Dear Stockholders:

On November 15, 2010, Seneca Capital International Master Fund, L.P., Seneca Capital, L.P., Seneca Capital Investments, L.P., Seneca Capital Investments, LLC, Seneca Capital International GP, LLC, Seneca Capital Advisors, LLC and Douglas A. Hirsch (collectively, the Seneca Group), which had engaged in a proxy solicitation in opposition to our August 13, 2010 merger agreement with an affiliate of The Blackstone Group L.P., announced their intention to seek written consents to (i) remove Bruce A. Williamson and David W. Biegler from the Board of Directors of Dynegy, Inc. (the Board or your Board) and replace them with E. Hunter Harrison and Jeff D. Hunter, (ii) repeal any bylaws which have been adopted since December 7, 2009 and (iii) direct the Board of Directors to conduct certain studies, reviews and evaluations (the Seneca Proposals). We are sending you the enclosed consent revocation statement and accompanying BLUE consent revocation card (the Consent Revocation Card) because we believe that the Seneca Proposals that would remove two directors would be disruptive to the strategic alternatives process we announced on November 23, 2010, the repeal of the bylaws is unnecessary and there is no valid reason to unwind the reverse stock split. We otherwise have determined to undertake certain studies, reviews and evaluations suggested by the Seneca Group and have announced our intention to engage with the Seneca Group regarding the immediate appointment of a qualified, independent candidate to the Dynegy Board which nominee would join the special committee of independent directors overseeing the strategic alternatives process.

We are soliciting consent revocation cards from you to reject certain of the Seneca Group s proposals and to revoke any consents you may have executed in favor of the proposals to remove and elect directors, repeal bylaws and unwind the reverse stock split. Your Board has acted and is committed to continuing to act in the best interests of Dynegy and its stockholders.

On November 22, 2010, the Board adopted a bylaw to provide for setting a record date for determining stockholders entitled to consent and for an independent inspector of elections to perform a prompt ministerial review of the validity of consents and revocations. Upon a request by the Seneca Group, the Board will, within ten days after such request, set a record date (the Record Date) for the determination of the Company s stockholders who are entitled to execute, withhold and revoke consents relating to the Seneca Proposals. Only holders of record as of the close of business on the Record Date may execute, withhold or revoke consents with respect to the Seneca Proposals.

DYNEGY URGES YOU TO REJECT CERTAIN OF THE SENECA PROPOSALS (PROPOSALS 1, 2, 3 AND 9) BY REVOKING YOUR CONSENT BY INTERNET, BY TELEPHONE OR BY SIGNING, DATING AND RETURNING THE ENCLOSED BLUE CONSENT REVOCATION CARD IN THE ENVELOPE PROVIDED.

WE URGE YOU NOT TO SIGN ANY CONSENT CARD SENT TO YOU BY THE SENECA GROUP AND TO REVOKE ANY CONSENT YOU MAY ALREADY HAVE SUBMITTED TO THE SENECA GROUP WITH RESPECT TO THOSE PROPOSALS WE OPPOSE. To revoke and change your consent, simply revoke your consent by telephone, by Internet or by signing, dating and returning the enclosed BLUE Consent Revocation Card in the envelope provided. Only your latest dated consent card or consent revocation card will be counted for the determination of each of the various Seneca Proposals.

Sincerely,

THE BOARD OF DIRECTORS

CONSENT REVOCATION STATEMENT

BY

THE BOARD OF DIRECTORS OF DYNEGY INC.

IN OPPOSITION TO

A CONSENT SOLICITATION BY THE SENECA GROUP

This Consent Revocation Statement and the enclosed BLUE consent revocation card (the Consent Revocation Card) are being furnished by the Board of Directors (the Board or your Board) of Dynegy Inc., a Delaware corporation (Dynegy or the Company), in connection with your Board's opposition to the solicitation of written consents with respect to certain matters (the Seneca Solicitation) by Seneca Capital International Master Fund, L.P., Seneca Capital, L.P., Seneca Capital Investments, L.P., Seneca Capital Investments, LLC, Seneca Capital International GP, LLC, Seneca Capital Advisors, LLC and Douglas A. Hirsch (collectively, the Seneca Group). This Consent Revocation Statement and the enclosed BLUE Consent Revocation Card are first being sent or given to the stockholders of Dynegy on or about [], 2010.

