The table below also sets forth Shares Available to be Sold, which represents the maximum number of Shares that could be sold under this prospectus by the holder assuming the vesting of all awards, achievement of all performance criteria and exercise of all options. The listing of shares under Shares Available to be Sold does not reflect a commitment by the stockholder to sell any or all of the stated number of Shares. The actual number of Shares to be sold, if any, shall be determined from time to time by each Selling Stockholder in his or her discretion. We have not been informed whether any selling stockholders intend to sell any Shares.
