Dear Shareholder:

You are cordially invited to attend a special meeting of shareholders of Spectrum Control, Inc. to be held on Friday, May 27, 2011 at 10:00 a.m. Eastern time, at our headquarters, located at 8031 Avonia Road, Fairview, Pennsylvania 16415.

On March 28, 2011, the company entered into a merger agreement providing for its acquisition by API Technologies Corp. At the special meeting, you will be asked to consider and vote upon a proposal to adopt the merger agreement.

If the merger contemplated by the merger agreement is completed, you will be entitled to receive \$20.00 in cash, without interest, for each share of our common stock owned by you.

Our board of directors has unanimously determined that the merger is advisable, fair and is in the best interests of the company and its shareholders and has unanimously adopted and approved the merger on the terms and subject to the conditions set forth in the merger agreement. Our board of directors made its determination after consideration of a number of factors more fully described in the accompanying proxy statement. The board of directors of the company recommends that you vote **FOR** approval of the proposal to adopt the merger agreement and **FOR** approval of the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Approval of the proposal to adopt the merger agreement requires the affirmative vote of a majority of the votes cast by the holders of the outstanding shares of our common stock entitled to vote on the matter (assuming a quorum is present).

Your vote is very important. Whether or not you plan to attend the special meeting, please date, sign and return, as promptly as possible, the enclosed proxy card in the accompanying prepaid reply envelope, or submit your proxy by telephone or the Internet. If you attend the special meeting and vote in person, your vote by ballot will revoke any proxy previously submitted.

If your shares of our common stock are held in street name by your bank, brokerage firm or other nominee, your bank, brokerage firm or other nominee will be unable to vote your shares of our common stock without instructions from you. You should instruct your bank, brokerage firm or other nominee to vote your shares of our common stock in accordance with the procedures provided by your bank, brokerage firm or other nominee.

The accompanying proxy statement provides you with detailed information about the special meeting, the merger agreement and the merger. A copy of the merger agreement is attached as Annex A to the proxy statement. We encourage you to read the entire proxy statement and its annexes, including the merger agreement, carefully. You may also obtain additional information about the company from documents we have filed with the Securities and Exchange Commission.

If you have any questions about the merger or if you need assistance voting your shares of our common stock, please call John P. Freeman, Senior Vice President and Chief Financial Officer of the company, at (814) 474-4310. You may also contact Georgeson, Inc., our proxy solicitor, at (800) 457-0759 (toll-free), or (212) 440-9800 (call collect).

Thank you in advance for your cooperation and continued support.

PROXY STATEMENT FOR SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON FRIDAY, MAY 27, 2011

We are providing these proxy materials to you in connection with the solicitation of proxies by the board of directors of Spectrum Control, Inc. for a special meeting of shareholders to be held on Friday, May 27, 2011, at 10:00 a.m. and for any adjournment or postponement of that meeting at our headquarters, located at 8031 Avonia Road, Fairview, Pennsylvania 16415.

In this proxy statement, we refer to Spectrum Control, Inc. as the Company, we or us, to API Technologies Corp. as API and to Erie Merger Corp. as Merger Sub.

This proxy statement is dated May 4, 2011 and is being first mailed, with the form of proxy card, to our shareholders on or about May 4, 2011.

Table of Contents

SUMMARY

The following summary highlights selected information in this proxy statement and may not contain all the information important to you. Accordingly, we encourage you to read carefully this entire proxy statement, its annexes and the documents referred to in this proxy statement. Each item in this summary includes a page reference directing you to a more complete description of that topic. You may obtain more information about the Company without charge by following the instructions under Other Matters Where You Can Find More Information beginning on page 60.

Parties to the Merger (page 15)

Spectrum Control, Inc. is a Pennsylvania corporation headquartered in Fairview, Pennsylvania. We design, develop and manufacture high performance, custom electronic components and systems for the defense, aerospace, industrial and medical industries.

API Technologies Corp. is a Delaware corporation headquartered in Orlando, Florida. Through its subsidiaries, API provides secure communications, electronic components and subsystems, and contract manufacturing services to the global defense and aerospace industries. Upon completion of the merger, the Company will be a direct, wholly owned subsidiary of API.

Erie Merger Corp. is a Pennsylvania corporation that was formed by API solely for the purpose of entering into the merger agreement and completing the transactions contemplated by the merger agreement. Upon completion of the merger, Merger Sub will cease to exist.

In this proxy statement, we refer to the Agreement and Plan of Merger, dated as of March 28, 2011, as it may be amended from time to time, among the Company, API and Merger Sub, as the merger agreement, and the merger of Merger Sub with and into the Company, as the merger.

The Special Meeting (page 16)

Time, Place and Purpose of the Special Meeting (page 16)

The special meeting of shareholders of the Company, which we refer to as the special meeting, will be held on Friday, May 27, 2011 starting at 10:00 a.m. Eastern time, at our headquarters, located at 8031 Avonia Road, Fairview, Pennsylvania 16415.

At the special meeting, holders of common stock of the Company, no par value per share, which we refer to as Company common stock, will be asked to approve the proposal to adopt the merger agreement and to approve the proposal to adjourn the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the merger agreement.

Record Date and Quorum (page 16)

You are entitled to receive notice of, and to vote at, the special meeting if you owned shares of Company common stock at the close of business on April 28, 2011, which we have set as the record date for the special meeting and which we refer to as the record date. You will have one vote for each share of Company common stock that you owned at the close of business on the record date. As of the record date, there were 13,140,511 shares of Company common stock outstanding and entitled to vote on the matters to be acted upon at the special meeting. The presence, in person or represented by proxy, of a majority of all of the shares of Company common stock issued and outstanding on the record date that are entitled to vote on the matters to be acted upon at the special meeting will constitute a quorum for the purposes of the special meeting.

Table of Contents

At least 6,570,256 shares must be present, whether in person or represented by proxy, at the special meeting for a quorum to be present.

Vote Required (page 17)

Approval of the proposal to adopt the merger agreement requires the affirmative vote of a majority of the votes cast by the holders of Company common stock entitled to vote on that matter (assuming a quorum is present).

Adjournment of the special meeting, if necessary or appropriate for the purpose of soliciting additional proxies, may be approved by the affirmative vote of a majority of the votes cast by the holders of Company common stock entitled to vote on that matter. The shares that are present at the special meeting, whether in person or by proxy, will be sufficient to constitute a quorum for purposes of this matter.

As of the record date, the directors and executive officers of the Company beneficially owned and were entitled to vote, in the aggregate, approximately 671,663 shares of Company common stock (excluding any shares of Company common stock deliverable upon exercise or conversion of any options), representing approximately 5.1% of the outstanding shares of Company common stock. All of our directors and executive officers have informed the Company that they currently intend to vote all of their shares of Company common stock FOR the proposal to adopt the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Proxies and Revocation (page 18)

Any shareholder of record entitled to vote at the special meeting may submit a proxy by telephone, over the Internet, by returning the enclosed proxy card in the accompanying prepaid reply envelope, or may vote in person at the special meeting. If your shares of Company common stock are held in street name through a bank, brokerage firm or other nominee (which is considered the shareholder of record), you should instruct your bank, brokerage firm or other nominee on how to vote your shares of Company common stock using the instructions provided by your bank, brokerage firm or other nominee. If you fail to submit a proxy or to vote in person at the special meeting, or do not provide your bank, brokerage firm or other nominee with voting instructions, as applicable, your shares of Company common stock will not be voted at the special meeting.

You have the right to revoke a proxy, whether delivered over the Internet, by telephone or by mail:

by submitting a proxy again at a later date through any of the methods available to you;

by giving written notice of revocation to James F. Toohey, Secretary of the Company; or

by attending the special meeting and voting in person.

Please note that to be effective, your later-dated proxy card, Internet or telephonic voting instructions or written notice of revocation must be received by the Company prior to the special meeting and, in the case of Internet or telephonic voting instructions, must be received before 11:59 p.m. Eastern time on May 26, 2011.

The Merger (page 20)

The merger agreement provides that Merger Sub will merge with and into the Company. The Company will be the surviving corporation in the merger and will continue to do business following the merger. As a result of the merger, Company common stock will cease to be publicly traded. If the merger is completed, you will not own any shares of the surviving corporation.

Table of Contents

Merger Consideration (page 20)

In the merger, each outstanding share of Company common stock (except for shares owned by API, Merger Sub or any of API's other subsidiaries, or shares held in treasury by the Company, which we refer to collectively as the excluded shares) will be converted into the right to receive \$20.00 in cash, without interest, which amount we refer to as the per share merger consideration. For a discussion of the treatment of Company stock options in the merger, see "The Merger Agreement - Treatment of Company Common Stock and Stock Options" beginning on page 42.

Recommendation of the Board of Directors; Reasons for the Merger (page 26)

After consideration of various factors described in the section entitled "The Merger - Recommendation of the Board of Directors; Reasons for the Merger," the board of directors of the Company, which we refer to as the board of directors, unanimously (i) determined that the merger is advisable, fair and in the best interests of the Company and our shareholders, (ii) adopted and approved the merger upon the terms and subject to the conditions set forth in the merger agreement and (iii) recommended that our shareholders adopt the merger agreement.

The board of directors unanimously recommends that you vote FOR the proposal to adopt the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Opinion of UBS Securities LLC (Page 28)

On March 27, 2011, at a meeting of the board of directors held to evaluate the proposed merger, UBS Securities LLC, which we refer to as UBS, delivered to the board of directors an oral opinion, which was confirmed by delivery of a written opinion, dated March 27, 2011, to the effect that, as of that date and based on and subject to various assumptions, matters considered and limitations described therein, the \$20.00 per share merger consideration to be received in the proposed merger by holders of Company common stock was fair, from a financial point of view, to such holders. The full text of UBS' written opinion describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken by UBS. This opinion is attached to this proxy statement as Annex B and is incorporated into this document by reference. **Holders of Company common stock are encouraged to read UBS' opinion carefully in its entirety. UBS' opinion was provided for the benefit of the board of directors (in its capacity as such) in connection with, and for the purpose of, its evaluation of the \$20.00 per share merger consideration from a financial point of view and does not address any other aspect of the merger. The opinion does not address the relative merits of the merger as compared to other business strategies or transactions that might be available to the Company or the Company's underlying business decision to effect the merger. The opinion does not constitute a recommendation to any shareholder as to how such shareholder should vote or act with respect to the merger.**

Interests of Certain Persons in the Merger (page 35)

When considering the recommendation of the board of directors that you vote FOR the proposal to adopt the merger agreement, you should be aware that our directors and executive officers may have interests in the merger that are different from, or in addition to, your interests as a shareholder. The board of directors was aware of and considered these interests, to the extent such interests existed at the time, among other matters, in evaluating and negotiating the merger agreement and the merger, and in recommending that the merger agreement be adopted by our shareholders. These interests include the following:

consistent with the treatment of our stock options generally, the accelerated vesting of all stock options (and the lapsing of any restrictions on those options) held by our directors and executive officers, and the "cashing-out" of those options; and

Table of Contents

severance benefits provided under change in control agreements with our executive officers and an employment and consulting agreement with our President and Chief Executive Officer, in connection with a termination of employment following the merger.

Material U.S. Federal Income Tax Consequences of the Merger for U.S. Holders (page 38)

The exchange of shares of Company common stock for cash in the merger will generally be a taxable transaction to U.S. holders of Company common stock for U.S. federal income tax purposes. In general, a U.S. holder whose shares of Company common stock are converted into the right to receive cash in the merger will recognize gain or loss for U.S. federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received with respect to such shares (determined before the deduction of any applicable withholding taxes) and the U.S. holder's adjusted tax basis in such shares. You should read *The Merger Material U.S. Federal Income Tax Consequences of the Merger for U.S. Holders* beginning on page 38 for the definition of "U.S. holder" and a more detailed discussion of the U.S. federal income tax consequences of the merger. You should also consult your tax advisor for a complete analysis of the effect of the merger on your U.S. federal, state, local and/or foreign taxes.

Regulatory Approvals and Notices (page 40)

Under the terms of the merger agreement, the merger cannot be completed until the waiting period applicable to the consummation of the merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or the HSR Act, has expired or been terminated.

Under the HSR Act and the rules promulgated thereunder by the Federal Trade Commission, which we refer to as the FTC, the merger cannot be completed until each of the Company and API files a notification and report form with the FTC and the Antitrust Division of the Department of Justice, which we refer to as the DOJ, under the HSR Act and the applicable waiting period has expired or been terminated. Each of the Company and API filed such a notification and report form on April 8, 2011. The waiting period required by the HSR Act will expire on May 9, 2011 at 11:59 p.m., unless extended by a request for additional information or documentary material, or early termination of the waiting period is granted.

The Merger Agreement (page 41)

Treatment of Company Common Stock and Stock Options (page 42)

Common Stock. At the effective time of the merger, each share of Company common stock issued and outstanding (except for the excluded shares) will convert into the right to receive the per share merger consideration of \$20.00 in cash, without interest, be automatically cancelled and you will no longer have any rights in those shares (other than the right to receive the per share merger consideration).

Stock Options. As of the effective time of the merger, each then-outstanding option to purchase shares of Company common stock whether or not vested or exercisable, will become fully vested and exercisable (contingent upon the occurrence of the merger) and will be cancelled and converted into the right to receive, and the Company will pay to each option holder as soon as reasonably practicable after the effective time of the merger, an amount in cash, without interest, equal to the product of (i) the excess of the per share merger consideration over the applicable exercise price per share of the stock option and (ii) the number of shares of Company common stock the option holder could have purchased had that holder exercised the option in full immediately prior to the effective time of the merger.

Table of Contents

Acquisition Proposals by Third Parties (Page 47)

The merger agreement provides that during the period beginning on March 28, 2011 and ending at 12:01 a.m. New York time on May 7, 2011, which period we refer to as the go-shop period, the Company may initiate, solicit and encourage acquisition proposals, provide access to our non-public information pursuant to a confidentiality agreement no less favorable to us than our confidentiality agreement with API, and engage in discussions or facilitate inquiries with respect to an acquisition proposal.

On May 7, 2011, we must immediately cease any on-going solicitation or discussions about an acquisition proposal and we must promptly cause each person (other than an excluded party described below or API and its representatives) to whom we provided confidential information prior to May 7, 2011 to promptly return or destroy all our confidential information. After 12:01 a.m. on May 7, 2011 and until the earlier of the effective time of the merger or the termination of the merger agreement, we have agreed that we will not, directly or indirectly, among other things, solicit, facilitate or encourage any acquisition proposals or enter into any agreements in respect of an acquisition proposal.

However, the restrictions described in the preceding paragraph will not apply during the 20-day period ending on 12:01 a.m. New York time on May 28, 2011 to a party we have identified as an excluded party (the definition of excluded party is more fully described in the section entitled "The Merger Agreement – Acquisition Proposals by Third Parties").

At any time before the merger agreement is adopted by our shareholders, if the board of directors determines that the acquisition proposal is a superior proposal to the merger proposed in the merger agreement (the required parameters of a superior proposal are more specifically defined in the merger agreement), we may terminate the merger agreement and enter into an agreement providing for the implementation of the superior proposal, so long as we comply with certain terms of the merger agreement, including paying a termination fee to API. See "The Merger Agreement – Termination Fee and Expenses" beginning on page 55. We have agreed to provide API with notice of certain events related to the foregoing and the opportunity to make changes to the merger agreement proposed by API in determining whether a third party acquisition proposal continues to be a superior proposal, and provide API with an additional notice and opportunity to amend the merger agreement each time any change to the material terms of a superior proposal is made.

Conditions to the Merger (Page 53)

The respective obligations of the Company, API and Merger Sub to consummate the merger are subject to the satisfaction or waiver of a number of conditions, including:

the adoption of the merger agreement by our shareholders;

the expiration or termination of the applicable waiting period under the HSR Act;

the absence of any law or order rendering the merger illegal in the U.S.;

the accuracy of the representations and warranties and compliance by the parties with their respective obligations under the merger agreement;

the absence of a material adverse effect on the Company;

the absence of certain pending or threatened litigation by a governmental entity; and

the Company having obtained written consents to the treatment of the Company stock options in the merger from holders of at least 95% of outstanding Company stock options.

Table of Contents

Termination (page 54)

Under certain circumstances, the merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger, whether before or after adoption of the merger agreement by our shareholders. If the merger agreement is terminated, under certain circumstances, the Company must pay a termination fee and expenses of API and Merger Sub as described below and in the section entitled "The Merger Agreement - Termination Fee and Expenses" beginning on page 55.

Termination Fee and Expenses (page 55)

Termination Fee. If the Company terminates the merger agreement prior to adoption of the merger agreement by the shareholders to enter into a definitive agreement for a superior proposal during the go-shop period, or to enter into a definitive agreement for a superior proposal with a party we have identified as an excluded party prior to May 28, 2011, and we have complied with the covenants regarding non-solicitation with respect to that proposal, we must pay a termination fee of \$5.05 million to API.

Except as set forth above, we are otherwise obligated to pay API a termination fee of \$9.15 million if, prior to shareholder approval, we terminate the merger agreement in order to accept a superior proposal or if the merger agreement is terminated by API because, among other things, the board of directors changes its recommendation or fails to affirm its recommendation that the shareholders adopt the merger agreement following API's request or the Company materially breaches its obligations not to solicit, initiate or encourage a third party acquisition proposal under the merger agreement or breaches its obligations under the merger agreement with respect to the conduct of the shareholders' vote on the merger agreement. We also are obligated to pay API a termination fee of \$9.15 million if any of the following occur and within one year after termination of the merger agreement we consummate a third party acquisition or enter into an agreement with respect to an acquisition by a third party or the board of directors or any committee of the board recommends to our shareholders a third party acquisition:

the merger agreement is terminated because our shareholders fail to adopt the merger agreement;

the merger agreement is terminated because the merger has not been consummated prior to October 1, 2011; or

the merger agreement is terminated by API because there has been a breach of any representation or warranty of the Company, or any such representation or warranty of the Company shall have become untrue and incapable of being cured prior to the effective time of the merger, or any breach of any covenant or agreement of the Company, such that a condition to our obligation to close would not be satisfied, and such breach or condition is not curable or, if curable, shall not have been remedied within 30 days after receipt by the Company of written notice from API.

Expenses. We are obligated to reimburse API for up to \$2.75 million of its documented, out-of-pocket expenses (i) in the event the merger agreement is terminated by the Company to enter into an acquisition agreement with respect to a superior proposal, (ii) in the event the merger agreement is terminated by API as a result of, among other things, the board of directors changing its recommendation that shareholders vote to adopt the merger agreement or failing to reaffirm its recommendation that our shareholders vote to adopt the merger agreement following API's request, (iii) in the event that the merger agreement is terminated because our shareholders fail to adopt the merger agreement, (iv) in the event the merger agreement is terminated by the Company or API because the merger has not been consummated prior to October 1, 2011 or (v) the merger agreement is terminated by API because the Company breached any representation or warranty, or any such representation or warranty shall have become untrue and incapable of being cured prior to the effective time of the merger, or any breach of any covenant or agreement of the Company, such that a condition to our obligation to close would not be satisfied, and such breach or condition is not curable or, if curable, shall not have been remedied within 30 days after our receipt of written notice from API. Any reimbursement of expenses pursuant

Table of Contents

to a termination described in clauses (iii), (iv) or (v) above is not payable unless and until such time as the termination fee related to those events is payable to API. However, on a termination of the merger agreement described in clause (iii) above, \$1.0 million of API's documented, out-of-pocket expenses will be paid within two business days of delivery of itemized detail of such expenses to the Company, and this \$1.0 million expense reimbursement will be an offset to any termination fee that becomes payable with respect to this event.

No Dissenters Rights (page 59)

Dissenters' rights are statutory rights that, if available under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction. Dissenters' rights are not available in all circumstances, and exceptions to these rights are provided under the Pennsylvania Business Corporation Law of 1988, as amended. As a result of one of these exceptions, the holders of Company common stock are not entitled to dissenters rights in the merger.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

The following questions and answers are intended to address briefly some commonly asked questions regarding the merger, the merger agreement and the special meeting. These questions and answers may not address all questions that may be important to you as a shareholder. Please refer to the Summary beginning on page 2 and the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents referred to in this proxy statement. You may obtain more information regarding the Company by following the instructions under Other Matters Where You Can Find More Information beginning on page 60.

Q. What is the proposed transaction and what effects will it have on the Company?

- A. The proposed transaction is the acquisition of the Company by API pursuant to the merger agreement. If the proposal to adopt the merger agreement is approved by our shareholders and the other closing conditions under the merger agreement have been satisfied or waived, Merger Sub will merge with and into the Company, with the Company continuing as the surviving corporation. As a result of the merger, the Company will become a subsidiary of API, Company common stock will no longer be publicly traded, and you will no longer have any interest in our future earnings or growth.

Q. What will I receive if the merger is completed?

- A. Upon completion of the merger, you will be entitled to receive the per share merger consideration of \$20.00 in cash, without interest, for each share of Company common stock that you own. For example, if you own 100 shares of Company common stock, you will receive \$2,000.00 in cash in exchange for your shares of Company common stock. You will not own any shares of the stock in the surviving corporation or API.

Q. When do you expect the merger to be completed?

- A. Assuming timely satisfaction of necessary closing conditions, including the approval by our shareholders of the proposal to adopt the merger agreement, we anticipate that the merger will be completed by May 31, 2011.

Q. What happens if the merger is not completed?

- A. If the merger agreement is not adopted by our shareholders or if the merger is not completed for any other reason, you will not receive any payment for your shares of Company common stock in connection with the merger. Instead, we will remain an independent public company, Company common stock will continue to be listed and traded on NASDAQ and registered under the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act, and we will continue to file periodic reports with the Securities and Exchange Commission, which we refer to as the SEC, on account of Company common stock. Under specified circumstances, we may be required to pay API a fee with respect to the termination of the merger agreement and reimburse API for its expenses related to the merger agreement, as described under The Merger Agreement Termination Fee and Expenses beginning on page 55.

Q. Is the merger expected to be taxable to me?

- A.

Edgar Filing: SPECTRUM CONTROL INC - Form DEFM14A

Yes. The exchange of shares of Company common stock for cash pursuant to the merger will generally be a taxable transaction to U.S. holders for U.S. federal income tax purposes. If you are a U.S. holder and your shares of Company common stock are converted into the right to receive cash in the merger, you will generally recognize gain or loss for U.S. federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received with respect to such shares (determined before deduction of any applicable withholding taxes) and your adjusted tax basis in your shares of Company common stock. You should read *The Merger* Material U.S. Federal Income Tax Consequences of the Merger for U.S. Holders beginning on page 38 for the definition of *U.S. holder* and a more detailed discussion of the U.S. federal income tax consequences of the merger. You should also consult your tax advisor for a complete analysis of the effect of the merger on your U.S. federal, state, local and/or foreign taxes.

Q. Do any of the Company's directors or officers have interests in the merger that may differ from or be in addition to my interests as a shareholder?

A. Yes. In considering the recommendation of the board of directors with respect to the proposal to adopt the merger agreement, you should be aware that our directors and executive officers have interests in the merger that are different from, or in addition to, the interests of our shareholders generally. The board of directors was aware of and considered these differing interests, to the extent such interests existed at the time, among other matters, in evaluating and negotiating the merger agreement and the merger, and in unanimously recommending that the merger agreement be adopted by the shareholders of the Company. See *The Merger* Interests of Certain Persons in the Merger beginning on page 35.

Q. Why am I receiving this proxy statement and proxy card?

A. You are receiving this proxy statement and proxy card because you own shares of Company common stock. This proxy statement describes matters on which we urge you to vote and is intended to assist you in deciding how to vote your shares of Company common stock with respect to those matters. If your shares are held by a bank, brokerage firm or other nominee, you are considered the beneficial owner of shares held in street name. If your shares are held in street name, your bank, brokerage firm or other nominee (which is the shareholder of record of your shares) forwarded you these proxy materials, along with a voting instruction form.

Q. When and where is the special meeting?

A. The special meeting will be held on Friday, May 27, 2011 at 10:00 a.m. Eastern time, at our headquarters, located at 8031 Avonia Road, Fairview, Pennsylvania 16415.

Q. What am I being asked to vote on at the special meeting?

A. You are being asked to consider and vote on a proposal to adopt the merger agreement, which provides for the acquisition of the Company by API, and to approve a proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the merger agreement.

Q. What vote is required for the shareholders to approve the proposal to adopt the merger agreement?

A. The adoption of the merger agreement requires the affirmative vote of a majority of the votes cast by the holders of shares of Company common stock entitled to vote on the matter (assuming a quorum is present). Because the affirmative vote required to approve the proposal to adopt the merger agreement is based upon the total number of votes cast and not the total number of shares outstanding, assuming a quorum is present, the outcome of the vote on the proposal to adopt the merger agreement will not be affected if you fail to submit a proxy or vote in person at the special meeting, abstain, or fail to provide your bank, brokerage firm or other nominee with voting instructions, as applicable.

