Item 1.01 Entry into a Material Definitive Agreement.

Identive Group, Inc. (the Company) has entered into a Stock Purchase Agreement, dated April 29, 2011, with certain shareholders (the Selling Shareholders) of idOnDemand, Inc., a privately held provider of identity management services based in Pleasanton, California (idOnDemand), under which the Company has acquired approximately 95.8% of the shares of idOnDemand in exchange for cash and shares of the Company (the Stock Purchase Agreement). The transaction closed on May 2, 2011.

Initial consideration at closing consisted of approximately \$2.4 million in cash and 995,675 shares of the Company's Common Stock, calculated on a conversion price of \$3.85 per share for an equivalent value of approximately \$3.8 million. The shares of Company Common Stock issued at closing were issued in reliance upon available exemptions from the registration requirements of the U.S. Securities Act of 1933, including Section 4(2) thereof and Regulation S thereunder, as well as comparable exemptions under applicable state and foreign securities laws. Shares issued as consideration to the Selling Shareholders are subject to a two-year lock-up from the closing date of the acquisition, after which the shares will be released from lock-up monthly, in equal amounts over a period of 12 months. Additionally, 425,000 of the aggregate initial share consideration paid to the Selling Shareholders will be released from lock-up six months after the closing date.

STOCK PURCHASE AGREEMENT

THIS STOCK PURCHASE AGREEMENT (the **Agreement**) is made and entered into as of the 29th day of April, 2011, by and among Identive Group, Inc., a Delaware corporation (the **Purchaser**) and those certain selling stockholders listed on Schedule A hereto (the **Sellers**).

WHEREAS, Jason Hart (**Hart** or the **Principal Seller**), is the founder of **idOnDemand, Inc.**, a Delaware corporation, having its principal place of business at 6800 Koll Center Parkway, Suite 180, Pleasanton, CA 94566 (the **Company**), and its principal stockholder;

WHEREAS, Purchaser is an international technology company focused on secure identification-based technologies and desires to purchase all of the shares of capital stock in the Company owned by Sellers; and

WHEREAS, Sellers desire to sell to Purchaser all of the shares of common stock, par value \$0.0001 per share (the **Common Stock**), of the Company owned by them (**Sellers Shares**) on the terms and subject to the conditions set forth herein;

NOW, THEREFORE, in consideration of the mutual agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I - SALE AND PURCHASE OF SELLERS SHARES

1.1 Sale and Purchase of Sellers Shares.

(a) On the terms and subject to the conditions of this Agreement, at the Closing referred to in Section 2.1 hereof, each of the Sellers, severally and not jointly, shall sell, convey, assign, transfer and deliver to Purchaser, and Purchaser shall purchase, acquire and accept delivery of, the Sellers Shares owned by each of them, free and clear of any and all liens, mortgages, pledges, adverse claims, charges, security interests, encumbrances or other restrictions or limitations whatsoever (**Liens**), other than restrictions on transferability imposed by applicable securities laws.

(b) To effect the transfers contemplated by Section 1.1(a), at the Closing, Seller shall deliver or cause to be delivered to Purchaser, against payment therefor in accordance with Section 1.2 hereof, stock certificates representing the Sellers Shares, accompanied by stock powers duly executed in blank and otherwise in form acceptable to Purchaser for transfer on the share register or stock ledger of the Company.

1.2 Payment for Sellers Shares. As payment in full for the Sellers Shares being acquired by the Purchaser hereunder, Purchaser shall pay, in the manner set forth in this Section 1.2, consideration (as described below) having an aggregate value of Six Million

Five Hundred Thousand Dollars (\$6,500,000), (such sum is herein referred to as the **Purchase Price**). On the Closing Date, the Purchaser shall make payment of the Purchase Price as follows:

- (a) Purchaser shall deliver to the Sellers in accordance with the Purchase Price Allocations and subject to the Payment Instructions, each as defined in Section 1.2(d) below, in next day funds, the aggregate sum of Two Million Five Hundred Thousand Dollars (\$2,500,000) (the **Cash Consideration**); and
- (b) Purchaser shall deliver to each of the Sellers, in accordance with the Purchase Price Allocations and subject to the Payment Instructions, such number of shares of Purchaser's common stock, par value \$0.0001 per share (the **INVE Shares**), as is determined by dividing (x) \$4,000,000, by (y) \$3.85 (the **Share Consideration**).
- (c) At least one (1) business day prior to the Closing Date, the Sellers' Representative (as such term is defined in Section 8.16 of this Agreement) shall provide the Purchaser with evidence satisfactory to the Purchaser of (i) the conversion of all outstanding indebtedness under the promissory notes of the Company in favor of Hart as set forth on Schedule 1.2(c) hereto (the **Hart Promissory Notes**) into 3,804,625 shares of Common Stock (the **Share Issuance**), and (ii) the exercise of all outstanding stock options and warrants, and the exercise or conversion of all other outstanding securities exercisable for or convertible into shares of Common Stock, in each case, held by any of the Sellers, such that the shares of Common Stock issuable upon exercise or conversion, as the case may be, of such outstanding stock options, warrants and other securities will be included in the aggregate number of the respective Seller's Shares as set forth on Schedule A. For the avoidance of doubt, such evidence shall (i) comply with the requirements of Section 144 of the General Corporation Law of the State of Delaware, which may be evidenced by the consent set forth in Section 1.8 hereof and the execution of a counterpart signature page to this Agreement by the requisite stockholders of the Company, (ii) written evidence of the due execution and delivery to Hart of stock certificates evidencing such shares of Common Stock issued upon conversion of the Hart Promissory Notes, and (iii) recordation of such shares of Common Stock in the share register or stock ledger of the Company.
- (d) The Purchase Price and the Earn-Out Consideration (as defined in Section 1.4 below) shall be allocated (the **Purchase Price Allocation**) among the Sellers as set forth on Schedule A hereto in accordance with the percentage obtained by dividing the number of Sellers' Shares held by each immediately prior to the Closing by the aggregate number of Sellers' Shares after taking into account the conversion of the Hart Promissory Notes and the exercise or conversion of outstanding stock options, warrants and other securities as set forth in Section 1.2(c) hereof. No later than three (3) days prior to any date upon which a payment is due to the Sellers under this Section 1.2 or Section 1.4, including the Closing Date, the Sellers' Representative shall provide the Purchaser with

instructions (the **Payment Instructions**) setting forth the Purchase Price Allocation applicable to such payment and, if a payment is to be made in cash, the account or accounts into which such funds are to be paid to the Sellers or any of them.