On November 15, 2010, the Seneca Group, which had solicited proxies in opposition to our August 13, 2010 merger agreement with an affiliate of The Blackstone Group L.P., announced their intention to seek written consents to (i) remove Bruce A. Williamson and David W. Biegler from your Board and replace them with E. Hunter Harrison and Jeff D. Hunter (the Seneca Nominees), (ii) repeal any bylaws adopted since December 7, 2009 and (iii) direct the Board of Directors to conduct certain studies, reviews and evaluations (the Seneca Proposals). As a part of the strategic alternatives process we announced on November 23, 2010, we have determined to undertake certain studies, reviews and evaluations suggested by the Seneca Proposals, other than unwinding the reverse stock split, and we have announced our intention to engage with the Seneca Group regarding the immediate appointment of a qualified, independent candidate to the Dynegy Board, which individual would join the special committee of independent directors overseeing the strategic alternatives process.

We believe the Seneca Group's consent solicitation has become unnecessary as a result of these actions and we urge you not to execute a consent with respect to the Seneca Proposals and to revoke any consent which you may have already signed with respect to those proposals we oppose (Proposals 1, 2, 3 and 9) by signing, dating and returning the enclosed blue consent revocation card in the enclosed envelope. Your Board is engaged in a strategic alternatives process to maximize stockholder value. To remove the Chairman of the Board, President and Chief Executive Officer and another key director from your Board at this time would, we believe, be disruptive to this process, and, as noted, we have announced our intention to engage with the Seneca Group regarding the appointment of an individual to the Board and the special committee overseeing the strategic alternatives process. The only bylaws which would be repealed would be the bylaw we have adopted to provide an orderly process for this consent solicitation (and the only effect of that repeal would be to call into question whether it is appropriate for an independent inspector of elections to perform a prompt ministerial review of consents and revocations, which review we believe is in the best interests of all stockholders), as well as a bylaw which allows board meetings to be called more quickly. We have also determined to undertake the studies, reviews and evaluations suggested by the Seneca Proposals, other than with respect to the reverse stock split.

Table of Contents

On November 22, 2010, the Board adopted a bylaw to provide for setting a record date for determining stockholders entitled to consent and for an independent inspector of elections to perform a prompt ministerial review of the validity of consents and revocations. Upon a request by the Seneca Group, the Board will, within ten days after such request, set a record date (the Record Date) for the determination of the Company s stockholders who are entitled to execute, withhold and revoke consents relating to the Seneca Proposals. Only holders of record as of the close of business on the Record Date may execute, withhold or revoke consents with respect to the Seneca Proposals.

YOUR BOARD OPPOSES CERTAIN OF THE SENECA PROPOSALS (PROPOSALS 1, 2, 3 AND 9). YOUR BOARD IS COMMITTED TO ACTING IN THE BEST INTERESTS OF ALL OF THE COMPANY S STOCKHOLDERS.

The full text of each of the Seneca Proposals is set forth on the BLUE Consent Revocation Card and on page [] below.

YOUR BOARD URGES YOU NOT TO SIGN ANY WHITE CONSENT CARD SENT TO YOU BY THE SENECA GROUP BUT INSTEAD TO REJECT THE SENECA PROPOSALS CONCERNING THE RECONFIGURATION OF THE BOARD, REPEALING BYLAWS AND THE REVERSE STOCK SPLIT BY PHONE, BY INTERNET OR BY SIGNING AND RETURNING THE BLUE CONSENT REVOCATION CARD INCLUDED WITH THESE MATERIALS TODAY.

