of the Company (the Offer). Subject to the limitations imposed by Law and, as the case may be, by existing

confidentiality arrangements, the Sellers shall (i) procure that the Company provide the Purchaser, as soon as reasonably practicable following a request, with the information and assistance that the Purchaser may reasonably request in connection with the preparation of the Purchaser Offer documentation, (ii) provide the Purchaser, as soon as reasonably practicable following a request, with the information that the Purchaser may reasonably request in connection with the defense in any proceedings that may hinder the implementation of the Offer, and (iii) refrain from doing anything which would have an adverse effect on the outcome of the Offer and/or would make the Offer more onerous to the Purchaser (in particular, the Sellers shall as from the date of this Agreement refrain from acquiring any share of GL Trade in addition to the Sellers GL Trade Shares, except through the exercise of their existing stock options, to the extent legally possible under applicable Law). The rights of the Purchaser under this paragraph shall not extend to being granted access to information which is reasonably regarded as confidential to the activities of FM or any member of the Company Group prior to the Closing Date.

Section 5.10 Delegation. The Sellers hereby delegate the Purchaser to FM in accordance with Articles 1275 *et seq.* of the French Civil Code for the payment of the Delegated Amount on the Closing Date. Each of the Purchaser and FM expressly accepts the above delegation. This delegation is an imperfect delegation (*délégation imparfaite*).

Section 5.11 GL Multimedia. The Parties acknowledge and agree that the Sellers shall cause the Company to purchase on or prior to the Closing Date all of the 2,751 shares in GL Multimedia S.A. held by Euronext Paris for a price equal to 1,065,000.

ARTICLE 6

INDEMNIFICATION

Section 6.1 Indemnification Principles.

- 6.1.1 Subject to the limitations in this Article 6, each Seller, acting for his/its own account and not severally and jointly (*à titre non solidaire*) with the other Sellers, except for Mr. Louis-Christophe Laurent who shall remain jointly and severally liable (*solidaire*) with Gagnières, shall indemnify the Purchaser for:
- (a) any Losses resulting directly from any breach of any representation or warranty of the Sellers contained in Sections 3.1 and 3.2.1 through 3.2.10; provided, however, that (i) for breach of any representation or warranty contained in Sections 3.2.1, 3.2.4, 3.2.6, 3.2.7, 3.2.8 (only to the extent it would relate to an undertaking made by FM), 3.2.9 and 3.2.10, each Seller's payment obligation in respect of the relevant Loss shall be proportionate to the number of FM Shares sold by such Seller to the Purchaser as set forth in front of his/its name in paragraph (A) of the Preamble, (ii) for breach of any representation or warranty contained in Sections 3.1, 3.2.3 and 3.2.5, each Seller's payment obligation in respect of the

relevant Loss shall be proportionate to the number of GL Trade Shares sold by such Seller, directly and indirectly through FM, to the Purchaser as set forth in Exhibit 6.1.1(a) and (iii) for breach of any representation or warranty contained in Section 3.2.2, each Seller's payment obligation in respect of the relevant Loss shall be proportionate to the number of Seller GL Trade Shares sold by such Seller as set forth in front of his/its name in paragraph (C) of the Preamble;

- (b) any Liability of FM, (i) which was not accounted for or which was insufficiently accounted for in the Financial Statements and the cause of which results directly from an event which occurred or a circumstance which existed prior to the Closing Date, including any requirement on FM to pay any Taxes not provided in the Financial Statements, in relation to the period prior to the Closing Date, but excluding any deferred Tax liability on unrealized capital gains on the FM GL Trade Shares, or (ii) which results from any Transaction Costs, whether accounted for in the Financial Statements or not, minus that part of Transaction Costs to be paid on Closing through the payment to FM by the Purchaser of the Delegated Amount, or any amount paid by the Sellers to FM under the Indemnification Obligations provided, however, that each Seller's payment obligation in respect of the relevant Liability shall be proportionate to the number of FM Shares sold by such Seller to the Purchaser as set forth in front of his/its name in paragraph (A) of the Preamble;
- (c) 64.52% of (x) any Losses resulting directly from any breach of any representation or warranty of the Sellers contained in Section 3.2.8 (only to the extent it would relate to an undertaking made by the Company Group) and Sections 3.2.11 through 3.2.21 (including for the avoidance of doubt Section 3.2.15(iii)), (y) any TT Losses of up to a maximum aggregate amount of US\$15,499,070 (corresponding to a maximum indemnity of US\$10,000,000) and/or (z) any Losses arising directly from the claim made in November 2005 by Tradition UK against Nyfix Overseas Inc. (now named GL Trade Overseas Inc.) as described in schedule 3.12 of the disclosure schedules of the share purchase agreement entered into among the Company, Nyfix Inc. and Nyfix Overseas Inc. on August 25, 2006 (included in the Data Room); provided, however, that, in each case, each Seller's payment obligation in respect of the relevant Loss or TT Loss, as applicable, shall be proportionate to the number of GL Trade Shares sold by such Seller, directly and indirectly through FM, to the Purchaser as set forth in Exhibit 6.1.1(a); and/or

- (d) If and when the aggregate amount of the TT Losses exceeds US\$15,499,070, 50% of the portion of the aggregate TT Losses in excess of US\$15,499,070 and up to a maximum aggregate amount of TT Losses of US\$39,499,070 (corresponding to an additional maximum indemnity of US\$12,000,000) (for the sake of clarity, the provisions of subparagraph (c)(y) apply to the portion of the aggregate TT Losses up to US\$15,499,070); provided, however, that each Seller's payment obligation in respect of the relevant TT Loss shall be proportionate to the number of GL Trade Shares sold by such Seller, directly and indirectly through FM, to the Purchaser as set forth in Exhibit 6.1.1(a).

6.1.2 Except for any liability of the Sellers under subparagraphs (b), (c)(y), (c)(z) and (d) of Section 6.1.1 above, no Seller shall however be liable to indemnify the Purchaser in connection with any matter:

- (a) Fairly Disclosed in the Information; or
- (b) that is Fairly Disclosed in this Agreement (including, for the avoidance of doubt, in any of its exhibits; it being specified for the avoidance of doubt that any disclosure made in an exhibit relating to a given representation is deemed to be made against all the other representations).

Any payment made by any Seller under this Article 6 shall be considered as a reduction in (i) the FM Shares Purchase Price paid to such Seller if made under subparagraphs (a)(i) and/or (b) of Section 6.1.1 above, (ii) the GL Trade Shares Purchase Price paid to such Seller if made for breach of any representation or warranty contained in Section 3.2.2, or (iii) the FM Shares Purchase Price and the GL Trade Shares Purchase Price paid to such Seller based on the pro rata portion of the Purchase Price for which the FM Shares Purchase Price and the GL Trade Shares Purchase Price account, respectively, if made under subparagraphs (a)(ii), (c) and/or (d) of Section 6.1.1.

Section 6.2 Claim Notice. In order to be valid, any claim made by the Purchaser pursuant to Section 6.1 above (a Claim) should give rise to a written notice to the Seller, specifying (in reasonable detail) the matter which gives rise to the Claim, the nature of the Claim, the amount, if available, claimed in respect thereof (setting forth, in reasonable detail, the Purchaser's calculation of the Loss thereby alleged to have been suffered by it), any supporting documentation and the date on which any member of the Company Group became aware of the grounds for the Claim (a Claim Notice).

Section 6.3 Time limits. In order to be valid, any Claim Notice shall be notified within the following time limits:

- (a) in the case of a Claim based on a breach of the representations and warranties contained in Sections 3.2.1 and 3.2.2 until the third (3rd) anniversary of the Closing Date; or
- (b) in the case of a Claim based on a breach of the other representations and warranties contained in Sections 3.1 and 3.2.3 through 3.2.21 and/or a Claim made pursuant to subparagraphs (b) and (c)(z) of Section 6.1.1, within eighteen (18) months from the Closing Date; or
- (c) in the case of a Claim made pursuant to subparagraphs (c)(y) and/or (d) of Section 6.1.1, within seven (7) years from the Closing Date.

Any Claim Notice so notified shall (if it has not been previously accepted, satisfied, settled or withdrawn) be deemed to be withdrawn six (6) months (or twelve (12) months for a Claim with respect to a TT Loss) after the relevant time limit set out above unless court proceedings in respect of it have been initiated against the Sellers, or unless negotiation to reach settlement agreement, expertise or court or arbitration proceedings in respect of it have been initiated with or against any third party (i) to resist that third party claim which has given rise to the relevant Claim Notice or (ii) to definitively determine the amount of such third party claim, in accordance with Article 6.10 below, in which case any such Claim Notice so notified shall only be deemed withdrawn six (6) months (or twelve (12) months for a Claim with respect to a TT Loss) after the date at which the amount of the Loss (or the TT Loss, respectively) in respect of such Claim Notice is definitively ascertained and/or determined unless, in case of disagreement with the Sellers on the principle or amount of the indemnification for such ascertained third-party claim, court proceedings have been initiated by the Purchaser against the Sellers.

