Grove Park Inn

Asheville, North Carolina 28804

PROXY STATEMENT

The Board of Directors (the **Board**) of Ingles Markets, Incorporated (the **Company**) furnishes you with this Proxy Statement to solicit proxies to be voted at the 2009 Annual Meeting of Stockholders of the Company. The meeting will be held at the Grove Park Inn, 290 Macon Avenue, Asheville, North Carolina, on Tuesday, February 10, 2009 at 1:00 p.m. local time, for the purposes set forth in the Notice of Annual Meeting of Stockholders that accompanies this Proxy Statement. The proxies also may be voted at any adjournments or postponements of the meeting. Pursuant to the new rules recently adopted by the Securities and Exchange Commission, we have provided access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials, which is referred to herein as the **E-proxy notice**, on or about December 31, 2008 to each holder of record of the Company's Class A Common Stock, \$0.05 par value per share (**Class A Common Stock**) and Class B Common Stock, \$0.05 par value per share (**Class B Common Stock**), as of December 22, 2008, the record date for the meeting (the **Record Date**). Class A Common Stock and Class B Common Stock are sometimes referred to collectively in this Proxy Statement as **Common Stock**. The E-proxy notice and this proxy statement summarize the information you need to know to vote by proxy or in person at the annual meeting. You do not need to attend the annual meeting in person in order to vote.

The Company's principal executive offices are located at 2913 U.S. Highway 70 West, Asheville (Black Mountain), North Carolina 28711. This Proxy Statement and the accompanying forms of proxy are first being provided to stockholders on or about December 23, 2008.

Execution and Revocation of Proxies

Shares of Common Stock properly voted by proxy as instructed in the E-proxy notice will be voted at the Annual Meeting in accordance with the instructions on the proxy. Proxies that are not properly executed or are not received by the Secretary at or before the Annual Meeting will not be effective.

A stockholder can revoke a proxy at any time prior to the exercise of the authority granted under that proxy. A proxy may be revoked by a stockholder in any of the following ways:

by attending the Annual Meeting and voting the shares covered by the original proxy in person at the Annual Meeting;

by delivering to the Secretary an instrument revoking the proxy; or

by delivering a later-dated, properly executed proxy with respect to shares covered by the original proxy.

Actions to Be Taken by Proxy

Edgar Filing: INGLES MARKETS INC - Form DEF 14A

If any stockholder fails to provide instructions on a proxy properly submitted via the Internet, mail or telephone, its proxy will be voted, as recommended by the Board of Directors, at the Annual Meeting **For** the

election of each of the Board nominees named under the heading **ELECTION OF DIRECTORS Identification Of Directors and Executive Officers** and **Against** the stockholder proposals described under the heading **STOCKHOLDER PROPOSALS**. As of the date of this Proxy Statement, the Company's management knows of no other matter to be brought before the Annual Meeting. Should any other matter properly come before the Annual Meeting, all shares of Common Stock represented by effective proxies will be voted, at their discretion, by the persons acting under such proxies.

Voting Rights

Only holders of record of shares of Class A Common Stock or Class B Common Stock at the close of business on the Record Date are entitled to vote at the meeting or adjournments or postponements of the meeting. At the close of business on the Record Date, there were 12,210,285 shares of Class A Common Stock and 12,296,976 shares of Class B Common Stock outstanding.

Quorum Requirements. The presence in person or by proxy of holders of a majority of the outstanding shares of Class A Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class A Common Stock. The presence in person or by proxy of holders of a majority of the outstanding shares of Class B Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class B Common Stock. If holders of shares possessing a majority of the aggregate votes represented by the Class A Common Stock and Class B Common Stock, taking into account the ten votes per share attributable to the Class B Common Stock, are present at the Annual Meeting in person or by proxy, a quorum will be present for purposes of any other matter that may be presented at the Annual Meeting. Abstentions with respect to a proposal and broker non-votes are counted for purposes of establishing a quorum. A broker non-vote occurs if a broker does not receive instructions from the beneficial owner of shares held in street name for certain types of proposals and the broker indicates it does not have authority to vote such shares.

Election of Directors. If a quorum of each class is present at the Annual Meeting, the holders of Class A Common Stock, voting as a class, will elect two directors, and the holders of Class B Common Stock, voting as a class, will elect seven directors. For purposes of the election of directors, each stockholder will have one vote for each share of Common Stock held by the stockholder as of the Record Date. Pursuant to the North Carolina Business Corporation Act, directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. Thus, abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the vote.

Because the Company was a public corporation on the Record Date, cumulative voting will not be applicable to the election of directors at the Annual Meeting.

Other Matters. Unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act, holders of Class A Common Stock and Class B Common Stock would vote as a single class with respect to any other matter, including the stockholder proposals, that may be voted upon at the Annual Meeting. In any such vote, stockholders would be entitled to one vote for each share of Class A Common Stock held as of the Record Date and ten votes for each share of Class B Common Stock held as of the Record Date. For purposes of any such vote, if a quorum is present, a proposal will pass if the votes cast for the action exceed the votes cast against the action, unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act. Shares not voted with respect to any such matters (whether by abstention or broker non-vote) would not be included in vote totals and would not impact the vote. As of the date of this Proxy Statement, the Company knows of no matters other than the election of directors and the stockholder proposals to be presented for action at the Annual Meeting.