If you have previously signed and returned the Seneca Group s white consent card, you have every right to change your vote and revoke your consent. Whether or not you have signed the white consent card, we urge you to mark the **YES, REVOKE MY CONSENT** boxes on the enclosed BLUE Consent Revocation Card with respect to those matters we oppose and to sign, date and mail the card in the postage-paid envelope provided. Although submitting a consent revocation will not have any legal effect if you have not previously submitted a consent card, it will help us keep track of the progress of the consent process. BACKGROUND

On August 13, 2010, Dynegy entered into a merger agreement with an affiliate of The Blackstone Group L.P., pursuant to which Dynegy would be acquired and our stockholders would receive \$4.50 per share in cash. On November 16, 2010, the merger agreement was amended to increase the merger consideration to \$5.00 per share in cash. The special meeting that had been called for November 17, 2010 was convened on that date, and in order to provide stockholders time to consider the price increase, the polls were declared open until 4 p.m., central time, on November 23, 2010, and the meeting was recessed until a half an hour before the polls were to close. On November 23, 2010, Dynegy announced that it intended to immediately commence an open strategic alternatives process to solicit proposals from potentially interested parties and carefully review its standalone restructuring alternatives if the merger agreement was not approved. The special meeting was reconvened on

Table of Contents

that day, the merger agreement was not approved, and the merger agreement was terminated. Dynegy has invited interested third parties, including Seneca Capital and Carl C. Icahn and certain of his associates (Icahn Associates), to contact Dynegy concerning the process, and Dynegy s financial advisors will contact a broad group of other potential strategic and financial buyers. In addition to evaluating the potential sale of the Company, the special committee which is overseeing the process will evaluate Dynegy s forecasts and current commodity and financial market conditions as well as Dynegy s strategic alternatives and is retaining an independent financial restructuring advisor to conduct a review that will include strategic alternatives to create stockholder value, including management s previous analysis of individual asset sales, debt restructuring and cost cutting opportunities. As a part of this process, the Board has determined to undertake the studies, reviews and evaluations suggested by the Seneca Proposals, other than unwinding the reverse stock split, and Dynegy announced its intention to engage with the Seneca Group regarding the appointment of a qualified, independent candidate to the Dynegy Board, which individual would also join the special committee overseeing the strategic alternatives process.

On November 15, 2010, the Seneca Group, which had solicited proxies in opposition to the Blackstone Merger Agreement, announced their intention to seek written consents to (i) remove Bruce A. Williamson and David W. Biegler from the Board and replace them with E. Hunter Harrison and Jeff D. Hunter, (ii) repeal any provision of the bylaws that became effective since December 7, 2009 and (iii) direct the Board to conduct certain studies, reviews and evaluations (the Seneca Proposals). For the full text of the Seneca Proposals, please see the section entitled **QUESTIONS AND ANSWERS ABOUT THIS CONSENT REVOCATION SOLICITATION** What are the Seneca Proposals?

We believe the actions we have taken make the Seneca Proposals no longer necessary. As discussed above, your Board is engaged in a strategic alternatives process to maximize stockholder value. To remove the Chairman of the Board, President and Chief Executive Officer and another key director from the Board at this time would, we believe, be disruptive to this process, and, as noted, we are willing to have a nominee submitted by the Seneca Group join the board and the special committee. The only bylaws which would be repealed would be the bylaw we have adopted to provide an orderly process for this consent solicitation (and the only effect of that repeal would be to call into question whether it is appropriate for an independent inspector of elections to perform a prompt ministerial review of consents and revocations, which review we believe is in the best interests of all stockholders), as well as the repeal of a bylaw which permits board meetings to be called more quickly. We have determined to undertake the studies, reviews and evaluations suggested by the Seneca Proposals, other than with respect to unwinding the reverse stock split, as we believe that there is no valid reason to do so.

QUESTIONS AND ANSWERS ABOUT THIS CONSENT REVOCATION SOLICITATION

Who is making the solicitation?

Your Board.

Please see the section titled "OTHER INFORMATION Participants in the Solicitation and Solicitation of Consent Revocations" for additional information regarding individuals other than members of your Board that are deemed to be participants in this solicitation.