(e) The number of INVE Shares constituting the Share Consideration and the Earn-Out Consideration to be issued and delivered to each Seller shall be, in each case, rounded down to the nearest whole share. No fractional INVE Shares shall be issued. Any and all INVE Shares issued to the Sellers, other than Hart, in the context of this Section 1.2 shall be subject to a lock-up from the Closing Date substantially in the form of Exhibit A-1 (the **General Lock-Up**); all INVE Shares issued to Hart, in the context of this Section 1.2 shall be subject to a lock-up from the Closing Date substantially in the form of Exhibit A-2 (the **Hart Lock-Up** and, together with the General Lock Up, the **Lock-Ups**). The INVE Shares will not be registered under the Securities Act of 1933, as amended (the **Securities Act**), or the securities laws of any other jurisdiction. Subject to the Lock-Ups, until the INVE Shares are so registered, they may be transferred only in transactions that are exempt from registration under the Securities Act and the applicable securities laws of any other jurisdiction. The INVE Shares shall be issued in book-entry form, unless otherwise set forth in the Payment Instructions. Certificates, if any, representing the INVE Shares will bear legends referring to the foregoing securities laws and contractual restrictions. Each Seller acknowledges and agrees for the benefit of the Purchaser that no INVE Shares may be issued to such Seller pursuant to this Agreement in the absence of the receipt by the Purchaser or its duly appointed stock transfer agent, at least two (2) business days prior to the issuance of INVE Shares, of a completed IRS Form W-9 or IRS Form W-8, as the case may be, duly executed by such Seller.

1.3 Limitation on INVE Shares. Notwithstanding any provision in this Agreement to the contrary, in no event shall Purchaser issue, in the aggregate, more than 19.99% of the aggregate number of INVE Shares outstanding on the day prior to the Closing Date as Share Consideration and/or Earn-Out Consideration (as defined in Section 1.4 hereof). For the avoidance of doubt, nothing herein shall require the Purchaser to seek or obtain approval of its stockholders for consummation of the transactions contemplated by this Agreement.

1.4 Earn-Out. As additional consideration for the sale and transfer of the Sellers' Shares contemplated hereby, the Purchaser shall pay to the Sellers, in accordance with the Purchase Price Allocation, the contingent price payments for the period from the Closing Date till December 31, 2011, and for each of the calendar years 2012, 2013 and 2014, in such amounts and subject to the conditions set forth in Schedule 1.4 hereto (the **Earn-Out Consideration**), as may be adjusted in accordance with Section 7.5 hereof; provided, however, that in no event will the aggregate Earn-Out Consideration exceed Twenty-One Million Dollars (\$21,000,000). Except in connection with Change of Control Event, as defined below, which shall be governed by the last sentence of this Section 1.4, earn-out payments, if any, will be paid in INVE Shares as set forth on Schedule 1.4. In the event of a sale of substantially all of the assets of the Purchaser, a merger or other business

combination in which the Purchaser is not the surviving entity, or the acquisition by an unaffiliated third party of more than 50% of the outstanding capital stock of the Purchaser (a **Change of Control Event**), Purchaser agrees to use its best efforts to ensure that any definitive agreement related to such Change of Control Event entered into by the Purchaser with a third party shall provide that, to the extent a payment of Earn-Out Consideration is required in accordance with Schedule 1.4, such payment shall be made (i) in shares of capital stock of the acquiring or surviving entity, if such shares are listed on a national stock exchange or internationally recognized stock exchange (excluding over-the-counter or inter-market quotation systems or similar trading systems, or (ii) if such shares are not so listed, in cash.

1.5 **Tax Consequences.** Purchaser makes no representations or warranties to the Sellers regarding the tax treatment of the transactions contemplated by this Agreement. The Sellers acknowledge that the Sellers are relying solely on the Sellers own tax advisors in connection with this Agreement and the transactions contemplated by this Agreement.

1.6 **Fair Consideration.** The Sellers, and each of them, acknowledge and agree for the benefit of the Purchaser and each other Seller that the Purchase Price constitutes fair and adequate consideration for the Sellers Shares.

1.7 **Other Stockholders.** As soon as practicable (and in any event within thirty (30) days) after the Closing or announcement of the transactions contemplated hereby (whichever is earlier), the Purchaser agrees to negotiate in good faith with any stockholder or stockholders of the Company not a party to this Agreement for the purchase of such stockholder or stockholders shares of Common Stock on terms consistent with, or substantially similar to, those contained herein, including the Purchase Price Allocation set forth on Schedule A.

1.8 **Sellers Consent.** Each of the Sellers (other than Hart) hereby (i) acknowledges that Hart has a financial interest in the Share Issuance and the conversion of the Hart Promissory Notes as contemplated by Section 1.2(c)(i), the material facts of which are known to each of the Sellers, and (ii) approves in good faith the Share Issuance and conversion of the Hart Promissory Notes, including, without limitation, for purposes of Section 144(a)(2) of the General Corporation Law of the State of Delaware.

Hart represents and to the Knowledge of the other Sellers, no deficiency in payment of Tax in respect of the period up to and including the Closing Date has been, is or will be claimed or made by any Tax authority for any year or part of a year in respect of the Company.

(b) All Tax Returns and other returns and reports required to be filed by the Company have been duly and timely filed with the appropriate Governmental Entities and, Hart represents and to the Knowledge of the other Sellers, such Tax Returns are true, correct and complete. There has not been any audit, inquiry or investigation by any Person relating to Tax with respect to the Company, and no such audits, inquiries or investigations are pending.

(c) Hart represents and to the Knowledge of the other Sellers, all amounts required to be paid by the Company for the purpose of Tax, withholding, social security, insurance, pensions and other similar costs or benefits relating to employees have been duly and timely paid and all amounts required to be deducted from moneys paid to employees for the purposes of Tax, social security, insurance, pensions and other similar costs or benefits relating to employees have been deducted and have been paid to the appropriate Governmental Authority, and there is no dispute on any issue in respect of any deduction or payment.

(d) Neither the Company nor any of its Affiliates (A) has been a member of an group filing a consolidated federal Tax Return or (B) has any liability for the Tax of any person under Treasury Regulation Section 1.1502-6 (or similar provision of state, local, or non-U.S. law), as a transferee or successor, by contract, or otherwise.

3.19 Products and Services.

(a) To the Sellers Knowledge, each of the products and services produced, sold or provided by the Company or in connection with the Business, has been, and is, in compliance with all applicable laws and regulations, except where the failure to be in compliance would not have a Material Adverse Effect.

(b) There are no warranty or product liability claims pending or, to the Sellers Knowledge, threatened with respect to any products or services sold, produced or provided by the Company or in connection with the Business, and, to the Sellers Knowledge, there are no such circumstances likely to give rise to the same.