ELECTION OF DIRECTORS

Each member of the Board is elected for a term of one year and until his/her successor is elected and qualified or until his/her earlier death, resignation or removal from office. The Company's Articles of Incorporation and Bylaws provide that the Board may from time to time fix by resolution the number of directors that constitutes the Board, which shall be not less than five nor more than eleven. The Board has determined by resolution that the number of directors will be fixed at nine for purposes of this election. In accordance with the Company's Articles of Incorporation and Bylaws, two of the nine directors will be elected by a vote of the holders of the Class A Common Stock, voting as a separate class, and the remaining seven directors will be elected by a vote of the holders of the Class B Common Stock, voting as a separate class.

Identification of Directors and Executive Officers

The Board has nominated, and recommends a vote FOR, Fred D. Ayers and John O. Pollard as directors to be elected by the holders of the Class A Common Stock and Ronald B. Freeman, Charles L. Gaither, Jr., Robert P. Ingle, Robert P. Ingle, II, James W. Lanning, Charles E. Russell and Laura Ingle Sharp as directors to be elected by the holders of the Class B Common Stock.

All of these nominees are currently directors. Proxies received by the Board will be voted **For** the election of all of the nominees unless stockholders specify a contrary choice in their proxy. We expect each director nominee to be able to serve if elected. If any director nominee is not able to serve, proxies will be voted **for** the remainder of those nominated and may be voted for substitute nominees, unless the Board chooses to reduce the number of directors serving on the Board.

Committees of the Board of Directors

The Board had three standing committees during fiscal 2008: an Executive Committee, and Audit/Compensation Committee and a Human Resources Advisory Committee. The Company did not have a separate nominating committee during fiscal 2008. As a Controlled Company under the Nasdaq Marketplace Rules, the continued listing requirements of Nasdaq do not require that the Company have a nominating committee.

Table of Contents

The Executive Committee. The Executive Committee can exercise the powers of the full Board between meetings of the Board, except for powers that may not be delegated to a committee of the Board under the North Carolina Business Corporation Act. During fiscal 2008, the Executive Committee consisted of Messrs. Robert P. Ingle, Robert P. Ingle, II, Ronald B. Freeman and James W. Lanning.

The Audit/Compensation Committee. The Board has established, through the Company's Bylaws, an Audit/Compensation Committee. When acting in its capacity as Audit Committee, this committee acts under the authority of and has the responsibilities described in the Company's Audit Committee Charter. The Audit Committee Charter is available on the Company's website at www.ingles-markets.com. In this capacity, the committee is responsible for, among other things, engaging the Company's independent registered public accounting firm, approving the fees and services to be provided by the independent registered public accounting firm, overseeing the independent registered public accounting firm, reviewing and evaluating significant matters relating to the audit and internal controls of the Company and reviewing the scope and results of audits by, and recommendations of, the Company's independent registered public accounting firm. In addition, the committee reviews the audited consolidated financial statements of the Company.

The Committee does not have a separate Compensation Committee charter. When the committee is acting in its capacity as the Compensation Committee, the Board has empowered the committee to:

approve compensation levels and increases in compensation of each executive officer and of other employees of the Company whose annual base salary is in excess of \$100,000; and

approve all incentive payments to executive officers and any incentive payments in excess of \$25,000, paid in cash or property, in any calendar year to any other employee.

Furthermore, the committee, when acting as the Compensation Committee, administers the Company's employee benefit plans and other compensation matters where independent, disinterested administration is required by applicable tax or securities laws and regulations. Where such laws or regulations require that grants or awards under the Company's stock-based employee benefit plans be made by the full Board or by a committee of non-employee or outside directors, the committee or the Board, as appropriate, makes such decisions.

During fiscal 2008, the Audit/Compensation Committee consisted of Messrs. Pollard, Russell and Ayers. The Board has determined that each member of the committee is independent for purposes of the provisions of the Sarbanes-Oxley Act of 2002 and the Nasdaq Marketplace Rules regarding audit committees. The Board has also determined that Mr. Russell is an audit committee financial expert as defined under the rules of the Securities and Exchange Commission, who is independent of management of the Company.

The Human Resources Advisory Committee. The Human Resources Advisory Committee was established in August 1998 to oversee certain of the Company's human resources compliance policies and programs. During fiscal 2008, Ms. Sharp and Mr. Freeman served as members of this committee.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

All compensation decisions made during fiscal 2008 that were not made exclusively by the Board or the Audit/Compensation Committee were made by the Chief Executive Officer, in certain instances in consultation with the President and Chief Operating Officer and/or the Chairman of the Board. Messrs. Pollard, Russell and Ayers, who were the members of the Audit/Compensation Committee during fiscal 2008, were not officers or employees of the Company or its subsidiaries during fiscal 2008 or any prior fiscal year. Messrs. Pollard, Russell and Ayers did not have any relationships with the Company that would require disclosure under Transactions With Related Persons.