Q. What vote of our shareholders is required to approve the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies?

Edgar Filing: SPECTRUM CONTROL INC - Form DEFM14A

- A. Adjournment of the special meeting, if necessary or appropriate for the purpose of soliciting additional proxies, may be approved by the affirmative vote of a majority of the votes cast by the holders of shares of Company common stock entitled to vote on the matter. For purposes of this proposal, the holders of shares of Company common stock that are present at the special meeting, whether in person or by proxy, will be sufficient to constitute a quorum.

Q. How does the board of directors recommend that I vote?

- A. The board of directors unanimously recommends that you vote **FOR** the proposal to adopt the merger agreement and **FOR** the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Table of Contents

Q. Who can vote at the special meeting?

- A. All of our holders of Company common stock of record as of the close of business on April 28, 2011, the record date for the special meeting, are entitled to receive notice of, and to vote at, the special meeting. Each holder of Company common stock is entitled to cast one vote on each matter properly brought before the special meeting for each share of Company common stock owned by that holder as of the record date.

Q. What is a quorum?

- A. The presence, in person or represented by proxy, of holders of a majority of all of the shares of Company common stock issued and outstanding on the record date that are entitled to vote on the matters to be acted upon at the special meeting will constitute a quorum for the purposes of the special meeting. Abstentions, if any, and broker non-votes, if any, are counted as present for the purpose of determining whether a quorum is present. On the record date, there were 13,140,511 shares of Company common stock outstanding and entitled to vote on the matters to be acted upon at the special meeting. At least 6,570,256 shares must be present, whether in person or represented by proxy, at the special meeting for a quorum to be present.

Q. What is the difference between holding shares as a shareholder of record and as a beneficial owner?

- A. If your shares of Company common stock are registered directly in your name with our transfer agent, BNY Mellon Shareowner Services, you are considered, with respect to those shares of Company common stock, as the shareholder of record. Accordingly, with respect to such shares, this proxy statement and your proxy card have been sent directly to you by the Company. If your shares of Company common stock are held through a bank, brokerage firm or other nominee, you are considered the beneficial owner of shares of Company common stock held in street name. In that case, this proxy statement has been forwarded to you by your bank, brokerage firm or other nominee who is considered, with respect to those shares of Company common stock, the shareholder of record. As the beneficial owner, you have the right to direct your bank, brokerage firm or other nominee how to vote your shares of Company common stock by following their instructions for voting. You are also invited to attend the special meeting. However, because you are not the shareholder of record, you may not vote your shares in person at the special meeting unless you request and obtain a valid legal proxy from your broker or other agent.

Q. How do I vote?

- A. If you are a shareholder of record, you may have your shares of Company common stock voted on matters presented at the special meeting in any of the following ways:

in person you may attend the special meeting and cast your vote there;

by proxy shareholders of record have a choice of voting by proxy:

over the Internet the website for Internet voting is on your proxy card;

by using a toll-free telephone number noted on your proxy card; or

by signing, dating and returning the enclosed proxy card in the accompanying prepaid reply envelope.

If you are a beneficial owner, please refer to the instructions provided by your bank, brokerage firm or other nominee to see which of the above choices are available to you. Please note that if you are a beneficial owner and wish to vote in person at the special meeting, you must provide a valid legal proxy from your bank, brokerage firm or other nominee at the special meeting.

Q. If my shares of Company common stock are held in street name by my bank, brokerage firm or other nominee, will my bank, brokerage firm or other nominee vote my shares of Company common stock for me?

- A. Your bank, brokerage firm or other nominee will only be permitted to vote your shares of Company common stock if you instruct your bank, brokerage firm or other nominee how to vote. You should follow the procedures provided by your bank, brokerage firm or other nominee regarding the voting of your shares of Company common stock. If you do not instruct your bank, brokerage firm or other nominee to vote your shares of Company common stock, your shares of Company common stock will not be voted.

Q. How can I change or revoke my vote?

- A. You have the right to revoke a proxy, whether delivered over the Internet, by telephone or by mail, by voting again at a later date through any of the methods available to you, by giving written notice of revocation to James F. Toohey, Secretary of the Company, at 8031 Avonia Road, Fairview, Pennsylvania 16415, or by attending the special meeting and voting in person. However, attending the special meeting, by itself, will not revoke a previously submitted proxy. Please note that to be effective, your later-dated proxy card, Internet or telephonic voting instructions or written notice of revocation must be received by the Company prior to the special meeting and, in the case of Internet or telephonic voting instructions, must be received before 11:59 p.m. Eastern time on May 26, 2011.

Q. What is a proxy?

- A. A proxy is your legal designation of another person to vote your shares of Company common stock. The written document describing the matters to be considered and voted on at the special meeting is called a proxy statement. The document used to designate a proxy to vote your shares of Company common stock is called a proxy card. Our board of directors has designated James F. Toohey and John P. Freeman, and each of them, with full power of substitution, as proxies for the special meeting.

Q. If a shareholder gives a proxy, how are the shares of Company common stock voted?

- A. Regardless of the method you choose to vote, the individuals named on the enclosed proxy card, or your proxies, will vote your shares of Company common stock in the way that you indicate. When completing the Internet or telephone processes or the proxy card, you may specify whether some or all of your shares of Company common stock should be voted for or against or to abstain from voting on all, some or none of the specific items of business to come before the special meeting.

If you properly sign your proxy card but do not mark the boxes showing how your shares should be voted on a matter, the shares represented by your properly signed proxy will be voted FOR the proposal to adopt the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

Q. What do I do if I receive more than one proxy or set of voting instructions?

- A. If you hold shares of Company common stock in street name and also directly as a record holder or otherwise, you may receive more than one proxy and/or set of voting instructions relating to the special meeting. Each of these should be voted and returned separately in accordance with the instructions provided in this proxy statement or according to your bank, brokerage firm or other nominee, in order to ensure that all of your shares of Company common stock are voted.

Q. What happens if I sell my shares of Company common stock before the special meeting?

Edgar Filing: SPECTRUM CONTROL INC - Form DEFM14A

- A. The record date for shareholders entitled to vote at the special meeting is earlier than both the date of the special meeting and the proposed completion date of the merger. If you transfer your shares of Company common stock after the record date but before the special meeting, unless special arrangements (such as

Table of Contents

provision of a proxy) are made between you and the person to whom you transfer your shares and each of you notifies the Company in writing of such special arrangements, you will retain your right to vote such shares at the special meeting but will transfer the right to receive the per share merger consideration to the person to whom you transfer your shares.

Q. What do I need to do now?

- A. Even if you plan to attend the special meeting, after carefully reading and considering the information contained in this proxy statement, please vote promptly to ensure that your shares of Company common stock are represented at the special meeting. If you hold your shares of Company common stock in your own name as the shareholder of record, please vote your shares of Company common stock by (i) signing, dating and returning the enclosed proxy card in the accompanying prepaid reply envelope, (ii) using the telephone number printed on your proxy card or (iii) using the Internet voting instructions printed on your proxy card. If you decide to attend the special meeting and vote in person, your vote will revoke any proxy that was previously submitted. If you are a beneficial owner, please refer to the instructions provided by your bank, brokerage firm or other nominee for instructions on how to vote your shares.

Q. Should I send in my stock certificates now?

- A. No. If you hold certificates of Company common stock, you will be sent a letter of transmittal promptly after the completion of the merger, describing how you may exchange your shares of Company common stock for the per share merger consideration. Please DO NOT return your stock certificate(s) with your proxy.

Q. What if I oppose the merger?

- A. If you are a shareholder who objects to the merger, you may vote against the proposal to adopt the merger agreement. Under Pennsylvania law you will not be entitled to dissenters' or appraisal rights. See "No Dissenters' Rights" on page 59.

Q. Who can help answer my other questions?

- A. If you have additional questions about the merger or you need assistance on submitting your proxy or voting your shares of Company common stock, or need additional copies of the proxy statement or proxy card, please contact John P. Freeman, Senior Vice President and Chief Financial Officer of the Company, at (814) 474-4310. You may also call Georgeson, Inc., our proxy solicitor, at (800) 457-0759 (toll-free) or (212) 440-9800 (call collect). If your bank, brokerage firm or other nominee holds your shares, you may call your bank, brokerage firm or other nominee for additional information.

THE SPECIAL MEETING

Time, Place and Purpose of the Special Meeting

This proxy statement is being furnished to our shareholders as part of the solicitation of proxies by the board of directors for use at the special meeting to be held on Friday, May 27, 2011 starting at 10:00 a.m., Eastern time, at our headquarters located at 8031 Avonia Road, Fairview, Pennsylvania 16415, or at any postponement, recess or adjournment thereof. At the special meeting, holders of Company common stock will be asked to approve the proposal to adopt the merger agreement and to approve the proposal to adjourn the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the merger agreement.

Our shareholders must approve the proposal to adopt the merger agreement in order for the merger to occur. If our shareholders fail to approve the proposal to adopt the merger agreement, the merger will not occur. A copy of the merger agreement is attached as Annex A to this proxy statement, which we encourage you to read carefully in its entirety.

Record Date and Quorum

We have fixed the close of business on April 28, 2011 as the record date for the special meeting, and only holders of record of Company common stock as of the record date are entitled to vote at the special meeting. You are entitled to receive notice of, and to vote at, the special meeting if you owned shares of Company common stock on the record date. On the record date, there were 13,140,511 shares of Company common stock outstanding and entitled to vote. Each share of Company common stock entitles its holder to one vote on all matters properly coming before the special meeting.

The presence, in person or represented by proxy, of the holders of a majority of all of the shares of Company common stock issued and outstanding on the record date that are entitled to vote on the matters to be acted upon at the special meeting will constitute a quorum for the purposes of the special meeting. A quorum is necessary to transact business at the special meeting. Shares of Company common stock represented at the special meeting but not voted, such as shares of Company common stock for which a shareholder directs an abstention from voting, will be counted as present for purposes of establishing a quorum. Broker non-votes, which are described below under **Vote Required**, are also considered as being present for purposes of determining the existence of a quorum. Once a share of Company common stock is represented at the special meeting, it will be counted for the purpose of determining a quorum at the special meeting and any adjournment of the special meeting, unless a new record date is required to be established. However, if a new record date is set for the adjourned special meeting, then a new quorum will have to be established. In the event that a quorum is not present at the special meeting, it is expected that the special meeting will be adjourned. At least 6,570,256 shares must be represented by proxy or by shareholders present and entitled to vote at the special meeting for a quorum to be present. Solely for purposes of the proposal to adjourn the special meeting, the shares of Company common stock that are present at the special meeting, whether in person or by proxy, will constitute a quorum.

Attendance

Except as set forth below, only shareholders of record or their duly authorized proxies have the right to attend the special meeting or any postponement or adjournment thereof. If your shares of Company common stock are held through a bank, brokerage firm or other nominee, please bring to the special meeting a copy of your brokerage statement evidencing your beneficial ownership of Company common stock. If you are the representative of a corporate or institutional shareholder, you must present valid proof that you are the representative of such shareholder.

Table of Contents

Vote Required

Approval of the proposal to adopt the merger agreement requires the affirmative vote of a majority of the votes cast by the holders of the shares of Company common stock entitled to vote on the matter (assuming a quorum is present). For the proposal to adopt the merger agreement, you may vote FOR, AGAINST or ABSTAIN. Abstentions will not be counted as votes cast in favor of or against the proposal to adopt the merger agreement but they will count for the purpose of determining whether a quorum is present. **If you fail to submit a proxy, fail to vote in person at the special meeting, or abstain, it will not be considered as a vote cast and will not affect the outcome of the vote on the proposals to be voted upon at the special meeting.**

If your shares of Company common stock are registered directly in your name with our transfer agent, BNY Mellon Shareowner Services, you are considered, with respect to those shares of Company common stock, the shareholder of record. Accordingly, with respect to such shares, this proxy statement and proxy card have been sent directly to you by the Company.

If your shares of Company common stock are held through a bank, brokerage firm or other nominee, you are considered the beneficial owner of shares of Company common stock held in street name. In that case, this proxy statement has been forwarded to you by your bank, brokerage firm or other nominee who is considered, with respect to those shares of Company common stock, the shareholder of record. As the beneficial owner, you have the right to direct your bank, brokerage firm or other nominee how to vote your shares by following their instructions for voting. You are also invited to attend the special meeting. However, because you are not the shareholder of record, you may not vote your shares in person at the special meeting unless you request and obtain a valid legal proxy from your broker or other agent.

Under the rules of the New York Stock Exchange, banks, brokerage firms or other nominees who hold shares in street name for customers have the authority to vote on routine proposals when they have not received instructions from beneficial owners. However, under such rules, banks, brokerage firms or other nominees are precluded from exercising their voting discretion with respect to approving non-routine matters, such as the proposal to adopt the merger agreement. As a result, absent specific instructions from the beneficial owner of such shares of Company common stock, banks, brokerage firms or other nominees are not empowered to vote those shares of Company common stock on the proposal to adopt the merger agreement, which we refer to generally as broker non-votes.

Broker non-votes will be considered as being present at the special meeting for purposes of determining the existence of a quorum. However, once a quorum for the meeting has been established, broker non-votes will not be counted in the voting results and will have no effect on the outcome of the proposals to adopt the merger agreement or to approve the adjournment or postponement of the special meeting. Therefore, you should provide your bank, brokerage firm or other nominee with instructions on how to vote your shares, or arrange to attend the special meeting and vote your shares in person to avoid a broker non-vote.

Approval of the adjournment of the special meeting, if necessary or appropriate for the purpose of soliciting additional proxies, requires the affirmative vote of a majority of the votes cast by the holders of the shares of Company common stock entitled to vote on the matter. For the proposal to adjourn the special meeting, you may vote FOR, AGAINST or ABSTAIN. For purposes of this proposal, the shares of common stock of the Company that are present at the special meeting, whether in person or by proxy, will constitute a quorum. If your shares of Company common stock are present at the special meeting but are not voted on this proposal, or if you have given a proxy and abstained on this proposal, this will not be considered a vote cast and will have no effect on the outcome of the vote. Similarly, if you fail to submit a proxy or vote in person at the special meeting, or if there are broker non-votes on the proposal, as applicable, the shares of Company common stock not voted will not be counted in respect of, and will not have an effect on, the proposal to adjourn the special meeting.

Voting Procedures

Those instructions will identify which of the above choices are available to you in order to have your shares voted. Please note that if you are a beneficial owner and wish to vote in person at the special meeting, you must provide a valid legal proxy from your bank, brokerage firm or other nominee.

Please refer to the instructions on your proxy or voting instruction card to determine the deadlines for submitting a proxy over the Internet or by telephone. If you choose to submit your proxy by mailing a proxy card, your proxy card must be filed at the address indicated on the proxy card by the time the special meeting begins. Please DO NOT send in your stock certificates with your proxy card. If you are a holder of stock certificates, when the merger is completed, a separate letter of transmittal will be mailed to you that will enable you to receive the per share merger consideration in exchange for your stock certificates.

If you vote by proxy, regardless of the method you choose to vote, the individuals named on the enclosed proxy card, and each of them, with full power of substitution, referred to as your proxies, will vote your shares of Company common stock in the way that you indicate. When completing the Internet or telephone processes or the proxy card, you may specify whether some or all of your shares of Company common stock should be voted for or against or to abstain from voting on all, some or none of the specific items of business to come before the special meeting.

If you properly sign your proxy card but do not mark the boxes showing how your shares of Company common stock should be voted on a matter, the shares of Company common stock represented by your properly signed proxy will be voted FOR the proposal to adopt the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

IT IS IMPORTANT THAT YOU VOTE YOUR SHARES OF COMPANY COMMON STOCK PROMPTLY. WHETHER OR NOT YOU PLAN TO ATTEND THE SPECIAL MEETING, PLEASE DATE, SIGN AND RETURN, AS PROMPTLY AS POSSIBLE, THE ENCLOSED PROXY CARD IN THE ACCOMPANYING PREPAID REPLY ENVELOPE, OR SUBMIT YOUR PROXY BY TELEPHONE OR THE INTERNET. SHAREHOLDERS WHO ATTEND THE SPECIAL MEETING MAY REVOKE THEIR PROXIES BY VOTING IN PERSON.

As of the record date, the directors and executive officers of the Company beneficially owned and were entitled to vote, in the aggregate, approximately 671,663 shares of Company common stock (but excluding any shares of Company common stock deliverable upon exercise of any stock options), representing 5.1% of the outstanding shares of Company common stock on the record date. All of the directors and executive officers have informed the Company that they currently intend to vote all of their shares of Company common stock FOR the proposal to adopt the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies.

at the special meeting. If your shares of Company common stock are held in street name by your bank, brokerage firm or other nominee, you should instruct your bank, brokerage firm or other nominee on how to vote your shares of Company common stock using the instructions provided by your bank, brokerage firm or other nominee. If you fail to submit a proxy or vote in person at the special meeting, or abstain, or do not provide your bank, brokerage firm or other nominee with voting instructions, as applicable, your shares of Company common stock will not be voted on the proposal to adopt the merger agreement or the proposal to adjourn the meeting to solicit additional votes, if necessary or appropriate. Only votes cast will have an effect on the outcome of the proposals to adopt the merger agreement and approve the adjournment of the special meeting.

You have the right to revoke a proxy, whether delivered over the Internet, by telephone or by mail, by submitting a proxy at a later date through any of the methods available to you, by giving written notice of revocation to James F. Toohey, Secretary of the Company, which must be filed with the Secretary at 8031 Avonia Road, Fairview, Pennsylvania 16415, or by attending the special meeting and voting in person. Please note that to be effective, your later-dated proxy card, Internet or telephonic voting instructions or written notice of revocation must be received by the Company prior to the special meeting and, in the case of Internet or telephonic voting instructions, must be received before 11:59 p.m. Eastern time on May 26, 2011. If you have submitted a proxy, your appearance at the special meeting, in the absence of voting in person or submitting an additional proxy or revocation, will not have the effect of revoking your prior proxy.

Adjournments and Postponements

Although it is not currently expected, we may ask our shareholders to vote on a proposal to adjourn the special meeting for the purpose of soliciting additional proxies, if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the merger agreement or if a quorum is not present at the special meeting. See **Adjournment of the Special Meeting** on page 59. We may also postpone the special meeting under certain circumstances. Any adjournment, recess or postponement of the special meeting for the purpose of soliciting additional proxies will allow the Company's shareholders who have already sent in their proxies to revoke them at any time prior to their use at the special meeting as adjourned, recessed or postponed.

Anticipated Date of Completion of the Merger

Assuming timely satisfaction of necessary closing conditions, including the approval by our shareholders of the proposal to adopt the merger agreement, we anticipate that the merger will be completed by May 31, 2011.

Solicitation of Proxies; Payment of Solicitation Expenses

The Company has engaged Georgeson, Inc. to assist in the solicitation of proxies for the special meeting. The Company estimates that it will pay Georgeson, Inc. a fee not to exceed \$7,500. THE MERGER

This discussion of the merger is qualified in its entirety by reference to the merger agreement, which is attached to this proxy statement as Annex A. You should read the entire merger agreement carefully as it is the legal document that governs the merger.

The merger agreement provides that Merger Sub will merge with and into the Company. The Company will be the surviving corporation in the merger and will continue to do business following the merger. As a result of the merger, Company common stock will cease to be publicly traded. You will not own any shares of the capital stock of the surviving corporation or API.

Merger Consideration

In the merger, each outstanding share of Company common stock (except for the excluded shares) will be converted into the right to receive the per share merger consideration.

Background of the Merger

As part of their ongoing activities, the board of directors and management have regularly discussed the Company's business strategies and opportunities, including continued operation as an independent public company and the possible expansion of the Company's business through significant product development initiatives or mergers and acquisitions. In addition, the Company has held discussions from time to time with third parties that expressed preliminary interest in a potential acquisition of the Company.

In August 2010, the board of directors determined to conduct a review of the Company's strategic alternatives and directed management to interview investment banking firms to assist in that review. In early September 2010, management met with and received presentations from five investment banking firms, including UBS. In late September 2010, before the board of directors had decided on which investment bank to retain, representatives of one of those banks advised management that a large company in the electronic components industry had expressed to them serious interest in acquiring the Company. In October 2010, the board of directors authorized management to retain that investment bank for the limited purpose of engaging in discussions with the potential acquirer to ascertain its level of interest and, if serious, to obtain a written indication of interest, and to advise the board of directors in connection with any subsequent transaction. In December 2010, Richard Southworth, the Company's President and Chief Executive Officer, subsequently met with representatives of this potential acquirer, who shortly following this meeting, and prior to the exchange of due diligence information, telephoned Mr. Southworth and told him that it no longer had interest in an acquisition of the Company as it was not a strategic fit. The Company then terminated its engagement with the investment bank that same month.

On November 10, 2010, management met with representatives of a different potential strategic buyer, or Party A, that had, from time to time, previously expressed to management an interest in acquiring the Company. In that meeting, held at the request of Mr. Southworth specifically to discuss a possible acquisition of the Company, the Chief Executive Officer of Party A indicated that it would be interested in acquiring the Company at a valuation of \$16.00-18.00 per share. Both sides agreed that they were significantly apart in valuation, and no plans were made to continue any discussions.

On January 17, 2011, the board of directors held a regular meeting at which it discussed the ongoing review of the Company's strategic alternatives begun in August 2010. At this meeting, the board of directors received, reviewed and discussed financial projections of the Company for the 2011-2015 fiscal years that had been prepared by management in late 2010. As a result of management's interviews with the five investment banking firms described above, management invited UBS to the meeting to review for the board of directors UBS' experience and capabilities as a financial advisor. A second investment banking firm, not previously interviewed by management, was invited to the meeting on recommendation of one of the Company's directors and reviewed

its experience and capabilities as well. Following the presentations, the board of directors directed management to continue discussions with UBS and the second firm and to provide the board with a recommendation on which firm should be retained to assist the Company in its review of strategic alternatives.

In late January 2011, a representative of Party A left a message for John P. Freeman, the Company's Senior Vice President and Chief Financial Officer, that it may be able to offer \$20.00 per share in cash for the Company, assuming the accuracy of consensus analysts estimates of the Company's 2011 financial performance. Messrs. Southworth and Freeman discussed the proposal, concluded it was unlikely to lead to a credible offer given that the Company's prior efforts to follow-up on Party A's expressions of interest had been unproductive, and determined not to respond.

On January 28, 2011, Brian Kahn, in his capacity as the Chairman and Chief Executive Officer of API, contacted Mr. Southworth via telephone. From time to time in the past, Mr. Southworth had engaged in preliminary discussions with Mr. Kahn in Mr. Kahn's capacity as a principal of both Kahn Capital Management and Vintage Capital Management regarding a possible transaction involving the Company, although no transaction terms were previously discussed. At the time of Mr. Kahn's January 28 call, affiliates of Vintage Capital Management had recently acquired control of API. During the conversation, Mr. Kahn reiterated his prior interest in an acquisition of the Company. Mr. Southworth stated that although the Company was not for sale, he believed that the board of directors would be willing to listen to acquisition proposals. Mr. Kahn then discussed the broad parameters of an acquisition of the Company by API at a share price in the high teens. Mr. Southworth stated that he did not believe that the board of directors would be receptive to a transaction at that valuation and stated his belief that the board of directors would only be interested in exploring a transaction with a minimum price per share of \$20.00. In response, Mr. Kahn stated that API would only be interested in exploring a transaction at that valuation if the Company were to agree to negotiate exclusively with API. Mr. Southworth stated that he would convey Mr. Kahn's position to the board of directors. Mr. Kahn and Mr. Southworth also discussed, but did not agree on, the scope and length of a potential "go-shop" period following the signing of a merger agreement during which the Company could solicit competing offers, as well as Mr. Kahn's belief that API could be in a position to sign a definitive merger agreement by the end of March. Mr. Kahn further advised Mr. Southworth that any transaction with API would not be subject to a financing contingency, as he expected API to have obtained or to have binding commitments for all necessary acquisition financing prior to signing the merger agreement.

Following the telephone call with Mr. Kahn, Mr. Southworth communicated the substance of the call to Gerald T. Ryan, the Company's Chairman. Mr. Ryan subsequently informed each of the directors regarding the substance of the call.

On February 11, 2011, the board of directors held a special telephonic meeting at which all of the directors were present to discuss the API proposal. Among other matters, the board of directors discussed the substantial premium to the Company's recent and historical trading prices represented by the API proposal and the Company's preference to sign and announce a transaction, if possible, prior to the release of first quarter earnings, which the Company believed were likely to be lower than prior Company guidance and consensus analysts' estimates. At the meeting, representatives of Hodgson Russ LLP, or Hodgson Russ, the Company's outside counsel, reviewed with the board of directors its fiduciary duties and responded to questions from the board. The board of directors authorized management to pursue the API proposal and to engage UBS as the Company's financial advisor. The late January 2011 approach from Party A was not discussed by the board of directors at this meeting.