3.20 Intermediaries; Brokers. No broker, finder, advisor or intermediary will be entitled to any fee, commission or other payment of any nature from the Company in connection with the transactions contemplated in this Agreement or the consummation thereof.

3.21 Transactions With Affiliates. Except as set forth on Schedule 3.21 and except for normal advances to employees consistent with past practices, payment of compensation for employment to employees consistent with past practices, and participation in scheduled Plans or Benefit Programs and agreements by employees, the Company has not purchased, acquired or leased any property or services from, or sold, transferred or leased any property or services to, or loaned or advanced any money to, or borrowed any money from, or entered into or been subject to any management, consulting or similar agreement with, or engaged in any other significant transaction with the Seller or any other officer, director or shareholder of the Company or any of their respective Affiliates. Except as set forth on Schedule 3.21, none of the Sellers nor any other Affiliate of the Company is indebted to the Company for money borrowed or other loans or advances, and the Company is not indebted to any such Affiliate.

3.22 Information; Disclosure.

(a) To the Sellers Knowledge, no representation or warranty herein, and no document heretofore provided to the Purchaser by or on behalf of the Sellers or the Company, contain any untrue statement of fact or has omitted to state a fact necessary to make the statements contained herein or therein not misleading.

(b) The warranties and representations given above shall be separate and independent. No representation or warranty of the Sellers set forth in this Agreement shall be deemed waived or otherwise affected by any commercial or financial analysis, or any inquiry or investigation which Purchaser, its advisors, auditors or representatives may make with respect to the Company or the Business. Such exclusions and limitations can only be made in the Disclosure Schedule.

3.23 Investment Representations of the Sellers. In connection with its acquisition of the INVE Shares constituting the Share Consideration and/or the Earn-Out Consideration, each Seller hereby represents and warrants, severally but not jointly, to the Purchaser as follows:

(a) In evaluating the suitability of an investment in the Purchaser, Seller has not relied upon any representations or other information (whether written or oral) from the Purchaser, except as expressly set forth herein. Seller also acknowledges that it has relied solely upon the information contained herein and upon investigations made by it in making the decision to invest in the Purchaser.

(c) Seller recognizes that any information furnished by the Purchaser does not constitute investment, accounting, tax or legal advice. Moreover, the Seller is not

relying upon the Purchaser with respect to Seller's tax and other economic circumstances in connection with its investment in Purchaser. Seller has had the opportunity to ask questions of such legal, tax, accounting and investment advisors as it has deemed necessary and advisable in connection with the acquisition of the INVE Shares, this Agreement and the transactions contemplated hereby, and has relied on the advice of, or has consulted with, only its own professional advisors.

(d) Seller is aware that the INVE Shares of Purchaser to be acquired by Seller pursuant to the terms of this Agreement are being offered and sold by means of an exemption under the Securities Act of 1933, as amended (the **Securities Act**), as well as exemptions under certain state securities laws for nonpublic offerings, and that it makes the representations, declarations and warranties as contained in this Section 3.23 with the intent that the same shall be relied upon in determining its suitability as a purchaser of such INVE Shares.

(e) Seller either (i) is an Accredited Investor as defined in Rule 501 of Regulation D and has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of an investment in the Purchaser and of making an informed investment decision or (ii) has such knowledge and experience in financial and business matters that he is capable of evaluating the merits and risks of the transactions contemplated by this Agreement, including, but not limited to the sale of such Seller's Shares and the acquisition of INVE Shares.

(f) Seller is aware that it cannot sell or otherwise transfer the INVE Shares of Purchaser without registration under applicable federal and state securities laws or without an exemption therefrom, and is aware that it will be required to bear the financial risks of its purchase for an indefinite period of time because, among other reasons, the INVE Shares constituting the Share Consideration or the Earn-Out Consideration have not been registered with the Securities and Exchange Commission (**SEC**) or any regulatory authority of any State. Seller also understands that the Purchaser is under no obligation to register the INVE Shares on its behalf or to assist it in complying with any exemption from registration under applicable federal or state securities laws.

(g) Seller recognizes that no federal or state agency has recommended or endorsed the purchase of the INVE Shares hereunder or passed upon the adequacy or accuracy of the information set forth herein, and that the Purchaser is relying on the truth and accuracy of the representations, declarations and warranties made by Seller as contained herein.

(h) Seller has at all times been given the opportunity to obtain reasonably requested additional information, to verify the accuracy of the information received and to ask questions of and receive answers from certain representatives of the Purchaser concerning the terms and conditions of Seller's investment in Purchaser and the nature and prospects of the Purchaser's business.

(j) Seller is acquiring the INVE Shares hereunder for investment for its own account and not with a view to or for sale in connection with any distribution of the INVE Shares to or for the accounts of others.

(l) Seller understands and agrees that a legend in substantially the following form may be placed on all certificates evidencing the INVE Shares:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE ACT), NOR ANY APPLICABLE STATE SECURITIES LAWS IN RELIANCE UPON AVAILABLE EXEMPTIONS THEREFROM. THESE SECURITIES CANNOT BE SOLD, TRANSFERRED, PLEDGED OR OTHERWISE DISPOSED OF TO ANY PERSON OR ENTITY UNLESS SUBSEQUENTLY REGISTERED UNDER THE ACT OR IN RELIANCE UPON AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS THEREOF AS EVIDENCED BY AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY AND IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS.

IN ADDITION TO THE FOREGOING RESTRICTIONS, THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO CONTRACTUAL RESTRICTIONS PURSUANT TO THAT CERTAIN LOCK-UP AGREEMENT, DATED APRIL 29, 2011, AND MAY NOT BE SOLD, TRANSFERRED, PLEDGED OR OTHERWISE DISPOSED OF, EXCEPT IN ACCORDANCE THEREWITH.

3.24 Representations Separate. Each of the representations and warranties in this Article III shall be construed as a separate representation or warranty and (save as expressly provided to the contrary in this Article III) shall not be limited or restricted by reference to or inference from the terms of any other representation or warranty.

ARTICLE IV - REPRESENTATIONS AND WARRANTIES OF PURCHASER

4.1 Purchaser's Representations and Warranties. The Purchaser represents and warrants to the Sellers, and each of them, as of the date of this Agreement and as of the Closing Date, as follows:

(a) The Purchaser is a corporation duly organized and in good standing under the laws of the State of Delaware.

(b) The Purchaser has full corporate power and authority to execute and deliver this Agreement and each other document delivered in connection herewith and to consummate the transactions contemplated in this Agreement.

(c) This Agreement and other documents executed and delivered by the Purchaser in connection with this Agreement have been duly authorized and constitute binding obligations, and are enforceable against, the Purchaser in accordance with their respective terms.