Table of Contents**Meetings of the Board of Directors and Committees**

The Board held four formal meetings during fiscal 2008. The Executive Committee held no formal meetings during fiscal 2008, but met periodically on an informal basis. The Audit/Compensation Committee held six formal meetings during fiscal 2008, and met periodically on an informal basis during Board meetings and as required for other purposes. The Human Resources Advisory Committee held no formal meetings during fiscal 2008, but received updates on human resource issues as needed at quarterly Board meetings. Each director attended at least 75% of all meetings of the Board and of the committees of the Board on which he or she served during fiscal 2008. See Committees of the Board of Directors.

Directors who are not officers of the Company or any of its subsidiaries are paid an annual retainer of \$10,000 plus \$1,000 for each Board or Committee meeting they attend in person. Audit/Compensation Committee members other than the Chairman are also paid an additional annual retainer of \$15,000 for service on such Committee, and the Chairman of the Audit/Compensation Committee is paid an additional annual retainer of \$20,000.

The following director compensation table sets forth, for the fiscal year ended September 27, 2008, the cash and certain other compensation paid by the Company to its outside directors. There were no other items of compensation paid to outside directors for the fiscal year ended September 27, 2008.

Name	Fees Earned or Paid	
	in Cash (\$)	Total (\$)
Fred D. Ayers	31,000	31,000
John O. Pollard	31,000	31,000
Charles E. Russell	36,000	36,000
Laura Ingle Sharp	14,000	14,000

Director Nominations

All of the nominees for director are existing directors standing for reelection, and as noted above, the Company did not have a standing nominating committee in fiscal 2008. Historically, the Board of Directors has not considered a nominating committee necessary in that there have been few vacancies on the Company's Board, and vacancies have been filled through discussions between the Chairman, the Chief Executive Officer and the Chief Financial Officer of the Company with input from other Board members as needed. Under the Company's Articles of Incorporation, 25% of the directors of the Company are elected by the holders of Class A Common Stock, voting as a separate class, and the remaining directors are elected by holders of the Class B Common Stock, voting as a separate class. Mr. Ingle, the Chief Executive Officer of the Company, is also the majority holder of the outstanding shares of Class B Common Stock.

The Company has not received director candidate recommendations from its stockholders and does not have a formal policy regarding consideration of such recommendations. However, any recommendations received from stockholders will be evaluated in the same manner that potential nominees suggested by board members, management or other parties are evaluated. The Company does not intend to treat stockholder recommendations in any manner different from other recommendations.

The Board has not adopted a policy with respect to minimum qualifications for board members. Conversely, with respect to each individual vacancy, the Board has determined the specific qualifications and skills required to fill that vacancy and to complement the existing qualifications and skills of the other Board members. Historically, the Company has not engaged third parties to assist in identifying and evaluating potential nominees, but would do so in those situations where particular qualifications are required to fill a vacancy and the Board's and management's contacts are not sufficient to identify an appropriate candidate.

The Company generally requires that all directors attend the annual meeting of stockholders, absent extraordinary circumstances. All directors attended the annual meeting of stockholders held in 2008.

AUDIT/COMPENSATION COMMITTEE REPORT

The following report of the Audit/Compensation Committee does not constitute soliciting material and should not be deemed filed with the Securities and Exchange Commission nor shall this report be incorporated by reference into any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit/Compensation Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the Company's financial statements and the financial reporting process including the systems of internal controls. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those audited financial statements with generally accepted accounting principles.

In connection with the preparation and filing of the Company's Annual Report on Form 10-K for its fiscal year ended September 27, 2008:

- (1) The Audit/Compensation Committee reviewed and discussed the audited consolidated financial statements with management;
- (2) The Audit/Compensation Committee discussed with a member of Ernst & Young LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and
- (3) The Audit/Compensation Committee received the written disclosures and the letter from Ernst & Young LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit/Compensation Committee concerning independence, and has discussed with Ernst & Young LLP its independence.

The Audit/Compensation Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit of the Company's financial statements. The Audit/Compensation Committee meets periodically with the Company's independent registered public accounting firm to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit/Compensation Committee held six meetings during fiscal 2008.

Based on the review and discussions referred to above, the Audit/Compensation Committee recommended to the Company's Board of Directors (and the Board approved) that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 27, 2008, for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

The following discussion and analysis is intended to provide an understanding of the actual compensation earned by each of the Company's named executive officers (Executive Officers), and describes the Company's compensation objectives and policies as applied to these Executive Officers.

Compensation Philosophy. The objectives of the Company's compensation program are to (1) attract, motivate, develop and retain top quality executives who will drive long-term shareholder value and (2) deliver competitive total compensation packages based upon both Company and individual performance. The Company wants its executives to balance the risks and related opportunities inherent in its industry and in the performance of their duties and share the upside opportunity and the downside risks once actual performance is measured.