Section 6.4 Minimum Claims. No indemnity shall be due by the Sellers in respect of any Claim if the amount for which the Sellers would be liable under this Article 6, but for this Section 6.4, in respect of such Claim does not exceed a threshold of (i) 200,000 for any Claim made pursuant to subparagraph (b) of Section 6.1.1 (except for any Claim in relation to any Transaction Costs, where no such threshold shall apply) and any Claim based on a breach of the representations and warranties contained in Sections 3.2.1, 3.2.6, 3.2.7, 3.2.8 (only to the extent it would relate to an undertaking made by FM), 3.2.9 and 3.2.10, and (ii) of 300,000 for any other Claim; it being understood that if such amount is exceeded in respect of a given Claim, subject as otherwise provided in this Agreement, the full amount of such liability in respect of that Claim shall be recoverable from the Sellers (without prejudice to the other provisions of this Agreement and in particular to the provisions of Section 6.5) and it being further provided for purposes of this Section 6.4 that all Claims arising from the same facts or circumstances shall be treated as a single Claim.

Section 6.5 Deductible. No indemnity shall be due by the Sellers in respect of any Claim made pursuant to subparagraphs (a) and (c)(x) of Section 6.1.1, unless (i) the Claim is based on a breach of the representations and warranties contained in Sections 3.2.1, 3.2.6, 3.2.7, 3.2.8 (only to the extent it would relate to an undertaking made by FM), 3.2.9 and 3.2.10, or (ii) the aggregate amount for which the Sellers are liable under this Article 6 (taking into consideration, in particular, the provisions of Section 6.4) with respect to Claims made pursuant to paragraphs (a) and (c)(x) of Section 6.1.1 (save for any Claim based on a breach of the representations and warranties contained in Sections 3.2.1, 3.2.6, 3.2.7, 3.2.8 (only to the extent it would relate to an undertaking made by FM), 3.2.9 and 3.2.10) exceeds a deductible equal to 2,000,000, it being understood that if such deductible is exceeded, the Sellers shall only be liable for the amounts in excess of such deductible, subject to the maximum liability pursuant to Section 6.6 below. For the avoidance of doubt this Section 6.5 shall not limit or reduce the indemnification rights of the Purchaser in respect of any Claim made pursuant to subparagraphs (b), (c)(y), (c)(z) and (d) of Section 6.1.1 or any Claim based on a breach of the representations and warranties contained in Sections 3.2.1, 3.2.6, 3.2.7, 3.2.8 (only to the extent it would relate to an undertaking made by FM), 3.2.9 and 3.2.10.

Section 6.6 Maximum Liability. Subject to Section 6.5 above, (i) the cumulative aggregate amount for which the Sellers may be liable for breach of the representations made under Sections 3.1 and 3.2 (other than under Sections 3.2.1 and 3.2.2) and pursuant to subparagraphs (c)(y), (c)(z) and (d) of Section 6.1.1 shall not exceed fifteen percent (15%) of the Purchase Price and (ii) the cumulative aggregate amount for which the Seller may be liable for breach of the representations made under Sections 3.2.1 and 3.2.2 and pursuant to subparagraph (b) of Section 6.1.1 shall not exceed the Purchase Price.

Section 6.7 Deduction of Certain Amounts.

- 6.7.1 Any indemnification due by the Sellers under this Article 6 shall be reduced by the amount of the insurance proceeds or any amount (whether by payment, discount, credit, relief or otherwise) actually received or recovered from a third party by FM, the relevant member of the Company Group, the Purchaser or any of its Affiliates in connection with the Loss for which such indemnification is due. In the event said insurance proceeds or amounts are received or recovered after the indemnification due hereunder is paid by the Sellers, the Purchaser shall pay, or shall procure that FM, the relevant member of the Company Group or the Purchaser or any of its Affiliates pays, to the Sellers (pro rata the allocation of the FM Shares Purchase Price or the GL Trade Shares Purchase Price, depending on whether the concerned indemnification is considered a reduction of any of them in accordance with Section 6.1.2 above) an amount equal to (i) said insurance proceeds or amounts received or recovered or (ii) if less, the indemnification paid by the Sellers to the Purchaser in respect of such Loss; and on the basis that there will be deducted from the insurance proceeds or any amount (whether by payment, discount, credit, relief or otherwise) actually received or

recovered from a third party by FM, a member of the Company Group, the Purchaser or any of its Affiliates in connection with the Loss, all the reasonable costs and expenses directly incurred by FM, a member of the Company Group, the Purchaser or any of its Affiliates in making such recovery, including any related increase in insurance premiums directly and solely resulting from the relevant Loss.

6.7.2 The amount of the indemnification for which the Sellers may be liable will be calculated after deducting the amount of any benefit received or realized by FM, the members of the Company Group or the Purchaser on account of the Loss giving rise to the Claim and resulting from any reduction, savings or recovery of debts and Taxes, including in particular Tax savings (in the form of either immediate Tax reduction or increase in Tax loss carry-forward) benefiting to FM or the relevant member of the Company Group as a result of the Tax deductibility of said Loss.

6.7.3 Any indemnification due by the Sellers under this Article 6 shall be reduced in respect of any Claim if a provision is made for the matter giving rise to the Claim in the Financial Statements or the Consolidated Financial Statements, as appropriate, and to the extent of such provision.

Section 6.8 Other Limitations.

6.8.1 A Loss shall be eligible for indemnification by the Sellers to the extent and only to the extent such Loss has effectively been sustained by the Purchaser, FM or a member of the Company Group and shall be computed without regard to any valuation multiple that may have been used in determining the Purchase Price.

6.8.2 If a Claim is based upon a liability which is contingent only, no indemnification shall be due by the Sellers unless and until such liability is actually suffered.

6.8.3 The amount of the indemnity due by any Seller in connection with a Loss sustained by a member of the Company Group shall be calculated by applying the percentage of the direct and/or indirect shareholding held by such Seller, directly and indirectly, in the share capital of said member of the Company Group at the Closing Date.

6.8.4 The Sellers shall not be held liable for indemnification to the extent the Loss for which indemnification is sought is attributed to any voluntary action or omission on the part of the Purchaser, FM and/or any member of the Company Group after the Closing Date, except for actions required to comply with any binding obligation under applicable Law or the applicable accounting principles on or before the Closing Date.

- 6.8.5 Any Loss arising from a Tax adjustment notified by a Governmental Entity which has the effect of transferring an expense, income or deduction from one financial year to another or gives rise to a corresponding Tax credit or permits FM or any member of the Company Group to avoid or to reduce an effective Tax for an equal amount, will be limited in amount to the amount of applicable penalties and late payment interest due by FM or any member of the Company Group.
- 6.8.6 If an amount of VAT is subject to a Tax adjustment notified by a Governmental Entity and such VAT is recoverable, a Claim may only be made for the amount of penalties and late payment interest arising from such Tax adjustment.
- 6.8.7 The Sellers shall not be liable for indemnification to the extent the Claim is a result of any Law that was not enacted as of the Closing Date.
- 6.8.8 The Sellers shall not be liable to the Purchaser (or such liability shall be reduced) for any indemnification under this Article 6 to the extent that the subject matter of the Claim is expressly taken into account in the calculation of the Post-Closing Purchase Price Adjustment.

Section 6.9 Mitigation of the Matter Giving Rise to the Claim. After the Purchaser has become aware of a situation giving rise to a Loss that may give rise to indemnification hereunder, the Purchaser shall use its best efforts so that all commercially reasonable measures and steps are taken by FM or the relevant members of the Company Group and all commercially reasonable assistance is given by FM or the members of the Company Group in order to avoid or minimize the amount of such Loss, subject however to the interest (*intérêt social*) of the Purchaser, FM and the relevant member of the Company Group, and taking into account what can be expected in such respect from a *bon père de famille* acting in good faith; it being further agreed that any costs and expenses related to such mitigating action, if reasonably incurred, shall constitute, for the avoidance of doubt, part of the Loss in respect of which the Claim may be made. Nothing in this provision shall require, in relation to the TT Patents, the Purchaser or any member of the Company Group to take the initiative of removing any current software from any customers of the Company Group, or any portion thereof.