For information regarding other officers and employees of the Company who may assist in the solicitation of proxies, please see the section titled "OTHER INFORMATION Participants in the Solicitation and Solicitation of Consent Revocations" and Annex B of this Consent Revocation Statement.

What are we asking you to do?

You are being asked to revoke any consent that you may have delivered in favor of the Seneca Proposals which we oppose and, by doing so, preserve your current duly elected Board, which will continue to act in the best interests of all stockholders.

What are the Seneca Proposals?

The Seneca Group is soliciting consents for the following:

Proposal 1. Remove, without cause, the following two members of the Company's Board of Directors (the "Dynegy Board") (and any person or persons, other than those elected pursuant to this consent solicitation, elected or appointed by the Dynegy Board to fill any vacancy or newly created directorship prior to the effective date of these Proposals): Bruce A. Williamson and David W. Biegler.

Proposal 2. Elect E. Hunter Harrison and Jeff D. Hunter to serve as directors of the Company until the next annual meeting of stockholders and until their successors are duly elected and qualified.

Proposal 3. Repeal any provision of the Company's Amended and Restated Bylaws (the "Bylaws") in effect at the time this proposal becomes effective that was not included in the Bylaws that became effective on December 7, 2009 and were filed with the Securities and Exchange Commission on December 11, 2009.

Proposal 4. Direct the Dynegy Board to explore and undertake a strategic review of the Company and its assets to explore the possibility of a sale of the Company and/or its assets with a view to using proceeds of any such asset sales for liquidity, optimizing the level of outstanding debt or other means of creating stockholder value.

Proposal 5. Direct the Dynegy Board to consider strategies to optimize the Company's debt structure, including, without limitation, a refinancing of the Company's revolver to better align with actual business needs, an evaluation of additional financings and/or debt exchanges to extend and reduce maturities and/or to reduce costs, an evaluation of hedge monetization to enhance liquidity, and an evaluation of the most efficient means of hedge collateralization, including the use of non-cash assets.

Proposal 6. Direct the Dynegy Board to carefully evaluate all cost cutting opportunities available to the Company, including, without limitation, corporate costs.

Proposal 7. Direct the Dynegy Board to conduct a review of senior management and the compensation plan of the Company to ensure that proper alignment is in place to capture value for stockholders.

Proposal 8. Direct the Dynegy Board to undertake an in-depth review of director and officer compensation policies to ensure that such policies provide for the best-in-class economic alignment with stockholders through stock ownership.

Table of Contents

Proposal 9. Direct the Dynegy Board to analyze and explore unwinding the recent reverse stock split in a stockholder-friendly manner.

Which Seneca Proposals do we oppose?

We oppose proposals 1, 2, 3 and 9, for the reasons set forth in this Consent Revocation Statement.

Why are we soliciting your vote?

We believe the entire Seneca Group consent solicitation has become unnecessary in light of the actions we have taken and that certain of the Seneca Proposals are not in the best interests of Dynegy or its stockholders. Particularly in light of the strategic alternatives process to maximize stockholder value which we announced on November 23, and our willingness to have a qualified, independent individual submitted by the Seneca Group join the Board and the special committee, your Board believes Seneca Proposals 1, 2, 3 and 9 are disruptive to that process and unnecessary. With respect to the proposal on the reverse stock split, which was implemented after the approval of holders of a substantial majority of our shares in May 2010, we do not see any valid reason to unwind that action.

If you have already delivered a consent, is it too late for you to change my mind?

No. Unless and until the requisite number of duly executed, unrevoked consents are delivered to the Company in accordance with Delaware law and Dynegy's organizational documents, the consents will not be effective. At any time prior to the consents becoming effective, you have the right to revoke your consent by delivering a BLUE Consent Revocation Card, as discussed in the following question.

What is the effect of delivering a BLUE Consent Revocation Card?

By marking the **YES, REVOKE MY CONSENT** boxes on the enclosed BLUE Consent Revocation Card and signing, dating and mailing the card in the postage-paid envelope provided, you will revoke any earlier dated consent that you may have delivered to the Seneca Group on those matters. Even if you have not submitted a consent card, we urge you to submit a BLUE Consent Revocation Card as described above. Although submitting a consent revocation will not have any legal effect if you have not previously submitted a consent card, we urge you to submit a consent revocation card because it will help us keep track of the progress of the consent process.