The Audit/Compensation Committee is responsible for administering executive compensation. The duties of this committee are set forth under the heading **ELECTION OF DIRECTORS Committees of the Board of Directors Audit/Compensation Committee**. To achieve the objectives of the Company's compensation program, the Company's Chief Executive Officer and the Audit/Compensation Committee have set forth a compensation program for its Executive Officers that is reviewed annually. It includes the following elements:

Base annual cash salary;

Annual cash incentive bonuses; and

Retirement, health and other benefits.

The Company had a nonqualified stock option plan under which an aggregate of 8,000,000 shares of the Company's Class A Common Stock could have been issued to officers and other key employees until January 1, 2007. Accordingly, as of September 27, 2008 no shares of the Company's Class A Common Stock were available for future issuance under the plan and all remaining unexercised options had expired. The Company believes that the volume of trading in the Company's Class A Common Stock and the substantial financial and voting control exercised by Mr. Robert P. Ingle result in the elements of executive compensation listed above being appropriate for its Executive Officers.

The Company does not have any Employment, Change in Control, or Severance Agreements with any of its Executive Officers. The Company believes in trust, loyalty and commitment from both the Company and the Executive Officers, and believes that such type of agreements are not necessary to achieve its goals and the needs of the Executive Officers.

Factors Considered in Determining Compensation. The Company's Chief Executive Officer periodically reviews the compensation paid by the Company to its Executive Officers and other employees. Based on the Company's general performance and that of the individual Executive Officer, he makes final subjective determinations (in certain instances in consultation with the President and Chief Operating Officer and/or the Chairman of the Board) with respect to any changes to be made to that compensation. Bonuses paid to officers of the Company's subsidiary, Milkco, Inc., are based on a percentage of Milkco's earnings before taxes and payment of bonuses.

Neither the full Board nor the Audit/Compensation Committee generally reviews or ratifies the Chief Executive Officer's decisions relating to executive compensation unless otherwise required by the Company's Bylaws, by resolutions adopted by the Board or by the North Carolina Business Corporation Act. Decisions are made by the Board or the Audit/Compensation Committee if such decisions require the adoption of documents relating to employee benefit plans or programs. In addition, the Audit/Compensation Committee is required by resolution of the Board of Directors to approve any increases in compensation that the Company will pay to an employee whose base salary is in excess of \$100,000, all incentive compensation that the Company will pay to Executive Officers and any incentive payments that the Company will pay to any other employee in excess of \$25,000. Prior to the expiration of

the Company's 1997 Nonqualified Stock Option Plan, decisions about grants or awards under that plan were made either by the Audit/Compensation Committee or by the Board, as appropriate, where Rule 16b-3 of the Securities Exchange Act 1934, as amended (the Exchange Act), or Section 162(m) of the Internal Revenue Code required that such grants or awards be made by the full Board or by a committee of non-employee or outside directors. No such grants or awards were made during fiscal year 2008.

The Internal Revenue Code generally provides that corporate deductions will be disallowed for annual compensation in excess of \$1 million paid to certain executive officers of publicly held corporations. Performance-based compensation is excluded from the cap. Although the \$1 million compensation deduction cap would be applicable to the Executive Officers named in the **SUMMARY COMPENSATION TABLE** their compensation levels for fiscal year 2008 were below the cap. Nevertheless, the Chief Executive Officer and the Audit/Compensation Committee, as appropriate, intend to consider the Internal Revenue Code's compensation deductibility cap when they determine compensation levels and to evaluate appropriate alternatives to mitigate any adverse impact this limitation may have on the deductibility of executive compensation paid by the Company and its subsidiaries. The Company believes all compensation paid to Executive Officers for fiscal year 2008 is deductible under the Internal Revenue Code.

Elements of Executive Compensation

Base Salary. Base salary is used to attract and retain Executive Officers and is determined using publically available comparisons with industry competitors and other relevant factors including the seniority of the individual, the functional role of the position, the level of the individual's responsibility, ability to replace the individual, etc. Information consulted is used subjectively without benchmarking in the determination of base salaries. The base salaries paid to the Executive Officers during fiscal year 2008 are shown in the Summary Compensation Table presented in this proxy statement.

In fiscal year 2008, Mr. Robert P. Ingle received a salary of \$100,000 and no bonus. The Audit/Compensation Committee believes that overall compensation paid to Mr. Ingle for fiscal year 2008, and years prior, was on the low end of the competitive compensation scale paid to other similarly situated chief executive officers in the industry. It should be noted that Mr. Ingle receives on an annual basis dividends of \$.60 on each share of the Company's Class B Common Stock owned by him.

Cash Incentive Bonus Awards. With the exception of Mr. Robert P. Ingle, annual cash bonuses are a significant component of each Executive Officer's compensation, reflecting the Company's belief that management's contribution to long-term shareholder returns comes from maximizing earnings and the potential of the Company.