From February 14 to February 23, 2011, UBS, Hodgson Russ and management discussed and prepared a form of confidentiality agreement to be presented to API and other prospective bidders for the Company. Also during this period, management worked to update its financial projections for the 2011-2015 fiscal years and management and UBS worked to prepare for diligence by API.

On February 22, 2011, representatives of UBS, at the direction of the Company, engaged in discussions with representatives of API, including Mr. Kahn, regarding the API proposal and API's diligence requirements, the timing of a proposed transaction and API's ability to finance the transaction.

On February 23, 2011, the board of directors held a special telephonic meeting at which all of the directors were present. The board of directors reviewed and discussed the updated financial projections for the 2011-2015 fiscal years that had been prepared and presented by management. Mr. Southworth and Mr. Freeman described the assumptions and bases underlying the projections, including a general slowdown in the Company's markets and a delay in orders on several military programs. The projections reflected a significant downward revision from management's prior projections for revenue, EBITDA, operating income and net income, starting in fiscal 2011 and in each successive year of the five year period. Management also advised the board of directors that the fiscal 2011 first quarter and second quarter results were likely to be lower than prior Company guidance and consensus analysts' estimates on both revenues and earnings per share. After discussion, the board of directors approved the updated projections and authorized their use by management in connection with the review of the Company's strategic alternatives, including the API proposal.

On February 24, 2011, the Company established a virtual data site and began posting materials to the data site to facilitate the due diligence investigation of API and, if applicable, other prospective bidders who may execute confidentiality agreements.

On March 1, 2011, the Company signed an engagement letter with UBS effective as of January 16, 2011.

Also, on March 1, 2011, the board of directors held a special telephonic meeting which all directors and representatives of UBS and Hodgson Russ attended. Representatives of UBS described for the board of directors the current status of the Company's discussions with API and reported on API's continued interest in signing and announcing a definitive merger agreement to acquire the Company for \$20.00 per share in cash prior to release of the Company's 2011 first quarter results at the end of March, as well as API's willingness to agree to a post-signing go-shop period. UBS reported that API had confirmed that the transaction would not be subject to a financing condition and that API expected to finance the transaction with proceeds of a \$100.0 million equity private placement, expected to close by mid-March 2011, and a \$200.0 million committed debt facility. UBS also reported that API had provided the Company with a list of due diligence items that would need to be reviewed prior to signing a definitive merger agreement and UBS had provided this list to management. Discussion next turned to Party A's late January 2011 expression of interest in a cash acquisition of the Company at \$20.00 per share. The board of directors discussed Party A's willingness to follow through on this expression of interest, especially given that the meeting with Party A's Chief Executive Officer in late 2010 had not resulted in an offer. After discussion regarding the likelihood of the Company receiving a credible proposal from Party A, representatives of UBS reviewed alternatives for the board of directors to consider in determining the process for moving forward with a potential sale transaction, including, among other things, information regarding potential strategic and financial buyers of the Company. Extensive discussion ensued during which, among other things, representatives of Hodgson Russ reviewed with the board its fiduciary duties and the board of directors weighed the advisability of entering into exclusive negotiations with API against conducting a sale process that would involve solicitations of interest from a broader set of potential strategic and financial buyers. It was the consensus of the board of directors that the potential benefits associated with the pursuit of alternative offers would be outweighed by the effect that a sale process would have on API's offer and on the Company's ability to achieve a \$20.00 per share sale price generally. In reaching this conclusion the board of directors considered a number of factors including, among others, (1) API's professed willingness to pay \$20.00 per share for the Company despite having been advised orally of the Company's weaker than expected first quarter results, (2) API's repeated insistence on exclusivity as a condition to proceed with the proposed transaction and timetable, (3) API's willingness to conduct its due diligence on an expedited basis and to sign and announce a transaction prior to the Company's release of 2011 first quarter results, (4) API's stated willingness to agree to a post-signing go-shop period in the definitive merger agreement, and (5) API's credible plans for obtaining necessary financing for the transaction thus eliminating any need for a financing condition. The board of directors authorized management, UBS and Hodgson Russ to continue discussions with API, including discussions regarding a proposed exclusivity agreement, without entering into an exclusivity agreement yet, and to contact Party A to determine if it would be willing to acquire the Company for \$20.00 per share.

Later that day, Mr. Southworth, Mr. Freeman and a representative of UBS contacted Party A regarding its interest in an acquisition of the Company at a valuation of at least \$20.00 per share and the Company's desire to announce a transaction by the end of March. On March 2, 2011, Party A responded to Mr. Southworth that it had no interest in an acquisition of the Company at that price. Also on March 2, 2011, Mr. Southworth, Mr. Freeman and a representative of UBS spoke with Mr. Kahn who indicated that API was unwilling to proceed with the transaction without exclusivity.

On March 2 and 3, 2011, representatives of UBS, Hodgson Russ and Wilson Sonsini Goodrich & Rosati, Professional Corporation, or Wilson Sonsini, counsel for API, discussed (i) a confidentiality agreement, which would include an 18-month standstill provision prohibiting API from, among other things, making a tender offer for Company common stock or otherwise attempting to acquire control of the Company except on a negotiated basis, and (ii) a proposed exclusivity agreement.

On March 3, 2011, the board of directors reconvened its special telephonic meeting of March 1 to receive Mr. Southworth's report on his conversations with Party A. Representatives of UBS and Hodgson Russ attended the reconvened meeting. Following Mr. Southworth's report, representatives of UBS confirmed their understanding that API would not move forward with its \$20.00 per share offer unless it obtained exclusivity. Discussion ensued regarding the appropriate length of the exclusivity period and the exact nature and timing of the milestones that API would be required to meet to maintain exclusivity. Based on discussions with API, UBS communicated that API should be able to conclude sufficient business diligence to confirm its \$20.00 per share price by March 15, 2011, and that it was UBS's understanding that API expected to close \$100.0 million of equity financing by March 15, 2011, and that API expected to have debt commitments for the remaining amounts necessary to finance the transaction by March 25, 2011. The board of directors authorized management to enter into an exclusivity agreement with API providing for exclusivity through the end of March 2011, subject to API meeting these milestones.

On March 4, 2011, (i) the Company, API and UBS entered into a confidentiality agreement and (ii) the Company and API entered into an exclusivity agreement. The exclusivity agreement (a) reaffirmed API's interest in an acquisition at \$20.00 per share, (b) provided for an exclusive negotiating period beginning March 4, 2011, and subject to API meeting the due diligence and financing milestones described above, continuing until March 31, 2011 and (c) included provisions allowing the Company to respond to unsolicited acquisition proposals, negotiate such acquisition proposals and for the board of directors to approve a superior acquisition proposal with a third party during the exclusivity period, subject to notice and matching rights in favor of API.

On March 4, 2011, the Company granted API and its representatives, including Wilson Sonsini, access to the Company's virtual data site.

On March 7 and 8, 2011, representatives of API visited the Company's executive offices to conduct due diligence.

During the week of March 7, 2011, at the direction of the Company, representatives of UBS had several discussions with API regarding its progress toward satisfaction of the milestones in the exclusivity agreement, and API continued to conduct its due diligence investigation of the Company.

On March 16, 2011, API delivered a letter to the Company confirming, in satisfaction of a milestone in the exclusivity agreement, the substantial completion of its business due diligence and reaffirming its interest in an acquisition at \$20.00 per share. This letter was accompanied by a copy of a letter to API from API's lender, an affiliate of Morgan Stanley & Co. Incorporated, or Morgan Stanley, dated March 15, 2011, indicating that Morgan Stanley was highly confident that it would be able to provide debt financing of \$200.0 million to API for a transaction with the Company. The Company also received evidence from API that it had received approximately one-half of the proceeds of the \$100.0 million equity financing that was to have been completed by March 15.

Also, on March 16, 2011, the board of directors held a special telephonic meeting attended by all directors and representatives of UBS and Hodgson Russ. Management and UBS reported to the board of directors on the status of API's satisfaction of the required milestones under the exclusivity agreement and the status and results

of API's due diligence investigation to date. Management and UBS reported that API had advised that its equity financing would be completed by March 18, 2011, and acceptable debt commitments for the proposed transaction would be received by March 25, 2011. The board of directors authorized and directed management, UBS and Hodgson Russ to begin negotiations with API and its representatives toward a definitive merger agreement, such authorization subject to API filing by March 18, 2011 a Form 8-K reporting the completion of an equity financing of at least \$100.0 million. At this meeting, the board of directors designated Messrs. Ryan, Southworth, Freeman and J. Thomas Gruenwald as an ad hoc transaction committee of the board to receive updates and provide input regarding the negotiations with API in between meetings of the full board.

On March 18, 2011, Wilson Sonsini provided an initial draft of a merger agreement to Hodgson Russ, which draft did not provide for a go-shop period. Later that day, representatives of UBS contacted Mr. Kahn to advise him that the inclusion of a go-shop provision in the merger agreement was a requirement for the Company to proceed with discussions regarding a potential transaction. Also on March 18, 2011, representatives of Hodgson Russ advised representatives of Wilson Sonsini of the need for a go-shop provision in the merger agreement as a condition to obtaining the board of directors' approval of the transaction. Representatives of Hodgson Russ and Wilson Sonsini also engaged in discussions and negotiations concerning the merger agreement and the related disclosure schedules. These discussions included, among other things, (i) details of the scope of the representations and warranties to be included in the merger agreement, (ii) the Company's ability to consider other acquisition proposals and to terminate the merger agreement to pursue such acquisition proposals, (iii) the respective termination rights of the parties, (iv) the amount and circumstances under which the Company would be obligated to pay API a termination fee or reimburse API's expenses, (v) the inclusion of a remedy of specific performance for a breach by API or Merger Sub of their respective obligations under the merger agreement, and (vi) the scope of the restrictions on the activities of the Company prior to the closing of the merger.

On March 18, 2011, API filed a Form 8-K with the SEC reporting that it had entered into a common stock purchase agreement pursuant to which it issued 17,095,102 shares in a private placement at a purchase price of \$6.00 per share, which resulted in aggregate proceeds of approximately \$102.6 million.

From March 18, 2011 through March 22, 2011, management and representatives of Hodgson Russ and UBS had extensive discussions regarding the draft merger agreement and management and representatives of Hodgson Russ provided updates to the transaction committee. On March 22, 2011, Hodgson Russ returned a revised merger agreement to Wilson Sonsini. The material changes reflected in that revised merger agreement related to, among other things: (i) enhancing the certainty that the merger be consummated, including (a) changes to the definition of material adverse effect and (b) the addition of covenants with respect to API's proposed acquisition financing; (ii) the addition of a 45-day go-shop provision and other provisions to enhance the board of directors' ability to satisfy its fiduciary duties during and after the go-shop period; (iii) the definition of a superior proposal; and (iv) the amount of the termination fees and expense reimbursement.

From March 18, 2011 through March 25, 2011, representatives of the Company, API, Hodgson Russ, Wilson Sonsini, Morgan Stanley, Morgan Stanley's counsel and UBS had a series of telephone conversations regarding API's due diligence requests and findings. From March 18, 2011 through March 27, 2011, management and Hodgson Russ continued to discuss due diligence matters with API and Wilson Sonsini and answer questions from and provide due diligence materials to API, Wilson Sonsini and Morgan Stanley.

On March 22, 2011, Mr. Southworth received an unsolicited telephone call from representatives of one of the investment banks that the Company had interviewed in 2010, but not hired. This bank advised that it had been in contact with a potential strategic buyer for the Company regarding the buyer's acquisition program and that the Company had been among the targets discussed. The bank asked whether the Company was interested in talking to this potential buyer. In light of the status and timing of the discussions with API, the exclusivity agreement between the Company and API, and because the investment bank did not represent the potential buyer, management, after consultation with the board of directors, determined not to respond to this inquiry. The Company had no further contact with this bank prior to announcement of the merger agreement. Also on

March 22, 2011, the compensation committee of the board of directors met to discuss, approve and recommend to the board of directors an amendment to Mr. Southworth's existing employment and consulting agreement. The purpose of the amendment was to correct an oversight in Mr. Southworth's employment and consulting agreement by clarifying Mr. Southworth's rights on a change in control of the Company. See Interests of Certain Persons in the Merger.

On March 24, 2011, Wilson Sonsini delivered a further revised draft merger agreement to Hodgson Russ. The material changes reflected in such revised merger agreement related to: (i) the length of the go-shop period and certain other terms and conditions related to the go-shop period, including, but not limited to, API's rights to match an acquisition proposal received by the Company during this period, (ii) the amount of the termination fees and expense reimbursement, (iii) the conditions to closing; and (iv) the parties' remedies in the event of a breach of the merger agreement.

On March 25, 2011, Hodgson Russ prepared and transmitted to the transaction committee of the board and UBS a summary of material open issues in the merger agreement for their review and consideration.

On March 24, 2011 and March 25, 2011, Mr. Southworth and Mr. Freeman received unsolicited inquiries from representatives of several investment banks reporting that those representatives had heard rumors that the Company was for sale. One such inquiry specifically referred to API as a potential acquirer. On Friday, March 25, 2011, Mr. Kahn advised representatives of UBS that API had received a telephone call and email from a financial reporter asking for comment regarding API's plans to acquire the Company. Mr. Kahn expressed his concern that news of the proposed acquisition would shortly be made public and that, if the Company was willing, API and its advisors would work over the weekend to be able to execute and announce a definitive merger agreement before the stock market opened on Monday, March 28, 2011.

On Saturday morning, March 26, 2011, the transaction committee of the board, together with representatives of Hodgson Russ and UBS, discussed the possible ramifications of the leak on the transaction with API. A decision was then made by Messrs. Southworth, Freeman, Ryan and Gruenwald, subsequently confirmed with all other directors, to move with all deliberate speed over the weekend to see if a transaction could be negotiated with API and announced before the stock market opened on Monday, March 28, 2011.

On the afternoon of March 26, 2011, in a series of telephone conversations, management, UBS, API, Wilson Sonsini and Hodgson Russ discussed the status of open matters and the Company and API agreed to proceed as diligently as possible to attempt to negotiate, finalize and sign the merger agreement before the stock market opened on Monday, March 28, 2011.

Throughout the day and evening of March 26, 2011, representatives of Hodgson Russ and Wilson Sonsini held multiple telephone conversations during which the merger agreement was discussed. The material merger agreement issues discussed on the calls related to: (i) enhancing the certainty that the merger be consummated; (ii) enhancing the board of directors' ability to satisfy its fiduciary duties; (iii) the terms of the go-shop provision, including the length and scope of the go-shop period, and the no-shop provision; and (iv) the amount of the termination fees and expense reimbursement.

On March 27, 2011, Wilson Sonsini delivered a further revised draft merger agreement to Hodgson Russ reflecting the terms negotiated by Hodgson Russ and Wilson Sonsini the previous day. Hodgson Russ and Wilson Sonsini held additional telephone conversations throughout the day on March 27, 2011 to negotiate the remaining open terms of the merger agreement, including the amount of the termination fees and expense reimbursement. Over the course of the day on March 27, 2011, the merger agreement was negotiated and finalized.

On March 26, 2011, UBS and Hodgson Russ received drafts of API's debt commitment letter. On March 26, 2011 and March 27, 2011, representatives of Hodgson Russ, after discussion with management and representatives of UBS, provided comments to the debt commitment letter primarily focused on removing

conditions that were inconsistent with the conditions to closing expected to be contained in the final merger agreement. The debt commitment letter was subsequently revised during the afternoon of March 27 and a final form was presented to the Company at approximately 5:30 p.m.

At approximately 7:00 p.m. on March 27, 2011, the board of directors held a special telephonic meeting attended by all directors and by representatives of Hodgson Russ to consider the final form of merger agreement and the transactions contemplated by the merger agreement. As a first item of business, the board, acting on recommendation of the compensation committee, approved the amendment to Mr. Southworth's existing employment and consulting agreement. The amendment was approved with Mr. Southworth and Mr. Freeman abstaining. Representatives of Hodgson Russ next provided the board of directors with an update regarding the final negotiation of the merger agreement, including the status of the open issues previously identified to the board, reviewed with the board its fiduciary duties, and responded to questions from the board. Representatives of UBS then joined the meeting to discuss the financial aspects of the proposed merger and its financial analysis of the consideration proposed to be received in the transaction, and responded to questions from the board of directors. At the conclusion of its presentation, UBS orally rendered its opinion to the board of directors, subsequently confirmed in writing, that as of March 27, 2011, and based upon various assumptions, matters considered and limitations described in the written opinion, the \$20.00 per share to be received by holders of the shares of Company common stock pursuant to the merger agreement was fair from a financial point of view to such holders. See *Opinion of UBS Securities LLC*. Following a discussion of a number of issues related to the merger agreement, the process that management, with the assistance of UBS, would undertake during the go-shop period and the positive and negative factors bearing on whether the merger should be approved, the Board unanimously (i) determined that the merger was advisable and that the terms of the merger and the merger agreement were fair to, and in the best interests of, the Company's shareholders, (ii) recommended that the Company's shareholders vote in favor of the adoption of the merger agreement, and (iii) authorized management to execute the merger agreement and take all actions necessary or advisable in connection with consummation of the transactions contemplated by the merger agreement.

On the morning of March 28, 2011, the Company, API and Merger Sub executed the merger agreement and the Company and API publicly announced the merger through the issuance of a joint press release.

Later in the day on March 28, 2011, UBS, at the direction of the Company, began soliciting potential acquisition proposals as permitted pursuant to the go-shop provision of the merger agreement. UBS has contacted a total of 57 potential strategic and financial buyers to solicit interest in an acquisition of the Company. To date, the Company has not received any acquisition proposals. Under the merger agreement, the go-shop period ends on May 7, 2011. See *The Merger Agreement - Acquisition Proposals by Third Parties* for more information.

Recommendation of the Board of Directors; Reasons for the Merger

The board of directors has unanimously determined that the merger is advisable, fair and in the best interests of the Company and our shareholders, adopted and approved the merger upon the terms and subject to the conditions set forth in the merger agreement, and recommends to our shareholders that our shareholders adopt the merger agreement.

The board of directors considered a number of factors in determining to recommend that our shareholders adopt the merger agreement, as more fully described below. **The board of directors unanimously recommends that you vote FOR the proposal to adopt the merger agreement.**

In reaching its decision to approve and recommend the adoption of the merger agreement to our shareholders, the board of directors considered the following factors, each of which the board of directors believes supported its decision, but which are not listed in any relative order of importance:

the board of directors' review of historical and projected information concerning the Company's business, financial performance and condition, results of operations, and technological and competitive position;

Table of Contents

current financial market conditions and historical market prices, volatility and trading information regarding Company common stock;

the fact that the \$20.00 per share to be paid pursuant to the merger agreement constitutes a significant premium over the market price of Company common stock, including:

a premium of approximately 45% and 40%, respectively, over the average closing price of Company common stock for the 90 and 180 calendar days prior to announcement of the merger;

a premium of approximately 23% over the high closing price of Company common stock for the 52 weeks prior to announcement of the merger, and approximately 79% over the low closing price of Company common stock for the 52 weeks prior to announcement of the merger; and

a premium of 43% over the closing price of Company common stock on the trading day immediately prior to the announcement of the merger;

the board of directors' belief that the merger will result in greater value to our shareholders than the value that could be generated from other strategic alternatives available to us, including the option of remaining independent and pursuing our current business plan, taking into account the potential risks and uncertainties associated with these alternatives as compared to the liquidity and certainty of value provided by the \$20.00 per share in cash to be paid to our shareholders pursuant to the merger agreement;

the terms of the merger agreement, which were the product of arms-length negotiations between the board of directors, the Company's management and our advisors, on the one hand, and API and its advisors, on the other hand, including, without limitation:

the representations and warranties of the Company, API and Merger Sub;

that the merger is not subject to a financing condition and that API obtained equity proceeds and a debt commitment letter for the full amount of the aggregate merger consideration;

that the merger agreement permits us to seek specific performance by API and Merger Sub of their obligations under the merger agreement;

that the merger agreement (i) provides for a post-signing go-shop period, during which the Company may, subject to certain requirements, solicit alternative proposals, (ii) allows the Company to respond to solicitations from third parties, subject to certain requirements, after the go-shop period, and (iii) at any time prior to the adoption of the merger agreement by our shareholders, allows the Company to terminate the merger agreement to accept a superior proposal upon payment of a termination fee and reimbursement of API's expenses; see *The Merger Agreement - Acquisition Proposals by Third Parties* beginning on page 47; and

the board of directors' belief that the termination fees and expense reimbursement provisions in the merger agreement (described below under the section *The Merger Agreement - Acquisition Proposals by Third Parties* beginning on page 47) (i) are reasonable in light of the overall terms of the merger agreement and the benefits of the merger, (ii) are within the range of similar precedent transactions and (iii) would not prevent a competing proposal;

the fact that the merger is subject to the adoption of the merger agreement by the affirmative vote of a majority of the votes cast by holders of shares of Company common stock entitled to vote on the merger; and

the oral opinion of UBS rendered to the board of directors on March 27, 2011, subsequently confirmed in writing, to the effect that, as of that date, and based upon various assumptions, matters considered and limitations described in the written opinion, the \$20.00 per share to be received by holders of shares of Company common stock pursuant to the merger agreement was fair from a financial point of view to those holders. The summary of UBS' opinion in this proxy statement is qualified in its entirety

Table of Contents

by reference to the full text of its written opinion, which is included as Annex B to this proxy statement and sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the scope of the review undertaken by UBS in rendering its opinion.

The board of directors also considered a variety of potentially negative factors concerning the merger agreement and the merger, including the following factors, which are not listed in any relative order of importance:

the fact that the merger agreement contains a number of provisions that may discourage a third-party from making a superior proposal to acquire the Company, including:

restrictions on our ability to solicit third party acquisition proposals after the go-shop period; and

the requirement that we pay a termination fee to API of \$5.05 million or \$9.15 million (and in each case up to \$2.75 million in documented, out of pocket expenses) if the merger agreement is terminated under specified circumstances;

the fact that the merger consideration will generally be taxable to our shareholders for U.S. federal income tax purposes;

the time and effort involved in seeking to consummate the merger, including the risk of diverting our management's attention from other strategic priorities;

the fact that our officers and directors have interests in the merger that may be different from, or in addition to, those of our shareholders; see [Interests of Certain Persons in the Merger](#) beginning on page 35;

the potential attrition of customers, vendors and employees following announcement of the merger agreement;

the fact that, following the merger, our shareholders will not participate in any future growth or increase in the value of the Company;

the fact that, although we expect the merger will be consummated, there can be no assurances that all conditions to the parties obligations to complete the merger agreement will be satisfied, and, as a result, the merger may not be consummated;

the fact that, under Pennsylvania law, the Company's shareholders who are opposed to the merger will not have dissenters' rights of appraisal or similar rights;

the restrictions on the conduct of our business contained in the merger agreement, which may limit our ability to undertake business initiatives pending completion of the merger; and

the substantial costs to be incurred in seeking to consummate the merger.

The foregoing discussion addresses the material factors considered by the board of directors in its consideration of the merger agreement and the merger, but is not exhaustive and does not present all of the factors considered by the board of directors. In light of the number and variety of factors and the amount of information considered, the board of directors did not find it practicable to quantify, rank, or otherwise assign relative

weights to the specific factors considered in reaching its determination. Individual members of the board of directors may have given different weights to different factors. The determination to approve the merger agreement was made after consideration of all of the relevant factors as a whole, and the board of directors based its ultimate decision to approve the merger agreement and the merger on its business judgment that the potential risks and other negative aspects of the merger did not outweigh the benefits of the merger to our shareholders.

Opinion of UBS Securities LLC

On March 27, 2011, at a meeting of the board of directors held to evaluate the proposed merger, UBS delivered to the board of directors an oral opinion, which was confirmed by delivery of a written opinion, dated

Table of Contents

March 27, 2011, to the effect that, as of that date and based on and subject to various assumptions, matters considered and limitations described therein, the \$20.00 per share merger consideration to be received in the proposed merger by holders of Company common stock was fair, from a financial point of view, to such holders.

The full text of UBS' opinion describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken by UBS. This opinion is attached to this proxy statement as Annex B and is incorporated into this document by reference. **Holders of Company common stock are encouraged to read UBS' opinion carefully in its entirety. UBS' opinion was provided for the benefit of the board of directors (in its capacity as such) in connection with, and for the purpose of, its evaluation of the \$20.00 per share merger consideration from a financial point of view and does not address any other aspect of the merger. The opinion does not address the relative merits of the merger as compared to other business strategies or transactions that might be available to the Company or the Company's underlying business decision to effect the merger. The opinion does not constitute a recommendation to any shareholder as to how such shareholder should vote or act with respect to the merger. The following summary of UBS' opinion is qualified in its entirety by reference to the full text of UBS' opinion.**

In arriving at its opinion, UBS, among other things:

reviewed certain publicly available business and financial information relating to the Company;

reviewed certain internal financial information and other data relating to the Company's business and financial prospects that were not publicly available, including financial forecasts and estimates prepared by the Company's management that the board of directors directed UBS to utilize for purposes of its analysis;

conducted discussions with members of the Company's senior management concerning the Company's businesses and financial prospects;

reviewed publicly available financial and stock market data with respect to certain other companies UBS believed to be generally relevant;

compared the financial terms of the merger with the publicly available financial terms of certain other transactions UBS believed to be generally relevant;

reviewed current and historical market prices of Company common stock;

reviewed a draft, dated March 27, 2011, of the merger agreement; and

conducted such other financial studies, analyses and investigations, and considered such other information, as UBS deemed necessary or appropriate.

