CNH Board Announces Proposals to 2010 Annual General Meeting of Shareholders

BURR RIDGE, Illinois (February 15, 2010) The Board of Directors of CNH Global N.V. (NYSE:CNH) met today to agree on recommendations for the Company's 2010 Annual General Meeting of shareholders. The Board has set the meeting date as March 12, 2010.

As global financial markets struggled in 2009, CNH focused on reducing costs as well as generating cash. The Company delivered on its target to manage working capital, reducing it by \$1.2 billion, improving the net debt position \$953 million and ending the year with \$530 million in net cash for equipment operations. However, in light of continuing uncertainty on the timing of a global economic recovery, the Board proposed the Company maintain its prudent approach to cash management in 2010.

At the meeting today, the Board finalized proposals to put to the Company's shareholders. Among the proposals was a recommendation that the company not declare a dividend for fiscal year 2009.

The Board also approved the CNH 2009 Statutory Accounts that will be presented to shareholders at the upcoming Annual General Meeting.

The Board's recommendations are subject to the approval of shareholders at the upcoming Annual General Meeting.