Other Executive Officers of the Company received a bonus, the amounts of which were subjectively determined taking into consideration Company profitability and the Executive Officer's performance for the fiscal year to which the bonus relates. This subjective determination is made by Mr. Ingle, the President and Chief Operating Officer and/or the Chairman of the Board, as appropriate, and approved by the Audit/Compensation Committee. The bonus paid to Mr. Gaither, President of the Company's subsidiary, Milkco, Inc., is based on a percentage of Milkco's earnings before taxes and payment of bonuses.

Mr. Gaither receives a bonus equal to a percentage of Milkco's earnings before taxes and payment of bonuses, up to a maximum of \$49,500 per year. Based on Milkco's expected financial performance, the Company anticipates Mr. Gaither will continue to receive at or near the maximum bonus.

Retirement, Health and Other Benefits.

Investment/Profit Sharing Plan. The Company maintains the Ingles Markets, Incorporated Investment/Profit Sharing Plan (the Profit Sharing Plan) to provide retirement benefits to eligible employees, including Executive Officers. The Profit Sharing Plan includes 401(k) employee elective contributions, discretionary employer matching contributions, and discretionary profit sharing contribution features. The assets of

Table of Contents

the Profit Sharing Plan are held in trust for participants and are distributed upon the retirement, disability, death or other termination of employment of the participant. Quarterly, the Board, in its discretion, determines the amount of any Company profit sharing contributions, and the amount of any matching contributions to be made based on participants' 401(k) contributions for the quarter. During fiscal 2008, the Company matched employee contributions at a rate of \$0.50 for each dollar of employee contributions up to 3% of the employee's salary.

Employees who participate in the Profit Sharing Plan may contribute to their 401(k) account between one percent and fifty percent (in increments of one percent) of their compensation by way of salary reductions that cannot exceed a maximum amount that varies annually in accordance with the Internal Revenue Code. The Company also makes available to Profit Sharing Plan participants the ability to direct the investment of their 401(k) accounts (including the Company's matching contributions) in various investment funds, including a fund holding Class A Common Stock of the Company.

The Company's discretionary profit sharing contributions to the participants' profit sharing accounts are held in a separate fund (the Ingles Fund) that invests primarily in shares of the Company's Class B Common Stock and also includes cash reserves to facilitate distributions from the fund. See **SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS** regarding the shares of Class B Common Stock held by the Profit Sharing Plan. The Company has not made any discretionary profit sharing contributions to the Profit Sharing Plan for fiscal year 2008.

Company discretionary employer matching cash contributions to the Profit Sharing Plan totaled \$1,181,000 for fiscal year 2008. These contributions were allocated to the matching contribution accounts in each participant's 401(k) accounts. The Company's contributions to each of the Executive Officers are reflected in the Summary Compensation Table. As of September 27, 2008, all of the Executive Officers who are named in the Summary Compensation Table were 100% vested in their accounts, with the exception of Mr. Freeman who is 60% vested based on his time of service with the Company since 2005. Participants' interests in employer contributions allocated to their accounts vest over six years.

Nonqualified Investment Plan. During fiscal year 2005, the Company adopted an Executive Nonqualified Excess Plan to provide benefits similar to the Investment/Profit Sharing Plan to certain of the Company's management employees who are otherwise limited in their employee elective contributions under the 401(k) feature of the Profit Sharing Plan. Employees who participate in the Executive Nonqualified Excess Plan may contribute between one percent and fifty percent (in increments of one percent) of their compensation by way of salary reductions. In addition, the Company may make discretionary matching contributions. The Company's contributions to each of the Executive Officers are reflected in the Summary Compensation Table. During fiscal year 2008, the Company matched employee contributions at a rate of \$0.25 for each dollar of employee contributions up to 2% of the employee's salary. As of September 27, 2008, all of the Executive Officers who are named in the Summary Compensation Table were 100% vested in their accounts, with the exception of Mr. Freeman who is 60% vested based on his time of service with the Company since 2005. Participants' interests in contributions allocated to their accounts vest over six years. Company contributions to the Plan were approximately \$54,000 in fiscal year 2008.

Insurance. The Company currently makes available to its Executive Officers and all employees a comprehensive health, dental, life and disability insurance program. The health care insurance offers a variety of coverage options, at the employee's discretion. The Company maintains, at its expense, for the benefit of each of its full-time employees life insurance policies in amounts up to \$150,000 based on the W-2 compensation of the employee. The premiums paid by the Company for the benefit of Executive Officers are included in the Summary Compensation Table.