In connection with its review, with the consent of the board of directors, UBS assumed and relied upon, without independent verification, the accuracy and completeness in all material respects of the information provided to or reviewed by UBS for the purpose of its opinion. In addition, with the consent of the board of directors, UBS did not make any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of the Company, and was not furnished with any such evaluation or appraisal. With respect to the financial forecasts and estimates referred to above, UBS assumed, at the direction of the board of directors, that such forecasts and estimates had been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the Company's management as to the Company's future financial performance. UBS' opinion was necessarily based on economic, monetary, market and other conditions as in effect on, and the information available to UBS as of, the date of its opinion.

Edgar Filing: SPECTRUM CONTROL INC - Form DEFM14A

At the direction of the board of directors, UBS was not asked to, and it did not, offer any opinion as to the terms, other than the \$20.00 per share merger consideration to the extent expressly specified in UBS' opinion, of the merger agreement or the form of the merger. In addition, UBS expressed no opinion as to the fairness of the amount or nature of any compensation to be received by any officers, directors or employees of any parties to the

Table of Contents

merger, or any class of such persons, relative to the \$20.00 per share merger consideration. In rendering its opinion, UBS assumed, with the consent of the board of directors, that (i) the final executed form of the merger agreement would not differ in any material respect from the draft that UBS reviewed, (ii) the parties to the merger agreement would comply with all material terms of the merger agreement, and (iii) the merger would be consummated in accordance with the terms of the merger agreement without any adverse waiver or amendment of any material term or condition of the merger agreement. UBS also assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the merger would be obtained without any material adverse effect on the Company or the merger. UBS was not authorized to solicit and did not solicit indications of interest in a transaction with the Company from any party other than API and one other party; however, the merger agreement permits the Company and its representatives to solicit and enter into negotiations with respect to other proposals for a specified period following execution of the merger agreement. Except as described above, the Company imposed no other instructions or limitations on UBS with respect to the investigations made or the procedures followed by UBS in rendering its opinion. The issuance of UBS opinion was approved by an authorized committee of UBS.

In connection with rendering its opinion to the board of directors, UBS performed a variety of financial and comparative analyses which are summarized below. The following summary is not a complete description of all analyses performed and factors considered by UBS in connection with its opinion. The preparation of a fairness opinion is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. With respect to the selected companies analysis and the selected transactions analysis summarized below, no company or transaction used as a comparison was identical to the Company or the merger. These analyses necessarily involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or acquisition values of the companies concerned.

UBS believes that its analyses and the summary below must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying UBS' analyses and opinion. UBS did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis for purposes of its opinion, but rather arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole.

The estimates of the future performance of the Company provided by the Company or derived from public sources in or underlying UBS analyses are not necessarily indicative of future results or values, which may be significantly more or less favorable than those estimates. In performing its analyses, UBS considered industry performance, general business and economic conditions and other matters, many of which were beyond the control of the Company. Estimates of the financial value of companies do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold or acquired.

The \$20.00 per share merger consideration to be received pursuant to the merger was determined through negotiation between the Company and API and the decision by the Company to enter into the merger was solely that of the board of directors. UBS' opinion and financial analyses were only one of many factors considered by the board of directors in its evaluation of the merger and should not be viewed as determinative of the views of the board of directors or the Company's management with respect to the merger or the \$20.00 per share merger consideration.

The following is a summary of the material financial analyses performed by UBS and reviewed with the board of directors on March 27, 2011 in connection with its opinion relating to the proposed merger. **The financial analyses summarized below include information presented in tabular format. In order for UBS' financial analyses to be fully understood, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of UBS' financial analyses.**

UBS compared selected financial and stock market data of the Company with corresponding data of the following four selected publicly traded defense electronics and radio frequency / microwave companies:

Anaren, Inc.

Comtech Telecommunications Corp.

e2v technologies PLC

Teledyne Technologies Incorporated

UBS reviewed, among other things, the enterprise values of the selected companies, calculated as diluted equity market value based on closing stock prices on March 25, 2011, plus debt at book value, preferred stock at liquidation value and minority interests at book value, less cash and cash equivalents, as multiples of (1) calendar year 2010 and estimated calendar year 2011 sales and (2) calendar year 2010 and estimated calendar year 2011 estimated earnings before interest, taxes, depreciation and amortization, which we refer to as EBITDA. UBS also reviewed closing stock prices of the selected companies on March 25, 2011 as a multiple of calendar year 2011 estimated earnings per share, referred to as P/E multiples. UBS then compared these multiples derived for the selected companies with corresponding multiples implied for the Company based both on the closing price of Company common stock on March 25, 2011 and the \$20.00 per share merger consideration. Financial data for the selected companies were based on publicly available information, and consensus estimates of the Institutional Brokers Estimate System (IBES). Financial data for the Company were based on publicly available financial information and internal estimates of the Company's management, which we refer to as Company management estimates. See **Certain Financial Projections and Other Information** beginning on page 33. This analysis indicated the following implied high, mean, median and low multiples for the selected companies, as compared to corresponding multiples implied for the Company (sales and EBITDA multiples for Comtech Telecommunications Corp. are presented below as the **Low** statistic in each instance and were excluded for purposes of calculating the mean and median result because such multiples were significantly lower than the corresponding multiples of the other selected companies):

UBS then compared these multiples derived for the selected transactions with corresponding multiples implied for the Company based on the \$20.00 per share merger consideration. Multiples for the selected transactions were based on publicly available information, including analysts' research, at the time of announcement of the relevant transaction. Financial data for the Company were based on Company management estimates. This analysis indicated the following implied high, mean, median and low multiples for the selected transactions, as compared to corresponding multiples implied for the Company:

Table of Contents***Discounted Cash Flow Analysis***

UBS performed a discounted cash flow analysis of the Company using financial forecasts and estimates relating to the Company prepared by Company management. UBS calculated a range of implied present values (as of February 28, 2011) of the standalone unlevered, after-tax free cash flows that the Company was forecasted to generate from March 1, 2011 until November 30, 2015 and of terminal values for the Company based on the Company's fiscal year 2015 estimated unlevered free cash flow. Implied terminal values were derived by applying to the Company's fiscal year 2015 estimated free cash flow a range of perpetuity growth rates of 2.5% to 4.0%. Present values of unlevered, after-tax free cash flows and terminal values were calculated using discount rates ranging from 12.5% to 14.5%. The discounted cash flow analysis resulted in a range of implied present values of approximately \$15.90 to approximately \$21.60 per share, as compared to the \$20.00 per share merger consideration.

Miscellaneous

Under the terms of UBS' engagement, the Company agreed to pay UBS for its financial advisory services in connection with the merger an aggregate fee currently estimated to be approximately \$4.4 million, a portion of which was payable in connection with UBS' opinion and a significant portion of which is contingent upon consummation of the merger. In addition, the Company agreed to reimburse UBS for its reasonable expenses, including fees, disbursements and other charges of counsel, and to indemnify UBS and related parties against liabilities, including liabilities under federal securities laws, relating to, or arising out of, its engagement. In the ordinary course of business, UBS and its affiliates may hold or trade, for their own accounts and the accounts of their customers, securities of the Company and API, and, accordingly, may at any time hold a long or short position in such securities. The Company selected UBS as its financial advisor in connection with the merger because UBS is an internationally recognized investment banking firm with substantial experience in similar transactions and because of UBS' familiarity with the Company and its business. UBS is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, leveraged buyouts, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities and private placements.

Certain Financial Projections and Other Information

In the course of the process that resulted in the merger agreement, our management prepared and provided to API and will provide to other interested parties during the go-shop period, non-public financial projections in connection with their due diligence review of the Company. We also provided these internal financial projections to the board of directors and our financial and legal advisors. Set forth below is a summary of these projections. These projections reflect certain assumptions regarding our future operations and were prepared on a basis consistent with the accounting principles used in our historical financial statements.

(\$millions)	Financial Projections for the Years Ending November 30,				
	2011	2012	2013	2014	2015
Revenue	\$ 182	\$ 202	\$ 221	\$ 248	\$ 270
EBITDA	33	39	45	53	60
Operating income	25	31	37	45	51
Net income	17	20	24	29	33

As used above, EBITDA represents net earnings before interest, income taxes, depreciation and amortization. EBITDA is a non-GAAP performance measure that is frequently used by securities analysts, investors and other interested parties in their evaluation of companies. EBITDA has limitations, including that it is not necessarily comparable to other similarly titled financial measures of other companies due to the potential inconsistencies in the method of calculation.

Table of Contents

The projections set forth above were prepared for internal use and not prepared with a view to public disclosure and are being included in this proxy statement only because the projections were provided to and relied upon by UBS in performing its financial analysis for the board of directors, and because the projections were provided to API and will be provided to other potential buyers during the go-shop period. The projections were not prepared with a view to compliance with the published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. The projections do not purport to present operations in accordance with U.S. generally accepted accounting principles, and our registered public accounting firm has not examined, compiled or otherwise applied procedures to the projections and accordingly assumes no responsibility for them. The projections have been prepared by, and are solely the responsibility of, our management. The inclusion of the projections in this proxy statement should not be regarded as an indication that these projections will be predictive of actual future results, and the projections should not be relied upon as such. Neither we nor any other person makes any representation to any of our shareholders regarding our ultimate performance compared to the information contained in the projections set forth above. Although presented with numerical specificity, the projections are not fact and reflect numerous assumptions and estimates as to future events made by our management that our management believed were reasonable at the time the projections were prepared and other factors such as industry performance and general business, economic, regulatory, market and financial conditions, as well as factors specific to our business, all of which are difficult to predict and many of which are beyond the control of our management. In addition, the projections do not take into account any circumstances or events occurring after the date that they were prepared and, accordingly, do not give effect to the merger or any changes to our operations or strategy that may be implemented after the consummation of the merger. Further, the projections do not take into account the effect of any failure of the merger to occur and should not be viewed as accurate or applicable in that context. There can be no assurance that the projections will be realized, and actual results may be materially greater or less than those reflected in the projections. We do not intend to update or otherwise revise the projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events even if any or all of the assumptions underlying the projections are shown to be in error. The projections are forward-looking statements. These statements involve certain risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements.

Closing and Effective Time of Merger

The closing of the merger will take place on the second business day following the satisfaction or waiver in accordance with the merger agreement of all of the conditions to closing of the merger other than the conditions that by their terms cannot be satisfied until the closing of the merger, but subject to satisfaction or waiver of those conditions. See **The Merger Agreement** **Conditions to the Merger**.

Assuming timely satisfaction of the necessary closing conditions, we anticipate that the merger will be completed by May 31, 2011. The effective time of the merger will occur upon the filing of articles of merger with the Department of State of the Commonwealth of Pennsylvania (or at such later date as we and API may agree and specify in the articles of merger).

Payment of Merger Consideration and Surrender of Stock Certificates

As soon as practicable after the effective time of the merger, each record holder of certificates evidencing shares of Company common stock (other than with respect to excluded shares) will be sent a letter of transmittal describing how such holder may exchange its shares of Company common stock for the per share merger consideration.

You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the paying agent without a letter of transmittal.

If you are the record holder of certificated shares of Company common stock, you will not be entitled to receive the per share merger consideration until you deliver a duly completed and executed letter of transmittal to the paying agent and surrender your stock certificate or certificates to the paying agent. If you are the record

Table of Contents

holder of uncertificated shares of Company common stock represented by book-entry (sometimes referred to as Direct Registration System, or DRS), you will receive the per share merger consideration promptly after the effective time of the merger. If ownership of your shares is not registered in the transfer records of the Company, a check for any cash to be delivered will only be issued if the applicable letter of transmittal is accompanied by all documents reasonably required by the Company or the paying agent to evidence and effect such transfer and to evidence that any applicable stock transfer taxes have been paid or are not applicable. If you are a beneficial owner of Company common stock holding your shares in street name through your bank, broker or other nominee, you will receive the per share merger consideration in accordance with the procedures of your bank, broker or other nominee.

Interests of Certain Persons in the Merger

When considering the recommendation of the board of directors that you vote to approve the proposal to adopt the merger agreement, you should be aware that our directors and executive officers may have interests in the merger that are different from, or in addition to, your interests as a shareholder. The board of directors was aware of and considered these interests, to the extent such interests existed at the time, among other matters, in evaluating and negotiating the merger agreement and the merger, and in recommending that the merger agreement be adopted by our shareholders. In the discussion below, we have quantified payments and benefits to our executive officers and to our non-employee directors. For the purposes of all of the agreements and plans described below, the completion of the transactions contemplated by the merger agreement will constitute a change in control.

Interests in Company Stock Options

If the merger is completed, immediately prior to the effective time of the merger, each then-outstanding option to purchase shares of Company common stock whether or not vested or exercisable, will become fully vested and exercisable, and will be cancelled and converted into the right to receive a cash payment equal to the excess, if any, of \$20.00 over the exercise price per share of such option, multiplied by the number of shares of Company common stock the holder could have purchased, had such holder exercised the option in full, without interest, less any applicable withholding taxes.

Executive Officers. In addition to proceeds related to outstanding shares of Company common stock held by our executive officers, the approximate proceeds related to outstanding and unexercised stock options with respect to our executive officers are as follows:

Name	Aggregate Shares Subject to Company Stock Options	Aggregate Cash- Out Value of Company Stock Options
Richard A. Southworth	100,000	\$ 1,075,200

Non-employee Directors. In addition to proceeds related to outstanding shares of Company common stock held by our non-employee directors, the approximate proceeds related to outstanding and unexercised stock options with respect to our non-employee directors are as follows:

Bernard C. Bailey ⁽¹⁾	30,000	\$ 338,820

Employment and Consulting Agreement with Richard A. Southworth

The Company has entered into an employment and consulting agreement with Mr. Southworth. Mr. Southworth's employment and consulting agreement provides for severance benefits in the case of certain termination scenarios, including in the case of a change in control. If Mr. Southworth is terminated by the Company prior to the expiration of the agreement on November 30, 2011, other than a termination for just cause, he will receive (i) an amount equal to the salary due him and any vacation pay which is accrued but unpaid as of the date of termination and (ii) a severance payment of an amount equal to twelve months of his then current salary plus the amount he received under the Company's At-Risk Compensation Plan for the prior fiscal year. The severance payment will be made in twelve equal monthly payments. See "Estimated Possible Payouts Under Executive Officer Agreements" beginning on page 37. On March 27, 2011, the Company entered into an amendment to the employment and consulting agreement with Mr. Southworth. Prior to such amendment, the agreement, which was entered into in 2009, provided that if, as anticipated by the board of directors, Mr. Southworth was President of the Company as of November 30, 2011, then he would automatically be retained as a consultant for a six-year term at an annual compensation of \$100,000. The amendment provides that, in the event there is a change in control of the Company and Mr. Southworth is terminated as President or Chief Executive Officer before November 30, 2011, the six year consulting term will begin on the date of his termination. While engaged as a consultant, if eligible, Mr. Southworth will receive reasonable customary medical benefits as provided to other employees of the Company.

Change in Control Agreements

The Company entered into change in control agreements with each of Lawrence G. Howanitz, Brian F. Ward and Robert J. McKenna effective as of January 18, 2010 and with John P. Freeman effective as of March 4, 2011. The change in control agreements for these executives have an initial two-year term and are considered for renewal on an annual basis after the initial term.

Under the change in control agreements for the above-named executives, if an executive's employment is terminated by the Company without cause or by the executive for good reason, in either case within 24 months of a change in control, the Company shall pay or provide the executive:

a lump sum amount which is equal to the executive's monthly base salary, at the rate in effect immediately prior to termination, multiplied by 12; and

employee medical and dental benefit continuation as if the executive had remained an employee for an additional 12 months with respect to Messrs. Howanitz, Ward and McKenna, and to age 65 with respect to Mr. Freeman, or, if the Company is unable to provide any such benefits to the executive,

Table of Contents

benefits substantially similar to those which the executive would have been entitled to receive if he had participated for the period described above with respect to the executive. Additionally, the Company will continue coverage for 12 months under any existing life and AD&D insurance plans to the extent possible and, if not, plans that provide substantially similar benefits.

See Estimated Possible Payouts Under Executive Officer Agreements below.

However, if any payment due to any of the above-named executives results in an excise tax being imposed on him pursuant to Section 4999 of the Code, the Company will reduce the total amounts payable to the executive to the maximum amount payable without incurring the excise tax.

Estimated Possible Payouts Under Executive Officer Agreements

The following table summarizes the estimated amount of the change in control and severance payments and other benefits that would be received by our executive officers if, immediately following completion of the merger, each executive officer's employment were terminated by the surviving corporation of the merger other than due to a termination for just cause or without cause, as applicable, or by the executive for good reason immediately following completion of the merger:

Name	Severance Payment	Benefits		Total

(4) Represents estimated benefit payments for 12 months pursuant to the applicable executive officer's change in control agreement.

Under Mr. Southworth's employment and consulting agreement, termination for just cause means the termination of Mr. Southworth for or as a result of (i) an act or acts by Mr. Southworth, or any omission by him, constituting a felony, (ii) any act of fraud, or (iii) any breach by him of the terms of the employment agreement.

Under the change in control agreements with the other executives discussed above, cause means (i) the willful and continued failure by the executive to substantially perform his duties with the Company and/or, if applicable, one or more of its subsidiaries (other than any such failure resulting from his incapacity due to physical or mental illness) after a demand for substantial performance is delivered to him by the board of directors which specifically identifies the manner in which the board of directors believes the executive has not substantially performed his duties, which the executive does not timely cure, (ii) the willful engaging by the executive in gross misconduct materially and demonstrably injurious to the property or business of the Company or any of its subsidiaries, or (iii) fraud, misappropriation or commission of a felony. provision of the change in control agreement that the Company does not timely cure, or (v) a reasonable determination by the executive that, following a change in control and a change in circumstances thereafter significantly affecting his position, he is unable to exercise the authorities, powers, functions or duties attached to his position.

Other Employee-related Interests

In addition to the other rights and interests in the merger described in this section, the Company's executive officers are entitled to receive the same benefits under the merger agreement as all other employees of the Company. Among other matters, API has agreed to give the Company's employees full credit for their prior service with the Company or its subsidiaries for purposes of determining eligibility to participate in, vesting and entitlement to, benefits where length of service is relevant under any employee benefit plan or arrangement maintained or sponsored by API to the same extent recognized by the Company.

Arrangements with API

Following the announcement of the merger, John P. Freeman, the Company's Senior Vice President and Chief Financial Officer, and Robert J. McKenna, the Company's Senior Vice President, New Business and Resource Development, were contacted by API regarding the possibility of accepting employment with API or the surviving corporation following the merger. Mr. Freeman has discussed with API accepting employment following completion of the merger as Chief Financial Officer of API. Mr. McKenna has discussed with API accepting employment following completion of the merger as President and Chief Executive Officer of the surviving corporation. To date, no agreements with respect to the employment of Mr. Freeman or Mr. McKenna have been entered into. Other of our executive officers may discuss or enter into agreements, arrangements or understandings with API regarding post-closing employment with API or the surviving corporation prior to completion of the merger.

Indemnification and Directors and Officers Insurance

The merger agreement provides that API and the surviving corporation will indemnify and hold harmless all persons who served as directors or officers of the Company or its subsidiaries prior to the effective time of the merger as well as advancing expenses incurred by such persons in defending against any threatened or pending claim. API will also cause the surviving corporation's articles and bylaws to contain indemnification rights no less favorable to each of our present and former directors and officers as are provided in the Company's articles or bylaws in effect prior to the date of the merger agreement. The merger agreement also requires API, the surviving corporation or the Company to purchase a tail insurance policy or policies that provide individuals covered by the Company's current directors and officers liability insurance with coverage for a period of six years after completion of the merger. A more complete description of the indemnification and insurance rights provided to the Company's directors and officers under the merger agreement is under the heading "The Merger Agreement - Indemnification and Directors and Officers Insurance."

Material U.S. Federal Income Tax Consequences of the Merger for U.S. Holders

The following is a summary of the material U.S. federal income tax consequences of the merger to U.S. holders (as defined below) whose shares of Company common stock are converted into the right to receive cash in the merger. This summary does not purport to consider all aspects of U.S. federal income taxation that might be relevant to our shareholders. For purposes of this discussion, we use the term "U.S. holder" to mean a beneficial owner of shares of Company common stock that is, for U.S. federal income tax purposes:

an individual citizen or resident of the United States;

a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States, any state thereof or the District of Columbia;

a trust (i) if a U.S. court can exercise primary supervision of the trust's administration and one or more U.S. persons are authorized to control all substantial decisions of the trust, or (ii) that has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person; or

Table of Contents

an estate, the income of which is subject to U.S. federal income tax regardless of its source.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of shares of Company common stock, the tax treatment of a partner in such partnership will generally depend on the status of the partner and the activities of the partnership. A partner in a partnership holding shares of Company common stock should consult its own tax advisor regarding the U.S. federal income tax consequences of the merger to such partner.

This discussion is based upon the provisions of the Internal Revenue Code of 1986, as amended, which we refer to as the Code, Treasury regulations promulgated thereunder, and currently effective administrative rulings and judicial decisions. Any of these authorities may be changed, possibly with retroactive effect, so as to result in U.S. federal income tax consequences different from those described below. This discussion applies only to beneficial owners who hold shares of Company common stock as capital assets (within the meaning of Section 1221 of the Code), and does not apply to shares of Company common stock received in connection with the exercise of employee stock options or otherwise as compensation, or to certain types of beneficial owners that may be subject to special rules (such as insurance companies, banks or other financial institutions, tax-exempt organizations, broker-dealers, partnerships, S corporations or other pass-through entities, mutual funds, traders in securities that elect to use a mark-to-market method of accounting for their securities holdings, shareholders subject to the alternative minimum tax, U.S. holders that have a functional currency other than the U.S. dollar, shareholders that hold Company common stock as part of a hedge, straddle or conversion transaction, regulated investment companies, real estate investment trusts or shareholders deemed to sell Company common stock under the constructive sale provisions of the Code). This discussion also does not address the U.S. tax consequences to any shareholder that is, for U.S. federal income tax purposes, a non-resident alien individual, foreign corporation, foreign partnership or foreign estate or trust, and does not address any matters relating to equity compensation or benefit plans. This discussion does not address any U.S. federal non-income, state, local or foreign tax consequences of the merger.

Exchange of Shares of Common Stock for Cash Pursuant to the Merger Agreement

The exchange of shares of Company common stock for cash in the merger will generally be a taxable transaction to U.S. holders for U.S. federal income tax purposes. In general, a U.S. holder whose shares of Company common stock are converted into the right to receive cash in the merger will recognize capital gain or loss for U.S. federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received with respect to such shares (determined before the deduction of any applicable withholding taxes) and the U.S. holder's adjusted tax basis in such shares. A U.S. holder's adjusted tax basis will generally equal the price the U.S. holder paid for such shares. Gain or loss will be determined separately for each block of shares of Company common stock (that is, shares of Company common stock acquired at the same cost in a single transaction). Such gain or loss will generally be treated as long-term capital gain or loss if the U.S. holder's holding period in the shares of Company common stock exceeds one year at the time of the completion of the merger. Long-term capital gains of non-corporate U.S. holders are generally subject to reduced rates of taxation. The deductibility of capital losses is subject to limitations. The gain or loss will generally be income or loss from sources within the U.S. for foreign tax credit limitation purposes.

Backup Withholding and Information Reporting

U.S. federal backup withholding tax may apply to cash payments to a U.S. holder under the merger agreement, unless the U.S. holder or other payee provides a taxpayer identification number, certifies that such number is correct, and otherwise complies with the backup withholding rules or otherwise establishes an exemption from backup withholding.

The backup withholding tax is not an additional tax. Any amounts withheld under the backup withholding rules may be allowed as a credit against a U.S. holder's U.S. federal income tax liability and may entitle such holder to a refund, provided that the required information is timely furnished to the Internal Revenue Service.

Table of Contents

Cash payments made pursuant to the merger will also be subject to information reporting unless an exemption applies.

The U.S. federal income tax consequences described above are not intended to constitute a complete description of all tax consequences relating to the merger. Because individual circumstances may differ, each shareholder should consult its own tax advisor regarding the applicability of the rules discussed above to such shareholder and the particular U.S. federal income and other tax consequences to such shareholder of the merger in light of such shareholder's particular circumstances and the application of state, local and foreign tax laws.

