BIRKS & MAYORS REPORTS MID-YEAR RESULTS

Montreal, Quebec, November 16, 2011- Birks & Mayors Inc. (the Company or Birks & Mayors) (NYSE AMEX:BMJ), which operates 61 luxury jewelry stores across Canada, Florida and Georgia, reported results for the twenty-six week period ended September 24, 2011.

For the 26 Weeks Ended September 24, 2011 compared to the 26 Weeks Ended September 25, 2010

Net sales increased 16.8% to \$129.9 million from \$111.2 million in the prior-year period;

Comparable store sales were up 6% as compared to the prior-year period;

Gross profit margin grew by 160 basis points over the prior-year period; and

The net loss for the period decreased by \$3.9 million or \$0.35 per share to \$5.6 million, or \$0.49 per share, from a net loss of \$9.5 million, or \$0.84 per share, in the prior-year period.

Six-Month Fiscal 2012 Results

Net sales for the 26-week period ended September 24, 2011 increased 16.8% to \$129.9 million from \$111.2 million for the 26-week period ended September 25, 2010. The increase in reported net sales for the current 26-week period is primarily attributable to comparable store sales growth of 6%, \$4.9 million of higher sales generated from a new store opening net of \$1.5 million of lower sales associated with the closure of four stores and \$4.3 million of higher sales associated with foreign currency translation of the Company's Canadian operations into U.S. dollars due to the stronger Canadian dollar. The comparable store sales increase of 6% reflects a 4% comparable store sales increase in Canada and a 9% increase in the U.S. The increase in comparable store sales in both Canada and the U.S. is primarily attributable to an increase in the Company's average sale as well as an increase in sales transactions in the U.S.

Gross profit was \$57.6 million, or 44.3% of net sales in the first six months of fiscal 2012, as compared to \$47.5 million, or 42.7% of net sales, in the prior year period. The 160 basis point increase was primarily attributable to retail price increases and a reduction in promotional pricing activities.

Selling, general and administrative expenses (SG&A) for the period were \$55.2 million, or 42.5% of net sales, as compared to \$48.6 million, or 43.7% of net sales, in the prior-year period. The \$6.6 million increase in SG&A was primarily attributable to \$1.9 million of higher expenses related to foreign currency translation resulting from the translation of Canadian expenses into U.S. dollars with a relatively stronger Canadian dollar and \$4.7 million of higher operating

expenses primarily due to increased compensation expenses, rent and credit card fees related to higher sales, gross margin and operating profits, increased spending on marketing as well as expenses related to expanding the distribution of the Birks product brand through international channels.

Inventory totaled \$146.0 million at September 24, 2011, as compared to \$140.8 million at September 25, 2010, an increase of \$5.2 million or 3.7%. The Company's inventory is higher than last fiscal year due primarily to increased costs of precious metals, diamonds and Swiss timepieces, a higher level of inventory associated with the opening of the Company's new Rolex store, partially offset by the impact of the Company's closure of four store locations since September 25, 2010.

Tom Andruskevich, President and Chief Executive Officer of Birks & Mayors, commented: During the first half of the fiscal year we continued to generate strong improvements in our performance even during the continuing uncertain economic environment. We are encouraged by the progress we have achieved in executing our merchandising and marketing strategies resulting in improved sales, gross margin and operating profit so far this year and will continue to focus on generating increases in sales and gross profits throughout the holiday season in order to return the Company to profitability. In addition, we plan to continue to control expenses, manage the level and productivity of our inventory, and limit capital expenditures while continuing to focus on providing superior customer service and maintaining strong client relationships.