Section 6.10 Conduct of Claims. The Purchaser shall, when aware of any matter that may give rise to a Claim against the Sellers:

- (a) give to the Sellers a Claim Notice no later than twenty (20) Business Days after any member of the Company Group becomes aware of such matter;
- (b) allow, and shall procure that FM or the members of the Company Group allow, the Sellers (and their advisors) to have reasonable access to FM or the relevant member of the Company Group in

order to investigate the matter or circumstance alleged to give rise to such Claim;

- (c) allow, and shall procure that FM or the members of the Company Group allow, each Seller to participate at its own costs in the defense of any third party claim giving rise to the Claim upon condition that any such Seller elects to do so no later than thirty (30) calendar days from receipt of a notice from the Purchaser requesting such election to be made or, in the case of emergency court proceedings or where a reply to a notification made by any Governmental Authorities must be given within a specified time period, such earlier time as is necessary to permit necessary actions, and the Purchaser shall in good faith take into account the opinion of such Seller as to the conduct of the defense of such third party claim and shall allow or procure FM or the relevant member of the Company Group to allow such Seller and its advisors to make comments with respect to any written submission of pleadings;
- (d) abstain from, and shall procure that FM or the relevant member of the Company Group shall abstain from, compromising or settling without the prior consent of the Sellers, which shall not be unreasonably withheld or delayed taking into account inter alia the corporate or commercial interest of FM or the relevant member of the Group Company.

Any indemnification due in connection with a Claim involving the payment of money shall only be due after the amount becomes finally due after completion of all commercially reasonable recourses, unless the Purchaser, FM or the relevant member of the Company Group is required by Law or a binding decision of a Governmental Authority to make a payment or to pay any amount under a binding compromise or settlement agreement entered into in accordance with the provisions of this Section 6.10, in which case (i) with respect to any payment to be made, half of the indemnification due by the Sellers under this Article 6, and (ii) with respect to any payment to be made under a compromise or settlement agreement, all of the indemnification due by the Sellers under this Article 6, becomes due and shall be paid within thirty (30) calendar days from the date of notification by the Purchaser to the Sellers of the determination of such payment.

In the event that, after the Sellers have paid the amount due by them in relation to a Claim under paragraph (i) above:

- any proceeds or amounts are received or recovered by FM, the relevant member of the Company Group or the Purchaser or any of its Affiliates in relation to such Claim pursuant to a binding decision of a Governmental Authority after completion of all commercially reasonable recourses, the Purchaser shall pay, or shall procure that FM, the relevant member of the Company Group or the

Purchaser or any of its Affiliates pays, to the Sellers (pro rata the allocation of the FM Shares Purchase Price or the GL Trade Shares Purchase Price, depending on whether the concerned indemnification is considered a reduction of any of them in accordance with Section 6.1.2 above) an amount equal to (i) said amounts received or recovered or (ii) if less, an amount equal to the amount paid by the Sellers to the Purchaser in respect of such Claim. Any such amount shall be (i) increased by an interest on such amount calculated on the basis of the Euribor three month rate for the period from (but excluding) the date on which the Sellers' payment was made under the above paragraph to (and including) the date of the payment of such amount to the Sellers, and (ii) reduced by all the reasonable costs and expenses directly incurred by FM, a member of the Company Group, the Purchaser or any of its Affiliates in making such recovery (provided, however, for the avoidance of doubt, that the aggregate amount of such reasonable costs and expenses together with any indemnification remaining due by the Sellers exceed the applicable minimum amount set forth in Section 6.4) and shall be paid within thirty (30) calendar days from the Governmental Authority's binding decision; and

- the Purchaser, FM or the relevant Group Company is required by a binding decision of a Governmental Authority after completion of all commercially reasonable recourses to make a final payment in relation to such Claim which is in excess of the amount paid by the Sellers under paragraph (i) above, the Sellers shall pay within thirty (30) calendar days from the date of notification by the Purchaser to the Sellers of the determination of such payment, an amount equal to such excess increased by an interest on such amount calculated on the basis of the Euribor three month rate for the period from (but excluding) the date on which the Sellers' payment was made under paragraph (i) above to (and including) the date of the payment of said excess by the Sellers.

For the purpose of this Section 6.10, in the case the Sellers do not share a common view as to the conduct of the defense against any third party claim, and in particular, with respect to Article 6.10 (d), in the case the Sellers disagree on whether or not a consent shall be given to a proposed compromise or settlement, the Purchaser shall be authorized to only take into account the decision of the majority of the Sellers, such majority being at least two-thirds of the total number of GL Trade Shares sold by the Sellers, directly and indirectly through FM, to the Purchaser as set forth in Exhibit 6.1.1(a). Any failure by a Seller to reply to the Purchaser's notice within thirty (30) calendar days or, in the case of emergency court proceedings or where a reply to a notification made by any Governmental Authorities must be given within a specified time period, such earlier time notice as is necessary to permit necessary actions, shall conclusively mean that such Seller has accepted, without reservations, the proposal made by the Purchaser with respect to the relevant third party claim.

In the case of emergency court proceedings or where a reply to a notification made by any Governmental Authorities must be given within a shorter time period than the above mentioned thirty (30) calendar day period, the Purchaser shall, and shall procure that FM, the Purchaser or the relevant member of the Company Group shall take

all commercially reasonable actions to seek from the third party or Governmental Authority concerned an extension of the period during which a final decision must be made.

Section 6.11 No Other Representations. The Sellers neither make any representation nor give any warranty to the Purchaser other than as specifically provided for in this Agreement. Without limiting the generality of the foregoing, the Sellers make no representation and give no warranty to the Purchaser with respect to financial projections, budgets or management analyses relating to any member of the Company Group and to the future profitability and financial performance of any member of the Company Group.

ARTICLE 7

TERMINATION

Section 7.1 Termination.

- 7.1.1 Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated and the Transaction abandoned at any time prior to the Closing:
- (a) by mutual written agreement of all the Sellers and of the Purchaser;
 - (b) by the Purchaser, if there shall have been a material breach of any of the covenants set forth in this Agreement on the part of the Sellers that (if curable) is not cured within twenty (20) Business Days after notice thereof;
 - (c) by any Seller, if there shall have been a material breach of any of the covenants set forth in this Agreement on the part of the Purchaser that (if curable) is not cured within twenty (20) Business Days after notice thereof; provided, however, that any breach of Section 5.1.1 is deemed not to be curable;
 - (d) by any Seller, if the Closing does not occur within three (3) months following the date hereof, or four (4) months following the date hereof in the event the Antitrust Authority opens a phase 2 review in relation to the Transaction, so long as the Party wishing to terminate this Agreement under this Section 7.1.1(d) shall not have breached its obligations under Sections 5.1 and 5.2 in any manner that shall have caused the failure to complete the Transaction on or before such date;
 - (e) by the Purchaser, if the Closing does not occur on the earliest of four (4) months following the date hereof and February 28, 2009, provided, however, that the Purchaser shall not have the right to terminate this Agreement under this Section 7.1.1(e) in the event

that the Purchaser has breached its obligations under this Agreement in any manner that shall have caused the failure to complete the Transaction on or before such date;

- (f) by any of the Sellers or the Purchaser in the event that the conditions set forth in Section 4.2 are not satisfied on or prior to the Closing and the situation is not remedied within three (3) months following the date hereof.

7.1.2 In the event of termination by any Seller or the Purchaser pursuant to this Section 7.1, written notice thereof shall forthwith be given to the others Parties and, except as provided in Section 7.2, the Transaction shall be terminated without further action by any Party.

Section 7.2 Effect of Termination. If this Agreement is terminated and the Transaction is abandoned as described in Section 7.1, this Agreement shall become null and void and of no further force and effect, and there shall be no further obligation on the part of either Party, except that Articles 1, 5.7, 7.2, 8, 9, 10.1, 11, 12, 13 and 14 shall survive any such termination.