Regulatory Approvals and Notices

Under the terms of the merger agreement, the merger cannot be completed until the waiting period applicable to the consummation of the merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or the HSR Act, has expired or been terminated.

Under the HSR Act and the rules promulgated thereunder by the FTC, the merger cannot be completed until each of the Company and API files a notification and report form with the FTC and the Antitrust Division of the DOJ under the HSR Act and the applicable waiting period has expired or been terminated. Each of the Company and API filed such a notification and report form on April 8, 2011. The waiting period required by the HSR Act will expire on May 9, 2011 at 11:59 p.m., unless extended by a request for additional information or documentary material, or early termination of the waiting period is granted.

At any time before or after consummation of the merger, notwithstanding the termination of the waiting period under the HSR Act, the Antitrust Division of the DOJ or the FTC could take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the completion of the merger, or part of it, seeking divestiture of substantial assets of the Company or API, requiring the Company or API to license, or hold separate, assets or terminate existing relationships and contractual rights. At any time before or after the completion of the merger, and notwithstanding the termination of the waiting period under the HSR Act, any state could take such action under state law or the antitrust laws of the U.S. as it deems necessary or desirable in the public interest. Such action could include seeking to enjoin the completion of the merger or seeking divestiture of substantial assets of the Company or API. Private parties may also seek to take legal action pursuant to the antitrust laws under certain circumstances.

There can be no assurance that the DOJ, the FTC or any other governmental entity or any private party will not take action or otherwise attempt to challenge the merger on antitrust grounds and, if such a challenge is made, there can be no assurance as to its impact on the timing of the merger or its ultimate result.

Accounting Treatment of the Merger

We expect the merger to be accounted for as a business combination for financial accounting purposes, whereby the purchase would be allocated to our assets and liabilities based on their relative fair values as of the date of the merger in accordance with Accounting Standards Codification 805, Business Combinations.

Shareholder Claims

The Company has received letters from Levi Korsinsky LLP and The Brualdi Law Firm, P.C., in each case on behalf of a purported shareholder of the Company, demanding that the board of directors take appropriate action against its members to remedy alleged breaches of fiduciary duty arising in connection with the merger. These letters claim that the alleged breaches have caused and will cause substantial damages to the Company, and that unless the board of directors takes action to remedy these breaches, the complaining shareholders will pursue those remedies in court. The letter from the Brualdi firm also alleges that the Company's preliminary proxy statement filed with the SEC on April 15, 2011 contains several material misstatements and omissions. The Company is reviewing these letters and intends to respond appropriately and in due course.

THE MERGER AGREEMENT

*This section describes the material terms of the merger agreement. This summary does not purport to be complete and may not contain all of the information about the merger or the merger agreement that is important to you. The description in this section and elsewhere in this proxy statement is qualified in its entirety by reference to the complete text of the merger agreement, a copy of which is attached as Annex A and is incorporated by reference into this proxy statement. We encourage you to read the merger agreement carefully and in its entirety. This section is not intended to provide you with any factual information about us. Such information can be found elsewhere in this proxy statement and in the public filings we make with the SEC, as described in *Other Matters Where You Can Find More Information*, beginning on page 60.*

Explanatory Note Concerning the Merger Agreement

The merger agreement is included to provide you with information regarding its terms. Factual disclosures about the Company contained in this proxy statement or in the Company's public reports filed with the SEC may supplement, update or modify the factual disclosures about the Company contained in the merger agreement. The representations, warranties and covenants made in the merger agreement by the Company, API and Merger Sub were qualified and subject to important limitations agreed to by the Company, API and Merger Sub in connection with negotiating the terms of the merger agreement. In particular, in your review of the representations and warranties contained in the merger agreement and described in this summary, it is important to bear in mind that the representations and warranties were negotiated with the principal purposes of establishing the circumstances in which a party to the merger agreement may have the right not to consummate the merger if the representations and warranties of the other party prove to be untrue because of a change in circumstance or otherwise, and allocating risk between the parties to the merger agreement, rather than establishing matters as facts. The representations and warranties may also be subject to a contractual standard of materiality different from those generally applicable to shareholders and reports and documents filed with the SEC and in some cases were qualified by the matters contained in the confidential disclosure schedule that the Company delivered in connection with the merger agreement, which disclosures were not reflected in the merger agreement. Moreover, information concerning the subject matter of the representations and warranties, which do not purport to be accurate as of the date of this proxy statement, may have changed since the date of the merger agreement and subsequent developments or new information qualifying a representation or warranty may have been included in this proxy statement.

Effective Time

The effective time of the merger will occur at the time that we file the articles of merger with the Department of State of the Commonwealth of Pennsylvania on the closing date of the merger or on such later date as may be mutually agreed to by API, Merger Sub and us and provided in the articles of merger. The closing date will occur on the second business day after all of the conditions to the consummation of the merger set forth in the merger agreement have been satisfied or waived (other than those conditions that by their nature are to be satisfied on the closing date), or on such other date as we, Merger Sub and API may agree.

Structure of the Merger

Subject to the terms and conditions of the merger agreement and in accordance with Pennsylvania law, at the effective time of the merger, Merger Sub, a wholly owned subsidiary of API, will merge with and into the Company. The separate corporate existence of Merger Sub will cease, and the Company will continue as the surviving corporation and a wholly owned subsidiary of API. The surviving corporation will be a privately held corporation and our current shareholders will cease to have any ownership interest in the surviving corporation or rights as shareholders. As a result of the merger, our current shareholders will not participate in the opportunity for future earnings or growth of the surviving corporation and will not benefit from any appreciation in value of the surviving corporation.

Treatment of Company Common Stock and Stock Options

Company Common Stock

At the effective time of the merger, each share of Company common stock outstanding immediately prior to the effective time of the merger will automatically be cancelled and will cease to exist and will be converted into the right to receive \$20.00 in cash, without interest and less applicable withholding taxes, other than:

shares of Company common stock held in our treasury immediately prior to the effective time of the merger, which shares will be cancelled without conversion or consideration; and

shares of Company common stock owned by API, Merger Sub, or any other subsidiary of API immediately prior to the effective time of the merger, which shares will be cancelled without conversion or consideration.

After the effective time of the merger, each stock certificate representing shares of Company common stock will be cancelled and each holder of record of uncertificated shares of Company common stock will cease to have any rights with respect to those shares, and the holder of such certificate or uncertificated shares will have only the right to receive the per share merger consideration, without any interest and less applicable withholding taxes.

Stock Options

Each outstanding unvested Company stock option will be accelerated in full so that it becomes fully vested immediately prior to the effective time of the merger. At the effective time of the merger, each outstanding the Company stock option not exercised prior to the merger will be cancelled and converted into the right to receive, as soon as reasonably practicable following the effective time of the merger, an amount in cash (less any applicable withholding taxes) equal to (i) the number of shares subject to such option multiplied by (ii) the excess (if any) of \$20.00 over the exercise price per share of such option.

Exchange and Payment Procedures

A paying agent designated by API, who we refer to as the paying agent, will act as the agent for payment of the merger consideration to the holders of Company common stock. At or after the effective time of the merger, API will cause to be deposited with the paying agent for the benefit of Company shareholders an amount in cash equal to the aggregate merger consideration.

Instructions with regard to the surrender of certificates formerly representing shares of Company common stock or uncertificated shares of Company common stock, together with the letter of transmittal to be used for that purpose, will be mailed to our shareholders by the paying agent as soon as reasonably practicable after the effective time of the merger. Promptly after receipt from the shareholder of a duly executed letter of transmittal, and any other items specified by the letter of transmittal, the paying agent will pay in cash to such shareholder an amount equal to the product of the number of shares of Company common stock represented by the certificates remitted by the shareholder and the per share merger consideration, without interest and less any applicable withholding tax.

API, the surviving corporation and the paying agent may deduct and withhold from the merger consideration otherwise payable to any holder of Company common stock or stock options that amount as API, the surviving corporation or the paying agent are required to deduct and withhold under the Code or U.S. federal, state or local or non-U.S. tax law. API, the surviving corporation or the paying agent will promptly pay any withheld amounts to the appropriate taxing authority.

No transfer of shares of Company common stock will be made on the stock transfer books of the surviving corporation after the effective time of the merger. After the effective time of the merger, previous shareholders will have no rights with respect to shares of Company common stock except to receive the merger consideration.

Table of Contents

Six months after the effective time of the merger, any amount remaining in the payment fund may be paid to API, and any previous holders of Company common stock who have not complied with the applicable provisions for payment summarized above will be entitled to payment of the merger consideration only from the surviving corporation, without interest.

You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the paying agent without a letter of transmittal.

initiate, solicit and encourage acquisition proposals;

provide access to non-public information pursuant to a confidentiality agreement no less favorable to us than our confidentiality agreement with API, provided that the Company (i) concurrently provides to API any non-public information concerning the Company or any subsidiary that is provided to any person if that information was not previously provided to API or its representatives and (ii) withholds those portions of documents or information, or provides it pursuant to customary "clean room" or other procedures, to the extent relating to pricing or other highly sensitive or competitive matters if the exchange of that information could be reasonably likely to be harmful to the operation of the Company in any material respect; and

enter into, engage in and maintain discussions or negotiations with respect to an acquisition proposal or otherwise cooperate with, assist or participate in or facilitate any such inquiries, proposals, discussions or negotiations.

After 12:01 a.m., New York time on May 7, 2011, the Company is required, and is required to cause its subsidiaries and the Company's and its subsidiaries' officers, directors, employees, investment bankers, attorneys, accountants and other advisors and representatives, to:

promptly (and in any event within two business days) cause each person (other than an excluded party or API and its representatives) to whom it provided confidential information prior to May 7, 2011 to promptly return or destroy all confidential information concerning the Company and its subsidiaries.

No later than 12:01 a.m. on May 8, 2011, the Company is required to notify API in writing of the identity of all parties that were contacted by the Company or its representatives during the go-shop period described above.

After 12:01 a.m. on May 7, 2011 and until the earlier of the effective time of the merger or the termination of the merger agreement, the Company has agreed that it will not, and will cause its subsidiaries and its subsidiaries' officers, directors, employees, investment bankers, attorneys, accountants and other advisors or representatives not to, directly or indirectly:

solicit, initiate, facilitate or encourage any acquisition proposals;

engage in, continue, or otherwise participate in discussions or negotiations with any third party regarding, or furnish to any other person information in connection with or for the purpose of encouraging or facilitating, an acquisition proposal;

furnish to any person or group (other than to API and its representatives) any non-public information or afford to any person or group (other than API and its representatives) access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or its subsidiaries;

take any action to make the provisions of any anti-takeover law, or any restrictive provision of any applicable anti-takeover provision in the Company's charter or bylaws, inapplicable to any transactions contemplated by an acquisition proposal;

grant any waiver or release under any standstill agreement respecting the Company's equity securities (including by providing any consent or authorization to make an acquisition proposal to the board of directors or a board committee pursuant to any confidentiality or standstill agreement); or

resolve, propose or agree to do any of the foregoing or otherwise facilitate any effort or attempt by any person to make an acquisition proposal.

However, notwithstanding the foregoing, (i) the restrictions described in the preceding paragraph will not apply during the 20-day period ending at 12:01 a.m. New York time on May 28, 2011 to a party we have identified as an excluded party and (ii) at any time after 12:01 a.m., New York time on May 7, 2011 and prior to the adoption of the merger agreement by our shareholders, we may, in response to a bona fide written acquisition proposal that was not a result of a violation of the restrictions described in the preceding paragraph, furnish non-public information (pursuant to a confidentiality agreement no less favorable to us than our confidentiality agreement with API, subject, however, to the proviso described above) and engage in or otherwise participate in discussions and negotiations with, a third party in connection with an acquisition proposal if:

the board of directors determines in good faith (after consultation with its financial and legal advisors) that the acquisition proposal constitutes, or is reasonably likely to lead to, a superior proposal; and

failure to take such action is inconsistent with the directors' fiduciary duties under applicable law; provided that the Company must promptly (and in any event within 24 hours) provide API (i) an unredacted copy of any acquisition proposal made in writing provided to the Company or its representatives (including any materials relating to any proposed financing commitments (and a written summary of all material terms of any financing commitments that, pursuant to the terms of the engagement letter with the financing source, cannot be provided in unredacted form)) and the identity of the person or group making the acquisition proposal or (ii) a written summary of the material terms of any acquisition proposal not made in writing. The Company must also provide API with 48 hours prior notice (or such lesser notice as is provided to the board of directors) of any board of directors or board committee meeting at which the board or the committee is expected to consider any acquisition proposal or any request for non-public information concerning the Company or its subsidiaries relating to or from any person or group who would reasonably be expected to make an acquisition proposal or any request for discussions or negotiations related to an acquisition proposal. The Company must provide prior notice to API orally and in writing that it proposes to furnish non-public information or engage in discussions or negotiations as described in this paragraph.

The merger agreement generally defines an acquisition proposal as any inquiry, proposal or offer relating to (i) the acquisition, in any single transaction or series of related transactions, of shares of Company common stock, that, together with any other shares of Company common stock beneficially owned by the person or group making the proposal, would equal 20% or more of the outstanding shares of Company common stock or any other equity securities of the Company, (ii) any tender or exchange offer that, if consummated, would result in any person or group beneficially owning, directly or indirectly (a) shares of Company common stock that together with any other shares of Company common stock beneficially owned by that person or group, would equal 20% or more of the outstanding shares of Company common stock or (b) any other equity securities of the Company or any subsidiary, (iii) a merger, consolidation, business combination, reorganization, share exchange, sale of assets, recapitalization, liquidation, dissolution or similar transaction which would result in any person

Table of Contents

acquiring 20% or more of the fair market value of the assets of the Company and its subsidiaries, taken as a whole (including capital stock of the Company's subsidiaries), or (iv) any other transaction that would result in a person or group acquiring 20% or more of the fair market value of the assets of the Company and its subsidiaries, taken as a whole (including capital stock of the Company's subsidiaries), immediately prior to such transaction (whether by purchase of assets, acquisition of stock of a subsidiary or otherwise) or (v) any combination of the foregoing.

The Company has agreed to keep API reasonably informed on a current basis (and in any event within 24 hours) of (i) any in-bound, unsolicited initial request for non-public information concerning the Company or any subsidiary related to or from any person or group who would reasonably be expected to make an acquisition proposal, (ii) any in-bound, unsolicited initial request for discussions or negotiations related to an acquisition proposal, (iii) receipt of any acquisition proposal, and (iv) any material developments, changes, discussions or negotiations regarding any acquisition proposal. In connection with the foregoing obligations, the Company has agreed to (A) provide API with the identity of the person or group making a request or acquisition proposal and the material terms of that request or proposal and related written correspondence provided in connection with the request or proposal (including unredacted copies of any written requests, proposals, offers or proposed agreements, and any materials relating to proposed financing commitments (or in certain circumstances written summaries of those commitments)) and (B) thereafter keep API reasonably informed on a current basis (and in any event within 24 hours) of any material changes to the terms of the foregoing.

The merger agreement generally defines a superior proposal as a written acquisition proposal (with all of the percentages included in the definition of acquisition proposal increased to 50%) which proposal (i) was not the result of a violation of the restrictions in the merger agreement regarding third party acquisition proposals, and (ii) (A) the definitive agreement for which is not subject to a financing contingency and (B) that the board of directors determines in good faith (after consultation with its financial and legal advisors, and taking into consideration all financial, regulatory, legal and other aspects of the proposal (including the person or group making the proposal) as well as the impact of the proposal on the Company's employees, suppliers, customers, creditors and the communities in which the Company is located), (a) is more favorable to the Company and the shareholders than the merger (taking into consideration any adjustment to the terms and conditions, and the conditionality, timing and likelihood of consummation of, the proposal, and any changes to the terms of the merger agreement proposed by API in response to the proposal or otherwise) and (b) if consummated, would result in a transaction that is more favorable to our shareholders from a financial point of view than the transaction contemplated by the merger agreement.

The merger agreement defines an excluded party as any person or group from whom the board of directors has received a written acquisition proposal prior to 12:01 a.m. New York time, on May 7, 2011, that the board of directors has determined in good faith (after consultation with its financial and legal advisors) constitutes, or would be reasonably likely to lead to, a superior proposal and which has not been rejected or withdrawn prior to 12:01 a.m., New York time, on May 7, 2011. An excluded party ceases to be an excluded party under the merger agreement on the earlier of 12:01 a.m., New York time, on May 28, 2011 or such time as such excluded party's acquisition proposal is withdrawn, terminated, expires or no longer constitutes, or would reasonably be expected to lead to, a superior proposal.

The board of directors may (i) prior to adoption of the merger agreement by the shareholders, make a company recommendation change in order to enter into an acquisition agreement with respect to an acquisition proposal, (ii) authorize, cause or permit the Company or any subsidiary to enter into any letter of intent, term sheet, agreement or agreement in principle (whether binding or non-binding) with respect to an acquisition proposal (other than a confidentiality agreement no less favorable to the Company than its confidentiality agreement with API), only if:

the board of directors determines in good faith (after consultation with its financial and legal advisors) that the acquisition proposal constitutes a superior proposal and that the failure to make a company recommendation change and enter into an acquisition agreement with respect to the superior proposal would be inconsistent with the directors' fiduciary duties under applicable law;

Table of Contents

the acquisition proposal did not result from a violation of restrictions in the merger agreement regarding third party acquisition proposals;

the board of directors provides API with at least four business days advance written notice of its intention to make a company recommendation change and to terminate the merger agreement to enter into a definitive agreement with respect to a superior proposal;

the Company provides API with a written summary of the material terms and conditions of the superior proposal, the identity of the person or group making the proposal and an unredacted copy of the relevant transaction documents with that person or group (including any materials relating to any proposed financing commitments or written summaries of the material terms of those commitments if those commitments, pursuant to their terms, may not be provided in unredacted form);

the Company and its representatives discuss and negotiate in good faith with API and its representatives (at API's option), any proposed changes by API to the merger agreement so as to permit the board of directors not to effect a company recommendation change or to terminate the merger agreement (including providing API and its representatives an opportunity to make a presentation to the board of directors); and

the board of directors, following the four business day notice period, and taking into account any revised proposal made by API since the start of that notice period, determines in good faith, after consultation with its financial and legal advisors, that (i) the acquisition proposal continues to constitute a superior proposal and (ii) the failure to effect a company recommendation change and enter into an acquisition agreement with respect to that superior proposal would be inconsistent with its fiduciary duties to our shareholders under applicable law.

A company recommendation change, as defined in the merger agreement, occurs if the board of directors or any board committee:

fails to recommend that the shareholders adopt the merger agreement, or fails to include that recommendation in the proxy statement for the shareholder meeting to vote on adoption of the merger agreement;

changes, qualifies, rescinds, withholds, withdraws or modifies, or proposes to do any of those things, in a manner adverse to API, the recommendation that our shareholders adopt the merger agreement;

takes any other action or makes any recommendation or public statement in connection with a tender or exchange offer or otherwise takes any action inconsistent with the recommendation that our shareholders adopt the merger agreement, other than a recommendation against the offer or a stop, look and listen communication by the board of directors pursuant to SEC tender offer rules;

adopts, approves or recommends to our shareholders an acquisition proposal, or proposes to do so; or

grants any waiver or release under, or fails to enforce, any standstill agreement covering the Company's equity securities, except that prior to shareholder adoption of the merger agreement, the board of directors may grant such a waiver or release if it determines in good faith, after consultation with its financial and legal advisors, that the failure to do so would be inconsistent with its fiduciary duties under applicable law.

If any change to any material terms of a superior proposal is made, the Company is required to provide API with a new notice and opportunity to amend the merger agreement. Moreover, if we terminate the merger agreement to enter into an agreement with respect to a superior proposal, we must pay the termination fee described below under Termination Fee and Expenses.

Table of Contents

Shareholders Meeting

The merger agreement requires us to establish a record date for, duly call, give notice of, convene and hold a meeting of our shareholders for the purpose of voting upon the adoption of the merger agreement as promptly as practical following confirmation from the SEC that it will not review, or has no further comments on, this proxy statement, provided that the Company is not required to convene the shareholder meeting prior to May 7, 2011, or May 28, 2011, if an excluded party exists on May 7, 2011. Subject to its fiduciary obligations described above, the board of directors is required to recommend that our shareholders vote in favor of the adoption of the merger agreement at the shareholders meeting. Unless the board of directors withdraws or modifies its recommendation in favor of the adoption of the merger agreement, the Company is required to use all reasonable efforts to solicit proxies for the votes needed for adoption of the merger agreement.

Indemnification and Directors and Officers Insurance

The merger agreement provides that API and the surviving corporation will indemnify and hold harmless to the fullest extent permitted under Pennsylvania law all who persons served as directors or officers of the Company or its subsidiaries prior to the effective time of the merger in connection with any threatened or pending claim and all judgments, fines, penalties, or amounts paid in settlement resulting from such claim. In addition, API will advance expenses incurred in connection with the defense of such claim. The merger agreement further provides that API will cause the Company's articles of incorporation and bylaws to contain provisions no less favorable to each of our present and former directors and officers with respect to indemnification and limitation from liability than those existing in favor of those present or former directors or officers in the Company's articles or bylaws as in effect on the date of the merger agreement.

The merger agreement also requires API, the surviving corporation or us to purchase tail insurance policy or policies that provide each individual currently covered by the Company's directors and officers liability insurance with coverage for events occurring at or prior to the effective time of the merger for a period of six years after the consummation of the merger and that is no less favorable than our existing directors and officers liability insurance policies.

The present and former directors and officers of the Company will have the right to enforce these obligations.

Financing

The Company has agreed to cooperate with API in obtaining one or more debt financings to finance its obligations under the merger agreement. This includes using all reasonable efforts to cooperate with API, including:

participating in meetings, drafting sessions, presentations, road shows, due diligence sessions and rating agency presentations;

assisting API in its preparation of materials for lender meetings, rating agency presentations, offering documents, private placement and bank information memoranda, prospectuses, business projections and similar documents;

delivering to API information reasonably requested by API, including financial information;

facilitating the pledge of collateral and perfections of liens and providing guarantees to support the financing;

obtaining accountant consent letters, appraisals, surveys, engineering reports, environmental and other inspections, title insurance and other documentation, and waivers, consents, estoppels and appraisals from third parties;

providing assistance to API to obtain a solvency opinion;

Table of Contents

obtaining payoff letters, redemption notices, lien releases and other instruments to discharge debt;

permitting any cash that can be made available to pay a portion of the purchase price to be made so available; and

cooperating in the preparation of and entering into underwriting or placement agreements and definitive financing documents. API's obligation to consummate the merger is not conditioned on the receipt of any financing.

Specific Performance

The Company, API and Merger Sub are each entitled to seek an injunction to prevent breaches of the merger agreement and to enforce specifically the terms and provisions of the merger agreement, in addition to any other legal or equitable remedy to which they are entitled, subject to the limitations and requirements set forth in the merger agreement.

to use all reasonable efforts to take, or cause to be taken, all actions reasonably requested to comply promptly with all legal requirements and to consummate the transactions contemplated by the merger agreement.

Agreements Regarding Regulatory Compliance

In addition to the mutual agreements set forth above, the Company, API and Merger Sub have agreed to take certain actions in order to obtain, and to cooperate with the other party to obtain, any consent, authorization, order or approval of, or any exemption by, any governmental entity or other third party which is required to be obtained in order to consummate the transactions contemplated by the merger agreement. In particular, the parties have agreed that:

no later than April 11, 2011, each party will file all necessary documentation required to obtain requisite approvals or termination of applicable waiting periods for the transactions contemplated by the merger agreement under the HSR Act (these filings were made by the parties on April 8, 2011);

each party will use all reasonable efforts to substantially comply as promptly as practicable with any request received for additional information under the HSR Act; and

neither party will enter into any agreement with any governmental entity that extends or tolls the waiting period under the HSR Act.

Termination

Termination by Mutual Consent

The merger agreement may be terminated at any time prior to the effective time of the merger, whether before or after adoption of the merger agreement by the shareholders, by the mutual written consent of the Company and API.

Termination by the Company or API

The Company or API may terminate the merger agreement, without the consent of the other, in the event of any of the following:

any governmental entity shall have enacted a law making the merger illegal in the U.S. or in any state or formally issued a permanent, final and non-appealable injunction, ruling or decree that prohibits the merger in the U.S. or in any state, as long as the terminating party has not initiated any proceeding or taken any action in support of such proceeding;

the shareholders fail to adopt the merger agreement at the special meeting; or

the merger has not been consummated prior to October 1, 2011, provided that this right to terminate is not available to a party whose breach of the merger agreement is the cause of, or resulted in, the failure of the merger to have been consummated on or before that date.