The table also sets forth the percentage of each class of Common Stock held by such stockholders. As of November 7, 2008, there were 12,818,610 shares of Class A Common Stock and 11,693,651 shares of Class B Common Stock outstanding. (2) Each share of Class B Common Stock is convertible, at any time at the option of the holder, into one share of Class A Common Stock. If the holder of any shares of Class B Common Stock transfers the shares to anyone other than a qualified transferee as defined in the Company's Articles of Incorporation, then each share of Class B Common Stock will automatically convert into a share of Class A Common Stock. Accordingly, for each holder of Class B Common Stock the number of shares and percentage of Class A Common Stock set forth in this table also reflect the Class A Common Stock into which such stockholder's shares of Class B Common Stock are convertible. However, these converted shares are not used to calculate such percentages for any other stockholder in this table. The number of shares and percentage of Class A Common Stock held by all

- directors and executive officers as a group also reflects the conversion into Class A Common Stock of each share of Class B Common Stock held by each director and executive officer. Because the Class B Common Stock converts into Class A Common Stock on a one to one basis, the number of shares of Class B Common Stock noted in the table above also represents the number of shares of Class A Common Stock each holder would beneficially own upon conversion of the Class B Common Stock beneficially owned by them.

Ingle, Freeman and Lanning disclaim beneficial ownership of such shares.
 - (4) Includes 48,600 shares of Class B Common Stock held by Mr. Ingle's wife, with respect to which Mr. Ingle disclaims any beneficial ownership interest.

 - (6) Includes 638 shares of Class A Common Stock held by Ms. Sharp's minor children through a dividend reinvestment plan and 2,025 shares of Class B Common Stock held by Ms. Sharp's minor children.
 - (7) Constitutes shares of Class A Common Stock held jointly by Mr. Russell and his spouse through a dividend reinvestment plan, with respect to which Mr. Russell disclaims any beneficial ownership interest.

Such statement discloses that (i) Mario Gabelli is the chief investment officer for most of the Gabelli Entities signing such statements and is deemed to have beneficial ownership of the shares owned by all Gabelli Entities, (ii) Mario Gabelli and the Gabelli Entities do not admit that they constitute a group within the meaning of Section 13(d) of the Exchange Act and the rules and regulations thereunder and (iii) Mario Gabelli and the Gabelli Entities have the sole power to vote and dispose of all the shares of which they are beneficial owners (unless the aggregate voting interest of all Gabelli Entities exceeds 25% of the Company's total voting interest or other special circumstances exist, in which case the proxy voting committees of certain of the Gabelli Entities would have the sole voting power to vote certain of the shares of Class A Common Stock). The Gabelli Entities which beneficially own shares of the Company's Class A Common Stock are registered investment advisors and beneficially own such shares in an agent capacity.

 - (11) The information as to Fidelity Management & Research Company (Fidelity) is derived from a statement on Form 13G filed with the Securities and Exchange Commission on August 11, 2008. Fidelity is a wholly-owned subsidiary of FMR LLC. Edward C. Johnson, the Chairman of FMR LLC, and FMR LLC, through its control of Fidelity, each has the sole power to dispose of the 1,539,835 shares of Class A Common Stock beneficially owned by Fidelity. Members of the family of Edward C. Johnson 3d. are the predominant owners, directly or through trusts, of Series B voting common shares of FMR LLC, representing 49% of the voting power of FMR LLC. The Johnson family group and all other FMR LLC Series B shareholders have entered into a shareholders' voting agreement under which all Series B voting common shares will be voted in accordance with the majority vote of Series B voting common shares. Accordingly, through their ownership of voting common shares and the execution of the shareholders' voting agreement, members of the Johnson family may be deemed, under the Investment Company Act of 1940, to form a controlling group with respect to FMR LLC. Neither FMR LLC nor Edward C. Johnson 3d has the sole power to vote or direct the voting of the shares beneficially owned by Fidelity, which power resides with the Board of Trustees of an affiliate of Fidelity.

(collectively, the Funds) and by reason of such status may be deemed to be the beneficial owner of the reported securities held by the Funds. Messrs. Mule and O Shea each indirectly control Silver Point and by virtue of such status may be deemed to be the beneficial owners of all reported securities held by the Funds. This statement discloses that Silver Point and Messrs. Mule and O Shea share voting and dispositive power over such shares.

TRANSACTIONS WITH RELATED PERSONS

The Company monitors certain relationships and related party transactions by requiring each director and executive officer to notify in advance either the Executive Committee or the Audit/Compensation Committee of any upcoming transactions that may be considered a transaction with a related person. In addition, each director and executive officer completes an annual questionnaire to disclose any transactions with related persons.

The Company will from time to time make short-term non-interest bearing loans to the Company s Investment/Profit Sharing Plan to allow the Plan to meet distribution obligations during a time when the Plan was prohibited from selling shares of the Company s Class A common stock. During fiscal year 2008, loans totaling \$1.25 million between the Company and the Investment/Profit Sharing Plan were made and repaid. As of the date of this Proxy Statement, no such loans are outstanding.

The Company believes that the transactions described above have been and will continue to be on terms no less favorable to the Company than those available from unaffiliated third parties in transactions negotiated at arms-length. The Company does not intend to enter into any transactions in the future with or involving any of its executive officers or directors or any members of their immediate family on terms that would be less favorable to the Company than those that would be available from unaffiliated third parties in arms-length transactions.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Ernst & Young LLP has served as the independent registered public accounting firm for the Company and its subsidiaries since March 1989. The Company had no disagreements with Ernst & Young LLP on accounting and financial disclosures. Ernst & Young LLP s work on the Company s audit for fiscal year 2008 was performed by full-time, permanent employees and partners of the firm. Representatives of Ernst & Young LLP are expected to be present at the 2009 Annual Meeting. These representatives will have the opportunity to make a statement if they desire to do so and will respond to appropriate stockholder questions. The Audit/Compensation Committee has not yet engaged in discussions regarding the engagement of an independent registered public accounting firm for the Company s 2009 fiscal year.