Bridge Commitment Letter

Ladies and Gentlemen:

SunGard Data Systems Inc. (the Borrower or you), has advised each of Goldman Sachs Credit Partners L.P. (GSCP), Citigroup Global Markets Inc. (CGMI), Lehman Brothers Inc. (Lehman), Lehman Commercial Paper Inc. (LCPI), and Lehman Brothers Commercial Bank (together with LCPI, Lehman Lenders), and KKR Capital Markets LLC (KCM and, together with GSCP, CGMI, Lehman and Lehman Lenders, the Commitment Parties, we or us) that the Borrower intends to, directly or indirectly, acquire substantially all of the outstanding equity interests of GL Trade S.A., a French company (the Acquired Company) and to consummate the other Transactions (as defined in Exhibit A attached hereto) described in the transaction description attached hereto as Exhibit A (the Transaction Description). Capitalized terms used but not defined herein have the meanings assigned to them in the Transaction Description and the Bridge Facility Summary of Terms and Conditions attached hereto as Exhibit B (the Term Sheet). Citigroup shall mean Citigroup Global Markets Inc. (CGMI), Citibank, N.A., Citicorp USA, Inc., Citicorp North America, Inc. and/or any of their affiliates as CGMI shall determine to be appropriate to provide the services contemplated herein.

In connection with the Transactions, each of GSCP, CGMI (on behalf of Citigroup), Lehman Lenders and KCM (in such capacity, collectively, the Initial Lenders) is pleased to advise you of its several, but not joint, commitment to provide the percentage of the entire aggregate principal

amount of the Facility as set forth in Schedule A hereto, upon the

terms and subject to the conditions expressly set forth or referred to in this Commitment Letter and in the Term Sheet.

You hereby appoint (a) GSCP and CGMI to act, and each of GSCP and CGMI hereby agree to act, as joint lead arrangers for the Facility and (b) GSCP, CGMI, and Lehman to act, and GSCP, CGMI, and Lehman hereby agree to act, as joint bookrunners for the Facility (in such capacity, the Joint Bookrunners). It is agreed that GSCP shall have left placement in any and all marketing materials or other documentation used in connection with the Facility and shall hold the leading role and responsibilities conventionally associated with such left placement, including maintaining sole physical books in respect of the Facility. It is agreed that no other arrangers, bookrunners, agents or co-agents will be appointed without the approval of each Commitment Party and no Lender (as defined below) will receive compensation with respect to the Facility outside the terms contained herein and in the letter of even date herewith addressed to you providing, among other things, for certain fees relating to the Facility (the Fee Letter), in each case unless you and we so agree.

The Initial Lenders reserve the right, prior to or after the execution of definitive documentation for the Facility (the Financing Documentation), to syndicate all or a portion of the Initial Lenders' several commitments hereunder to one or more banks, financial institutions or other institutional lenders reasonably acceptable to us (after consultation with you and the Sponsors (as defined in that certain Credit Agreement, dated as of August 11, 2005 (as amended, the Credit Agreement), among SunGard Holdco LLC, among Solar Capital Corp., the Overseas Borrowers (as defined therein) party thereto, the Borrower, the lenders from time to time party thereto, and JPMorgan Chase Bank, N.A., as administrative agent)) that will become parties to the Financing Documentation pursuant to a syndication to be managed by us (after consultation with you and the Sponsors) (the banks, financial institutions and other institutional lenders becoming parties to the Financing Documentation, together with the Initial Lenders, being collectively referred to as the Lenders); provided that, the Initial Lenders agree that no Initial Lender will syndicate to those banks, financial institutions or other institutional lenders identified by you or any Sponsor in writing (including by email) prior to the date hereof; provided, further, that notwithstanding each Initial Lender's right to syndicate the Facility and receive commitments with respect thereto, (a) no assignment of commitments of any Initial Lender prior to the date of the funding of the Facility (the Closing Date), shall reduce such Initial Lender's obligation to fund its entire commitment in the event any assignee of such Initial Lender shall fail to do so on the Closing Date, and (b) each Initial Lender shall retain exclusive control over all rights and obligations with respect to its commitment, including all rights with respect to consents, modifications and amendments under the Facility until the Closing Date.

You agree to use your commercially reasonable efforts to assist the Joint Bookrunners in completing a syndication reasonably satisfactory to the Joint Bookrunners. You agree to actively assist us in achieving a timely syndication of the Facility, which we intend to conduct before the closing of the Facility (but which we reserve the right to conduct, and continue to conduct, after the closing of the Facility). Such assistance shall include (i) your using commercially reasonable efforts to ensure that the syndication efforts benefit materially from your existing banking relationships and the existing banking relationships of the Sponsors and the Borrower, (ii) your causing direct contact between your senior management,

representatives and advisors, on the one hand, and the proposed Lenders, on the other hand at mutually agreed upon times, (iii) your assistance in the preparation of a customary confidential information memorandum (the Confidential Information Memorandum) for the Facility and other customary marketing materials to be used in connection with the syndication (the Information Materials), (iv) the hosting, with the Joint Bookrunners, of a reasonable number of meetings to be mutually agreed upon of prospective Lenders at times and at a location to be mutually agreed upon, and (v) your using commercially reasonable efforts to obtain ratings from each of Standard & Poor's Ratings Group (S&P) and Moody's Investors Service, Inc. (Moody's) for the Facility and update your corporate credit rating and corporate family rating from each of S&P and Moody's, respectively. You understand that we may decide to commence syndication efforts for the Facility promptly after the date hereof. Without limiting your obligations to assist with syndication efforts as set forth above, each Initial Lender agrees that the successful completion of such syndication is not a condition to its commitment hereunder. To ensure an orderly and effective syndication of the Facility, you agree that until the earlier to occur of (a) the date that is one year after the Closing Date and (b) the successful placement of the Notes, there shall be no competing offering, placement or arrangement of any debt securities or other debt financing by you or any of your subsidiaries (other than (i) the Notes, (ii) the senior secured term loan financing contemplated by the other commitment letter, dated as of the date hereof, between you and us, (iii) any refinancing, replacement or other modification of the Borrower's existing receivables facility, (iv) any ordinary course financings or refinancings by the Acquired Company permitted under the Acquisition Agreement or (v) if the Closing Date occurs, any borrowing of senior secured loans under the Credit Agreement) without our prior written consent.

We will manage all aspects of the syndication, including, without limitation, selection of Lenders (after consultation with you and the Sponsors), determination of when the Joint Bookrunners will approach potential Lenders and the time of acceptance of the Lenders' commitments, any naming rights, any title of agent or similar designations or roles awarded to any Lender, the final allocations of the commitments among the Lenders and the amount and distribution of fees among the Lenders. To assist the Joint Bookrunners in such syndication efforts, you agree to use your commercially reasonable efforts to provide promptly to us all customary information reasonably available to you with respect to you, the Acquired Company and your and its subsidiaries and the Transactions, including, without limitation, all reasonably available financial information concerning you and the Acquired Company and projections relating to you and the Acquired Company and the Transactions (including financial estimates, forecasts and other forward-looking statements, the Projections), as we may reasonably request in connection with the syndication of the Facility.

You hereby acknowledge that certain prospective Lenders (such Lenders, Public Lenders ; all other Lenders, Private Lenders) may have personnel that do not wish to receive material non-public information (within the meaning of the United States federal securities laws) with respect to you, the Acquired Company and your and their respective subsidiaries, or your or their respective securities (collectively, MNPI), and who may be engaged in investment and other market-related activities with respect to such entities' securities. You agree, at our request, to prepare a version of the Confidential Information Memorandum and Information Materials to be used in connection with the syndication of the Facility (which will

be posted to IntraLinks or SyndTrak or by other similar electronic means), consisting exclusively of information and documentation that does not contain MNPI (the Public Information Materials). The parties hereto intend that the Public Information Materials will be substantially consistent with the information included in any offering memorandum for the offering of the Notes or in filings made with the Securities and Exchange Commission. Before distribution of any Information Materials (a) to prospective Private Lenders, you shall provide us with a customary letter authorizing the dissemination of the Information Materials and exculpating us with respect to any liability related to the use of the contents (and exculpating you, the Sponsors and the Acquired Company in the event of any unauthorized use) of the Information Materials by the recipients thereof and (b) to prospective Public Lenders, you shall provide us with a customary letter authorizing the dissemination of the Public Information Materials and confirming the absence of MNPI therefrom and exculpating us with respect to any liability related to the use of the contents (and exculpating you, the Sponsors and the Acquired Company in the event of any unauthorized use) of the Information Materials by the recipients thereof. In addition, you shall identify Public Information Materials by clearly and conspicuously marking the same as PUBLIC .

You agree that the Commitment Parties on your behalf may distribute the following documents to all prospective Lenders: (a) administrative materials for prospective Lenders such as lender meeting invitations, allocations and funding and closing memoranda, (b) the Term Sheet and notifications of changes to the terms of the Facility, (c) drafts and final versions of the Financing Documentation and (d) other materials intended for prospective Lenders after the initial distribution of the Information Materials. Notwithstanding the foregoing, if you so advise the Commitment Parties in writing (including by email) within a reasonable time prior to their intended distribution that any materials described in clause (d) above should only be distributed to prospective Private Lenders, then the Commitment Parties will not distribute such materials to Public Lenders without further discussions with you.