Termination by the Company

The Company may terminate the merger agreement if there shall have been any breach of any representation or warranty of API or Merger Sub, or any such representation or warranty of API or Merger Sub shall have become untrue and incapable of being cured prior to the effective time of the merger, or any breach of any covenant or agreement of API or the Merger Sub, such that a condition to our obligation to close would not be satisfied, and such breach or condition is not curable or, if curable, shall not have been remedied within 30 days after receipt by API of written notice from us. In addition, the Company may terminate the merger agreement at any time prior to shareholder adoption of the merger agreement to accept a superior proposal so long as we have

Table of Contents

complied with the requirements in the merger agreement relating to the conduct of the shareholders' vote on the merger agreement and relating to third party acquisition proposals as described above under Acquisition Proposals by Third Parties, and have paid the termination fee described below.

Termination by API

API may terminate the merger agreement, without our consent, in the event of any of the following:

the board of directors or any committee of the board, among other things, makes a company recommendation change as described above or fails to reaffirm the recommendation to shareholders to vote to adopt the merger agreement within three business days after API so requests;

the Company materially breaches its non-solicitation covenants with respect to alternative acquisition proposals or the covenants related to the conduct of the shareholders' vote; or

if there shall have been any breach of any representation or warranty, or any such representation or warranty of the Company shall have become untrue and incapable of being cured prior to the effective time of the merger, or any breach of any covenant or agreement of the Company, such that a condition to our obligation to close would not be satisfied, and such breach or condition is not curable or, if curable, shall not have been remedied within 30 days after receipt by the Company of written notice from API.

Effect of Termination

If the merger agreement is terminated as described above, no party to the merger agreement will have any liability or further obligation under the agreement except with respect to:

any fraud or intentional breach of the merger agreement;

the requirement to comply with the separate confidentiality agreement between the Company and API and certain other provisions of the merger agreement; and

the obligation, if applicable, to pay the termination fee and expense reimbursement described below.

Termination Fee and Expenses

If the Company terminates the merger agreement prior to adoption of the merger agreement by the shareholders to enter into a definitive agreement for a superior proposal prior to May 7, 2011, or enters into a definitive agreement for a superior proposal with a party we have identified as an excluded party prior to May 28, 2011, and we have complied with the covenants regarding non-solicitation with respect to that proposal, we must pay a termination fee of \$5.05 million to API.

Except as set forth above, we are otherwise obligated to pay API a termination fee of \$9.15 million if, prior to shareholder approval, we terminate the merger agreement in order to accept a superior proposal or if the merger agreement is terminated by API because (i) the board of directors, among other things, makes a Company recommendation change or fails to affirm the recommendation that the shareholders adopt the merger agreement following API's request as described above or (ii) the Company materially breaches its obligations not to solicit, initiate or encourage a third party acquisition proposal under the merger agreement or breaches its obligations under the merger agreement with respect to the conduct of the shareholders' vote on the merger agreement. We also are obligated to pay API a termination fee of \$9.15 million if any of the following occur and within one year after termination of the merger agreement we consummate a third party acquisition or enter into an agreement with respect to an acquisition by a third party or the board of directors or any committee of the board recommends to our shareholders a third party acquisition:

the merger agreement is terminated because our shareholders fail to adopt the merger agreement;

the merger agreement is terminated because the merger has not been consummated prior to October 1, 2011; or

Table of Contents

the merger agreement is terminated by API because there has been a breach of any representation or warranty of the Company, or any such representation or warranty of the Company shall have become untrue and incapable of being cured prior to the effective time of the merger, or any breach of any covenant or agreement of the Company, such that a condition to our obligation to close would not be satisfied, and such breach or condition is not curable or, if curable, shall not have been remedied within 30 days after receipt by the Company of written notice from API.

We are obligated to reimburse API for up to \$2.75 million of its documented, out-of-pocket expenses (i) in the event the merger agreement is terminated by the Company to enter into an acquisition agreement with respect to a superior proposal, (ii) in the event the merger agreement is terminated by API as a result of a company recommendation change or the board of directors failing to reaffirm its recommendation that our shareholders vote to adopt the merger agreement following API's request, (iii) in the event that the merger agreement is terminated because our shareholders fail to adopt the merger agreement, (iv) in the event the merger agreement is terminated by the Company or API because the merger has not been consummated prior to October 1, 2011 or (v) the merger agreement is terminated by API because the Company breached any representation or warranty, or any such representation or warranty shall have become untrue and incapable of being cured prior to the effective time of the merger, or any breach of any covenant or agreement of the Company, such that a condition to our obligation to close would not be satisfied, and such breach or condition is not curable or, if curable, shall not have been remedied within 30 days after our receipt of written notice from API. Any reimbursement of expenses pursuant to a termination described in clauses (iii), (iv) or (v) above is not payable unless and until such time as the termination fee related to those events is payable to API. However, on a termination of the merger agreement described in clause (iii) above, \$1.0 million of API's documented, out-of-pocket expenses will be paid within two business days of delivery of itemized detail of such expenses to the Company, and this \$1.0 million expense reimbursement will be an offset to any termination fee that becomes payable with respect to this event.

Amendment

The merger agreement may be amended by the parties at any time before or after adoption by the shareholders of the merger agreement by written agreement of the Company, API and Merger Sub. However, after approval by the shareholders of the merger, no amendment may be made without the approval of the shareholders if such approval would be required by law.

NO DISSENTERS' RIGHTS

Under Pennsylvania law, shareholders of a corporation are not entitled to exercise dissenters' rights if shares of the corporation are registered on a national securities exchange, designated as a national market system security on an interdealer quotation system by the Financial Industry Regulatory Authority or held beneficially or of record by more than 2,000 persons. Consequently, because our common stock is currently listed on NASDAQ, our shareholders will not have the right to exercise dissenters' rights. If the merger agreement is adopted and the merger is completed, shareholders who voted against the adoption of the merger agreement will be treated the same as shareholders who voted for the adoption of the merger agreement and their shares will automatically be converted into the right to receive the merger consideration.

DELISTING AND DEREGISTRATION OF COMPANY COMMON STOCK

If the merger is completed, Company common stock will be delisted from NASDAQ and deregistered under the Exchange Act and therefore we will no longer file periodic reports with the SEC on account of Company common stock.

ADJOURNMENT OF THE SPECIAL MEETING

We may ask our shareholders to vote on a proposal to adjourn the special meeting to a later date to solicit additional proxies if there are insufficient votes at the time of the special meeting to adopt the merger agreement and approve the merger. We currently do not intend to propose adjournment at our special meeting if there are sufficient votes to adopt the merger agreement and approve the merger. If the proposal to adjourn our special meeting for the purpose of soliciting additional proxies is submitted to our shareholders for approval, such approval requires the affirmative vote of a majority of the votes cast by the holders of the outstanding shares of Company common stock entitled to vote on the matter. For purposes of this proposal, the shares of Company common stock that are present at the special meeting, whether in person or by proxy, will be sufficient to constitute a quorum.

Our board of directors unanimously recommends that you vote FOR the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies.

OTHER MATTERS

Other Matters for Action at the Special Meeting

As of the date of this proxy statement, the Company knows of no other matter to be brought before the special meeting. If any other matter requiring a vote of the shareholders should properly come before the special meeting, it is the intention of the persons named in the proxy to vote with respect to any such matter in accordance with their best judgment.

Deadline for Shareholder Proposals to be Presented at Next Annual Meeting

If the merger is consummated, we will not have public shareholders and there will be no public participation in any future meeting of shareholders. However, if for some reason the merger is not completed, we expect to hold a 2012 annual meeting of shareholders. Any shareholder nominations or proposals for other business intended to be presented at our 2012 annual meeting of shareholders must be submitted to us as set forth below.

For shareholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act to be presented at our 2012 annual meeting of shareholders and included in our proxy statement, such proposals must be submitted and received by John P. Freeman, Senior Vice President and Chief Financial Officer of the Company at our principal offices, Spectrum Control, Inc., 8031 Avonia Road, Fairview, Pennsylvania 16415, no later than November 4, 2011.

Table of Contents

If a shareholder wishes to submit a proposal outside of Rule 14a-8 under the Exchange Act, in order for such proposal to be considered timely for the purposes of Rule 14a-4(c) under the Exchange Act, the proposal must be received at the above address not later than January 13, 2012.

Shareholders Sharing the Same Address

A number of brokers with account holders who are our shareholders will be householding our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, you may:

if you are a shareholder of record, direct your written request to John P. Freeman, Senior Vice President and Chief Financial Officer, Spectrum Control, Inc. 8031 Avonia Road, Fairview, Pennsylvania 16415, or by phone at (814) 474-4310; or

REPRESENTATIONS AND WARRANTIES OF PARENT AND MERGER SUB

Parent and Merger Sub, jointly and severally, hereby represent and warrant as follows:

Each of Parent and Merger Sub has the power and authority to own, lease and operate all of its properties and assets and to carry on its business as it is now being conducted and is duly qualified or licensed to do business, and is in good standing, in each jurisdiction in where the character of the properties and assets owned, leased or operated by it or the nature of its business makes such licensing or qualification necessary, except where the failure to be so licensed or qualified and in good standing would not, individually or in the aggregate, have a Parent Material Adverse Effect.

Section 5.02 Authority Relative to this Agreement. Each of Parent and Merger Sub has full corporate authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance by Parent or Merger Sub of this Agreement and the documents and instruments to be executed and delivered by them pursuant hereto have been duly authorized by all necessary corporate action. This Agreement has been duly and validly executed and delivered by Parent and Merger Sub, respectively, and (assuming due authorization, execution and delivery by the Company) constitutes a valid and binding obligation of Parent and Merger Sub, respectively, enforceable against them in accordance with its terms, except that such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting or relating to creditors rights generally and is subject to general principles of equity.

Section 5.03 Consents and Approvals; No Violations.

(a) Except for applicable requirements of the HSR Act and any Foreign Merger Control Laws, and the filing of the Articles of Merger with the DOS in accordance with the PBCL, no filing or registration with, and no permit, authorization, consent or approval of, any Governmental Entity or third party is necessary for (i) the execution and delivery by Parent or Merger Sub of this Agreement and the adoption of this Agreement by Parent, in its capacity as sole shareholder of Merger Sub, or (ii) the consummation by Parent or Merger Sub of the Merger and the other transactions contemplated by this Agreement, except, in the case of clauses (i) and (ii), where the failure to obtain such permit, authorization, consent or approval, or to make such filings or registrations, would not, individually or in the aggregate, have a Parent Material Adverse Effect.

(b) Neither the execution and delivery of this Agreement or the documents and instruments to be executed and delivered pursuant hereto by Parent or Merger Sub nor the consummation by Parent or Merger Sub of the transactions contemplated hereby, nor compliance by Parent or Merger Sub with any of the provisions hereof, will (i) conflict with or result in any breach of any provision of the respective organizational documents of Parent or Merger Sub, (ii) assuming that the filings, consents and approvals referred to in Section 5.03(a) are duly obtained or made (A) result in a violation or breach of, or constitute (with or without due notice or lapse of time or both) a default or give rise to any right of termination, cancellation or acceleration of or loss of a material benefit under, or result in the creation of any Lien in or upon any of the properties or assets of Parent or Merger Sub under, or require any consent, approval or notice under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, license, contract, agreement, lease or other instrument or obligation to which either Parent or Merger Sub is a party, or (B) violate any order, writ, injunction, decree, statute, rule or regulation applicable to Parent or Merger Sub or any of their properties or assets, except, in the case of clauses (i) and (ii), to the extent that any such conflict, violation, breach, default, right, loss, Lien, consent, approval or notice would not, individually or in the aggregate, have a Parent Material Adverse Effect.

Section 5.04 Litigation.

(a) As of the date hereof, there is no Action before any Governmental Entity pending or, to the Knowledge of Parent, threatened that questions the validity of this Agreement or any other documents or instruments to be executed and delivered by Parent or Merger Sub pursuant hereto, or the right of Parent and Merger Sub to enter into this Agreement or any such other documents or instruments, or to consummate the transactions contemplated hereby.

(b) There is no injunction, order, judgment, decree or regulatory restriction of any Governmental Entity specifically imposed upon Parent, Merger Sub or any of their respective subsidiaries or the assets of Parent, Merger Sub or any of their respective subsidiaries that has resulted in or would reasonably be expected, individually or in the aggregate, to have a Parent Material Adverse Effect.

Section 5.05 No Business Activities by Merger Sub. All of the outstanding capital stock of Merger Sub is owned by Parent. Other than this Agreement and any other agreement entered into in connection with the transactions contemplated hereby, Merger Sub is not a party to any contract and has not conducted any activities other than in connection with the organization of Merger Sub, the negotiation and execution of this Agreement and the consummation of the transactions contemplated hereby. Merger Sub has no subsidiaries.

Section 5.06 Solvency. To the Knowledge of Parent, as of the Effective Time and after giving effect to all of the transactions contemplated by this Agreement, including the Debt Financing, any alternate financing and all payments contemplated by this Agreement in connection with the Merger and the payment of all related fees and expenses of Parent, Merger Sub, the Company and their respective subsidiaries in connection therewith, and assuming (a) the accuracy, as of the Effective Time, in all material respects of the representations and warranties of the Company set forth in Article IV (ignoring all Company Material Adverse Effect qualifiers) and (b) that any projections made available to Parent by the Company have been prepared in good faith based upon reasonable assumptions, (i) the amount of the fair saleable value of the assets of the Surviving Corporation and its subsidiaries on a consolidated basis will exceed (A) the value of all liabilities of the Surviving Corporation and its subsidiaries on a consolidated basis, and (B) the amount that will be required to pay the liabilities of the Surviving Corporation and its subsidiaries on their existing debts as such debts become absolute and matured, (ii) the Surviving Corporation and its subsidiaries, on a consolidated basis, will not have an unreasonably small amount of capital for the operation of the businesses in which they are engaged, and (iii) the Surviving Corporation and its subsidiaries, on a consolidated basis, will be able to pay their liabilities as they mature in the ordinary course. For purposes of the foregoing, not have an unreasonably small amount of capital for the operation of the businesses in which they are engaged and able to pay their liabilities as they mature in the ordinary course means that such Person will be able to generate enough cash from operations, asset dispositions or refinancing, or a combination thereof, to meet its obligations as they become due.

Section 5.07 Financing. Parent has delivered to the Company true, correct and complete copies of the Debt Financing Commitments. Immediately prior to the Effective Time, Parent will have sufficient immediately available funds, together with any cash in the Company's bank accounts immediately prior to the Closing, to enable Parent to pay in full the Merger Consideration and the Option Consideration and all fees and expenses payable by Parent in connection with this Agreement and the transactions contemplated hereby. Parent and Merger Sub acknowledge and agree that consummation of the Debt Financing is not a condition to the consummation of the Merger.

Section 5.08 No Vote Required. No approval of the shareholders of Parent is required to approve this Agreement, the Merger or the other transactions contemplated hereby, other than those obtained prior to the date hereof.

(c) Subject to the other provisions of this Agreement, the parties hereto shall cooperate with each other and use all reasonable efforts to promptly prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all material permits, consents, approvals and authorizations of all third parties and Governmental Entities that are necessary or advisable to consummate the transactions contemplated by this Agreement (including the Merger) and to comply with the terms and conditions of all such permits, consents, approvals and authorizations of all such third parties and Governmental Entities.

(d) Parent and the Company shall, upon request, furnish each other with all information concerning themselves, their subsidiaries, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with a statement, filing, notice or application made by or on behalf of Parent or the Company to any Governmental Entity in connection with the Merger and the other transactions contemplated by this Agreement.

(e) Following the date of this Agreement, the Company and the Company Subsidiaries shall use all reasonable efforts to identify all Export and Import Approvals and Permits held by the Company or any Company Subsidiary. Prior to the Effective Time, the Company and the Company Subsidiaries shall use all reasonable efforts to, or assist Parent and Merger Sub to, obtain or make any consents, novations, notices, waivers, registrations or filings with respect to any transfer or assumption of the Export and Import Approvals and Permits held by the Company or any Company Subsidiary. Parent and Merger Sub acknowledge and agree that no such consent, novation, notice, waiver, registration or filing is a condition precedent to the Closing.

(f) Nothing in this Section 6.05 shall be deemed to prevent the Company or the Company Board from taking any action it is permitted or required to take under, and in compliance with, Section 6.10 or it is required to take under applicable Law.

Section 6.06 Shareholder Approval. Subject to the other provisions of this Agreement, the Company shall take all necessary action in accordance with the PBCL and the Company Articles and Company Bylaws to establish a record date for, duly call, give notice of, convene and hold a special meeting of the Shareholders (the Company Shareholder Meeting), as promptly as practicable following confirmation from the SEC that it will not review, or that it has no further comments on, the Proxy Statement, for the purpose of voting upon the adoption of this Agreement; *provided, however,* that the Company shall not be required to convene the Company Shareholder Meeting prior to the No-Shop Period Start Date (or, if there exist any Excluded Parties on the No-Shop Period Start Date, prior to the Excluded Party End Date). Subject to Section 6.10, the Company Board shall recommend to the Shareholders that they adopt this Agreement (the Company Recommendation) and shall include the Company Recommendation in the Proxy Statement. Subject to Section 6.10, the Company will use all reasonable efforts to solicit from the Shareholders proxies in favor of the adoption of this Agreement and will take all other action reasonably necessary or advisable to secure the vote or consent of the Shareholders required by the rules of the Nasdaq Stock Market or applicable Law to obtain such adoption.

Section 6.07 Further Actions.

(a) Subject to the terms and conditions of this Agreement, each of Parent, Merger Sub and the Company shall, and shall cause their respective subsidiaries to, use all reasonable efforts (i) to take, or cause to be taken, all actions reasonably requested to comply promptly with all legal requirements that may be imposed on such party or its subsidiaries with respect to the Merger and, subject to the conditions set forth in Article VII, to consummate the transactions contemplated by this Agreement, and (ii) to obtain (and to cooperate with the other party to obtain) any consent, authorization, order or approval of, or any exemption by, any Governmental Entity and any other third party that is required to be obtained by the Company, Merger Sub or Parent or any of their respective subsidiaries in connection with the Merger and the other transactions contemplated by this Agreement. Without limiting the generality of the foregoing, each party shall, within ten Business Days after the execution of this Agreement, file all necessary documentation required to obtain all requisite approvals or termination of applicable waiting periods for the transactions contemplated hereby under the HSR Act. Subject to

applicable Laws, each of Parent and the Company shall have the right to review in advance and, to the extent practicable, each of Parent and the Company shall consult with the other on and consider in good faith the views of the other in connection with all filings made with, or written materials submitted to, any third party or Governmental Entity in connection with the transactions contemplated by this Agreement.

Notwithstanding the foregoing, neither Parent or any of its subsidiaries nor the Company or any Company Subsidiary shall commit to or agree with any Governmental Entity to stay, toll or extend any applicable waiting period under the HSR Act or any other applicable antitrust or competition Laws. Notwithstanding anything to the contrary herein, if the lessor or licensor under any Company Lease or the holder or any Lien with respect to a Company Owned Facility or Company Leased Facility conditions its grant of a consent (including by threatening to exercise a recapture or other termination right) upon, or otherwise requires in response to a notice or consent request regarding this Agreement, the payment of a consent fee, profit sharing payment or other consideration (including increased rent payments), or the provision of additional security (including a guaranty), the Company shall be solely responsible for making all such payments or providing all such additional security.

(b) Notwithstanding any other provision of this Agreement to the contrary, nothing in this Agreement shall require Parent and/or Merger Sub (or their Affiliates, if applicable) to, and, without the prior written consent of Parent, the Company and the Company Subsidiaries may not, (A) become subject to, consent to, or offer or agree to, or otherwise take any action with respect to, any requirement, condition, limitation, understanding agreement or order to (i) sell, divest, license, dispose of, hold separate, restrict or otherwise limit any businesses, product lines or assets of the Company or any Company Subsidiary or Parent or its subsidiaries (including after the Closing, the Company or the Company Subsidiaries), (ii) terminate any of their existing relationships, contractual rights or obligations, or (iii) terminate any venture or other arrangement to which they are a party, or (B) litigate or defend any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated by this Agreement; *provided, however*, that if requested by Parent, the Company shall become subject to, consent to, or offer or agree to, or otherwise take any action with respect to, any such requirement, condition, limitation, understanding, agreement or order so long as such requirement, condition, limitation, understanding or order is only binding on the Company in the event that the Closing occurs.

(c) Nothing in this Section 6.07 shall be deemed to prevent the Company or the Company Board from taking any action that it is permitted or required to take under, and in compliance with, Section 6.10 or that it is required to take under applicable Law.

Section 6.08 Employees; Employee Benefit Plans.

(a) Parent shall, or shall cause the Surviving Corporation and its Subsidiaries to, (i) provide those employees who are, as of the Effective Time, employed by the Company or any of its Subsidiaries (the Continuing Employees) with full credit for their prior service with the Company or any Company Subsidiary for purposes of determining eligibility to participate, vesting and entitlement to benefits where length of service is relevant (including for purposes of vacation accrual) under any employee benefit plans or arrangement maintained or sponsored by Parent or the Surviving Corporation, or any subsidiary of Parent or Surviving Corporation, in which Continuing Employees participate (the Parent Plans) to the same extent recognized by the Company; (ii) waive all limitations as to preexisting conditions exclusions (or actively at work or similar limitations), evidence of insurability requirements and waiting periods with respect to participation and coverage requirements applicable to the Continuing Employees under any Parent medical, dental and vision plans in which Continuing Employees may be eligible to participate in after the Closing Date; and (iii) provide the Continuing Employees and their eligible dependents with credit for any co-payments, deductibles, offsets and maximum out-of-pocket requirements (or similar payments) made under the Company Benefit Plans for the remainder of the coverage period in which any transfer of coverage occurs, except, in any case of clause (i), (ii) or (iii) above, where doing so would cause a duplication of benefits.

(b) The provisions of this Section 6.08 are for the sole benefit of the parties to this Agreement and nothing herein, expressed or implied, is intended or shall be construed to confer upon or give to any Person

(including any Continuing Employees, present or former employees or directors, consultants or independent contractors of the Company or any Company Subsidiary, Parent or any of its subsidiaries, or, on or after the Effective Time, the Surviving Corporation or any of its subsidiaries), other than the parties hereto and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.08) under or by reason of any provision of this Agreement.

(c) Nothing contained in this Section 6.08 or elsewhere in this Agreement, express or implied, (i) shall constitute an amendment to any Company Benefit Plan or (ii) shall be construed to prevent, from and after the Effective Time, the termination of employment of any Continuing Employee or, subject to the provisions of Section 6.08(a), any change in the employee benefits available to any Continuing Employee or the amendment or termination of any particular Company Benefit Plan or Parent Plan in accordance with its terms.

(d) Each of the Company and the Company Subsidiaries shall terminate, effective no later than the day immediately preceding the Closing, all employee benefit plans sponsored by the Company or any Company Subsidiary intended to include a Code Section 401(k) arrangement (each, a 401(k) Plan) (unless Parent provides written notice to the Company that such 401(k) Plan(s) shall not be terminated). Unless Parent provides such written notice, no later than five Business Days prior to the Closing Date, the Company shall provide Parent with evidence that such 401(k) Plan(s) have been terminated (effective as of no later than the day immediately preceding the Closing) pursuant to resolutions of the Company Board or the board of directors (or other governing body) of the applicable Company Subsidiary. The form and substance of such resolutions shall be subject to the reasonable prior review and approval of Parent. The Company also shall take such other actions in furtherance of terminating such 401(k) Plan(s) as Parent may reasonably require. In the event that termination of a 401(k) Plan would reasonably be anticipated to trigger liquidation charges, surrender charges or other fees, then the Company shall provide a reasonable estimate of the amount of such charges and/or fees in writing to Parent no later than ten Business Days prior to the Closing.

Section 6.09 Indemnification; Directors and Officers Insurance.

(a) Without limiting the obligations of Parent and the Surviving Corporation pursuant to Section 6.09(b) and Section 6.09(c), from and after the Effective Time, each of Parent and the Surviving Corporation shall jointly and severally (i) indemnify and hold harmless each individual who served as a director and/or officer of the Company or any of the Company Subsidiaries prior to the Effective Time (collectively, the Indemnified Parties) to the fullest extent authorized or permitted by Pennsylvania law, as now or hereafter in effect, in connection with any Claim and any judgments, fines (including excise Taxes), penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such judgments, fines, penalties or amounts paid in settlement) resulting therefrom; and (ii) promptly pay on behalf of or, within 30 days after any request for advancement, advance to each of the Indemnified Parties, to the fullest extent authorized or permitted by Pennsylvania law, as now or hereafter in effect, any Expenses incurred in defending, serving as a witness with respect to or otherwise participating in any Claim in advance of the final disposition of such Claim, including payment on behalf of or advancement to the Indemnified Party of any Expenses incurred by such Indemnified Party in connection with enforcing any rights with respect to such indemnification and/or advancement, in each case without the requirement of any bond or other security, but in the case of advancement of Expenses upon receipt of an undertaking, to the extent required by applicable Law, from such Indemnified Party to repay such advanced Expenses if it is determined by a court of competent jurisdiction in a final order that such Indemnified Party was not entitled to indemnification hereunder with respect to such Expenses. In the event any Claim is brought against any Indemnified Party, Parent and the Surviving Corporation shall each use all reasonable efforts to assist in the vigorous defense of such matter, *provided* that neither Parent nor the Surviving Corporation shall settle, compromise or consent to the entry of any judgment in any Claim (and in which indemnification could be sought by such Indemnified Party hereunder) without the prior written consent of such Indemnified Party if and to the extent that the claimant seeks any non-monetary relief from such Indemnified Party, which consent will not be unreasonably withheld, conditioned or delayed. The indemnification and advancement obligations of Parent and the Surviving

Corporation pursuant to this [Section 6.09\(a\)](#) shall extend to acts or omissions occurring at or before the Effective Time and any Claim relating thereto (including with respect to any acts or omissions occurring in connection with the approval of this Agreement and the consummation of the transactions contemplated hereby and any Claim relating thereto) and all rights to indemnification and advancement conferred hereunder shall continue as to an individual who has ceased to be a director or officer of the Company or any Company Subsidiary prior to the Effective Time and shall inure to the benefit of such individual's heirs, executors and personal and legal representatives. In connection with any determination as to whether the Indemnified Parties are entitled to the benefits of this [Section 6.09\(a\)](#), the burden of proof shall be on Parent and the Surviving Corporation to establish that an Indemnified Party is not so entitled.