Principal Accountant Fees and Services

As reflected in the table below, the Company incurred fees in fiscal years 2008 and 2007 for services performed by Ernst & Young LLP related to such periods.

Table of Contents

	Year Ended September 27, 2008	Year Ended September 29, 2007
Audit Fees	\$ 758,000	\$ 708,000
Audit-related Fees	26,000	26,000
Tax Fees		
All Other Fees		
Total Fees	\$ 784,000	\$ 734,000

In the above table:

Audit fees are fees billed by the independent registered public accounting firm for professional services for the audit of the consolidated financial statements included in the Company's Annual Report on Form 10-K, the audit of internal controls over financial reporting, review of consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q, and for services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements;

Audit-related fees are fees for services performed during the respective years by the independent registered public accounting firm for audits of the Company's employee benefit plan and other services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements including review of SEC comment letters;

Tax fees are fees for services performed during the respective years by the independent registered public accounting firm for professional services related to certain tax compliance, tax advice, and tax planning, of which none were paid to Ernst & Young LLP in fiscal 2008 or 2007; and

All other fees are fees for any other services performed during the respective years, of which none were paid to Ernst & Young LLP in fiscal 2008 or 2007.

The Company's Audit/Compensation Committee pre-approved all services described above for fiscal 2008, including non-audit services, and has determined that these fees and services are compatible with maintaining the independence of Ernst & Young LLP. The Company's Audit/Compensation Committee requires that each service provided by Ernst & Young LLP be pre-approved by the committee. However, the Committee has empowered Charles E. Russell, the chair of the committee to grant such approval on its behalf as to matters that arise between Audit/Compensation Committee meetings.

STOCKHOLDER PROPOSAL CONCERNING SEVERANCE AGREEMENTS

The following proposal and supporting statement were submitted by a stockholder, the name and stockholdings of which will be furnished promptly to any stockholder upon written or oral request to the Company's Secretary at the Company's executive offices, with the intention of presenting it for vote at the Annual Meeting:

STOCKHOLDER PROPOSAL

The Directors are requested to amend the Company's Bylaws to require shareholder approval of future Golden Parachutes or severance agreements with senior executives that provide benefits in an amount exceeding 2.99 times the sum of the executives' base salary plus bonus.

Statement in Support of Proposal

The merits of this Golden Parachute proposal should be considered in the context of the need to initiate improvements in our company's corporate governance and individual director performance. For instance in 2008 the following governance and performance issues were identified:

Table of Contents

Majority voting control held by the Company's CEO.

Director tenure exceeding 20 years.

Directors ownership of zero to 500 shares.

Current directors were on the Board when the Company underwent an internal investigation and a Securities and Exchange Commission inquiry in 2004.

These same directors held 5 of the 9 seats on our key board committees.

Directors who are inside directors or inside-related directors.

Additionally:

We have no shareholder right to:

1. Cumulative voting.
2. Call a special meeting.
3. Majority vote standard for election of our directors.

One-year rate of return was a minus-30%.

The above concerns show there is a need for improvement. Please encourage our board to respond positively to this proposal.

STATEMENT OF OPPOSITION

The Board recommends a vote AGAINST the stockholder proposal, and proxies received by the Company will be so voted unless stockholders specify a contrary choice in their proxies.

The Board has given the stockholder proposal careful consideration and believes that it should not be implemented. None of the Company's current executive officers have employment contracts or severance agreements. Furthermore, the Company has not utilized employment contracts or severance agreements in the past and has no plans to utilize such agreements in the future. The Board believes that severance agreements reduce an executive's incentive to place the interests of the Company and its shareholders ahead of personal interests. The Board believes severance agreements are not necessary to attract, motivate, develop and retain top quality executives who will drive long-term shareholder value. Consequently, the Board recommends that stockholders vote against the stockholder proposal.

Mr. Robert P. Ingle, the Company's Chief Executive Officer and principal stockholder, has informed the Company that he, in his capacity as a stockholder, intends to vote against the stockholder proposal. Mr. Ingle controls 86.0% of the outstanding voting power. If Mr. Ingle does vote against the proposal, it will not receive a sufficient number of favorable votes to be approved.

STOCKHOLDER PROPOSAL CONCERNING ANIMAL WELFARE PROGRESS REPORT

The following proposal and supporting statement were submitted by a stockholder, the name and stockholdings of which will be furnished promptly to any stockholder upon written or oral request to the Company's Secretary at the Company's executive offices, with the intention of presenting it for vote at the Annual Meeting:

STOCKHOLDER PROPOSAL

Resolved that shareholders request that the Board of Directors issue a report detailing any progress made toward adopting animal welfare policies pertaining to the purchasing of pork, eggs and poultry. The report should be prepared by August 2009 and should exclude proprietary information.