Who can reject the Seneca Proposals the Dynegy Board opposes?

Only stockholders of record of shares of Common Stock on the Record Date are entitled to consent, withhold consent or revoke a previously given consent with respect to the Seneca Proposals. You also have the right to instruct whether to consent, withhold consent or revoke a previously given consent with respect to the Seneca Proposals for any shares of Common Stock of which you are the beneficial owner but which are registered in the name of a broker, dealer, commercial bank, trust company or other nominee. Please see the section titled **CONSENT REVOCATION** for details regarding how to instruct the giving, withholding or revoking of shares of Common Stock you beneficially own that are registered in the name of a broker, dealer, commercial bank, trust company or other nominee.

What happens if the Seneca Proposals the Dynegy Board opposes pass?

Should the Seneca Proposals the Dynegy Board opposes pass, Bruce A. Williamson and David W. Biegler will be removed as directors and E. Hunter Harrison and Jeff D. Hunter will be elected as directors of the Company. The bylaw concerning the process for a consent solicitation would be removed, leaving in question whether an independent inspector of election may engage in a prompt ministerial review of consents and revocations. In addition, a bylaw which shortens the notice period for board meetings would be repealed. However, the Dynegy Board would still have the ability under Delaware law and Dynegy's organizational documents to increase the size of the board and fill any vacancies and to adopt bylaws, although it has not made any determination to do so. Since the proposal to study unwinding the reverse stock split would not be binding on the Dynegy Board, the Board would have to determine, in the best interests of the Company and its stockholders, how to respond to that proposal.

Table of Contents

How many shares must consent in order to remove Bruce A. Williamson and David W. Biegler from the Board of Directors, elect the Seneca Nominees and pass the other Seneca Proposals?

If your shares of Common Stock are held in the name of a broker, dealer, commercial bank, trust company or other nominee, only it can execute a proxy card with respect to your shares of Common Stock and only upon receipt of your specific instructions. Please call our proxy solicitor, [], toll free at [1-] or collect at [].

Why did you only receive one set of materials when there is more than one stockholder at your address?

Stockholders who do not receive a separate copy of this Consent Revocation Statement and want to receive a separate copy may request to receive a separate copy of, or additional copies of, this Consent Revocation Statement via telephone as outlined above. Stockholders who share an address and receive multiple copies of this Consent Revocation Statement may also request to receive a single copy following the instructions above.

WE URGE YOU NOT TO SIGN ANY WHITE CONSENT CARD SENT TO YOU BY THE SENECA GROUP WITH RESPECT TO THE PROPOSALS WE OPPOSE (PROPOSALS 1, 2, 3 AND 9) AND TO REVOKE ANY CONSENT CARD YOU MAY ALREADY HAVE RETURNED TO THE SENECA GROUP WITH RESPECT TO THOSE PROPOSALS.

Table of Contents

PROPOSALS

REJECT PROPOSAL 1 REMOVAL OF DIRECTORS

THE SENECA GROUP SEEKS TO REMOVE FROM THE BOARD TWO EMINENTLY QUALIFIED INDIVIDUALS WHO HAVE FAMILIARITY WITH THE COMPANY'S BUSINESS AND AFFAIRS GATHERED OVER YEARS OF SERVICE.

Proposal 1. Remove, without cause, the following two members of the Company's Board of Directors (the "Dynegy Board") (and any person or persons, other than those elected pursuant to this consent solicitation, elected or appointed by the Dynegy Board to fill any vacancy or newly created directorship prior to the effective date of these Proposals): Bruce A. Williamson and David W. Biegler.

VOTE REQUIRED

A majority of the outstanding shares of Common Stock of the Company must consent, which as of [], 2010 would equal [].

