Pursuant to the Option Agreement, Red Ventures has an option to purchase DirectStar from MasTec, at any time from March 1, 2012 to November 30, 2012 for an amount equal to the sum of: (i) the shareholders equity of DirectStar as of May 31, 2010, (ii) five percent (5%) of the adjusted net income (generally, the net income (loss) before provision of income taxes) of DirectStar from January 1, 2010 until the last day of the month immediately prior to the date of the sale and (iii) the Factor (as defined in the Option Agreement). The foregoing description of the Option Agreement and terms of the Option is only a summary and is qualified in its entirety by reference to the full text of the Option Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K, and which is incorporated herein by reference.