Table of Contents

Statement in Support of Proposal

Other companies have enacted policies to: (1) increase the amount of birds they purchase from suppliers that use a form of slaughter called controlled atmosphere killing (CAK) and give preference to CAK suppliers; (2) double the amount of cage-free eggs they sell and give preference to cage-free egg suppliers; and (3) significantly increase the percentage of pig meat they purchase from suppliers that are phasing out gestation crates and give preference to such suppliers.

Ingles has not shown shareholders or the public any policies similar to those of its competitors.

Accordingly, shareholders are encouraged to vote in favor of this proposal.

STATEMENT OF OPPOSITION

The Board recommends a vote AGAINST the stockholder proposal, and proxies received by the Company will be so voted unless stockholders specify a contrary choice in their proxies.

Ingles has shown its commitment to animal welfare by adopting the animal welfare guidelines of the Food Marketing Institute. These guidelines will continue to evolve as we work with independent experts in the areas of food safety and animal welfare to ensure that the safety of the food products sold in our stores is not compromised and that the animals that are processed into products sold at Ingles stores are treated humanely.

Ingles has policies that, when considering all factors, will give buying preference to a) poultry suppliers that use, or agree to switch to controlled atmosphere stunning and b) to pork producers that are phasing out gestation stalls. We have already increased our purchases of cage free eggs at a rate greater than that of overall egg purchases.

We believe in good animal handling practices and monitor our suppliers for compliance. In light of our commitment to increase purchases as detailed above, we do not believe at this time that it is appropriate to issue reports or adopt policies in addition to those already available in our public filings or from our website.

Consequently, the Board recommends that stockholders vote against the stockholder proposal.

Mr. Robert P. Ingle, the Company's Chief Executive Officer and principal stockholder, has informed the Company that he, in his capacity as a stockholder, intends to vote against the stockholder proposal. Mr. Ingle controls 86.0% of the outstanding voting power. If Mr. Ingle does vote against the proposal, it will not receive a sufficient number of favorable votes to be approved.

OTHER MATTERS

Solicitation of Proxies

The Company will solicit proxies for the Annual Meeting and will bear the cost of internet availability of documents, voting over the internet or by telephone and for all other costs associated with assembling, printing, mailing and soliciting proxy solicitation materials. The Company's officers and regular employees may also solicit proxies in person or by telephone, but they will not be specially compensated for such services. The Company's regularly retained investor relations firm, Corporate Communications, Inc., may also solicit proxies by internet, telephone and mail. The Company will not pay Corporate Communications, Inc. a separate fee for any such proxy solicitations. The Company will reimburse brokerage firms and other nominees, custodians and fiduciaries for the reasonable out-of-pocket expenses they incur in forwarding proxy solicitation materials to the beneficial owners of Common Stock held of record by them.

Such proposals must be received by the Secretary at the Company's principal office, the address of which is set forth in this Proxy Statement, and must meet the requirements of the regulations of the Securities and Exchange Commission to be eligible to be included in the proxy materials for the Company's 2010 Annual Meeting.

Further, any stockholder proposal for which the Company does not receive notice on or before November 25, 2009 shall be subject to the discretionary vote of the proxy holders at the 2010 Annual Meeting of Stockholders.

Action on Other Matters at the 2009 Annual Meeting

If notice of a stockholder proposal that has not been submitted to be included in this Proxy Statement was not received by the Company on or before November 26, 2008, the persons named in the enclosed form of proxy will have discretionary authority to vote all proxies with respect thereto in accordance with their best judgment. No proposals, other than the stockholder proposals contained herein, had been received as of that date.

At this time, the Company does not know of any matters to be presented for action at the 2009 Annual Meeting other than those listed in the Notice of Annual Meeting of Stockholders and contained in this Proxy Statement. If any other matter comes before the Annual Meeting, it is intended that the persons who are named in the proxies will vote the shares represented by effective proxies in their discretion.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the Company is required to identify any Reporting Person (as defined below) that failed to file on a timely basis with the Securities and Exchange Commission any report that was required to be filed during fiscal 2008 with the SEC pursuant to Section 16(a) of the Exchange Act. Such required filings include a Form 3 (an initial report of beneficial ownership of Common Stock) and a Form 4 and Form 5 (which reflect changes in beneficial ownership of Common Stock). For purposes of this Proxy Statement, a Reporting Person is a person who at any time during fiscal year 2008 was (a) a director of the Company, (b) an executive officer of the Company or its subsidiaries, or (c) a holder of more than 10% of the Company's outstanding Class A Common Stock or Class B Common Stock. The Company believes that during fiscal year 2008, its Reporting Persons complied with all Section 16(a) filing requirements. In making this statement, the Company has relied solely upon an examination of the copies of Forms 3, 4 and 5, and amendments thereto, provided to the Company and the written representations of its Reporting Persons.