REASONS TO REJECT

Mr. Williamson has been a duly elected director and the Chief Executive Officer of the Company since 2002, the Chairman of your Board since 2004, and President of Dynegy since 2007. He has extensive experience in executive management, risk management and finance, business development in the energy industry, both domestic and international, and knowledge of energy markets. He has served as a director of Dynegy since 2002, having been re-elected by our stockholders as a director eight times.

Mr. Biegler is a duly elected independent director and the Company's Compensation and Human Resources Committee chair and has served as a senior executive of several large corporations in the energy industry, including corporations with power operations. He has experience on multiple public boards and committees and is currently serving as Chairman and Chief Executive Officer for Southcross Energy, LLC. He has an extensive background in corporate governance, broad based knowledge in power generation and energy marketing and possesses extensive general management experience. He has served as a director of Dynegy since 2003, having been re-elected by our stockholders as a director seven times.

We believe the removal of these two experienced directors, one of whom is our president and chief executive officer, would be disruptive not only to the strategic alternatives process Dynegy announced on November 23, 2010, but also to the day-to-day operations of Dynegy while this process is ongoing. Since the removal of these two directors was proposed to make room for the Seneca Nominees, we believe our willingness to add a qualified, independent individual submitted by the Seneca Group to the Board eliminates the need to remove any directors.

WE URGE YOU NOT TO CONSENT TO THE REMOVAL OF DIRECTORS.

Additional Information Concerning Bruce A. Williamson, David W. Biegler and other members of your Board

Bruce A. Williamson, David W. Biegler, the other members of the Board and the executive officers of the Company have furnished additional miscellaneous information required by SEC rules and applicable law, which information is located in Annex A of this Consent Revocation Statement.

Table of Contents

REJECT PROPOSAL 2 THE ELECTION OF THE SENECA NOMINEES TO THE BOARD

THE SENECA GROUP SEEKS TO ELECT ITS HAND PICKED REPRESENTATIVES, E. HUNTER HARRISON AND JEFF D. HUNTER, TO THE BOARD.

Proposal 2. Elect E. Hunter Harrison and Jeff D. Hunter to serve as directors of the Company until the next annual meeting of stockholders and until their successors are duly elected and qualified.

VOTE REQUIRED

A majority of the outstanding shares of Common Stock of the Company must consent, which as of [], 2010 would equal [].

REASONS TO REJECT

We have offered to add a qualified, independent individual submitted by the Seneca Group to our Board of Directors and to the special committee overseeing the strategic alternatives process.

WE URGE YOU NOT TO CONSENT TO REMOVE OUR DIRECTORS OR ELECT THEIR TWO NOMINEES IN ORDER TO ENCOURAGE THE SENECA GROUP TO WORK WITH THE EXISTING BOARD TO PURSUE THE GOAL OF MAXIMIZING STOCKHOLDER VALUE.

REJECT PROPOSAL 3 BYLAW REPEAL

THE SENECA GROUP SEEKS TO REPEAL ALL CHANGES TO THE COMPANY S BYLAWS SINCE DECEMBER 7, 2009.

Proposal 3. Repeal any provision of the Company s Amended and Restated Bylaws (the Bylaws) in effect at the time this proposal becomes effective that was not included in the Bylaws that became effective on December 7, 2009 and were filed with the Securities and Exchange Commission on December 11, 2009.

VOTE REQUIRED

A majority of the outstanding shares of Common Stock of the Company must consent, which as of [], 2010 would equal [].

REASONS TO REJECT

Only two bylaws would be repealed if this proposal is approved. One would shorten the notice period for board meetings, the purpose of which was to provide additional flexibility for scheduling board review and discussion of developments in the strategic alternatives process. The second provides for the setting of a record date for consent solicitations, and provides for a brief ministerial review of consents and revocations by an independent inspector of elections. Since the record date provision would have already operated, the only effect of the repeal of the consent bylaw would be to call into question whether an independent inspector of elections can perform a brief, ministerial review to determine the validity of the result, which we believe is in the interests of all stockholders. The Board has no present plans to adopt any other bylaws, and should we do so, if stockholders found any new bylaw objectionable, they could then submit a consent to repeal that bylaw.