(b) From the Effective Time until the sixth anniversary of the Effective Time, Parent shall cause the Company Articles and the Company Bylaws to contain provisions no less favorable to each Indemnified Party with respect to limitation of liabilities of directors and officers and indemnification than those that are contained in such documents as of the date of this Agreement.

(c) As of the Effective Time, Parent, the Surviving Corporation or the Company shall maintain in full force and effect for a period of six years after the Closing Date (or, if any claim arising out of or pertaining to matters that relate to an Indemnified Party's duties or service as a director, officer, trustee, employee, agent or fiduciary of the Company, any Company Subsidiary or any employee benefit plan maintained by any of the foregoing at or prior to the Effective Time is asserted or made within such six-year period, Parent shall ensure that such insurance remains in effect until final disposition of such claim) a prepaid directors' and officers' liability insurance tail policy or policies providing each individual currently covered by the Company's directors' and officers' liability insurance coverage for events occurring at or prior to the Effective Time (including acts or omissions relating to the approval of this Agreement and consummation of the transactions contemplated hereby) that is no less favorable than the Company's existing policy; *provided, however*, that Parent may substitute therefor policies of at least the same coverage and amounts containing terms and conditions that are in the aggregate no less advantageous to such individuals than the terms and conditions of the existing directors' and officers' liability insurance policy of the Company from reputable carriers having a rating comparable to the Company's current carrier; *provided, further, however*, that, if the aggregate annual premiums for such policies exceed 275% of the current aggregate annual premiums, Parent shall provided or cause to be provided a policy for such individuals with the best coverage as shall then be available at an annual premium of 275% the current aggregate annual premiums.

(d) The provisions of this [Section 6.09](#) shall survive the consummation of the Merger and (i) are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives and (ii) are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such Person may have by contract or otherwise. The obligations of Parent or the Surviving Corporation under this [Section 6.09](#) shall not be terminated (other than a valid termination pursuant to [Article VIII](#)) or modified in such a manner as to adversely affect the rights of any Indemnified Party under this [Section 6.09](#) without the consent of such affected Indemnified Party. Parent shall cause the Surviving Corporation to perform all of the obligations of the Surviving Corporation under this [Section 6.09](#).

(e) From the Effective Time until the sixth anniversary of the Effective Time, if Parent or the Surviving Corporation or any of its successors or assigns shall (i) consolidate with or merge into any other Person and shall not be the continuing or surviving Person of such consolidation or merger, or (ii) transfer all or substantially all of its properties and assets to any Person, then, in each such case, proper provisions shall be made so that the successors and assigns of Parent and the Surviving Corporation, as the case may be, assume all of the obligations of Parent and the Surviving Corporation set forth in this [Section 6.09](#).

Section 6.10 [Go Shop; Acquisition Proposals](#).

(a) Notwithstanding any other provision of this Agreement to the contrary, during the period beginning on the date of this Agreement and continuing until 12:01 a.m. New York, New York time on the date that is the

40th day following the date of this Agreement (the No-Shop Period Start Date), the Company and the Company Subsidiaries and their respective directors, officers, employees, investment bankers, attorneys, accountants, and other advisors and representatives (collectively, Company Representatives) shall have the right (acting under the direction of the Company Board or any authorized committee thereof) to (i) initiate, solicit and encourage Acquisition Proposals (or inquiries, proposals or offers or other efforts or attempts that are reasonably expected to lead to an Acquisition Proposal), including by way of providing access to non-public information pursuant to (but only pursuant to) one or more Acceptable Confidentiality Agreements , *provided* that the Company shall (A) concurrently provide to Parent any non-public information concerning the Company or any Company Subsidiary that is provided to any Person if such information was not previously provided to Parent or its representatives, and (B) withhold those portions of documents or information, or provide pursuant to customary clean room or other appropriate procedures, to the extent relating to any pricing or other matters that are highly sensitive or competitive in nature if the exchange of such information (or portions thereof) could be reasonably likely to be harmful to the operation of the Company in any material respect; (ii) enter into, engage in and maintain discussions or negotiations with respect to Acquisition Proposals; and (iii) otherwise cooperate with, assist or participate in or facilitate any such inquiries, proposals, discussions or negotiations.

(b) Except as permitted by Section 6.10(c), on the No-Shop Period Start Date, the Company shall, and shall cause each Company Subsidiary and the Company Representatives to, (i) immediately cease any solicitation, encouragement, discussions or negotiations with any Person or group (other than an Excluded Party) that may be ongoing with respect to an Acquisition Proposal, and (ii) promptly (and in any event within two Business Days) cause each Person (other than an Excluded Party or Parent and its representatives) to whom it provided confidential information prior to the No Shop Period Start Date to promptly return or destroy all confidential information concerning the Company and the Company Subsidiaries. Except as permitted by Section 6.10(c), from the No Shop Period Start Date until the Effective Time or, if earlier, the termination of this Agreement in accordance with Article VIII, the Company shall not, and shall cause each Company Subsidiary and the Company Representatives not to, directly or indirectly, (A) solicit, initiate or facilitate or encourage (including by way of furnishing non-public information) any inquiries regarding, or the making of any proposal or offer that constitutes or that might reasonably be expected to lead to, an Acquisition Proposal; (B) engage in, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other Person information in connection with or for the purpose of encouraging or facilitating, an Acquisition Proposal; (C) enter into any letter of intent, term sheet, agreement or agreement in principle (in each case, whether binding or nonbinding) with respect to an Acquisition Proposal (other than an Acceptable Confidentiality Agreement); (D) furnish to any Person or group (other than Parent and its representatives) any non-public information or afford to any Person or group (other than Parent and its representatives) access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or any Company Subsidiary; (E) take any action to make the provisions of any Takeover Statute (including any transaction under, or a Person or group becoming an interested shareholder under, the PBCL), or any restrictive provision of any applicable anti-takeover provision in the Company Articles or Company Bylaws, inapplicable to any transactions contemplated by an Acquisition Proposal (and, to the extent permitted thereunder, the Company shall promptly take all steps necessary to terminate any waiver that may have been previously granted to any Person other than Parent or any of its Affiliates under any such provisions); (F) grant any waiver or release under any standstill agreement with respect to any class of equity securities of the Company (including by providing any consent or authorization to make an Acquisition Proposal to the Company Board (or any committee thereof) pursuant to any confidentiality or standstill agreement); or (G) resolve, propose or agree to do any of the foregoing or otherwise facilitate any effort or attempt by any Person to make an Acquisition Proposal; *provided, however*, that the foregoing restrictions shall not apply to any Excluded Party. No later than 24 hours following the No-Shop Period Start Date, in addition to the information required to be provided pursuant to this Section 6.10, the Company shall identify to Parent (x) each Acquisition Proposal previously received by the Company and the Person or group making each such Acquisition Proposal, and (y) which Person or group submitting an Acquisition Proposal has been determined by the Company Board (or any committee thereof) to be an Excluded Party and provide to Parent a summary of the reasons for such determination and an unredacted copy of each Acquisition Proposal (including any materials relating to such Excluded Party's proposed financing

commitments, if any (it being understood that the Company shall provide a written summary of all materials terms of any such financing commitments that, pursuant to the terms of the engagement letter with the financing source thereto, cannot be provided in unredacted form)) submitted by such Excluded Party (or a written summary of the material terms of any such Acquisition Proposal not made in writing). Notwithstanding anything contained in this [Section 6.10](#) to the contrary, any Excluded Party shall cease to be an Excluded Party for all purposes under this Agreement upon the earlier of (1) 12:01 a.m. New York, New York time on the date that is the 20th day after the No-Shop Period Start Date (the [Excluded Party End Date](#)) and (2) such time as the Acquisition Proposal made by such Person or group is withdrawn, terminated, expires or no longer constitutes, or would reasonably be expected to lead to, a Superior Proposal. The Company agrees that any breach or violation of the restrictions set forth in this [Section 6.10](#) by any Company Representative shall be deemed to be a breach of this Agreement (including this [Section 6.10](#)) by the Company.

(c) Notwithstanding anything to the contrary contained in this [Section 6.10](#), if at any time on or after the No-Shop Period Start Date and prior to obtaining the Company Required Vote, the Company or any of the Company Representatives receives a *bona fide* Acquisition Proposal from any Person or group (which Acquisition Proposal was made or renewed on or after the No-Shop Period Start Date or, in the case of an Excluded Party, was made or renewed on or after the Excluded Party End Date (it being understood that such Person or group shall not thereafter be an Excluded Party)) that did not result from any breach of this [Section 6.10](#) and the Company Board (or any committee thereof) determines in good faith, after consultation with its independent financial advisors and outside legal counsel, that (i) failure to take such action set forth in clauses (x) and (y) below would be inconsistent with the directors' fiduciary duties under applicable Law and (ii) such Acquisition Proposal constitutes or is reasonably expected to lead to a Superior Proposal, then the Company and the Company Representatives may (x) furnish, pursuant to an Acceptable Confidentiality Agreement, information (including non-public information) with respect to the Company and the Company Subsidiaries to the Person or group that has made such Acquisition Proposal, *provided* that the Company shall (1) concurrently provide to Parent any non-public information concerning the Company or any Company Subsidiary that is provided to any Person if such information was not previously provided to Parent or its representatives, and (2) withhold those portions of documents or information, or provide pursuant to customary clean room or other appropriate procedures, to the extent relating to any pricing or other matters that are highly sensitive or competitive in nature if the exchange of such information (or portions thereof) could be reasonably likely to be harmful to the operation of the Company in any material respect; and (y) engage in or otherwise participate in discussions or negotiations with the Person or group making such Acquisition Proposal, *provided* that the Company shall promptly (and in any event within 24 hours) provide to Parent (A) an unredacted copy of any Acquisition Proposal (including any materials relating to any proposed financing commitments (it being understood that the Company shall provide a written summary of all materials terms of any such financing commitments that, pursuant to the terms of the engagement letter with the financing source thereto, cannot be provided in unredacted form)) made in writing provided to the Company or any Company Representative and the identity of the Person or group making the Acquisition Proposal, or (B) a written summary of the material terms of any such Acquisition Proposal not made in writing. For the avoidance of doubt, notwithstanding the occurrence of the No-Shop Period Start Date, until the Excluded Party End Date the Company and the Company Representatives may continue to engage in the activities described in [Section 6.10\(a\)](#) with respect to an Excluded Party. From and after the date of this Agreement, the Company shall provide Parent with 48 hours prior notice (or such lesser prior notice as is provided to the members of the Company Board) of any meeting of the Company Board (or any committee thereof) at which the Company Board (or any committee thereof) is expected to consider any Acquisition Proposal or any request for non-public information concerning the Company or any Company Subsidiary related to or from any Person or group who would reasonably be expected to make an Acquisition Proposal or any request for discussions or negotiations related to an Acquisition Proposal. Prior to taking any of the actions referred to in this [Section 6.10\(c\)](#), the Company shall notify Parent orally and in writing that it proposes to furnish non-public information or engage in discussions or negotiations as provided in this [Section 6.10\(c\)](#).

(d) From and after the date of this Agreement, the Company shall keep Parent reasonably informed on a current basis (and in any event within 24 hours) of (i) any initial request for non-public information concerning the Company or any Company Subsidiary related to or from any Person or group who would reasonably be expected to make an Acquisition Proposal; (ii) any initial request for discussions or negotiations related to an Acquisition Proposal; (iii) receipt of any Acquisition Proposal; or (iv) any material developments, changes, discussions or negotiations regarding any Acquisition Proposal. In connection with the foregoing, the Company shall (A) provide Parent with the identity of the Person or group making such request or Acquisition Proposal and the material terms thereof and related written correspondence provided in connection therewith (including, if applicable, unredacted copies of any written requests, proposals, offers or proposed agreements, including any materials relating any proposed financing commitments (it being understood that the Company shall provide a written summary of all materials terms of any such financing commitments that, pursuant to the terms of the engagement letter with the financing source thereto, cannot be provided in unredacted form)), and (B) thereafter keep Parent reasonably informed on a current basis (and in any event within 24 hours) of any material changes to the terms thereof. The Company, Parent and Merger Sub agree that subsections (i) and (ii) above shall apply only with respect to inbound, unsolicited requests from any Person or group. The Company shall, or shall cause the Company Representatives to, (x) promptly notify Parent in writing of the identity of all parties who enter into an Acceptable Confidentiality Agreement or (y) no later than 24 hours following the No-Shop Period Start Date, notify the Parent in writing of the identity of all parties that were contacted by the Company or the Company Representatives pursuant to Section 6.10(a). Until the Effective Time or, if earlier, the termination of this Agreement in accordance with Article VIII, the Company agrees that it and the Company Subsidiaries will not enter into any confidentiality agreement with any Person subsequent to the date of this Agreement that prohibits the Company from providing any information to Parent in accordance with this Section 6.10.

(e) Except as expressly permitted by Section 6.10(f), neither the Company Board nor any committee thereof shall (i)(A) fail to recommend to its Shareholders that the Company Required Vote be given (the Company Recommendation) or fail to include the Company Recommendation in the Proxy Statement; (B) change, qualify, rescind, withhold, withdraw or modify, or propose to change, qualify, rescind, withhold, withdraw or modify, in a manner adverse to Parent, the Company Recommendation; (C) take any other action or make any recommendation or public statement in connection with a tender offer or exchange offer or otherwise take any action inconsistent with the Company Recommendation other than a recommendation against such offer or a stop, look and listen communication by the Company Board pursuant to Rule 14d-9(f) promulgated under the Exchange Act; (D) adopt, approve or recommend, or propose to adopt, approve or recommend, to the Shareholders an Acquisition Proposal; or (E) except as permitted by Section 6.10(h), grant any waiver or release under any standstill agreement, or fail to enforce such agreement, with respect to any class of equity securities of the Company (each of the actions described in this Section 6.10(e)(i), a Company Recommendation Change); or (ii) authorize, cause or permit the Company or any Company Subsidiary to enter into any letter of intent, term sheet, agreement or agreement in principle (in each case, whether binding or nonbinding) with respect to an Acquisition Proposal (other than an Acceptable Confidentiality Agreement) (each, a Company Acquisition Agreement). After receipt of a written request by Parent, the Company shall publicly reaffirm the Company Recommendation within ten Business Days of the commencement of any tender or exchange offer or the public announcement or public notice of an Acquisition Proposal unless a Company Recommendation Change is permitted pursuant to Section 6.10(f).

(f) Notwithstanding anything to the contrary contained this Section 6.10, prior to the time that the Company Required Vote is obtained, but not after, the Company Board may make a Company Recommendation Change in order to enter into a Company Acquisition Agreement with respect to an Acquisition Proposal that did not result from a breach of this Section 6.10 if and only if, prior to making such Company Recommendation Change, (i) the Company Board (or any committee thereof) has determined in good faith, after consultation with its independent financial advisors and outside legal counsel, that such Acquisition Proposal constitutes a Superior Proposal; (ii) the Company Board (or any committee thereof) shall have determined in good faith, after consultation with its independent financial advisors and outside legal counsel, that the failure to effect such Company Recommendation Change and enter into such Company Acquisition Agreement with respect to such

Superior Proposal would be inconsistent with its fiduciary duties to the Shareholders under applicable Law; (iii) the Company Board (or any committee thereof) provides Parent with at least four Business Days advance written notice (such period, the Notice Period) advising Parent of its intention to make a Company Recommendation Change and to terminate this Agreement to enter into a definitive agreement with respect to a Superior Proposal; (iv) the Company provides Parent a written summary of the material terms and conditions of such Superior Proposal, the identity of the Person or group making such Superior Proposal and an unredacted copy of the relevant proposed transaction documents and any other material documents (including any materials relating to any proposed financing commitments (it being understood that the Company shall provide a written summary of all materials terms of any such financing commitments that, pursuant to the terms of the engagement letter with the financing source thereto, cannot be provided in unredacted form)) with the Person or group making such Superior Proposal; (v) the Company and the Company Representatives discuss and negotiate in good faith with Parent and its representatives, to the extent that Parent wishes to discuss and negotiate, any proposed changes by Parent to the terms of this Agreement so as to permit the Company Board (or any committee thereof) not to effect a Company Recommendation Change or to terminate this Agreement in response to such Superior Proposal (including providing Parent and its representatives, to the extent that they desire to do so, an opportunity to make a presentation to the Company Board (or any committee thereof) regarding this Agreement and any proposed changes with respect thereto); and (vi) the Company Board (or any committee thereof), following the Notice Period, and taking into account any revised proposal made by Parent since the commencement of the Notice Period, determines in good faith, after consultation with its independent financial advisors and outside legal counsel, that such Acquisition Proposal continues to constitute a Superior Proposal and that the failure to effect a Company Recommendation Change and enter into a Company Acquisition Agreement with respect to such Superior Proposal would be inconsistent with its fiduciary duties to the Shareholders under applicable Law; *provided, however*, that in the event of any change to the material terms of such Superior Proposal (it being understood that any change in price or type of consideration shall be deemed to be a change of a material term), the Company Board (or any committee thereof) shall deliver to Parent an additional notice and shall comply with this Section 6.10(f) with respect to such new notice, except that if the only change is a change in price, then the Notice Period shall be two Business Days (rather than the four Business Days otherwise contemplated by this Section 6.10(f)). Until the Effective Time or, if earlier, the termination of this Agreement in accordance with Article VIII, none of the Company Board, any committee thereof or the Company shall enter into any binding agreement with any Person to limit or not provide prior notice to Parent of its intent to make a Company Recommendation Change or to terminate this Agreement in response to any Superior Proposal.

(g) Nothing contained in this Agreement shall prohibit the Company, the Company Board (or any committee thereof) from (i) taking and disclosing to the Shareholders a position contemplated by Rule 14e-2 promulgated under the Exchange Act or (ii) making any disclosure to the Shareholders if the Company Board determines in good faith, after consultation with outside legal counsel, that such disclosure is required by applicable securities Law, *provided* that any such disclosure (other than (A) a stop, look and listen letter or similar communication of the type contemplated by Rule 14d-9(f) promulgated under the Exchange Act, (B) an express rejection of any applicable Acquisition Proposal or (C) an express reaffirmation of the Company Recommendation) shall be deemed to be a Company Recommendation Change.

(h) At any time prior to the time that the Company Required Vote is obtained, but not after, the Company Board (or any committee thereof) may grant a waiver or release under any standstill agreement with respect to any class of equity securities of the Company if the Company Board determines in good faith, after consultation with its independent financial advisors and outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under applicable Law. From the date of this Agreement until the No-Shop Period Start Date, the Company may grant any such waiver solely to permit any counterparty to any such agreement to make non-public inquiries, proposals or offers that constitute or may reasonably be expected to lead to an Acquisition Proposal. The Company shall provide written notice to Parent of any such waiver or release of any standstill by the Company concurrent with the granting of such waiver or release. Section 6.13 Section 16 Matters. Prior to the Effective Time, the Company Board shall take all such steps as may be required and permitted to cause the transactions contemplated by this Agreement, including any dispositions of shares of Company Common Stock (including derivative securities with respect to such Company Common Stock) by each individual who is or will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 6.14 Delisting. Each of the parties agrees to cooperate with each other in taking, or causing to be taken, all actions necessary to delist the Company Common Stock from the Nasdaq Stock Market and terminate registration under the Exchange Act, *provided* that such delisting and termination shall not be effective until or after the Effective Time.

Section 6.15 Additional Agreements. (vi) providing reasonable access to the (x) books and records of the Company and the Company Subsidiaries, and (y) Company Representatives;

(vii) using all reasonable efforts to obtain appraisals, surveys, engineering reports, environmental and other inspections and assessments (including providing access to Parent and its representatives to all Company Owned Facilities and Company Leased Facilities for such purposes), title insurance and other documentation and items relating to the Debt Financing as reasonably requested by Parent and, if requested by Parent or Merger Sub, to cooperate with and assist Parent or Merger Sub in obtaining such documentation and items;

(b) Notwithstanding anything to the contrary in this Agreement, (i) neither the Company nor any Company Subsidiary shall incur any Liability in connection with the Debt Financing prior to the Effective Time and (ii) the cooperation and actions required by the Company pursuant to this Section 6.16 shall not unreasonably interfere with the ordinary course operation of the Company's or the Company Subsidiaries' businesses.

(c) The Company will use all reasonable efforts to periodically update any Required Information provided to Parent as may be necessary so that the Required Information does not contain any untrue statement of material fact or omit to state any material fact necessary in order to make the statements contained therein not misleading.

(d) Parent agrees that if the Effective Time does not occur, it will indemnify and hold harmless the Company, the Company Subsidiaries the Company Representatives against any and all losses, damages, claims, costs or expenses suffered or incurred by them in connection with the Debt Financing (other than to the extent such losses, damages, claims, costs or expenses arise from the negligence or misconduct of the Company, any of the Company Subsidiaries or any Company Representative) and any information utilized in connection therewith (other than information provided by the Company or any of the Company Subsidiaries or any Company Representative). Without limiting the foregoing, if the Effective Time does not occur Parent shall reimburse the Company for all costs and expenses incurred by the Company in complying with this Section 6.16. All non-public or otherwise confidential information regarding the Company or the Company Subsidiaries obtained by Parent, Merger Sub or their respective Representatives shall be kept confidential in accordance with the Confidentiality Agreement.

(e) Notwithstanding this Section 6.16, Parent's and Merger Sub's ability to consummate the Merger and the other transactions contemplated hereby is not, and shall not be, contingent on the ability of Parent or Merger Sub to complete the Debt Financing or any other type of financing prior to or on the Effective Time.

(f) Notwithstanding anything herein to the contrary, none of the Financing Sources or their former, current and future equity holders, controlling persons, agents, advisors, representatives or Affiliates, or the heirs, executors, successors and assigns of any of the foregoing (each such Person and all such Persons, the Financing Sources Related Parties), shall have any liability or obligation to pay any damages to the Company or any of its current and future equity holders, controlling persons, agents, advisors, representatives or Affiliates, or the heirs, executors, successors and assigns of any of the foregoing, in respect of any breach or failure to comply with the terms of any of the Debt Financing Commitments or otherwise in connection with the Debt Financing. Neither the Company nor any Affiliate thereof will, directly or indirectly, bring or otherwise support any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise (including by or through Parent or its Affiliates), against any one or more of the Financing Sources Related Parties in any way arising out of or otherwise in respect of or relating to this Agreement or any related agreement, certificate, or other document delivered in connection herewith or therewith or any of the transactions contemplated hereby or thereby or any matter otherwise related hereto or thereto including any dispute arising out of or relating in any way to the Debt Financing Commitments or the performance thereof.

(g) Each of Parent and Merger Sub shall use all reasonable efforts to obtain the Debt Financing on the terms and conditions described in the Debt Financing Commitments as promptly as practicable, including using all reasonable efforts to negotiate and finalize definitive agreements with respect thereto on the terms and conditions contained in the Debt Financing Commitments. becoming aware of any material breach by any Financing Source of the Debt Financing Commitments or any termination of the Debt Financing Commitments. If any portion of the Debt Financing becomes unavailable on the terms and conditions contemplated in the Debt Financing Commitments, Parent shall promptly notify the Company and shall use all reasonable efforts to arrange to obtain alternative financing from alternative sources. Parent shall deliver to the Company true, correct and complete copies of all definitive agreements pursuant to which any such alternative source shall have committed to provide Parent and Merger Sub with any portion of the Debt Financing.

