Mr. Boyd expressly disclaims beneficial ownership in any securities of the Company except for those securities that are owned directly by him or to the extent of his pecuniary interest, including to the extent of his pecuniary interest in any trust, partnership or other entity which owns such securities.

Mr. Boyd will review from time to time various factors relevant to his beneficial ownership of the Company's securities, including trading prices for the Company's Common Stock and conditions in capital markets generally, developments in the Company's business and financial condition, results of operations and prospects, and other factors and, based thereon may, from time to time, dispose of some or all of the Company's Common Stock that he beneficially holds, or acquire additional securities of the Company, in privately negotiated transactions, market sales or purchases, or otherwise. Mr. Boyd has in the past acquired, and may in the future acquire, stock options or other rights to purchase securities of the Company in the ordinary course of business in connection with his service as a director of the Company.