WE URGE YOU TO NOT CONSENT TO THE BYLAW REPEAL PROPOSAL.

REJECT PROPOSAL 9 UNWIND THE REVERSE STOCK SPLIT

Proposal 9. Direct the Dynegy Board to analyze and explore unwinding the recent reverse stock split in a stockholder-friendly manner.

VOTE REQUIRED

A majority of the outstanding shares of Common Stock of the Company must consent, which as of [], 2010 would equal [].

REASONS TO REJECT

The reverse stock split was approved by almost three quarters of the shares present at our 2010 annual meeting. Should the ongoing strategic alternatives process not result in a consummated transaction, the Board believes that the reasons the reverse stock split was recommended, approved by stockholders and implemented remain equally applicable today. Those reasons were (i) to increase the universe of potential investors because certain funds and institutional investors have guidelines and policies that prohibit them from investing in companies whose stock is below a certain threshold; (ii) to increase broker interest and decrease transaction costs because many brokerage firms have policies and practices that prohibit or discourage them from investing in or recommending to their clients companies whose stock is below a certain threshold, and because the transaction costs for lower priced stocks tend to be a higher percentage of the total transaction; (iii) to reduce stock price volatility because small fluctuations in price for a lower priced stock result in a relatively larger percentage change in the stock price; and (iv) to reduce general and administrative costs, such as record-keeping and NYSE listing fees.

WE URGE ALL STOCKHOLDERS OF DYNEGY TO REJECT THE SENECA GROUP S PROPOSAL TO REVIEW DYNEGY S RECENT REVERSE STOCK SPLIT WHICH WAS PREVIOUSLY APPROVED BY ALMOST THREE QUARTERS OF THE SHARES PRESENT AT OUR 2010 ANNUAL MEETING AND THE REASONS FOR WHICH ARE STILL APPLICABLE IN THE EVENT THE RECENTLY ANNOUNCED STRATEGIC ALTERNATIVES PROCESS DOES NOT RESULT IN A CONSUMMATED TRANSACTION. IN ADDITION, DEPENDING ON THE STOCK PRICE, REVERSING THE ONE-FOR-FIVE REVERSE STOCK SPLIT COULD RESULT IN A RISK OF DYNEGY S SHARES BEING DELISTED BY THE NEW YORK STOCK EXCHANGE.

The Company

Dynegy Inc.

Dynegy's primary business is the production and sale of electric energy, capacity and ancillary services from our fleet of eighteen operating power plants in six states totaling approximately 12,100 MW of generating capacity. We report the results of our power generation business, based on geographical location and how we allocate our resources, as three separate segments in our consolidated financial statements: (i) generation - Midwest segment, (ii) generation - West segment and (iii) generation - Northeast segment. Dynegy sells electric energy, capacity and ancillary services on a wholesale basis from our power generation facilities. Energy is the actual output of electricity and is measured in MWh. The capacity of a power generation facility is its electricity production capability, measured in MW. Wholesale electricity customers will, for reliability reasons and to meet regulatory requirements, contract for rights to capacity from generating units. Ancillary services are the products of a power generation facility that support the transmission grid operation, follow real-time changes in load and provide emergency reserves for major changes to the balance of generation and load. We sell these products individually or in combination to our customers under short-, medium- and long-term contractual agreements or tariffs.

Dynegy's customers include regional transmission organizations and independent service operations, integrated utilities, municipalities, electric cooperatives, transmission and distribution utilities, industrial customers, power marketers, financial participants such as banks and hedge funds, other power generators and commercial end-users. All of our products are sold on a wholesale basis for various lengths of time from hourly to multi-year transactions. Some of our customers, such as municipalities or integrated utilities, purchase our products for resale in order to serve their retail, commercial and industrial customers. Other customers, such as some power marketers, may buy from us to serve their own wholesale or retail customers or as a hedge against power sales they have made.