Section 6.17 **Publicity**. Parent, Merger Sub and the Company shall consult with each other before issuing any press release or public announcement with respect to the Merger or this Agreement and shall not issue any such press release or public announcement or make any such public statement without the prior consent of the other party, which shall not be unreasonably withheld or delayed; *provided, however*, that a party may, without the prior consent of the other party (but after prior consultation, to the extent practicable under the circumstances) issue such press release or public announcement or make such public statement or filing with the SEC as may upon the advice of outside counsel be required by Law or the rules and regulations of any applicable stock exchange (including the Nasdaq Stock Market). The parties have agreed upon the form of a joint press release announcing the Merger and the execution of this Agreement.

In addition, prior to the termination of this Agreement, the Company shall not voluntarily cooperate with any Person that may hereafter seek to restrain or prohibit or otherwise oppose the transactions contemplated by this Agreement, and shall cooperate with Parent to resist any such effort to restrain or prohibit or otherwise oppose the transactions contemplated by this Agreement.

Section 6.19 **Credit Agreement**. At the Effective Time, Parent shall to provide, or cause to be provided, to the Company funds in an amount sufficient for the Company to repay and discharge in full all amounts outstanding pursuant to the terms of the Credit Agreement and the Mississippi Loan, and on the date that the Company receives such funds it shall repay and discharge such amounts in a manner acceptable to the parties to the Credit Agreement and the Mississippi Loan. Immediately after such payment by the Company is made, the Company shall procure evidence of termination and release (in a form reasonably acceptable to Parent), or cause evidence of such termination and release to be provided to Parent, of all Liens on any assets securing the obligations (whether current, future, actual or contingent) of the Company, any Company Subsidiary or any other Person under or in connection with the Credit Agreement or the Mississippi Loan and any Liens perfected or subsisting under or as a result thereof.

TERMINATION OF AGREEMENT

Section 8.01 Termination. This Agreement may be terminated and the Merger and the other transactions contemplated hereby may be abandoned at any time prior to the Effective Time, whether before or after the Company Required Vote has been obtained:

(a) by the mutual written consent of the Company and Parent;

(b) by the Company or Parent:

(i) in the event that any Governmental Entity of competent jurisdiction shall have (i) enacted a Law that is in effect at the time of such termination and renders the Merger illegal in the United States or any State thereof at the time of such termination, or (ii) issued a permanent, final and non-appealable injunction, ruling, decree or order that prohibits the Merger in the United States or any state thereof; *provided, however*, that the party seeking to terminate this Agreement pursuant to this Section 8.01(b)(i) shall not have initiated such proceeding or taken any action in support of such proceeding;

(ii) if at the Company Shareholder Meeting (giving effect to any adjournment or postponement thereof), the Company Required Vote shall not have been obtained;

(iii) if the Merger shall not have been consummated prior to October 1, 2011 (the Outside Termination Date); *provided, however*, that the right to terminate this Agreement pursuant to this Section 8.01(b)(iii) shall not be available to any party hereto whose actions or omissions in violation of its obligations under this Agreement have primarily been the cause of, or resulted in, either (A) the failure to satisfy the conditions to the obligations of the terminating party to consummate the Merger set forth in Article VII prior to the Outside Termination Date or (B) the failure of the Effective Time to have occurred prior to the Outside Termination Date;

Table of Contents

(c) by the Company:

(i) at any time prior to the Company Required Vote having been obtained in order to enter into an acquisition agreement for a Superior Proposal; *provided, however*, that this Agreement may not be so terminated unless (i) the Company shall have complied with the procedures set forth in Section 6.06 and met the conditions for termination set forth in Section 6.10 and (ii) prior to or contemporaneously with such termination the payment required by Section 8.02 has been made in full to Parent;

(ii) if there shall have been any breach of any representation or warranty of Parent or Merger Sub, or any such representation or warranty shall have become untrue and incapable of being cured prior to the Effective Time, or any breach of any covenant or agreement of Parent or Merger Sub hereunder, such that a condition in Section 7.03(a) or Section 7.03(b) would not be satisfied, and such breach or condition is not curable or, if curable, shall not have been remedied within 30 days after receipt by Parent of notice in writing from the Company, specifying the nature of such breach and requesting that it be remedied; or

(d) by Parent:

(i) if (A) there shall have been a Company Recommendation Change; (B) the Company fails to include the Company Recommendation in the Proxy Statement; (C) the Company Board (or any committee thereof) shall have (x) publicly recommended or approved any Acquisition Proposal or (y) failed to reject (and, if requested by Parent, publicly recommend against) any Acquisition Proposal within ten Business Days after the Company Board (or any committee thereof) becomes aware of such Acquisition Proposal; (D) a tender or exchange offer relating to equity securities of the Company shall have been commenced by a Person unaffiliated with Parent and the Company shall not have sent to its shareholders pursuant to Rule 14e-2 promulgated under the Exchange Act, within ten Business Days after such tender or exchange offer is first published, sent or given, a statement disclosing that the Company Board (or any committee thereof) recommends rejection of such tender or exchange offer; (E) the Company shall have materially breached any of its obligations under Section 6.06 or Section 6.10; or (F) the Company Board fails to reaffirm the Company Recommendation within three Business Days after Parent requests that such recommendation be reaffirmed; or

(ii) if there shall have been any breach of any representation or warranty of the Company, or any such representation or warranty shall have become untrue and incapable of being cured prior to the Effective Time, or any breach of any covenant or agreement of the Company hereunder, such that a condition in Section 7.02(a) or Section 7.02(b) would not be satisfied, and such breach or condition is not curable or, if curable, shall not have been remedied within 30 days after receipt by the Company of notice in writing from Parent, specifying the nature of such breach and requesting that it be remedied.

The party desiring to terminate this Agreement pursuant to this Section 8.01 shall give written notice of such termination to the other party in accordance with Section 9.01, specifying with reasonable particularity the basis for its termination and the provision or provisions hereof pursuant to which termination is effected. The right of any party hereto to terminate this Agreement pursuant to this Section 8.01 shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any party hereto, or any of their respective Affiliates or representatives, whether prior to or after the execution of this Agreement.

Section 8.02 Company Termination Fee.

(a) If this Agreement is terminated (i) pursuant to Section 8.01(c)(i) or Section 8.01(d)(i) or (ii) pursuant to Section 8.01(b)(ii), Section 8.01(b)(iii) or Section 8.01(d)(ii), the Company shall pay Parent or its designee the Company Termination Fee by wire transfer of immediately available funds (x) in the case of any termination pursuant to clause (i) above, prior to or contemporaneous with such termination, and (y) in the case of any termination pursuant to clause (ii) above, only if (A) prior to such termination but after the date hereof, an Acquisition Proposal is made known to the Company or publicly announced by any Person (other than Parent, Merger Sub or their respective Affiliates) and (B) an Acquisition Proposal is consummated or the Company enters into an acquisition agreement for, or the Company Board (or any committee thereof) recommends to

Table of Contents

Shareholders, an Acquisition Proposal with any Person, in any case, within 12 months following such termination, in which case such payment shall be made prior to or contemporaneous with the consummation of, or entering into an acquisition agreement for, an Acquisition Proposal, *provided* that for purposes of this clause (B), each reference to 20% in the definition of Acquisition Proposal shall be deemed to be a reference to 50%. For the avoidance of doubt, in no event shall the Company be obligated to pay, or cause to be paid, the Company Termination Fee on more than one occasion.

(b) As used herein, Company Termination Fee shall mean a cash amount equal to \$9,150,000 except that in the event that this Agreement is terminated by the Company pursuant to Section 8.01(c)(i) and the Company (i) prior to the No-Shop Period Start Date, simultaneously enters into a definitive agreement with respect to a Superior Proposal or (ii) on or following the No-Shop Period Start Date but prior to the Excluded Party End Date, enters into a definitive agreement with an Excluded Party with respect to a Superior Proposal, then the Company Termination Fee shall mean a cash amount equal to \$5,050,000.

(c) In the event that this Agreement is terminated pursuant to Section 8.01(c)(i) or Section 8.01(d)(i), the Company shall reimburse Parent or its designee for the documented reasonable out-of-pocket fees and expenses incurred by Parent, Merger Sub or any of their Affiliates in connection with this Agreement or the transactions contemplated hereby (Deal Expenses) up to an aggregate amount of \$2,750,000, by wire transfer of immediately available funds not later than two Business Days after delivery to the Company of an itemization setting forth in reasonable detail all such reimbursable expenses, and such reimbursed expenses will be in addition to the amount of the Company Termination Fee. In the event that this Agreement is terminated pursuant to Section 8.01(b)(ii), Section 8.01(b)(iii) or Section 8.01(d)(ii), the Company shall reimburse Parent or its designee for Deal Expenses up to an aggregate amount of \$2,750,000, by wire transfer of immediately available funds not later than two Business Days after delivery to the Company of an itemization setting forth in reasonable detail all such reimbursable expenses, and such reimbursed expenses will be in addition to the amount of any Company Termination Fee; *provided, however* that such expenses shall not be payable by the Company until such time as the Company Termination Fee is payable. In the event that this Agreement is terminated pursuant to Section 8.01(b)(ii), the Company shall reimburse Parent or its designee for any Deal Expenses up to an aggregate amount of \$1,000,000 not later than two Business Days after delivery to the Company of an itemization setting forth in reasonable detail such Deal Expenses, *provided* that any amounts paid by the Company to Parent pursuant to this sentence shall reduce on a dollar-for-dollar basis any Company Termination Fee that becomes due and payable pursuant to Section 8.02(a). The parties acknowledge that (i) the agreements contained in this Section 8.02 are an integral part of the transactions contemplated in this Agreement, (ii) the damages resulting from termination of this Agreement under circumstances where a Company Termination Fee is payable are uncertain and incapable of accurate calculation and therefore, the amounts payable pursuant to Section 8.02(a) are not a penalty but rather constitute liquidated damages in a reasonable amount that will compensate Parent for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, and (iii) without the agreements contained in this Section 8.02, Parent would not have entered into this Agreement. If the Company fails to pay all amounts due to Parent on the dates specified, then the Company shall pay all costs and expenses (including legal fees and expenses) incurred by Parent in connection with any action or proceeding (including the filing of any lawsuit) taken by it to collect such unpaid amounts, together with interest on such amounts at the prime lending rate prevailing on the date that such payment was required to be made, as published in *The Wall Street Journal*, from the date that such amounts were required to be paid until the date actually received by Parent.

Section 8.03 Effect of Termination. In the event of termination of this Agreement by either Parent or the Company as provided in this Article VIII, this Agreement shall forthwith become null and void and have no further force or effect, and none of Parent, Merger Sub, the Company, any of their respective subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever hereunder, or in connection with the transactions contemplated hereby; *provided, however*, that (a) Section 6.01(a), Section 6.16(d), Article VIII and Article IX shall survive any termination of this Agreement, and (b) neither

Table of Contents

Parent, Merger Sub nor the Company shall be relieved or released from any liabilities or damages arising out of fraud or its intentional breach of this Agreement; *provided, further, however*, that receipt of the Company Termination Fee and to the extent applicable, Deal Expenses, as provided herein shall be the sole and exclusive remedy of Parent and Merger Sub under circumstances where the Company Termination Fee is payable and is actually paid by the Company.

This Agreement, together with the Exhibits and Schedules annexed hereto, constitutes the entire understanding and agreement by and among the parties hereto with respect to the subject matter hereof, and supersedes all prior negotiations, agreements and understandings among such parties.

Section 9.05 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations of any party hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other party, *provided* that Parent may assign all or any of its rights and obligations hereunder to any direct or indirect wholly owned subsidiary; *provided, however*, that any such assignment shall not relieve Parent of its obligations hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns. Except for (i) the rights of the holders of Company Common Stock and Optionholders to receive the Merger Consideration or the Option Consideration, as applicable, at the Effective Time, as set forth in Section 3.01 and (ii) as otherwise specifically provided in Section 6.09, this Agreement (including the documents and instruments referred to herein) is not intended to confer upon any Person other than the parties hereto any rights or remedies hereunder. Notwithstanding anything in this Agreement to the contrary, the Financing Sources and the Financing Sources Related Parties shall be express third party beneficiaries of Section 6.16(f) and Section 9.06.

Section 9.06 Governing Law; Submission to Jurisdiction. Except to the extent that the laws of the State of Pennsylvania (i) are mandatorily applicable to the Merger or (ii) govern the fiduciary duties of the Company Board, this Agreement shall be governed by and construed in accordance with the laws of the State of Delaware. The parties hereto hereby irrevocably submit to the non-exclusive jurisdiction of any federal or state court located within the State of Delaware over any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby and each party hereby irrevocably agrees that all claims in respect of such dispute or any suit, action or proceeding related thereto may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection that they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each of the parties further agrees that notice as provided herein shall constitute sufficient service of process and each of the parties hereby waive any argument that such service is insufficient. Each of the parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, (a) any claim that it is not personally subject to the jurisdiction of the courts in the State of Delaware as described herein for any reason; (b) that it or its property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (c) that (i) the suit, action or proceeding in any such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper, or (iii) this Agreement, or the subject matter hereof, may not be enforced in such courts. Nothing in this Agreement shall effect the right of any party to this Agreement to serve process in any other manner permitted by applicable Law.

Section 9.07 WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE

COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY TO THIS AGREEMENT CERTIFIES AND ACKNOWLEDGES THAT (a) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF A LEGAL ACTION, (b) SUCH PARTY HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (c) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (d) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.07.

Section 9.08 Severability. Any term or provision of this Agreement that is invalid or unenforceable shall not affect the validity or enforceability of the remaining terms and provisions hereof. If the final judgment of a court of competent jurisdiction declares that any term or provision hereof is invalid, illegal or unenforceable, the parties hereto agree that the court making such determination shall have the power to limit the term or provision, to delete specific words or phrases, or to replace any invalid, illegal or unenforceable term or provision with a term or provision that is valid, legal and enforceable and that comes closest to expressing the intention of the invalid, illegal or unenforceable term or provision, and this Agreement shall be enforceable as so modified. In the event that such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to replace such invalid, illegal or unenforceable term or provision with a valid, legal and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid, illegal or unenforceable term.

Section 9.09 Enforcement.

(a) The parties agree that irreparable damage would occur in the event that any provision of this Agreement were not performed in accordance with the terms hereof and that Company, Parent and Merger Sub shall be entitled to specific performance of the terms and provisions hereof (including the obligation to consummate the Merger, subject in each case to the terms and conditions of this Agreement), including an injunction or injunctions to prevent breaches of this Agreement by the Company, Parent or Merger Sub, in addition to any other remedy at law or equity. The Company, Parent and Merger Sub each hereby waive (a) any defenses in any action for specific performance, including the defense that a remedy at law would be adequate, and (b) any requirement under any Law to post a bond or other security as a prerequisite to obtaining equitable relief. In addition, notwithstanding anything to the contrary in this Agreement, Parent acknowledges and agrees that in the event of any breach or wrongful repudiation of this Agreement by Parent or Merger Sub, the actual damages incurred by the Company for purposes of determining damages to the extent available as a remedy to the Company under Section 9.09(c) would include the actual damages incurred by the Shareholders and Optionholders in the event that such Shareholders and Optionholders would not receive the benefit of the bargain negotiated by the Company on their behalf as set forth in this Agreement, *provided* that the maximum aggregate liability of Parent and Merger Sub under or in connection with this Agreement and the transactions contemplated hereby shall be limited to the Merger Consideration and in no event shall the Company seek multiple or punitive damages against Parent or Merger Sub, or any recovery, judgment or damages or any kind against Parent or Merger Sub in excess of the Merger Consideration.

(b) The Company hereby agrees that specific performance as provided for in Section 9.09(a) shall be its sole and exclusive remedy with respect to breaches by Parent, Merger Sub or any other Person or otherwise in connection with this Agreement or the transactions contemplated hereby (whether in contract, tort or otherwise) and except as provided in Section 6.16(d) and Section 9.09(c), that it may not seek or accept any other form of relief that may be available for breach under this Agreement or otherwise in connection with this Agreement or the transactions contemplated hereby (including monetary damages).

(c) If a court of competent jurisdiction has declined to specifically enforce the obligations of Parent and Merger Sub to consummate the Merger pursuant to a claim for specific performance brought against Parent pursuant to this Section 9.09 and has instead granted an award of damages for such alleged breach against Parent, the Company may enforce such award and accept damages for such alleged breach only if, within 14 days following such determination, the Company confirms to Parent in writing that it is prepared and willing to consummate the Merger in accordance with this Agreement, and Parent is not willing to consummate the Merger within such 14-day period in accordance with the terms and conditions of this Agreement. In addition, the Company agrees to cause any legal proceeding still proceeding to be dismissed with prejudice at such time as Parent consummates the Merger in accordance with Article III of this Agreement or is otherwise willing to do so.

Section 9.10 Captions. The table of contents, headings and captions used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

Section 9.11 Certain References. Whenever the context may require, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. Whenever the words include, includes or including are used in this Agreement, they shall be deemed to be followed by the words without limitation. The terms herein, hereof or hereunder or similar terms as used in this Agreement refer to this entire Agreement and not to the particular provision in which the term is used. Unless the context otherwise requires, neither, nor, any, either and or shall not be exclusive. Unless otherwise stated, all references herein to Articles, Sections, subsections or other provisions are references to Articles, Sections, subsections or other provisions of this Agreement. All references herein to days in this Agreement (excluding references to Business Days) are references to calendar days. Whenever the words as of the date hereof are used in this Agreement, they shall be deemed to mean the day and year first above written. Any reference to any statute or regulation refers to the statute or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, includes any rules and regulations promulgated under the statute) and any reference to any section of any statute or regulation includes any successor to the section. References to \$ are to U.S. dollars. Unless the context requires otherwise, references to a group are to a group as defined in Section 13(d) of the Exchange Act.

Section 9.12 Counterparts. This Agreement may be executed in separate counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts will together constitute the same agreement. Any such counterpart, to the extent delivered by means of a fax machine or by .pdf, .tif, .gif, .jpeg or similar attachment to electronic mail (any such delivery, an Electronic Delivery) shall be treated in all manner and respects as an original executed counterpart and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto shall raise the use of Electronic Delivery to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of Electronic Delivery as a defense to the formation of a contract, and each such party forever waives any such defense, except to the extent that such defense relates to lack of authenticity.

Section 9.13 Amendment or Supplement. At any time prior to the Effective Time, this Agreement may be amended or supplemented in any and all respects, whether before or after receipt of the Company Required Vote, by written agreement of the parties hereto, by action taken by their respective Boards of Directors; *provided, however*, that following approval of the Merger by the Shareholders, there shall be no amendment or change to the provisions hereof which by Law would require further approval by the Shareholders without such approval.

Section 9.14 Interpretation. This Agreement shall be construed reasonably to carry out its intent without presumption against or in favor of either party. The parties have participated jointly in negotiating and drafting this Agreement.

Section 9.15 Extension; Waiver. At any time prior to the Effective Time, the parties may, to the extent permitted by applicable Law, (a) extend the time for the performance of any of the obligations or other acts of the

other party, (b) waive any inaccuracies in the representations and warranties contained herein or in any instrument delivered pursuant hereto, and (c) waive compliance with any of the agreements, covenants, or conditions contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party. The failure or delay of a party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights. No single or partial exercise of any right, remedy, power or privilege hereunder shall preclude any other or future exercise thereof or the exercise of any other right, remedy, power or privilege. Any waiver shall be effective only in the specific instance and for the specific purpose for which given and shall not constitute a waiver to any subsequent or other exercise of any right, remedy power or privilege hereunder.

Section 9.16 No Limitation. It is the intention of the parties that, to the extent possible, unless provisions are mutually exclusive and effect cannot be given to both or all such provisions, the representations, warranties, covenants and agreements in this Agreement shall be construed to be cumulative and that each representation, warranty, covenant and agreement in this Agreement shall be given full, separate and independent effect and nothing set forth in any provision in this Agreement shall in any way be deemed to limit the scope, applicability or effect of any other provision hereof.

Section 9.17 Delivery. For purposes of this Agreement, references to the term delivered by the Company, delivered to Parent, made available to Parent and similar expressions shall mean that the Company has (a) filed such materials with the SEC prior to the date of this Agreement; (b) posted such materials to the electronic data room maintained by the Company at <https://datasite.merrillcorp.com> as in effect no later than four hours prior to the execution of this Agreement and has given Parent and its representatives access to the materials so posted; (c) set forth such materials in the Company Disclosure Schedule; (d) otherwise delivered a written or electronic copy to Parent no later than four hours prior to the execution of this Agreement; or (e) expressly made such materials available to Parent and its representatives at one of the Company Owned Facilities or Company Leased Facilities and has given (or offered to give) Parent and its representatives access thereto. It is acknowledged and agreed that certain of such materials provided to Parent and its representatives in accordance with this Section 9.17 may contain immaterial differences from the original of such materials.

ANNEX B

March 27, 2011

The Board of Directors

Spectrum Control, Inc.

8031 Avonia Road

Fairview, PA 16415

Dear Members of the Board:

We understand that Spectrum Control, Inc., a Pennsylvania corporation (*Spectrum Control* or the *Company*), is considering a transaction whereby API Technologies Corp. (*Parent*), a Delaware corporation, will effect a merger involving the Company. Pursuant to the terms of an Agreement and Plan of Merger, draft dated March 27, 2011 (the *Agreement*), by and among Parent, the Company and Merger Sub (*Merger Sub*), a Pennsylvania corporation and wholly owned subsidiary of Parent, Parent will undertake a series of transactions whereby the Company will become a wholly owned subsidiary of Parent (the *Transaction*). Pursuant to the terms of the Agreement all of the issued and outstanding shares of common stock, no par value, of the Company (*Company Common Stock*) shall be converted into the right to receive, for each outstanding share of Company Common Stock, \$20.00 (the *Consideration*).

The terms and conditions of the Transaction are more fully set forth in the Agreement.

You have requested our opinion as to the fairness, from a financial point of view, to the holders of Company Common Stock of the Consideration to be received by such holders in the Transaction.

UBS Securities LLC (*UBS*) has acted as financial advisor to the Board of Directors of the Company in connection with the Transaction and will receive a fee for its services, a portion of which is payable in connection with this opinion and a significant portion of which is contingent upon consummation of the Transaction. In the ordinary course of business, UBS and its affiliates may hold or trade, for their own accounts and the accounts of their customers, securities of the Company and Parent and, accordingly, may at any time hold a long or short position in such securities. The issuance of this opinion was approved by an authorized committee of UBS.

Our opinion does not address the relative merits of the Transaction as compared to other business strategies or transactions that might be available to the Company or the Company's underlying business decision to effect the Transaction. Our opinion does not constitute a recommendation to any shareholder as to how such shareholder should vote or act with respect to the Transaction. At your direction, we have not been asked to, nor do we, offer any opinion as to the terms, other than the Consideration to the extent expressly specified herein, of the Agreement or the form of the Transaction. In addition, we express no opinion as to the fairness of the amount or nature of any compensation to be received by any officers, directors or employees of any parties to the Transaction, or any class of such persons, relative to the Consideration. In rendering this opinion, we have assumed, with your consent, that (i) the final executed form of the Agreement will not differ in any material respect from the draft that we have reviewed, (ii) the parties to the Agreement will comply with all material terms of the Agreement, and (iii) the Transaction will be consummated in accordance with the terms of the Agreement without any adverse waiver or amendment of any material term or condition thereof. We have also assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any material adverse effect on Spectrum Control or the Transaction. We have not been authorized to solicit and have not solicited indications of interest in a transaction with the Company from any party other than Parent and one other party; however, the Agreement permits the Company and its representatives to solicit and enter into negotiations with respect to other proposals for a specified period following execution of the Agreement.

In arriving at our opinion, we have, among other things: (i) reviewed certain publicly available business and financial information relating to the Company; (ii) reviewed certain internal financial information and other data relating to the businesses and financial prospects of the Company that were not publicly available, including

financial forecasts and estimates prepared by the management of the Company that you have directed us to utilize for purposes of our analysis; (iii) conducted discussions with members of the senior management of the Company concerning the businesses and financial prospects of the Company; (iv) reviewed publicly available financial and stock market data with respect to certain other companies we believe to be generally relevant; (v) compared the financial terms of the Transaction with the publicly available financial terms of certain other transactions we believe to be generally relevant; (vi) reviewed current and historical market prices of Company Common Stock; (vii) reviewed the Agreement; and (viii) conducted such other financial studies, analyses and investigations, and considered such other information, as we deemed necessary or appropriate.

In connection with our review, with your consent, we have assumed and relied upon, without independent verification, the accuracy and completeness in all material respects of the information provided to or reviewed by us for the purpose of this opinion. In addition, with your consent, we have not made any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of the Company, nor have we been furnished with any such evaluation or appraisal. With respect to the financial forecasts and estimates referred to above, we have assumed, at your direction, that they have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company as to the future financial performance of the Company. Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information available to us as of, the date hereof.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Consideration to be received by holders of Company Common Stock in the Transaction is fair, from a financial point of view, to such holders.

This opinion is provided for the benefit of the Board of Directors (in its capacity as such) in connection with, and for the purpose of, its evaluation of the Consideration in the Transaction.

Very truly yours,