You hereby represent and warrant that (a) all written information concerning you and your subsidiaries, and, to the best of your knowledge all written information concerning the Acquired Company and its subsidiaries, other than the Projections and information of a general economic or industry nature (collectively, the Information) that has been or will be made available to any Commitment Party by you, the Acquired Company or any of your or its respective subsidiaries or by any of your or its respective representatives (including, without limitation, the Sponsors) on your behalf is and will be when furnished, taken as a whole, accurate in all material respects and does not and will not when furnished, taken as a whole, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which such statements are made, not materially misleading and (b) the Projections that have been or will be made available to any Commitment Party by you or any of your or its subsidiaries or by any of your or its representatives (including, without limitation, the Sponsors) on your behalf have been and will be prepared in good faith based upon assumptions believed by you to be reasonable at the time of preparation thereof and at the time the related Projections are made available to the Commitment Parties; it being understood that such financial projections are subject to significant uncertainties and contingencies, many of which are beyond your control, that no assurance can be given that any particular financial projections will be realized, that actual results may differ and that such

differences may be material. If, at any time prior to the earlier to occur of (i) the successful syndication of the Facility and (ii) the date that is 30 days after the Closing Date, you become aware that any of the representations and warranties in the preceding sentence would be incorrect in any material respect if the Information and Projections were being furnished, and such representations were being made, at such time, you agree to supplement the Information and the Projections, such that the representations and warranties in the preceding sentence remain true in all material respects; provided that Borrower shall have no obligation to update Projections after the Closing Date. In arranging the Facility, including the syndication of the Facility, each of the Commitment Parties will be entitled to use and rely primarily on the Information and the Projections without responsibility for independent verification thereof.

As consideration for the Initial Lenders' several commitments hereunder and the Joint Bookrunners' agreement to syndicate the Facility, you agree to pay (or to cause to be paid) to the Initial Lenders and the Joint Bookrunners the fees as set forth in the Term Sheet and in the Fee Letter. Once paid, such fees shall not be refundable under any circumstances.

The Initial Lenders' several commitments hereunder and the Joint Bookrunners' agreements to perform the services described herein are subject to (a) the execution and delivery of Financing Documentation consistent with this Commitment Letter and the Term Sheet and, for any other provisions in the Financing Documentation not addressed in the Term Sheet, consistent with similar bridge financing transactions with such changes as are mutually agreed in good faith to reflect the specific nature of the Acquisition (as defined in Exhibit A hereto) and (b) the other conditions set forth in the sections entitled "Conditions Precedent to Borrowing" in the Term Sheet.

Notwithstanding anything in this Commitment Letter, the Term Sheet, the Fee Letter, the Financing Documentation or any other letter agreement or other undertaking concerning the financing of the Transactions to the contrary, (a) the only representations and warranties relating to you, the Acquired Company, your and its subsidiaries and your and their businesses, the accuracy of which on the Closing Date shall be a condition to availability of the Facility on the Closing Date, shall be the Specified Representations (as defined below) and (b) the terms of the Financing Documentation shall be in a form such that they do not impair availability of the Facility on the Closing Date if the conditions set forth in the immediately preceding paragraph and in "Conditions Precedent to Borrowing" in Exhibit B have been satisfied. For purposes hereof, Specified Representations means (i) all the representations and warranties of the Acquired Company in the Acquisition Agreement (as defined in Exhibit A), the accuracy of which is a condition to your obligation to close the Acquisition and (ii) the representations and warranties in the Financing Documentation for the Facility relating to due organization of the direct holding company parent of the Borrower, the Borrower and the Guarantors, corporate power and authority (as they relate to due execution, delivery and performance of such Financing Documentation), due authorization, execution, delivery and performance of such Financing Documentation, enforceability of such Financing Documentation, solvency on the Closing Date of the Borrower and its restricted subsidiaries on a consolidated basis, no conflicts with applicable laws, charter documents or material debt agreements, status of the Facility as senior debt, Federal Reserve margin regulations and the Investment Company Act.

You agree (a) to indemnify and hold harmless each Commitment Party, its affiliates (other any Sponsor in its capacity as an equity holder or any Advisor (as defined below) in its capacity as such) and their respective partners, officers, directors, members, employees, agents, advisors and controlling persons (collectively, the indemnified persons), from and against any and all losses, claims, damages, liabilities and expenses, joint or several, that may be incurred by or awarded against any indemnified person arising out of or in connection with this Commitment Letter, the Term Sheet, the Fee Letter, the Transactions and the other transactions contemplated hereby, the Facility and the use of proceeds thereof or any claim, litigation, investigation or proceeding (any of the foregoing, a Proceeding) relating to any of the foregoing, regardless of whether any such indemnified person is a party thereto or whether a Proceeding is brought by a third party or by you or any of your affiliates, and to reimburse each such indemnified person upon demand for the reasonable fees and reasonable out-of-pocket expenses of one counsel to all such indemnified persons taken as a whole (and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of a conflict of interest, one additional counsel to the affected indemnified person and, if reasonably necessary, one additional local counsel to the affected indemnified person in any relevant jurisdiction) or other reasonable out-of-pocket expenses incurred in connection with investigating or defending any of the foregoing; provided that, the foregoing indemnity will not, as to any indemnified person, apply to losses, claims, damages, liabilities or related expenses to the extent they resulted from (i) the willful misconduct, bad faith or gross negligence of such indemnified person, its affiliates (excluding any Sponsor in its capacity as an equity holder of the Borrower or any Advisor in its capacity as such) or any of their officers, directors, employees, agents and controlling persons arising out of or in connection with this Commitment Letter, the Term Sheet, the Fee Letter, the Transactions and the other transactions contemplated hereby, the Facility and the use of proceeds thereof or any Proceeding relating to any of the foregoing (in any such case, as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (ii) any material breach in bad faith of the obligations of such indemnified person or any of its affiliates under this Commitment Letter, the Term Sheet or the Fee Letter and (b) if the Closing Date occurs, to reimburse the Commitment Parties from time to time for all reasonable and documented out-of-pocket expenses (including, without limitation, due diligence investigation expenses, consultants' fees (to the extent any such consultant has been hired with your prior consent (which consent shall not be unreasonably withheld)), syndication expenses, travel expenses and reasonable fees, disbursements and other charges of counsel identified in the Term Sheet (and a single local counsel in each relevant jurisdiction)) incurred in connection with the preparation of this Commitment Letter, the Term Sheet and the Fee Letter and the preparation of the Financing Documentation and related security documents (collectively, the Expenses) (provided, that if the Closing Date does not occur, you agree to reimburse us for any such Expenses actually incurred in an amount equal to the lesser of (A) the actual amount of Expenses incurred as of the date of expiration or termination of the commitments hereunder and (B) \$200,000). If for any reason the foregoing indemnification is unavailable to the Commitment Parties or insufficient to hold it harmless, then you will contribute to the amount paid or payable by the Commitment Parties as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of (i) you, the Sponsors and the Acquired Company and their respective affiliates, stockholders, partners or other equity holders on the one hand and (ii) the Commitment Parties on the other hand in the matters contemplated by this Commitment Letter, the Term Sheet and the Fee Letter, as well as the relative fault of (i) you, the Sponsors

and the Acquired Company and their respective affiliates, stockholders, partners or other equity holders and (ii) the Commitment Parties with respect to such loss, claim, damage or liability and any other relevant equitable considerations. Your reimbursement, indemnity and contribution obligations under this paragraph will be in addition to any liability which you may otherwise have, will extend upon the same terms and conditions to any affiliate of the Commitment Parties and the partners, directors, agents, employees and controlling persons (if any), as the case may be, of the Commitment Parties and any such affiliate, and will be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of you, the Commitment Parties, any such affiliate and any such person. You also agree that neither any indemnified party nor any of such affiliates, partners, directors, agents, employees or controlling persons will have any liability to you, the Sponsors or the Acquired Company or any person asserting claims on behalf of or in right of you, the Sponsors or the Acquired Company or any other person in connection with or as a result of either this arrangement or any matter referred to in this Commitment Letter, the Term Sheet or the Fee Letter, except to the extent that any losses, claims, damages, liabilities or expenses incurred by you or your affiliates, stockholders, partners or other equity holders have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (i) the willful misconduct, bad faith or gross negligence of such indemnified person, its affiliates (excluding any Sponsor in its capacity as a equity holder of the Borrower or any Advisor in its capacity as such) or any of their officers, directors, employees, agents and controlling person arising out of or in connection with this Commitment Letter, the Term Sheet, the Fee Letter, the Transactions and the other transactions contemplated hereby, the Facility and the use of proceeds thereof or any Proceeding relating to any of the foregoing (in any such case, as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (ii) any material breach in bad faith of the obligations of such indemnified person or any of its affiliates under this Commitment Letter, the Term Sheet or the Fee Letter. Notwithstanding any other provision of this Commitment Letter, no Commitment Party shall be liable for any damages arising from (i) the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent such damages have resulted from the willful misconduct, bad faith or gross negligence of such party or any of its affiliates or related parties (as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (ii) for any special, indirect, consequential or punitive damages in connection with its activities related to the Commitment Letter, the Term Sheet or the Fee Letter. Notwithstanding the foregoing, the indemnity obligations in this paragraph shall not apply to any losses, claims, damages, liabilities or expenses of any Commitment Party or affiliate thereof to the extent such loss, claim, damage, liability or expense arises solely as a result of a separate advisory engagement with such Commitment Party or its affiliate, in each case, acting in such capacity pursuant to such engagement (in such capacity, an Advisor).