(d) The INVE Shares (i) representing the Share Consideration to be issued subject to and in accordance with the terms and conditions of this Agreement have been duly authorized by all necessary corporate action of the Purchaser and (ii) representing the Earn-Out Consideration to be issued in accordance with the terms and conditions of this Agreement will, prior to issuance thereof, be duly authorized by all necessary corporate action of the Purchaser, and, in each case, when issued in accordance herewith, will be validly issued, fully paid and non-assessable.

(e) The Purchaser has filed all forms, reports and documents required to be filed by it with the SEC since January 1, 2010 through the date of this Agreement (collectively, the **Purchaser SEC Reports**). As of the respective dates they were filed or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing, (i) the Purchaser SEC Reports complied in all material respects with the requirements of the Securities Act or the Securities Exchange Act of 1934, as amended (the **Exchange Act**), as the case may be, and (ii) none of the Purchaser SEC Reports contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(f) Purchaser will have, as of the Closing Date, sufficient funds available to consummate the transactions contemplated by, and to perform its obligations under, this Agreement. Purchaser acknowledges and agrees that Purchaser's performance of its obligations under this Agreement is not in any way contingent upon the availability of financing to Purchaser.

(g) Purchaser is an accredited investor as defined under Rule 501 of the Securities Act and is acquiring the Sellers' Shares for its own account and not with a view to, or intention of, distribution thereof in violation of the Securities Act or any applicable state or foreign securities laws, and such Sellers' Shares will not be disposed of in contravention of the Securities Act or such laws. Purchaser acknowledges that (i) the Sellers' Shares have not been registered under the Securities Act or any state or foreign securities laws, (ii) there is no public market for the Sellers' Shares and there can be no assurance that a public market shall develop, and (iii) it must bear the economic risk of its investment in the Sellers' Shares for an indefinite period of time.

(h) No suit, action or other proceeding is pending or, to the knowledge of the Purchase, threatened before any Governmental Authority seeking to restrain the Purchaser or prohibit its entry into this Agreement or prohibit the Closing, or seeking

damages against the Purchaser or its Properties as a result of the consummation of the transactions provided in this Agreement.

(i) Neither the execution and delivery of this Agreement by Purchaser nor the carrying out by Purchaser of any of the transactions contemplated hereby will:

(i) violate or conflict with any of the terms, conditions or provisions of the certificate of incorporation or bylaws of the Purchaser;

(ii) violate any Legal Requirements applicable to Purchaser in a manner which would have a Material Adverse Effect;

(iii) violate, conflict with, result in a breach of, constitute a default under (whether with or without notice or the lapse of time or both), or accelerate or permit the acceleration of the performance required by, or give any other party the right to terminate, any Contract or Permit binding upon or applicable to the Company, which violation, conflict, breach, default, acceleration or right would have a Material Adverse Effect;

(iv) result in the creation of any lien, charge or other encumbrance on any Properties of the Company which would have a Material Adverse Effect; or

(v) require Purchaser to obtain or make any waiver, consent, action, approval or authorization of, or registration, declaration, notice or filing with, any private non-governmental third party or any Governmental Authority, except for any filings or notices that may be required under applicable federal and state securities laws and The NASDAQ Stock Exchange.

(xxi) commit to do any of the foregoing.

5.3 Preferential Purchase Rights. To the extent there are any parties entitled or who may become entitled to exercise preferential purchase or consent rights with respect to the transactions contemplated hereby, the Sellers, and each of them, shall promptly use their best efforts to obtain the agreement in writing of such parties to waive or not exercise such rights, which request shall be in form reasonably satisfactory to and approved by Purchaser.

5.4 Ensure Conditions Met. Subject to the terms and conditions of this Agreement, each party hereto shall use all reasonable best efforts to take or cause to be taken all actions and do or cause to be done all things required under applicable Legal Requirements in order to consummate the transactions contemplated hereby, including, without limitation, (i) obtaining all Permits, authorizations, consents and approvals of any Governmental Authority or other person which are required for or in connection with the consummation of the transactions contemplated hereby and by the Ancillary Agreements, (ii) taking any and all reasonable actions necessary to satisfy all of the conditions to each party's obligations hereunder as set forth in Article VI, and (iii) executing and delivering all agreements and documents required by the terms hereof to be executed and delivered by such party on or prior to the Closing.

5.5 Employee Matters. The Sellers' Representative shall use his best efforts to procure that:

(a) The Company shall take such actions as may be necessary or appropriate to cause each Plan or Benefit Program or Agreement in effect on the date of this Agreement to remain in full force and effect; provided, however, that to the extent requested in writing by Purchaser at least three (3) days prior to the Closing Date, the Company shall, effective as of the Closing Date, cease to sponsor, maintain or contribute to any Plan or Benefit Program or Agreement specified by Purchaser in such written request.

(b) The Company shall permit Purchaser to contact and make arrangements with the Company's employees for the purpose of assuring their continued employment by the Company after the Closing and for the purpose of ensuring the continuity of the Company's business, and the Company agrees not to discourage any such employees from consulting with Purchaser.

(c) The Company shall use its commercially reasonable efforts to keep available the services of its present employees through the Closing Date.

5.6 Payoff; Debt Conversion. (a) Prior to Closing, Hart shall use his reasonable best efforts to procure that (i) the Company shall payoff all indebtedness for borrowed money of the Company and receive from each such creditor an agreement to deliver, upon full payment, UCC-3 termination statements, other appropriate releases and any original promissory notes or other evidences of indebtedness marked canceled, and (ii) the Company shall provide Purchaser with evidence of satisfaction in full or release of all guarantees, notes, or obligations of the Company to or on behalf of the Seller or any other Affiliate of the Company.

(b) Prior to the Closing Date, in accordance with Section 1.2(c), Hart shall convert all outstanding Hart Promissory Notes held by him into shares of Common Stock and shall provide Purchaser with evidence as it shall deem necessary and appropriate of such conversion.

Any investigation pursuant to this Section 5.7 shall be conducted during normal business hours in such manner as not to interfere unreasonably with the conduct of the business of the Sellers or the Company.

5.8 Conduct of the Sellers. During the period between the date of this Agreement and the Closing Date, the Sellers will not, and will not permit the Company to, take or agree or commit to take any action that would make any representation or warranty of the Sellers hereunder inaccurate in any material respect at, or as of any time prior to, the Closing Date or to omit or agree or commit to omit to take any action necessary to prevent any such representation or warranty from being inaccurate in any material respect at any such time.