If the strategic process results in Dynegy no longer being a public company, there will be no public participation in any future meeting of stockholders. However, if a transaction is not completed, we expect to hold a 2011 annual meeting of stockholders next year. Under Rule 14a-8 promulgated under the Exchange Act, eligible stockholders may present proper proposals for inclusion in the Company's proxy statement and proxy, and for consideration at the next annual meeting of its stockholders, by submitting their proposals to the Company in a timely manner. To be so included for the next annual meeting, stockholder proposals must be received by the Company no later than December 6, 2010, and must otherwise comply with the requirements of Rule 14a-8. Review and Approval of Transactions with Related Persons

Your Board adopted a written policy relating to the approval of transactions with related parties. In general, for purposes of this policy a related party transaction is a transaction to which Dynegy is a party, or a material amendment to any such transaction, and with respect to which a related party is directly, or to Dynegy's knowledge, indirectly, a party. Under this policy, a related party is an executive officer, director or nominee for director of ours, a person known to us to be the beneficial owner of more than 5% of our voting securities, an immediate family member of an executive officer, director, nominee for director or 5% stockholder, and any entity owned or controlled by any of the foregoing individuals or in which any such individual serves as an executive officer or general partner or, together with any other such individuals, owns 10% or more of the equity interests of such an entity. Dynegy's policy requires the Audit and Compliance Committee or, at the Board's discretion, a majority of directors disinterested from the transaction, to review and approve related party transactions. In reviewing and approving any related party transactions or material amendments to any such transaction, the Audit and Compliance Committee (or, prior to its dissolution the Independent Director Committee, as the case may be) must satisfy itself that it has been fully informed as to the related party's relationship and interest and as to the material facts of the transaction and must determine that the related party transaction is fair to Dynegy. Generally, transactions between Dynegy and joint ventures are reviewed and approved under Dynegy's related party policy, with the exception of certain specified transactions involving less than \$50 million that are excluded from the policy's approval procedures. A copy of our related party transactions policy is available on Dynegy's web site at www.dynegy.com.

Board Leadership Structure; Separation of Positions of Chairman and Chief Executive Officer; Lead Director

As discussed in Dynegy's Corporate Governance Guidelines, the Board's policy with respect to the separation of the Chairman and Chief Executive Officer positions is that the interests of Dynegy's stockholders are best served by a policy that enables the Board to make a determination regarding its Chairman based on Dynegy's needs and the particular skill sets that are available at the time. The Board believes that Dynegy's Chief Executive Officer is currently best situated to serve as Chairman because he is the director most familiar with Dynegy's business and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. The Board's independent directors bring experience, oversight and expertise from outside the company, while the Chief Executive Officer brings company-specific experience and expertise. The Board believes that the combined role of Chairman and Chief Executive Officer facilitates information flow between management and the Board, which is essential during current business conditions. To that end, the Board has determined that Bruce A. Williamson, Dynegy's current Chairman, President and Chief Executive Officer, should remain as Chairman.

The Lead Director must be independent and is expected to devote a greater amount of time to Board service than the other directors. As Lead Director, Ms. Patricia A. Hammick presides over the regular sessions of Dynegy's non-management directors and has the other powers and duties described in Dynegy's bylaws, and Corporate Governance Guidelines, including representing the interests of the non-management directors when conferring with senior management between Board meetings and in consulting with the Chairman regarding Board meeting agendas.

One of the key responsibilities of the Board is to approve strategic direction and hold management accountable for the execution of strategy once it is developed. The Board has concluded that the combined role of Chairman and Chief Executive Officer, together with an independent Lead Director having the duties described

Table of Contents

above, is currently in the best interest of stockholders because it provides an appropriate balance between our Chairman's ability to specifically manage strategic development and our Lead Director's independent objective oversight of our management.

Policy for Communications with Directors

Dynegy's Policy for Communications with Directors provides a means for stockholders and other interested parties to communicate with the Board. Under this policy, stockholders and other interested parties may communicate with the Board or specific members of the Board by sending a letter to Dynegy Inc., Communications with Directors, Attn: Corporate Secretary, 1000 Louisiana Street, Suite 5800, Houston, Texas 77002.