You acknowledge that the Joint Bookrunners, the Initial Lenders and their respective affiliates may be providing debt financing, equity capital or other services (including, without limitation, financial advisory services) to other companies in respect of which you may have conflicting interests regarding the transactions described herein and otherwise. None of the Commitment Parties and their affiliates will use confidential information obtained from you, the Acquired Company or the Sponsors by virtue of the transactions contemplated by this Commitment Letter or any of their other respective relationships with you, the Acquired

Company or the Sponsors in connection with the performance by them and their respective affiliates of services for other companies, and none of the Commitment Parties and their affiliates will furnish any such information to other companies, except to the extent otherwise permitted hereby. Consistent with each Commitment Party's policies to hold in confidence the affairs of its customers, each Commitment Party will not furnish confidential information obtained from you by virtue of the transactions contemplated by this Commitment Letter to any of its other customers, except to the extent otherwise permitted hereby. Furthermore, you acknowledge that no Commitment Party and none of their affiliates has an obligation to use in connection with the transactions contemplated by this Commitment Letter, or to furnish to you, confidential information obtained or that may be obtained by them from any other person.

In addition, please note that the Commitment Parties do not provide accounting, tax or legal advice.

You further acknowledge and agree that (a) the Commitment Parties may have economic interests that conflict with those of you or your subsidiaries, (b) each Commitment Party will act under this letter as an independent contractor and nothing in this Commitment Letter or the Fee Letter or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between each Commitment Party and you, your stockholders or your affiliates. You acknowledge and agree that (i) the transactions contemplated by this Commitment Letter and the Fee Letter are arm's-length commercial transactions between the Commitment Parties, on the one hand, and you, on the other, (ii) in connection therewith and with the process leading to such transaction each Commitment Party is acting solely as a principal and not the agent or fiduciary of you, your management, stockholders, creditors or any other person, (iii) the Commitment Parties have not assumed an advisory or fiduciary responsibility in favor of you with respect to the transactions contemplated hereby or the process leading thereto (irrespective of whether any Commitment Party or any of its affiliates has advised or is currently advising you on other matters) or any other obligation to you except the obligations expressly set forth in this Commitment Letter and the Fee Letter, (iv) you are capable of evaluating and understanding, and you understand and accept, the terms, risks and conditions of the transactions contemplated by this Commitment Letter, (v) you have been advised that each Commitment Party is engaged in a broad range of transactions that may involve interests that differ from your interests and the Commitment Parties have no obligation to disclose such interests and transactions to you by virtue of any fiduciary, advisory or agency relationship and (vi) you have consulted your own legal and financial advisors to the extent it deemed appropriate. Senior Commitment Letter

Ladies and Gentlemen:

SunGard Data Systems Inc. (the Borrower or you), has advised each of Goldman Sachs Credit Partners L.P. (GSCP), Citigroup (as defined below), Lehman Brothers Inc. (Lehman), Lehman Commercial Paper Inc. (LCPI), and Lehman Brothers Commercial Bank (together with LCPI, Lehman Lenders), and KKR Capital Markets LLC (KCM and, together with GSCP, CGMI, Lehman and Lehman Lenders, the Commitment Parties, we or us) that the Borrower wishes to obtain \$300 million in commitments under a senior secured term loan facility (the Facility) having the terms set forth in the Summary of Terms and Conditions attached hereto as Exhibit A (the Term Sheet), the proceeds of which shall be used for general corporate purposes of the Borrower and its subsidiaries, which may include the refinancing or redemption of all or any portion of your outstanding 3.750% senior secured notes due 2009 (the Existing Senior Notes) and the payment of fees, costs and expenses in connection therewith (the Facility and the use of proceeds thereof, the Transactions). Capitalized terms used but not defined herein have the meanings assigned to them in the Term Sheet. For purposes of this Commitment Letter, Citigroup shall mean Citigroup Global Markets Inc. (CGMI), Citibank, N.A., Citicorp USA, Inc., Citicorp North America, Inc. and/or any of their affiliates as Citigroup shall determine to be appropriate to provide the services contemplated herein.

In connection with the Transactions, each of GSCP, CGMI (on behalf of Citigroup), Lehman Lenders, and KCM (in such capacity, collectively, the Initial Lenders) is pleased to advise you of its several, but not joint, commitment to provide the percentage of the entire aggregate principal amount of the Facility as set forth in Schedule A hereto, upon the terms and subject to the conditions expressly set forth or referred to in this Commitment Letter and in the Term Sheet.

You hereby appoint (a) GSCP and CGMI to act, and each of GSCP and CGMI hereby agree to act, as joint lead arrangers for the Facility and (b) GSCP, CGMI, and Lehman to act, and GSCP, CGMI, and Lehman hereby agree to act, as joint bookrunners for the Facility (in such capacity, the Joint Bookrunners). It is agreed that GSCP shall have left placement in any and all marketing materials or other documentation used in connection with the Facility and shall hold the leading role and responsibilities conventionally associated with such left placement, including maintaining sole physical books in respect of the Facility. It is agreed that no other arrangers, bookrunners, agents or co-agents will be appointed without the approval of each Commitment Party and no Lender (as defined below) will receive compensation with respect to the Facility outside the terms contained herein and in the letter of even date herewith addressed to you providing, among other things, for certain fees relating to the Facility (the Fee Letter), in each case unless you and we so agree.

The Initial Lenders reserve the right, prior to or after the execution of definitive documentation for the Facility (the Financing Documentation), to syndicate all or a portion of the Initial Lenders' several commitments hereunder to one or more banks, financial institutions or other institutional lenders reasonably acceptable to us (after consultation with you and the Sponsors (as defined in the Credit Agreement)) that will become parties to the Financing Documentation pursuant to a syndication to be managed by us (after consultation with you and the Sponsors) (the banks, financial institutions and other institutional lenders becoming parties to the Financing Documentation, together with the Initial Lenders, being collectively referred to as the Lenders); provided that, the Initial Lenders agree that no Initial Lender will syndicate to those banks, financial institutions or other institutional lenders identified by you or any Sponsor in writing (including by email) prior to the date hereof; provided, further, that notwithstanding each Initial Lender's right to syndicate the Facility and receive commitments with respect thereto, no assignment of commitments of any Initial Lender prior to the Closing Date (as defined below) shall reduce such Initial Lender's obligation to fund its entire commitment in the event any assignee of such Initial Lender shall fail to do so on the Closing Date and each Initial Lender shall retain exclusive control over all rights and obligations with respect to its commitment, including all rights with respect to consents, modifications and amendments under the Facility until the date of the funding under the Facility (the Closing Date).