5.9 Withholding. To the extent any portion of the Purchase Price is subject to withholding or similar Tax, such withheld amounts shall be considered to have been paid to the Sellers for purposes of this Agreement. Hart shall cause the Company to deliver to the Purchaser an affidavit in the form of Exhibit C hereto, under penalty of perjury, stating the Company is not and has not been a United States real property holding corporation, dated as of the Closing Date and in form and substance required under Treasury Regulation Section 1.897-2(h) so that Purchaser is exempt from withholding under Section 1445 of the Internal Revenue Code any portion of the Purchase Price hereunder.

ARTICLE VI - CONDITIONS TO OBLIGATIONS OF SELLERS AND PURCHASER

6.1 Conditions to Obligations of the Sellers. The obligations of the Sellers to carry out the transactions contemplated by this Agreement are subject, at the option of the Sellers, to the satisfaction or waiver of the following conditions:

(a) All representations and warranties of Purchaser contained in this Agreement shall be true and correct in all material respects at and as of the Closing, and Purchaser shall have performed and satisfied in all material respects all covenants and agreements required by this Agreement to be performed and satisfied by it prior to the Closing.

ARTICLE VII - POST-CLOSING OBLIGATIONS

7.1 Further Assurances. Following the Closing, the Sellers and the Purchaser shall execute and deliver such documents, and take such other action, as shall be reasonably requested by any other party hereto to carry out the transactions contemplated by this Agreement.

7.2 Publicity. None of the parties hereto shall issue or make, or cause to have issued or made, any public release or announcement concerning this Agreement or the transactions contemplated hereby, without the advance approval in writing of the form and substance thereof by each of the other parties, except as required by law (in which case, so far as possible, there shall be consultation among the parties prior to such announcement), and the parties shall endeavor jointly to agree on the text of any announcement or circular so approved or required.

7.3 Access to Information. On and after the Closing Date, the Sellers will promptly give to the Purchaser and its agents reasonable access to books of account, financial and other records (including, without limitation, accountant's work papers), information, employees and auditors of the Company and its Affiliates to the extent necessary or useful for the Purchaser in connection with any audit, investigation, dispute or litigation or any other reasonable business purpose relating to the Company. Any access pursuant to this Section 7.3 shall not interfere unreasonably with the conduct of the business of the Company or its Affiliates.

7.4 Non-Competition, Non-Solicitation and Non-Disclosure.

(a) General. In consideration of the payment of the Purchase Price, and in order to induce the Purchaser to enter into this Agreement and to consummate the transactions contemplated hereby, Hart hereby covenants and agrees as follows:

(i) Without the prior written consent of the Purchaser, Hart shall not for a period of five (5) years from and after the Closing Date (A) directly or indirectly acquire or own in any manner any interest in any person, firm, partnership, corporation, association or other entity which engages or plans to engage in any facet of the business of the Company or which competes or plans to compete in any way with the Purchaser or any of its subsidiaries or Affiliates, anywhere in the world (the **Territory**), (B) be employed by or serve as an employee, agent, officer, director of, or as a consultant to, any person, firm, partnership, corporation, association or other entity which engages or plans to engage in any facet of the business of the Company or which competes or plans to compete in any way with the Purchaser or any of its subsidiaries or Affiliates within the Territory, or (C) utilize his special knowledge of the business of the Company and his or its relationships with customers, suppliers and others to compete with Purchaser and/or any of its Affiliates in any business; provided, however, that nothing herein shall be deemed to prevent Hart from (i) (A) owning securities, directly or indirectly, in and (B) acting as an officer or a member of the board of directors of each of Mojo Ideas, Inc., Nexkey Systems, Inc. and Mission Peak Ranch, Inc., provided, however, that (1) Hart's participation as an officer or a director of any such entity does not impair his ability to perform fully or otherwise detract from his obligations to the Company under his Employment Agreement, and (2) any such entity is not reasonably considered by Purchaser, after consultation with Hart, to be a competitor of the Purchaser or any of its subsidiaries or Affiliates, and (ii) acquiring through market purchases and owning, solely as an investment, less than three percent (3%) in the aggregate of the equity securities of any class of any issuer whose shares are registered under Section 12(b) or Section 12(g) of the Exchange Act, and are listed or admitted for trading on any United States national securities exchange or are quoted on any system of automated dissemination of quotations of securities prices in common use, so long as Hart is not a member of any control group (within the meaning of the rules and regulations of the SEC) of any such issuer. Hart acknowledges and agrees that the covenants provided for in this Section 7.4(a) are reasonable and necessary in terms of time, area and line of business to protect the Company's and the Purchaser's trade secrets. Hart further acknowledges and agrees that such covenants are reasonable and necessary in terms of time, area and line of business to protect the Company's and the Purchaser's legitimate business interests, which include its interests in protecting their respective (i) valuable confidential business information, (ii) substantial relationships with customers throughout the Territory, and (iii) customer goodwill associated with the ongoing business of the Company and the Purchaser. Hart expressly authorizes the enforcement of the covenants provided for in this Section 7.4(a) by (A) the Purchaser and its subsidiaries and Affiliates, (B) the Purchaser's permitted assigns, and (C) any successors to the Purchaser's business. In the event of a merger, sale of substantially all of the assets of the Purchaser, or other

business combination, resulting in a change of control of the Purchaser, the covenants in Section 7.4(a)(i) shall apply to any business activity of the Purchaser as of the date immediately preceding the consummation of the change of control. To the extent that the covenants provided for in this Section 7.4(a)(i) may later be deemed by a court to be too broad to be enforced with respect to its duration or with respect to any particular activity or geographic area, the court making such determination shall have the power to reduce the duration or scope of the provision, and to add or delete specific words or phrases to or from the provision. The provision as modified shall then be enforced.

(ii) Hart agrees that any breach of the covenants in Section 7.4(a)(i) would cause immediate and irreparable harm and damage to Purchaser, for which monetary relief would be inadequate or extremely difficult to ascertain. Accordingly, in case of any breach of the covenants in Section 7.4(a)(i), in addition to any other relief (including interim and permanent injunctive relief or other appropriate form of equitable relief) that may be available to the Purchaser, Hart shall pay to the Purchaser in liquidated damages an amount of \$500,000 for each breach of such covenants.

(iii) Without the prior consent of Purchaser, Hart shall not, for a period of five (5) years from the Closing Date, directly or indirectly, for himself or for any other person, firm, corporation, partnership, association or other entity, (i) attempt to employ or enter into any contractual arrangement with any employee or former employee of the Company, unless such employee or former employee has not been employed by the Company for a period in excess of nine months (except to the extent such employee responds to a general solicitation for employment or contracting that is not targeted to such employee), and/or (ii) call on or solicit any of the actual or targeted prospective customers or clients of the Company or the Purchaser, nor shall Hart make known the names and addresses of such customers or any information relating in any manner to the Company's or Purchaser's trade or business relationships with such customers.

(b) In consideration of the payment of the Purchase Price, and in order to induce the Purchaser to enter into this Agreement and to consummate the transactions contemplated hereby, without the prior written consent of the Purchaser, prior to the payment, if any, of Earn-Out Consideration for the calendar year ending December 31, 2014, Matthew Herscovitch (**Herscovitch**) shall not (A) directly or indirectly acquire or own in any manner any interest in any person, firm, partnership, corporation, association or other entity which engages or plans to engage in any facet of the business of the Company or which competes or plans to compete in any way with the Purchaser or any of its subsidiaries or Affiliates, in the Territory, (B) be employed by or serve as an employee, agent, officer, director of, or as a consultant to, any person, firm, partnership, corporation, association or other entity which engages or plans to engage in any facet of the business of the Company or which competes or plans to compete in any way with the Purchaser or any of its subsidiaries or Affiliates within the Territory, or (C) utilize his special knowledge of the business of the Company and his or its relationships with customers, suppliers and others to compete with Purchaser and/or any of its Affiliates in any business; provided.

however, that nothing herein shall be deemed to prevent Herscovitch from acquiring through market purchases and owning, solely as an investment, less than three percent (3%) in the aggregate of the equity securities of any class of any issuer whose shares are registered under Section 12(b) or Section 12(g) of the Exchange Act, and are listed or admitted for trading on any United States national securities exchange or are quoted on any system of automated dissemination of quotations of securities prices in common use, so long as Herscovitch is not a member of any control group (within the meaning of the rules and regulations of the SEC) of any such issuer. Herscovitch acknowledges and agrees that the covenants provided for in this Section 7.4(b) are reasonable and necessary in terms of time, area and line of business to protect the Company's and the Purchaser's trade secrets. Herscovitch further acknowledges and agrees that such covenants are reasonable and necessary in terms of time, area and line of business to protect the Company's and the Purchaser's legitimate business interests, which include its interests in protecting their respective (i) valuable confidential business information, (ii) substantial relationships with customers throughout the Territory, and (iii) customer goodwill associated with the ongoing business of the Company and the Purchaser. Herscovitch expressly authorizes the enforcement of the covenants provided for in this Section 7.4(b) by (A) the Purchaser and its subsidiaries and Affiliates, (B) the Purchaser's permitted assigns, and (C) any successors to the Purchaser's business. In the event of a merger, sale of substantially all of the assets of the Purchaser, or other business combination, resulting in a change of control of the Purchaser, the covenants in Section 7.4(b) shall apply to any business activity of the Purchaser as of the date immediately preceding the consummation of the change of control. To the extent that the covenants provided for in this Section 7.4(b) may later be deemed by a court to be too broad to be enforced with respect to its duration or with respect to any particular activity or geographic area, the court making such determination shall have the power to reduce the duration or scope of the provision, and to add or delete specific words or phrases to or from the provision. The provision as modified shall then be enforced.

(c) After the Closing, the Sellers and each of its Affiliates shall, and shall use their best efforts to cause their respective officers, directors, employees, accountants, counsel, consultants, advisors and agents and other representatives to, hold in confidence (unless compelled to disclose by requirements of law) and not use in any manner any confidential documents or other information concerning the Business or the Company (including Intellectual Property and Business Know-How), provided that these restrictions shall not apply to any information that the Sellers can conclusively show to have been at the time of disclosure or use (A) in the public domain, by publication or otherwise, except by violation of this Agreement on behalf of the Sellers or its Affiliates or their respective representatives or (B) furnished to the Sellers after disclosure by a third party without any obligation of confidentiality or restriction on disclosure, provided that such information was not directly or indirectly received from the Company.

(d) Injunction. It is recognized and hereby acknowledged by the parties hereto that a breach or violation by Seller of any or all of the covenants and agreements contained in this Section 7.4 may cause irreparable harm and damage to Purchaser in a

monetary amount which may be virtually impossible to ascertain. As a result, Seller recognizes and hereby acknowledges that Purchaser shall be entitled to an injunction from any court of competent jurisdiction enjoining and restraining any breach or violation of any or all of the covenants and agreements contained in this Section 7.4 by Seller and/or his associates, Affiliates, partners or agents, either directly or indirectly, and that such right to injunction shall be cumulative and in addition to whatever other rights or remedies the Purchaser may possess hereunder, at law or in equity. Nothing contained in this Section 7.4 shall be construed to prevent Purchaser from seeking and recovering from Seller damages sustained by it as a result of any breach or violation by Seller of any of the covenants or agreements contained herein.

7.5 Indemnity by the Sellers. (a) From and after the Closing, the Sellers shall, severally and not jointly, indemnify and hold harmless Purchaser and its Affiliates, directors, officers and employees from and against any and all Damages arising out of, resulting from or in any way related to (i) a breach of, or the failure to perform or satisfy any of, the representations, warranties, covenants and agreements made by the Sellers or any of them in this Agreement or in any document or certificate delivered by the Sellers at the Closing pursuant hereto, (ii) the occurrence of any event on or prior to the date of Closing that is (or would be, but for any deductible thereunder) not covered by individual policies of insurance, blanket insurance policies or self insurance programs maintained by the Company, (iii) the existence of any liabilities or obligations of the Company (whether accrued, absolute, contingent, known or unknown, or otherwise, and whether or not of a nature appropriate for inclusion in a balance sheet in accordance with GAAP) other than those contemplated by Section 3.8 hereof, but including any trailing liabilities from agreements entered into prior to the Closing Date, and (iv) all Tax, and all Losses resulting from, arising out of or relating to Tax, to the extent such Tax or Losses arise from, are attributable to or related to any Tax period ending on or before the Closing Date or, with respect to any Tax period that commences before the Closing Date but ends after the Closing Date, the portion of such Tax or Losses period up to and including the Closing Date. Any Damages payable to Purchaser by the Sellers, or any of them, pursuant to the indemnification obligations under this Section 7.5 shall constitute, first, a reduction in the Earn-Out Consideration hereunder to the extent available and, thereafter, the Sellers shall be liable to the Purchaser for any remaining Damages to which Purchaser may be entitled hereunder. Notwithstanding the foregoing, the liability that the Sellers, or any of them, shall have pursuant to this Section 7.5 shall be limited to the amount of the Purchase Price and Earn-Out Consideration received by any such Seller or Sellers pursuant to the terms of this Agreement.

(b) Any claim by the Purchaser under this Section 7.5(a) shall be made not later than the date which is three (3) years from the Closing Date, provided that such limit in time shall not apply to breach of claims for or non-fulfillment of any covenant in this Agreement or any other breach of this Agreement, for which no time limit shall exist.

(c) The Purchaser's entitlement to indemnification under this Agreement shall in no event be affected by the fact that the Purchaser has paid the Purchase Price, in part or in whole.