You agree to use your commercially reasonable efforts to assist the Joint Bookrunners in completing a syndication reasonably satisfactory to the Joint Bookrunners. You agree to actively assist us in achieving a timely syndication of the Facility, which we intend to conduct before the closing of the Facility (but which we reserve the right to conduct and continue to conduct after the closing of the Facility) and you agree that we shall have a reasonable opportunity and reasonable period of time in which to complete such syndication (including

offering the existing lenders under your Credit Agreement the right to participate in the Facility pursuant to the terms of the Credit Agreement). Such assistance shall include (i) your using commercially reasonable efforts to ensure that the syndication efforts benefit materially from your existing banking relationships and the existing banking relationships of the Sponsors and the Borrower, (ii) your causing direct contact between your senior management, representatives and advisors, on the one hand, and the proposed Lenders, on the other hand at mutually agreed upon times, (iii) your assistance in the preparation of a customary marketing materials to be used in connection with the syndication (the Information Materials), (iv) the hosting, with the Joint Bookrunners, of a reasonable number of conference calls to be mutually agreed upon of prospective Lenders at times to be mutually agreed upon, and (v) your using commercially reasonable efforts to obtain updated ratings (or a confirmation of the absence of any downgrade or negative change to the existing ratings) from each of Standard & Poor's Ratings Group (S&P) and Moody's Investors Service, Inc. (Moody's) for the Facility and a corporate credit rating and a corporate family rating of the Borrower from each of S&P and Moody's, respectively. You understand that we may decide to commence syndication efforts for the Facility promptly after the date hereof. Without limiting your obligations to assist with syndication efforts as set forth above, each Initial Lender agrees that the successful completion of such syndication is not a condition to its commitment hereunder. To ensure an orderly and effective syndication of the Facility, you agree that until the Closing Date there shall be no competing offering, placement or arrangement of any debt securities or other debt financing by you or any of your subsidiaries (other than (i) the acquisition financing contemplated by the other commitment letter dated as of the date hereof between you and us (the Other Commitment Letter), (ii) any refinancing, replacement or other modification of the Borrower's existing receivables facility, or (iii) any ordinary course financings or refinancing by the Acquired Company (as defined in the Other Commitment Letter) permitted by the Acquisition Agreement (as defined in the Other Commitment Letter without our prior written consent.

We will manage all aspects of the syndication, including, without limitation, selection of Lenders (after consultation with you and the Sponsors), determination of when the Joint Bookrunners will approach potential Lenders and the time of acceptance of the Lenders' commitments, any naming rights, any title of agent or similar designations or roles awarded to any Lender, the final allocations of the commitments among the Lenders and the amount and distribution of fees among the Lenders. To assist the Joint Bookrunners in such syndication efforts, you agree to use your commercially reasonable efforts to provide promptly to us all customary information reasonably available to you with respect to you and your subsidiaries and the Transactions, including, without limitation, all reasonably available financial information concerning you and projections relating to you and the Transactions (including financial estimates, forecasts and other forward-looking statements, the Projections), as we may reasonably request in connection with the syndication of the Facility.

You hereby acknowledge that certain prospective Lenders (such Lenders, Public Lenders ; all other Lenders, Private Lenders) may have personnel that do not wish to receive material non-public information (within the meaning of the United States federal securities laws) with respect to you and your subsidiaries, or your or their respective securities (collectively, MNPI), and who may be engaged in investment and other market-related

activities with respect to such entities' securities. You agree, at our request, to prepare a version of the Information Materials to be used in connection with the syndication of the Facility (which will be posted to IntraLinks or SyndTrak or by other similar electronic means), consisting exclusively of information and documentation that does not contain MNPI (the Public Information Materials). Before distribution of any Information Materials (a) to prospective Private Lenders, you shall provide us with a customary letter authorizing the dissemination of the Information Materials and exculpating us with respect to any liability related to the use of the contents (and exculpating you and the Sponsors in the event of any unauthorized use) of the Information Materials by the recipients thereof and (b) to prospective Public Lenders, you shall provide us with a customary letter authorizing the dissemination of the Public Information Materials and confirming the absence of MNPI therefrom and exculpating us with respect to any liability related to the use of the contents (and exculpating you and the Sponsors in the event of any unauthorized use) of the Information Materials by the recipients thereof. In addition, you shall identify Public Information Materials by clearly and conspicuously marking the same as PUBLIC .

You agree that the Commitment Parties on your behalf may distribute the following documents to all prospective Lenders: (a) administrative materials for prospective Lenders such as lender meeting invitations, allocations and funding and closing memoranda, (b) the Term Sheet and notifications of changes to the terms of the Facility, (c) drafts and final versions of the Financing Documentation and (d) other materials intended for prospective Lenders after the initial distribution of the Information Materials. Notwithstanding the foregoing, if you so advise the Commitment Parties in writing (including by email) within a reasonable time prior to their intended distribution that any materials described in clause (d) above should only be distributed to prospective Private Lenders, then the Commitment Parties will not distribute such materials to Public Lenders without further discussions with you.

You hereby represent and warrant that (a) all written information concerning you and your subsidiaries other than the Projections and information of a general economic or industry nature (collectively, the Information) that has been or will be made available to any Commitment Party by you or any of your subsidiaries or by any of your representatives (including, without limitation, the Sponsors) on your behalf is and will be when furnished, taken as a whole, accurate in all material respects and does not and will not when furnished, taken as a whole, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which such statements are made, not materially misleading and (b) the Projections that have been or will be made available to any Commitment Party by you or any of your subsidiaries or by any of your representatives (including, without limitation, the Sponsors) on your behalf have been and will be prepared in good faith based upon assumptions believed by you to be reasonable at the time of preparation thereof and at the time the related Projections are made available to the Commitment Parties; it being understood that such financial projections are subject to significant uncertainties and contingencies, many of which are beyond your control, that no assurance can be given that any particular financial projections will be realized, that actual results may differ and that such differences may be material. If, at any time prior to the earlier to occur of (i) the successful syndication of the Facility (as defined in the Fee Letter) and (ii) the date that is 30 days after the

Closing Date, you become aware that any of the representations and warranties in the preceding sentence would be incorrect in any material respect if the Information and Projections were being furnished, and such representations were being made, at such time, you agree to supplement the Information and the Projections, such that the representations and warranties in the preceding sentence remain true in all material respects; provided that Borrower shall have no obligation to update Projections after the Closing Date. In arranging the Facility, including the syndication of the Facility, each of the Commitment Parties will be entitled to use and rely primarily on the Information and the Projections without responsibility for independent verification thereof.

As consideration for the Initial Lenders' several commitments hereunder and the Joint Bookrunners' agreement to syndicate the Facility, you agree to pay (or to cause to be paid) to the Initial Lenders and the Joint Bookrunners the fees as set forth in the Term Sheet and in the Fee Letter. Once paid, such fees shall not be refundable under any circumstances.

The Initial Lenders' several commitments hereunder and the Joint Bookrunners' agreements to perform the services described herein are subject to the execution and delivery of Financing Documentation consistent with this Commitment Letter and the Term Sheet and, for any other provisions in the Financing Documentation not addressed in the Term Sheet, consistent, and in compliance, with the Credit Agreement and the other Loan Documents (as defined in the Credit Agreement).

You agree (a) to indemnify and hold harmless each Commitment Party, its affiliates (other than any Sponsor in its capacity as an equity holder or any Advisor (as defined below) in its capacity as such) and their respective partners, officers, directors, members, employees, agents, advisors and controlling persons (collectively, the indemnified persons), from and against any and all losses, claims, damages, liabilities and expenses, joint or several, that may be incurred by or awarded against any indemnified person arising out of or in connection with this Commitment Letter, the Term Sheet, the Fee Letter, the Transactions and the other transactions contemplated hereby, the Facility and the use of proceeds thereof or any claim, litigation, investigation or proceeding (any of the foregoing, a Proceeding) relating to any of the foregoing, regardless of whether any such indemnified person is a party thereto or whether a Proceeding is brought by a third party or by you or any of your affiliates, and to reimburse each such indemnified person upon demand for the reasonable fees and reasonable out-of-pocket expenses of one counsel to all such indemnified persons taken as a whole (and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of a conflict of interest, one additional counsel to the affected indemnified person and, if reasonably necessary, one additional local counsel to the affected indemnified person in any relevant jurisdiction) or other reasonable out-of-pocket expenses incurred in connection with investigating or defending any of the foregoing; provided that, the foregoing indemnity will not, as to any indemnified person, apply to losses, claims, damages, liabilities or related expenses to the extent they resulted from (i) the willful misconduct, bad faith or gross negligence of such indemnified person, its affiliates (excluding any Sponsor in its capacity as an equity holder of the Borrower or any Advisor in its capacity as such) or any of their officers, directors, employees, agents and controlling persons arising out of or in connection with this Commitment Letter, the Term Sheet, the Fee Letter, the Transactions and the other transactions contemplated hereby, the