(d) The Sellers undertake not to make any claim against the Company, or against any director or employee of the Company, regarding any matter, on which the Sellers may have relied when entering into this Agreement.

7.6 Indemnity by Purchaser. In the event of (i) any breach of any representation or warranty made by Purchaser contained in this Agreement, (ii) any breach of any covenant or agreement of Purchaser contained herein, provided that the Sellers make a written claim for indemnification within the date that is eighteen (18) months from the Closing Date, then Purchaser shall be obligated to indemnify each of the Sellers and their respective Affiliates and/or agents from and against the amount of any Damages suffered by them as a result of, in connection with, or arising out of such breach. Notwithstanding the foregoing, the liability that the Purchaser shall have to any Seller pursuant to this Section 7.6 shall be limited to the amount of the Purchase Price and Earn-Out Consideration paid by Purchaser to such Seller pursuant to the terms of this Agreement.

7.7 Exclusive Remedy. Each of the Sellers and the Purchaser acknowledge and agree that the indemnification provisions set forth in Sections 7.5 and 7.6 shall be the exclusive remedy for any breach of this Agreement and any claims with respect to the transactions contemplated hereby.

7.8 Tax Matters.

(a) The Purchaser shall prepare or cause to be prepared and file or cause to be filed all Tax Returns required to be filed by or with respect to the Company for any Pre-Closing Tax Period, the due date for filing of which (taking into account extensions, if any) is after the Closing Date, and Hart shall procure that the Company remits to the Purchaser any Taxes due in respect of such Tax Returns. The Purchaser shall permit the Sellers' Representative to review and comment on each such Tax Return described in the preceding sentence prior to filing and shall make such revisions to such Tax Returns as are reasonably requested by the Sellers' Representative. All such Tax Returns shall be prepared on a basis consistent with past practice, procedures and accounting methods except to the extent otherwise required by applicable law. Neither Purchaser, the Company, nor any of their Affiliates shall make any election under Section 338 of the Code with respect to the transactions contemplated by this Agreement without the consent of the Sellers' Representative, which consent shall not be unreasonably withheld,

(b) Unless required by applicable law, Purchaser shall not file, or cause to be filed, any amended Tax Return with respect to a Pre-Closing Tax Period that would have the effect of increasing the Sellers' liability for indemnification under Section 7.5 with respect to Taxes.

(c) If Purchaser or Company receives notice of a Tax Proceeding with respect to a Pre-Closing Tax Period, then Purchaser shall notify the Sellers Representative of such notice within fifteen (15) days after receipt of such notice. The Purchaser will have the right to control the conduct of any Tax Proceeding. The Purchaser shall, however, keep the Sellers Representative informed of all developments in the Tax Proceeding on a timely basis, shall provide to the Sellers Representative copies of any and all correspondence received from the Tax Authority related to such Tax Proceeding and shall provide the Sellers Representative with the opportunity to attend conferences, hearings and other meetings with or involving the Tax Authority and to review and provide comments with respect to written responses provided to the Tax Authority with respect to such Tax Proceeding, in each case, to the extent the outcome of such Tax Proceeding could reasonably be expected to affect the Sellers. Each Party shall bear its own costs to participate in a Tax Proceeding.

(d) In connection with the preparation of Tax Returns and any Tax Proceedings relating to the Tax liabilities of the Company for a Pre-Closing Tax Period, the Purchaser and the Company, on the one hand, and Sellers Representative, on the other hand, shall cooperate fully with each other, including, without limitation, the furnishing or making available during normal business hours of records, personnel (as reasonably required), books of account, powers of attorney or other materials necessary or helpful for the preparation of such Tax Returns and the conduct of any Tax Proceeding or the defense of claims by Tax Authorities as to the imposition of Taxes.

(e) All transfer, documentary, sales, use, stamp, registration and other such Taxes, and all conveyance fees, recording charges and other fees and charges (including penalties and interest) incurred in connection with the transactions contemplated by this Agreement shall be paid by Sellers when due, and Sellers will, at their own expense, file all necessary Tax Returns and other documentation with respect to all such Taxes, fees and charges, and, if required by applicable law, Purchaser will, and will cause the Company to, join in the execution of any such Tax Returns and other documentation.

8.5 Dispute Resolution: Arbitration. Any and all controversies, claims or disputes arising out of, related to, or in connection with this Agreement or the interpretation, performance or breach hereof, including, but not limited to, alleged violations of state or federal statutory or common law rights or duties, shall be finally settled by binding arbitration conducted expeditiously by one neutral, independent and disinterested arbitrator (or if the parties cannot agree upon a single arbitrator within a reasonable time, then each party shall select one neutral, independent and disinterested arbitrator and those arbitrators shall select a third (who shall be appointed as the chair of the panel) and there shall be a panel of three arbitrators) in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The arbitration shall occur under the auspices of the United States Arbitration Act, 9 U.S.C. §§1-6, and judgment upon the award

rendered by the arbitrator(s) may be entered by any court having jurisdiction thereunder. The place of arbitration shall be Boston, MA and the arbitrator(s) shall apply the laws of the State of Delaware (without giving effect to the conflict of laws provisions thereof). Each Party shall bear its own attorneys' and other experts' fees and disbursements and other costs and expenses of arbitration. All expenses and fees of the arbitrators and expenses for hearing facilities and other expenses of the arbitration shall be borne equally by the Purchaser, on one hand, and the Sellers, on the other hand, unless they agree otherwise.

8.6 Costs and Expenses. Each of the parties to this Agreement shall bear his or its own expenses incurred in connection with the negotiation, preparation, execution and closing of this Agreement and the transactions contemplated hereby (the **Transaction Expenses**); provided, however, that the Sellers shall be responsible for and shall discharge all Transaction Expenses incurred by or on behalf of the Sellers and/or the Company (it being the parties' agreement that the Company shall not bear or otherwise be liable for any such expenses).

8.7 Representations and Warranties. Each of the representations and warranties of each of the parties to this Agreement shall be deemed to have been made, and the certificates delivered pursuant to clauses (iii) and (iv) of Section 2.1(c) by a party are agreed to and shall be deemed to constitute the making of such representations and warranties, again at and as of the Closing by and on behalf of the party on behalf of whom such certificates are delivered.

8.8 Entire Agreement; Amendments and Waivers. This Agreement, together with all exhibits and schedules attached hereto, constitutes the entire agreement between and among the parties hereto pertaining to the subject matter hereof and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, of the parties, and there are no warranties, representations or other agreements between the parties in connection with the subject matter hereof except as set forth specifically herein or contemplated hereby. No supplement, modification or waiver of this Agreement shall be binding unless executed in writing by the party to be bound thereby. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (regardless of whether similar), nor shall any such waiver constitute a continuing waiver unless otherwise expressly provided.

8.9 Binding Effect and Assignment. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns; but neither this Agreement nor any of the rights, benefits or obligations hereunder shall be assigned, by operation of law or otherwise, by any party hereto without the prior written consent of the other party, provided, however, that nothing herein shall prohibit the assignment of Purchaser's rights and obligations to any direct or indirect subsidiary or prohibit the assignment of Purchaser's rights (but not obligations) to any lender. Nothing in this Agreement, express or implied, is intended to confer upon any person or entity other

than the parties hereto and their respective permitted successors and assigns, any rights, benefits or obligations hereunder.

8.10 Remedies. The rights and remedies provided by this Agreement are cumulative, and the use of any one right or remedy by any party hereto shall not preclude or constitute a waiver of its right to use any or all other remedies. Such rights and remedies are given in addition to any other rights and remedies a party may have by law, statute or otherwise.

8.11 [Reserved].

8.12 Exhibits and Schedules. The Exhibits and Schedules referred to herein are attached hereto and incorporated herein by this reference. Disclosure of a specific item in any one Schedule shall be deemed restricted only to the Section to which such disclosure specifically relates except where (i) there is an explicit cross-reference to another Schedule, and (ii) Purchaser could reasonably be expected to ascertain the scope of the modification to a representation intended by such cross-reference.

8.13 Multiple Counterparts. This Agreement may be executed in multiple counterparts, including by facsimile or electronic signature, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

References to monetary amounts, specific named statutes and generally accepted accounting principles are intended to be and shall be construed as references to United States dollars, statutes of the United States of the stated name and United States generally accepted accounting principles, respectively, unless the context otherwise requires.

(b) The provisions of this Agreement shall be construed according to their fair meaning and neither for nor against any party hereto irrespective of which party caused such provisions to be drafted. Each of the parties acknowledge that it has been represented by an attorney in connection with the preparation and execution of this Agreement.

8.15 Survival. Any provision of this Agreement which contemplates performance or the existence of obligations after the Closing Date, and any and all representations and warranties set forth in this Agreement, shall not be deemed to be merged into or waived by the execution and delivery of the instruments executed at the Closing, but shall expressly survive Closing and shall be binding upon the party or parties obligated thereby in

8.16 Representative of the Sellers; Power of Attorney.

(a) Each of the Sellers designates Hart as its representative (the **Sellers Representative**) for all purposes under this Agreement, including receipt of disclosures, granting and/or executing consents or waivers, receiving notices and agreeing to and executing amendments and/or modifications to this Agreement. Any such receipt, grant, agreement and/or execution by Hart shall be valid and binding on each of the Sellers. The designation by the Sellers of such representative may not be revoked without the written consent of Purchaser.

(b) Each Seller whose signature to this Agreement appears on the signature page below hereby constitutes and appoints Jason Hart as Seller's true and lawful attorney-in-fact and agent, for such Seller and in such Seller's name, place and stead, in any and all capacities, to sign any and all documents, instruments, agreements or certificates as may be required hereunder from and after the Closing Date, and does hereby grant unto said attorney-in-fact and agent full power and authority to do and perform each and every act and thing requisite and necessary to be done in and about the premises, as fully to all intents and purposes as such Seller might or could do in person in connection with any matter arising out of or acton required by this Agreement, hereby ratifying and confirming all that said attorney-in-fact and agents may lawfully do or cause to be done by virtue hereof.

Identive Group Acquires idOnDemand

SaaS-based Identity Credentials Extend Secure ID Capabilities

SANTA ANA, Calif., ISMANING, Germany and PLEASANTON, Calif., May 4, 2011 Identive Group, Inc. (NASDAQ: INVE; Frankfurt: INV), a provider of products, services and solutions for the security, identification and RFID industries, today announced that it has acquired substantially all of the shares of stock of idOnDemand, Inc., a provider of service-based identity credential provisioning and management. The transaction closed on May 2, 2011. Privately-held idOnDemand is headquartered in Pleasanton, California and maintains data centers in Santa Clara, California and Canberra, Australia. Jason Hart, founder, chief executive officer and the majority shareholder of idOnDemand, will continue to manage the company as a business unit within Identive Group.

idOnDemand is a pioneer of the Software as a Service (SaaS) business model, delivering a managed identity service that allows organizations to use a single, globally-trusted credential for secure access to buildings, computers, mobile devices and corporate information stored in the cloud. Moreover, idOnDemand's service-based solutions provide identity management at a lower cost and with more control than traditional in-house systems. Based on its own strong IP portfolio and IP licensed from ActivIdentity, idOnDemand's technology supports a range of corporate standards, including the strict security and authentication requirements of the U.S. government's FIPS 201 specifications.

Ayman S. Ashour, chairman and chief executive officer of Identive Group, commented, "idOnDemand's SaaS model enhances our ability to provide electronic security credentials for employees, citizens and consumers, with one of the most cost-effective and secure approaches available. The company's commitment to a standards-based approach and its ability to customize solutions is very attractive, as this significantly decreases the challenge and expense of converging physical access systems with IT security. Additionally, this transaction further strengthens Identive's position in the growing near field communication (NFC) solutions market through idOnDemand's patent-pending One-Time Password (OTP) corporate mobile authentication technology. Jason and his team bring deep expertise and experience in the secure identity market and I am very pleased to welcome the idOnDemand team to Identive."

Jason Hart commented, Identive and idOnDemand share a common vision of enabling trusted electronic interaction for consumers, employees and citizens. The combination of the two organizations' product lines and services delivers superior solutions along the entire secure ID value chain. idOnDemand will now be able to leverage the expertise and resources of other Identive companies to further boost our growth momentum and to expand our market extending partnerships and geographic reach. I am very excited about the greater opportunities with Identive that now lie ahead.

In return for 95.8% of the outstanding shares of idOnDemand, Identive Group paid initial consideration of approximately \$2.4 million cash and 995,675 shares to a group of selling shareholders of idOnDemand. Total consideration also includes an earn-out worth up to approximately \$21.0 million in shares of Identive common stock, dependent on the achievement of specific EBITDA and sales performance targets over the next three years and eight months. The shares issued at closing are subject to a two-year lock-up from the closing date of the acquisition, after which shares will be released from lock-up monthly, in equal amounts over a 12-month period. In addition, up to 425,000 shares will be released from lock-up six months following the closing date. Any shares issued in connection with the earn-out will be subject to a 12-month lock-up from date of issuance. Total Identive shares issued as consideration in the transaction are capped at 19.9% of Identive's common stock issued and outstanding as of April 29, 2011.