Facility and the use of proceeds thereof or any Proceeding relating to any of the foregoing (in any such case, as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (ii) any material breach in bad faith of the obligations of such indemnified person or any of its affiliates under this Commitment Letter, the Term Sheet or the Fee Letter and (b) if the Closing Date occurs, to reimburse the Commitment Parties from time to time for all reasonable and documented out-of-pocket expenses (including, without limitation, due diligence investigation expenses, consultants' fees (to the extent any such consultant has been hired with your prior consent (which consent shall not be unreasonably withheld)), syndication expenses, travel expenses and reasonable fees, disbursements and other charges of counsel identified in the Term Sheet (and a single local counsel in each relevant jurisdiction)) incurred in connection with the preparation of this Commitment Letter, the Term Sheet and the Fee Letter and the preparation of the Financing Documentation and related security documents (collectively, the Expenses) (provided, that if the Closing Date does not occur, you agree to reimburse us for any such Expenses actually incurred in an amount equal to the lesser of (A) the actual amount of Expenses incurred as of the date of expiration or termination of the commitments hereunder and (B) \$50,000). If for any reason the foregoing indemnification is unavailable to the Commitment Parties or insufficient to hold it harmless, then you will contribute to the amount paid or payable by the Commitment Parties as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of (i) you and the Sponsors and their respective affiliates, stockholders, partners or other equity holders on the one hand and (ii) the Commitment Parties on the other hand in the matters contemplated by this Commitment Letter, the Term Sheet and the Fee Letter, as well as the relative fault of (i) you and the Sponsors and their respective affiliates, stockholders, partners or other equity holders and (ii) the Commitment Parties with respect to such loss, claim, damage or liability and any other relevant equitable considerations. Your reimbursement, indemnity and contribution obligations under this paragraph will be in addition to any liability which you may otherwise have, will extend upon the same terms and conditions to any affiliate of the Commitment Parties and the partners, directors, agents, employees and controlling persons (if any), as the case may be, of the Commitment Parties and any such affiliate, and will be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of you, the Commitment Parties, any such affiliate and any such person. You also agree that neither any indemnified party nor any of such affiliates, partners, directors, agents, employees or controlling persons will have any liability to you or the Sponsors or any person asserting claims on behalf of or in right of you or the Sponsors or any other person in connection with or as a result of either this arrangement or any matter referred to in this Commitment Letter, the Term Sheet or the Fee Letter, except to the extent that any losses, claims, damages, liabilities or expenses incurred by you or your affiliates, stockholders, partners or other equity holders have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (i) the willful misconduct, bad faith or gross negligence of such indemnified person, its affiliates (excluding any Sponsor in its capacity as an equity holder of the Borrower or any Advisor in its capacity as such) or any of their officers, directors, employees, agents and controlling person arising out of or in connection with this Commitment Letter, the Term Sheet, the Fee Letter, the Transactions and the other transactions contemplated hereby, the Facility and the use of proceeds thereof or any Proceeding relating to any of the foregoing (in any such case, as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (ii) any material breach in bad faith of the

obligations of such indemnified person or any of its affiliates under this Commitment Letter, the Term Sheet or the Fee Letter. Notwithstanding any other provision of this Commitment Letter, no Commitment Party shall be liable for any damages arising from (i) the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent such damages have resulted from the willful misconduct, bad faith or gross negligence of such party or any of its affiliates or related parties (as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (ii) for any special, indirect, consequential or punitive damages in connection with its activities related to the Commitment Letter, the Term Sheet or the Fee Letter. Notwithstanding the foregoing, the indemnity obligations in this paragraph shall not apply to any losses, claims, damages, liabilities or expenses of any Commitment Party or affiliate thereof to the extent such loss, claim, damage, liability or expense arises solely as a result of a separate advisory engagement with such Commitment Party or its affiliate, in each case, acting in such capacity pursuant to such engagement (in such capacity, an Advisor).

SECTION 1.02 Standstill Agreement. The Committed Lenders hereby covenant and agree that from the date of this Agreement until the earlier of (a) October 29, 2008 and (b) the later of (x) fourteen (14) days after the completion of the Audit, as determined by and satisfactory to the Administrative Agent in its reasonable discretion and (y) September 29, 2008 (such period, the Standstill Period), they shall not cause the Administrative Agent to return the Policy to the Insurer for cancellation as a result of the Insurer failing to maintain a long-term debt rating of BBB+ by Standard and Poor's Rating Services or Baa1 by Moody's Investor's Service. The parties hereto hereby agree that (a) the execution and delivery of this Agreement by the Insurer is expressly conditioned upon, and this Agreement will not be effective until, (x) the payment on July 31, 2008 (1) to the Insurer, of its amendment fee of \$500,000 in connection with the execution and delivery of this Agreement and related Policy endorsement, and (2) to Thacher Proffitt & Wood LLP, counsel to the Insurer, \$20,000, in payment of its fees and expenses in connection with the execution and delivery of this Agreement and related Policy endorsement and (y) the execution and delivery, on July 31, 2008, of an endorsement to the Policy to the effect set forth in Subsection (b) of this Section 1.03, and (b) the obligation of the Insurer to pay the Guaranteed Interest Payment Amount (as defined in the Policy) under the Policy shall not include any amounts payable solely as a result of the inclusion of Section 3.08 of the Credit Agreement, as added or amended by this Agreement, or the provisos to the definitions of Used Fee and Unused Fee in the Amended and Restated Fee Letter, dated July 31, 2008, among JPMorgan Chase Bank, N.A., Citicorp North America, Inc., Deutsche Bank, Falcon Asset Securitization LLC, Charta, LLC, Nantucket Funding Corp. and SunGard Funding LLC.

(b) Section 3.06(b) of the Credit Agreement is hereby amended by deleting the first sentence thereof and replacing it with the following:

SunGard Announces Intention to Acquire GL TRADE for \$41.70 per Share

Geneva, Switzerland & Paris, France - Aug 01, 2008 - SunGard (<http://www.sungard.com>) and GL TRADE today announced SunGard's intention to acquire a majority stake in GL TRADE, a global financial software solutions company serving more than 1,600 customers.

SunGard has made a binding offer and entered into final discussions with GL TRADE's main shareholders Euronext Paris S.A., Gagnières, and Messrs. Pierre Gatignol, Louis-Christophe Laurent and Frédéric Morin (together the Main Shareholders) to acquire a block of shares representing, directly and indirectly, 64.51% of GL TRADE's share capital at a price of \$41.70 per GL TRADE share. The price offered implies an equity value of \$400.7 million for 100% of GL TRADE's share capital (excluding the effect of stock options), and represents premiums of 53% and 24% to GL TRADE's closing stock price on May 5, 2008 (last closing prior to rumors of a potential transaction, adjusted for the \$1.30 dividend distribution on July 11, 2008) and July 31, 2008, respectively.

SunGard's offer is structured as the acquisition of (i) 100% of Financière Montmartre S.A., a holding company 100%-owned by the Main Shareholders which holds 5,299,998 shares of GL TRADE, and (ii) 900,032 shares of GL TRADE directly held by the Main Shareholders.

GL TRADE will launch the information and consultation process of GL TRADE's workers' committee in relation to SunGard's proposal pursuant to Article L. 2323-19 of the French Labor code. The Main Shareholders, should they accept SunGard's offer, would execute the transaction documentation after completion of that process. The transaction would also be subject to clearance by the relevant competition authorities. Closing is expected during the fourth quarter of the year.

In accordance with the AMF General Regulation (règlement général de l'AMF) and immediately following completion of the transaction, SunGard intends to launch an all-cash tender offer under the simplified procedure (offre publique d'achat, procédure simplifiée) for the remainder of GL TRADE's share capital at the same price of \$41.70 per GL TRADE share. SunGard has arranged financing for the transaction.

SunGard and the Main Shareholders believe that the transaction would contribute to SunGard and GL TRADE's global growth strategies and would benefit customers of both companies. The product fit is complementary, and GL

TRADE's strengths particularly in trading solutions and market connectivity products in Europe and Asia would complement SunGard's positions in North America in this space.

Pierre Gatignol, executive chairman of GL TRADE, commented: NYSE Euronext has supported our strategy and been a fair partner for the last fifteen years. With the current consolidation of the exchange industry, GL TRADE would be better positioned to pursue its strategic objectives and serve its customers as part of SunGard, particularly given SunGard's footprint in North America. This proposed project and the fair value of our work would reward 20 years of dedication to our clients.

Harold Finders, division chief executive officer of SunGard's Financial Systems business, said: GL TRADE has great products and connectivity, a highly complementary geographic reach and an excellent international management team. GL TRADE plays a vital role in the trading and administration of securities globally, and the credit for that belongs to its employees. We look forward to working together.

Lehman Brothers is acting as financial advisor to SunGard in this transaction along with Goldman Sachs, and Morgan Stanley is acting as financial advisor to the Main Shareholders.
